"And let the beauty of the Lord our God be upon us; and establish Thou the work of our hands upon us; yea, the work of our hands establish Thou it."

The Lord has blessed our Church not only spiritually but also materially. Many devout workers have prayed that the Lord should establish the work of our hands, and His shall be the glory for whatever may have been accomplished for the extension of His Kingdom also this year.

It is true that it has been a year of many difficulties. The ingathering of funds has not brought results as in former years. The returns from the endowments were below normal, and other income was short of what it used to be, due to the entangled economic conditions.

Even though this may bring with it an element of discouragement, we must not permit pessimism and discontent to cause us to retard our work. We must not lose sight of Him who has promised to bless and establish the work of our hands and who has brought our Church to where it is today. The greatest asset after all is that we may turn to Him who has said: "The silver is mine and the gold is mine," "and the cattle upon a thousand hills." On the other hand, caution must be exercised in the administration of the financial affairs of our Church.

The advances made to the different activities and institutions should be refunded very soon.

The old deficit now totaling $246,521.07 should be gathered at once, and an earnest endeavor be made not to create new deficits.

The more compact and complicated parts of this report have been set out by schedules and explanations in order that it may be better understood. It is likely that but comparatively few realize the magnitude of the business affairs of our Church, but trust that a careful study of our financial reports may aid in obtaining a more comprehensive view of its financial situation. The large amounts representing the assets of our Church should be an incentive to glorify His name "from whom all blessings flow" and the deficits and liabilities a challenge to the willingness of sacrifice on the part of our people.

May the supreme sacrifice made by Him who has given our Church its work to do accentuate our responsibility to Him.

Respectfully submitted,

—H. O. SHURSON, Treasurer.

I. EASTERN DISTRICT

A) President's Message

Dear Brethren in Christ:

Grace be to you and peace from God the Father and from our Lord Jesus Christ, who gave Himself for our sins, that He might deliver us from this present evil world, according to the will of God and Our Father; to whom be glory for ever and ever. Amen.

Many changes have taken place since last May, when we assembled in convention. Co-workers have been parted by death. New forces have been added in the Church. Economic conditions have created much difficulty in many Churches. The people are feeling the pinch of depression. Many have lost a fortune. Some changes and plans have been voluntary, effected by our own desire and will. We easily feel encouraged and satisfied when the plans of our own mind succeed. And if the plans be consistent with the mind of God's Holy Spirit, it is well that we find encouragement in success; for that success is not counterfeit. Many of the circumstances that are now affecting our lives and the work of the Church at home and in missionary fields, have come not by our will and desire and are beyond our control; some are fearful and discouraged, because our well laid plans are not succeeding so well as we hoped. Brethren, we should not doubt and hesitate; we should be stronger in faith! It was not when Peter walked successfully on the waters, but when he was sinking that the brightest revelation of Christ's glory came to him. Not the success of well laid plans but the blood of martyrs was the seed of the Church. Our eyes see not far, our minds gauge not well, and our balance is unequally loaded when we presume to judge of results in the Kingdom of God; for those results are spiritual, and their reflections in outward life are a true index only when judged by Him who sees also the inward parts. And so it is that our thoughts are not God's, and His ways are often hidden from the eyes of man. Only when man has looked back on the day when his own plan utterly failed and blasted his hope, and his life was ruined, as he thought, was he able to realize that God was there though he knew it not—there and accomplishing that which human success and self-satisfaction had made impossible until they were crushed by the hand of God.

After all, the Church is the Lord's favorite business in this world. He has promised to be its pillar and support, its beacon light by day and its refuge by night; its only source of success. Therefore we should not fear though a host encamp against us. God can use all conditions of life for His especial purpose; and His purpose is to build The Kingdom.

The Church can, however, defeat the Lord's plan by discouragement and surrender. When trouble, adversity, and persecution rage, the heart of man counsels withdrawal but never was the grace of God more powerful to win and save men than in the midst of adversity and persecution and experienced danger. Only the Church can carry the grace of God to them, and it must not retreat in its mission. Not when his heart was surfeited with the good of this world, but when he felt want, did the grace of God reach the Prodigal. May we not believe that the Lord is preparing men for a new spiritual experience, when, as today, these great changes from seeming prosperity to troubles and difficulties are suffered? When men's lives are tired with the husks of physical and spiritual bread that gave no lasting satisfactions, then men are more likely to

hear the Gospel of the Great Physician. Then we must be prepared to meet their needs. After all is not the present depression that is so universally experienced the result of a sinful orgy of greed, selfishness, pride, and dishonesty translated into economic irresponsibility in trading and in living, in home and in fields of various occupation. A flood of this world's good has broken down the barriers against sin in heart and conscience, and satisfied man's heart for a time with fleshy enjoyment. What a man sows that shall he reap. The time of reaping is at hand. We hope it will open the hearts of many. Shall we draw in our lines and wait for better days, or shall we now in faith prepare to reap whatever harvest the Lord is preparing, in a day that the Lord has prepared, and that is best for His purpose? Let us read again the fifty-first Psalm—"then—then will I teach transgressors Thy ways; and sinners shall be converted unto Thee," a promise that David gave not in the heyday of earthly enjoyment, but in his day of trouble. So, let God's Church today, and all Christians, take courage, and more than ever sacrifice and labor for the extension of the Kingdom in the sure faith that the Spirit of God is abroad to translate our labors into faith and obedience in the hearts of a world whose sins are finding it out. In this spirit I am giving you my message today. I beg you to respond in that spirit. Thus we shall be encouraged and joyful, and from our convention shall go forth inspiration to faith and to labors of faith, that the name of God may be glorified through our humble but willing efforts.

Christian Education

There is considerable room in our program for information and discussion on matters pertaining to Christian Education. I hope an exchange of ideas on this subject may result in benefits that are fundamental. Too much attention can not be given this department of church work. Education in the teachings of the Bible belongs to the very foundation of the Christian religion and when properly pursued, it moulds the character of the Church and of human society, present and future. In a large sense it is the base of supplies for all church activity. Our labors for Christian faith and godly living in Church, home and foreign lands are futile unless the base of supply be maintained. Our Christian solicitude for the welfare of the State is meaningless if we allow the child and youth to grow up without adequate and effective knowledge of those Biblical precepts that inspire respect for divine and human authority, which are a fruitful source of good government. Our prayers for the future of every good and necessary institution among us are not very effective unless they are backed up by efforts that are as earnest as our prayers. What would happen to an army that was not diligent in training its soldiers to perform the functions that are necessary for the success of the army? No more may we hope to survive as Church, State and Christian society, unless we train the children and youth of the coming generation in those principles that tend to make them such men and women as can supply the moral needs of those institutions. I fear we have not kept up with the requirements in this field, and that we have fallen behind in comparison with our fathers and mothers in their age. With the facilities of the present we should rather be ahead of former generations in this respect.

Located in the Eastern District are three secondary schools of Christian education: in Galesville, Scandinavia, and Ottawa. It is common knowledge that they have not been so successful in late years as formerly. They have not held the interest of so many of our people as before, and the attendance has diminished in proportion. It is necessary to come to definite conclusions about the future of these schools before long. The decision rests with the local bodies that operate these schools, but their fate interests all of us and affects the Church in larger circles. There will be room for consideration of this matter in our program, and I hope that from it may proceed such thoughtful presentations as shall strongly appeal to the Christian consciousness, good sense, and intelligence of the congregations as acceptable and sound argument

fit to convince. However, an institution of this sort is mostly dependent on the appeal it makes to the intelligent and thoughtful constituency of its own locality for its success. It must as a working institution, and through achievement, commend itself to the people who are so located and situated that they are able to make use of it. Thus it can awaken appreciation of the value of its work and the results; this will in the main produce the necessary support for its maintenance. It is true, the work of these schools results in benefit to Christian life and work in general, and is an asset to the whole Church. Still it is most likely that if these schools are to succeed in larger measure, it must be accomplished mainly by more local agencies, and by looking especially to an increased attendance sufficient for greater financial independence as the remedy. How to increase the attendance permanently is perhaps the fundamental question in this whole problem; if that be solved, and the solution be put into effect, it will settle the main trouble.

I wish to emphasize the need of greater activity in the matter of child-education and training. A session will be given to consideration of this important subject, and I shall, therefore, not now go into details. In former years it was customary in our churches to hold a term of summer school, and in some cases to hold parochial school a large portion of the year. In late years this good practice has diminished, and in its place has come the Sunday School, which has not hitherto been an adequate substitute, generally speaking. The greatest difficulty in the way of effective results from Sunday School instruction has been a lack of training in the teachers. They have, as a rule, had no such special preparation as enables them to be really good and effective instructors in religious teachings. To remedy this condition, many of our pastors have held monthly teachers' meetings for instruction. This has in many churches developed into more intensive work where a weekly meeting has taken the place of the monthly. I can not commend this practice too highly. I am sure that if it were followed consistently in our churches, it would bring very blessed results. It is largely dependent on the pastor's interest, energy, and attitude whether such activity can be had and be successful. If he takes hold and is able to make the meetings interesting and profitable to the teachers, he will usually have no trouble in getting the teachers to attend and to give their best efforts; the Sunday School and the Church will profit in great measure.

I wish to commend those pastors who are giving much attention to the instruction of the confirmation classes. This is a matter that concerns the churches most intimately, and they have a right to demand that the pastor give the most careful attention to this work. It is not sufficient to spend a half hour or even an hour in instructing the confirmation class each week. The importance of this work requires far greater efforts. Very many pastors are giving half a day a week to this work, which is not too much considering its importance.

Another matter I want to call your attention to because it is so highly important, seen from many angles, is that so many of our congregations have ceased to use our theological students in summer work. The students of our Seminary are there preparing for the ministry. They are usually in need of the money they can earn during the summer time, and if they do church work they thereby also receive experience that is of incomparable value to their future work. At the same time the congregation receives the benefit of a trained worker, who can usually offer better service than one who has not received training in that particular line of work.

Home Missions

This activity has proceeded during the past year with the success that has been possible within the limits of its means. Each year approximately $30,000 is available for home missionary work in the Eastern District, and it is possible to cover only so much of the field as the means will permit. Therefore, the size of the field occupied does not signify the extent of the opportunity that

might be ours. We shall be able to embrace a larger opportunity only in whatever greater measure our churches contribute toward the support of the work, and as greater interest and zeal are kindled and nourished. Considering the really great need that is calling to us from the large cities of this district and the rural communities, it makes us sad of heart many a time to feel that we are not able to come to the rescue of souls that cry for relief. Let us remember, dear brethren, not only in our prayers but in our works, the great spiritual need of these people. They are our own, in many cases, children of the fathers who built and maintained our churches. We can attain no more blessed results than those that come from bringing these the Gospel of salvation. During late years we have given more attention to our large cities than formerly. It is possible to reach a larger number of people there with the money invested, and it seems reasonable, ordinarily speaking, that we should apply our greatest effort where the field is largest. At the same time we must not forget those rural communities where it is likely a self-supporting church may be established by advancing aid for a beginning. There are three things that are required in a home mission field: a field that lends itself to development, a nucleus that is fit material to build around, and a pastor who is mission-minded and has sufficient interest and mental and physical energy to do the peculiar work that such a field requires. Only two of our home mission congregations have become self-supporting this year, due mostly to the financial depression that has affected conditions in the city and in the country; many self-supporting churches have had great difficulty due to unemployment among their members, and the home missionary churches have endured the same conditions. Some new fields have been started that are promising; but here again we are hampered by lack of adequate funds with which to give them a good start. I wish to commend some pastors and self-supporting congregations for the generous and unselfish activity they are gratuitously giving in home mission fields adjacent to them, whereby several new congregations have been established. After all, is it not possible to accomplish a great deal of this work without aid from the home mission treasury? It seems to me that near-by fields should be given such attention. Self-supporting congregations in the vicinity and their pastors should feel obligated to embrace such opportunities at even considerable inconvenience to themselves, and some are doing it. The Lord's work requires sacrifice, and it is good for the soul.

The Indian Mission at Wittenberg, Wisconsin, which operates within the department of home missions, occupies a warm place in the hearts of all those who have come in contact with the work that is being done there. The Indians should be close to our hearts for many reasons that readily come to mind. Let us not forget this mission in our generosity to church work but provide for it a goodly share. The Indians are able to make use of clothes and other articles that can not be used by our Children's Homes and other institutions, and they are happy to receive such things as gifts. With few exceptions, the Indians that our mission contacts with are a needy, poverty-stricken and naturally improvident lot until the Gospel has performed its civilizing work.

Charities

The Children's Homes that are located in the Eastern District are doing a beneficient work that redounds with benefit to the Church, the State, and the Homes in our communities. The Wittenberg Home houses and cares for ninety-four children; the Martin Luther Home in Stoughton sixty-eight. These children are dependent on us for support, and for all things required to provide such conditions of childhood as may bring out the best in the child, and be productive of virtue and worthy living.

None are closer to the heart of our Lord than little children and especially the needy and homeless. Let us be like our Master in this respect, too, that we regard the needs of these little ones with such solicitude and care as may brighten their lives, enlighten their minds with Christian understanding and

warm their hearts with the love of Christ, so that they may become such citizens of church and state as shall adorn the Christian faith. We also have the two Sunset Homes in Wittenberg and Stoughton, where one hundred and forty-four aged men and women have found refuge in the evening of life. These folks are not so dependent upon our generosity as the little ones, and yet they need a helping hand; and they need the prayers of fellow Christians. In Chicago we have the Lutheran Deaconess' Home with thirty-nine deaconesses in hospital, charitable, or congregational activity, and forty-nine young ladies in the Deaconess school for nurses and parish workers. Space does not permit me to dwell in detail on the work of our institutions and charitable activities. In our district this activity is very extensive; for also outside the regular synodical institutions is conducted much such work, particularly in Chicago and New York. I would urge you to read carefully the report of the Board of Charities, which will be issued to this convention. The information it contains and the inspiration that goes forth from knowledge of this work and its results are benefits that we ought to appropriate.

Foreign Missions

May I also say a word for the missionary efforts that are made in the foreign fields, efforts in which we all participate and which I hope we remember often before the throne of God. Also the heathen in distant lands are included in the commission of our Lord, and we rejoice and are thankful when we learn that our missionaries are successful in the Lord's work at those far away points. Especially should we at this time be mindful of the difficulties and dangers that our missionaries in China are meeting with every day. Many of them have had to leave their posts of duty; others are able to remain, though constantly endangered; many are suffering persecution. Some have lost their lives in the cause of their mission, and others have suffered in captivity. Here at home we suffer none of these adversities for the sake of Christ, and probably we are not able rightly to appreciate the real meaning of them. If we be not able to render personal aid in the relief of these workers in their extremities, let us remember that our Heavenly Father has the power to bring relief in His good time and let us bring the cause before His throne of grace.

The Women's Missionary Federation

The Women's Missionary Federation has performed its usual good and efficient work for the cause of the Church at home and abroad. I wish to commend this body of women for binding together the women of our congregations in a common cause, spreading information about Christian missions and church work at home, and bringing the women together for better acquaintance and a mutual encouragement. I believe every one of our women's aids should participate for its own good. Through the Federation it is possible for the women to do things that the single aids can not do alone, things that react with benefit to those who participate, and to the Church.

Young People's Luther League

The Young People's Luther League in our district is carrying on its work in its usual spirit of deep interest, and with efficiency that is highly commendable. This organized activity among our young people has been productive of good spiritual results for our Church. It has been blessed with leadership that tends to soundness in doctrine and practice, and church loyalty. This movement is susceptible to the influence of the pastor who shows interest and sympathetic understanding. It needs the guidance of our pastors, and it affords our pastors a great opportunity. The National League is holding its convention in Chicago June 17th to 21st, and special effort is being made to interest local organizations throughout the district and induce them to participate with large delegations. I hope this convention will be an occasion of much benefit. Each such convention in the past has returned many blessings to the congre-

gations from which have come the people who attended; and I am surely in the hope that the Chicago convention will not be an exception in this respect.

The American Lutheran Conference

The organization of this federation makes the year 1930 a landmark in the history of American Lutheranism. However, the organization of a movement means little unless the benefits of it be appropriated. The benefits that are inherent in this federation will be enjoyed by us only if we make efforts to bring them out. Such efforts must necessarily have something of a local character in very many instances. Might we not try to effect loose organizations of the pastors that belong to the synods of this federation, in those centers where there is a considerable number of them, and to encourage intercourse among the churches. Thus we should cultivate acquaintance and fellowship, and mutually add such strength to one another as may make the whole more effective. In this way our people will also acquire opportunity to participate in larger circles of Christian work than those within any one synod, and in which they may consistently participate as loyal members of their own synod. Many hunger for such an opportunity. Lutheran consciousness and loyalty to our brethren also require that we follow the lines of cooperation that have been laid out in those confessional agreements that form the basis of this federation. We Lutherans know of no other basis for Christian cooperation than that of confessional unity. And our adherence to that principle has saved the Church from many difficulties. Especially in this day of much indifference to the character of religious teachings and substitution of human thought for revealed truth, it is necessary that the Church insist upon confessional unity as the only basis for cooperation in the religious field. In no other way can a church guard and fortify and maintain its treasure of truth, as it holds it. In other words, a church must retain the right to examine and know of the teachings which it commends by cooperation. Here it can not act blindly, nor repudiate responsibility. To a church that believes in an inspired Word, the duty to guard its presentation of the way of salvation is a first duty. I will merely suggest that this federation may bring us great blessings in the home mission field and in our work of education, in proportion as the pastors and people of the synods, will cooperate in a generous and an understanding way. Much money can be saved to be employed elsewhere, and greater results can be obtained both in the home mission field and the educational field in this way.

The Circuit Presidents

The following pastors are at present serving as circuit presidents:
T. J. Knutson, Illinois Circuit.
Walter T. Gigstad, Green Bay Circuit.
J. O. Holum, Vernon Circuit.
Chr. Thompson, Eau Claire Circuit.
M. P. Kaatrud, Milwaukee Circuit.
H. M. Gunderson, Atlantic Circuit.
E. J. Hinderlie, Hudson Circuit.
A. O. Running, Rice Lake Circuit.
E. A. Norson, Mondovi Circuit.
E. B. Christopherson, La Crosse Circuit.
E. R. Anderson, Mt. Horeb Circuit.
M. C. Dixen, Chicago Circuit.
M. H. Hegge, Madison Circuit.
L. S. Marvick, Mich. Circuit.
T. S. Kolste, Scandinavia Circuit.

To these brethren I desire to express my gratitude for kindly assistance and advice. Some of them have given much time and labor to affairs of church in their respective circuits, as is shown by their reports to my office. The office of circuit president is gradually taking on greater importance in our church work. As the pastors and churches learn to call on the circuit president for advice and help in many of their problems, and for such official acts as are delegated to him, the sphere of his usefulness grows and the whole Church profits. The district president can not properly attend to all matters that require the attention of his office in this large district, but with the help of the circuit president the task can be more nearly done. I would urge the pastors and the churches to make as much use of the circuit presidents as possible.

In Memoriam

Rev. J. E. Nord, Rice Lake, Wis., died July 22. He had done an extensive and blessed work as pastor and home missionary; he had organized sixteen churches in his thirty-six years of active service as pastor.

Rev. J. C. Roseland passed away after a half century of unsparing labor as pioneer pastor and city pastor.

Rev. S. S. Urberg, who had served the Blair, Wis., parish for a long term of years in painstaking and loving service, passed away.

Rev. Andreas Oefstedal, who for half a century had labored among us as a pastor in Minnesota and in Chicago, and for many years as rector of the Deaconess Home and Hospital, departed this world July first.

Besides these, a large number of the true and faithful among our church memberships have passed on to their eternal reward. We who remain hold the heritage and the responsibility. Soon we, too, shall reach the end of our earthly labors. Let us labor in faith and with zeal, brethren, that our Heavenly Father's name may be glorified by our lives and deeds.

The Call to the Ministry

The program provides for a discourse on the call to the ministry. This is a most important subject to which our churches and pastors should give much thought. When a congregation calls a pastor it thereby delivers into his hands the spiritual life of each member, for his care. He is to be the shepherd of souls to the people of that church. Eternal life or eternal death of souls is in the balance. It involves a responsibility immeasurably greater than that of any merely earthly duty; a responsibility that the congregation should be very conscious of when it extends a call, and that a pastor should feel when he considers a call.

Permit me to quote from the general president's report of 1928, as follows: "A congregation should proceed to the calling of a pastor as the most serious work entrusted to it. Truly there should be a call to much prayer both privately and as a congregation when this matter is to be considered. The thought should center about the primary qualifications and needs required in the Biblical office of a minister of the Gospel. By surrounding the calling of a pastor with this most serious and important background possibly some of the minor qualifications that are so often thought of and insisted upon, would not be found quite as necessary. A pastor accepting a call, realizing the prayer and meditation that had been given to the issuing of such a call, would feel charged with a very deep sense of responsibility on his side, that it was a thing not lightly entered into. We must not in this busy and materialistic age let the selection and calling of men into the ministry sink to such a level that it becomes, at least seemingly, a business proposition. Truly a man needs to believe that the Lord has put him in the place and that it is not his own interest or desire that has caused him to select or reject a certain call. What will it profit a congregation if it secures a lot of external qualifications as to organization, efficiency and other things, which in themselves are well and good, if the gift of God to present the Word of God with its convincing and convicting

truth to the saint and the sinner is lacking in the pastoral office? We thank God for the many faithful and loyal pastors whom He has given us, and for the congregations that realize the seriousness and the responsibility of the congregation in its relation to the pastor and the securing of pastors. At the same time we also would admonish and warn those who may take these things lightly and look upon outward things as more essential, whether they be pastors or congregations, that they must one day give an account for their stewardship to Him who knows the very hearts of men."

This is the year of the regular election of the officers of the district. There are some other elections as usual in every annual meeting. The secretary will provide us with a list of these for your convenience.

In conclusion may I express my high appreciation of the confidence and trust you have reposed in me as your president. And I wish to speak my gratitude to our Heavenly Father for light and strength, for His unspeakable grace as bestowed upon me in the difficult and responsible work which He called me to do. Your labors, brotherly advice, and assistance, your kindly attitude, patience, forbearance, and constructive criticism have made it possible, under God, to attain whatever true achievement has been successfully performed through my office, and I wish to thank you most heartily for all. May the abundant blessing of God our Father attend our meeting and bestow upon us the riches of His grace and mercy.

Yours in Christ Jesus,

—JOSEPH M. GREEN.

DEPT. I. CHURCH AFFAIRS: COMMITTEE REPORT AND RESOLUTIONS

Report of Committee on President's Message

The Committee for the President's Report submit the following resolutions:

The Eastern District of the Norwegian Lutheran Church in convention assembled at La Crosse, Wis., May 26-31, 1931, express our gratitude to God for His Divine guidance and help, and for the efficient leadership He has given us in the General President of our Church as expressed in his message read at this convention. We express our hearty assent to the thoughts there expressed, "that our efficiency is of God."

We express our heartfelt thanks to Almighty God for His protection and care during the past year and for giving our District President the necessary strength for his many and difficult duties in this responsible position. We assure him that we respond in the same spirit in which the message was given and summed up in the exhortation "So let God's Church today, and all Christians take courage, and more than ever sacrifice and labor for the extension of the Kingdom in the sure faith that the Spirit of God is abroad to translate our labors into faith and obedience in the hearts of the world whose sins are finding it out."

We heartily commend that so much attention has been given to Christian Education, both in the message and on the program at this Convention.

We recommend that the question of the Academies be referred to a special committee.

We heartily recommend to the Circuit Committees on Christian Education, as well as to the individual congregations to take up the matter of Teachers' Training Courses as proposed by our Board of Elementary Christian Education.

In the matter of instruction for confirmation we approve of the statements given in the President's message and recommend that the minimum period of instruction per week should not be less than two hours for, at least, eight or nine months.

We suggest that all matters in regard to Home Missions, Foreign Missions, and Charities be referred to the respective committees for these matters.

In regard to the newly organized American Lutheran Conference the Eastern District endorses the statement as to the only basis for Christian co-operation with other Church bodies and as to the advantages and blessings of such co-operation within the Lutheran Conference.

We suggest that the President's remarks in regard to the W. M. F. and the Y. P. L. L., as well as the In Memoriam be referred to the Committee on Resolutions.

In regard to the important subject, the Call to the Ministry, the District heartily approves of the statements in the message, and that the matter was given a prominent place on the program. It recommends that the circuits of the District take the subject up for consideration.

May we ever continue as a Church to lift up our eyes unto the mountains from whence our help come.

2. We express our thanks to the Almighty and Merciful Father for the faithful service of those, both of the clergy and of the laity, who have finished their earthly course and have been called to their heavenly reward during the past year. DEPT. III. HOME MISSIONS

Report of Committee on Home Missions

We thank God for the many opportunities to serve Him in the many activities of our Church.

1. We recommend that the activities having no apparent future, and having churches of synods with whom we have pulpit and altar fellowship in the same field which can advantageously care for those attending, be discontinued at the discretion of the Home Mission Board.

2. We commend the Home Mission Committee for inviting the election of Advisory Committees in such circuits as have a Home Mission field within its borders.

3. We ask every member of our congregations to not forget the responsibility placed upon him by the Master of furthering the Kingdom of God by inviting people outside the Church to come to the services and other activities of his Church, by inviting children to his Sunday school and other religious instructions. And we urge upon every congregation within the District under the leadership of their pastor, and with the co-operation of the Home Mission Board, to extend the work of the Church wherever possible. And all this without asking financial aid from the Board of Home Missions.

4. As a timely reminder we recommend to the pastors and congregations the importance of keeping close track of members and Sunday school children who leave their churches, and inform immediately the pastor into whose community they move, so that immediate contact may be made with them in their new location, and they may be retained for our Church.

DEPT. IX. ELEMENTARY CHRISTIAN EDUCATION

Report of Committee on Elementary Christian Education

Be it resolved that Elementary Christian Education be given a larger place in the program of the congregations of our Church, and that more attention be given to the Church's obligation to train and nurture the young in Christian doctrine and life.

Be it resolved further that each congregation put forth every effort to improve its Sunday school equipment, curriculum, and teaching force. Especially

do we recommend that the churches of the Eastern District co-operate with the Plan of the Board of Elementary Christian Education of the Eastern District to conduct Teachers' Training Courses in the local congregation and wherever possible in the circuit.

Be it further resolved that in these Training Courses the system which is placed at our disposal by the Synodical Board of Christian Education be used in order that we might have a uniform course of instruction.

Be it further resolved that we urge upon our pastors and congregations to continue the practice of holding Christian religious school during the vacation period.

Be it further resolved that our congregations heed the admonition of our District President in making use of our theological students for pulpit supply and religious instruction.

II. NORTHERN MINNESOTA DISTRICT

A) President's Message

Grace and Peace:

The words with which I desire to greet you at the opening of our convention, God has given us in the 27th Psalm of David, the 4th verse: "One thing have I desired of the Lord, that will I seek after, that I may dwell in the house of the Lord all the days of my life, to behold the beauty of the Lord, and to inquire in His temple."

You will notice from the program that our convention theme is: "Building the Church." We have in mind the building of God's temple inwardly in our own hearts by the means of grace, as well as outwardly by the support of the four activities.

The last makes many demands on a congregation for time and money. There is a great work going on. The need is great. It must be done. God wants us to work. Only a day in which to do it. The night is coming. We have no time to waste.

In all our activities the danger lies close that we forget "the one thing." Let us be keenly alive to this danger. The Psalmist presents his illustrious example for us to follow. "One thing have I desired." No matter how many things there were to distract him in his position, his great aim and purpose was not divided. Division causes weakness, distraction, disappointments. All his affections were bound up in one affection, and that set upon heavenly things.

This "one thing" that David desired and sought was to dwell in the house of the Lord, behold the beauty of the Lord and enquire in His temple. He was not tired of the services in the tabernacle. He did not attend only when convenient and in fine weather. He did not come to the house of his Lord to display his greatness as Israel's mightiest king. He came to meet his Lord, to commune with him. He wanted to be of the household of God, the child come to the Father.

We also long for the House of the Lord. We most often think of the Father's House above, "Jerusalem the Golden." We love to sing:

They stand, those halls of Zion
All jubilant with song,
And bright with many an angel,
And all the martyrs' throng;
The Prince is ever in them,
The daylight is serene,
The pastures of the blessed
Are decked in glorious sheen.

We want to behold the beauty of the Lord. But this must begin in the House of the Lord here on earth. The beauty of the Lord is manifested in His mercy and grace. Our eyes are opened by the right use of the means of grace. Every visible church under a servant of God, administering the sacraments, preaching the Word is a House of the Lord. There we meet God. He comes to deal with us. There we see Christ, the brightness of the Father's glory, and the express image of His person. To see Christ with the eyes of faith is to behold the beauty of the Lord.

"To inquire in His temple." There are many things we need to know. We should inquire as to God's will and how to live according to it. We should

inquire as to how we can receive the willingness and strength to do God's work. How we can become assured of the heavenly home. In heaven we shall not need to inquire, there we shall know. But here we must sit at Jesus' feet and awaken our faculties to learn of Him.

Above all other desires should be the desire to dwell in the House of the Lord, behold the beauty of the Lord, and to inquire in His temple. This is the good part, the one thing needful. If we fail in this, we have failed in all.

The House of the Lord

We have it in our midst. God has through His servants preserved it for us. We have His pure Word, His unadulterated sacraments. In Poland and in Hungary our Church is called the "Church of the Augsburg Confession." The name is glorious. It means the Church that in all its teachings is in accordance with the Word of God. It means the Church that holds fast to the Word of God as the only rule for faith and life, and that a lost and condemned sinner is justified by faith. A French Calvinist says about the Augsburg Confession, "It will ever remain one of the masterpieces of the human mind enlightened by the Spirit of God." Another Reformed writer calls it, "The greatest, the most noble and ancient of all confessions of the Reformed Churches." This immortal document furnishes a perfect definition of the Lutheran Church. It is our blessed distinction that we belong to the Church of the Augsburg Confession.

Gratitude for what God has given us should be shown in words and deeds.

The Workers

They include every member, pastors and congregations. To all comes God's command: "To show forth the praises of Him who called you out of darkness into his marvelous light." Judging by outward appearances (the only thing we can do) we have a large number of faithful workers in our congregations. Special mention may be made of the Sunday Schools, the Luther Leagues, and the Ladies' Aids. In most of our congregations we have well-organized Sunday Schools with teachers willing to devote their time and best efforts to instruct the children in the Christian faith.

In nearly all of our congregations we have active Luther Leagues. The Circuit Leagues are attended by large numbers. Programs are good. They are inspirational meetings for the life worth living, for young and old. The training given by local, circuit, district and national Luther League meetings gives promise of splendid work and great blessings for the future of our Church.

The Ladies' Aids are doing splendid work. The ladies have always worked in our Church. There are many congregations in our district that would not exist today if it had not been for the work of the ladies. The Women's Missionary Federation is doing a great work. No organization among us has been able to bring information about God's work into every home like this organization. Knowledge of the work in our Church is necessary to open the hearts of our people and make them willing to give. The Federation has given directly to the support of our four activities, indirectly by presenting the cause at local, circuit, and district meetings. The district president, Mrs. J. M. Hardy, has during the year visited many circuits to create and foster interest in the work. She as well as all district officers, circuit officers, and all the members are deserving of help, encouragement, and thanks of the whole Church.

Foremost among all the workers, the pastors, the messengers from God, must be mentioned. Basing my opinion on personal observation at visitation services and at other occasions, on reports, and on the parish papers that regularly come to my office, I have reason to say that nearly all are doing splendid work. Services are well attended, and there is an increase in attendance at the Communion table. There is peace and harmony in almost all the congregations. For this we give thanks to the Lord!

It is needless to say that the pastors of today are facing many and difficult problems. So it has been from the earliest beginning, and always will be. There must be strife, "For what fellowship hath righteousness with unrighteousness? And what communion hath light with darkness? And what concord hath Christ with Belial? Or what part hath he that believeth with an infidel?"

But never has the warning been more needed than today. "See then that ye walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil. Wherefore be ye not unwise, but understanding, what the will of the Lord is." "Lest Satan should get an advantage of us, for we are not ignorant of his devices."

If a pastor is unreliable in money affairs, if he chooses his friends among those that care the least for spiritual things, if his own welfare and income are his chief aims, is it any wonder that he has trouble in his congregation? The pastor may have caused offense by far less grievous things than those mentioned. Many are against him. The congregation stands divided. The fight goes on for years. It grows more and more bitter. Families are divided, the sincere Christians are grief-stricken. It would seem then, that the pastor should move and in the new place avoid the old mistakes. If he is fighting for righteousness against unrighteousness, his duty is to stay.

Home Mission

The work in the Home Mission Field has gone forward. Your Home Mission Committee is doing its work conscientiously. Every application for help is carefully considered. The committee has always in mind the resolution of the Church: "Be it resolved, that, under ordinary conditions, a minimum of $50.00 be deducted annually from the amount contributed by Home Missions to the support of such charge" (1923 Report, page 184). Nearly every charge has been asked to make a substantial increase in order to decrease the support from Home Missions. Many changes are made. Remer, Bay River, and Salem Congregations will get a resident pastor this year.

Since Remer will have a resident pastor this year, the Cass Lake Charge will consist of Trinity Congregation at Cass Lake, Moose Lake, and Laporte.

Last year the Trinity Congregation at Cass Lake bought a church building that some years ago had been built at the cost of more than $17,000.00. The price paid was $1,000.00. With the needed repairs it costs the congregation a little less than $2,000.00. It is needless to say that this brought renewed enthusiasm to the members and the pastor, Rev. J. C. Jerdee.

The Menahga Charge consisting of six congregations has been divided. A couple of years ago this Charge received some help from the Home Missions, now three of the congregations have been added to the Walker Charge in order that this Charge may become self-supporting in the near future. The remaining three congregations, Menahga, Bethany, and Bethlehem, constitute a self-supporting Charge. Rev. O. N. Nelson is the pastor.

The Hibbing Charge that seven years ago consisted of 87 souls could pay only $400.00 annually towards the pastor's salary. But as the congregation grew, it increased the support. The Home Missions for years have been called upon for only a couple of hundred annually. Today Our Savior's Church at Hibbing is independent, paying the entire salary. It has a membership of 500. Rev. H. Farseth is pastor. All the mission charges should be mentioned if time permitted, and I believe that you would be convinced that the home mission work really "pays."

For the progress on the home mission field we give thanks to God. We also owe a debt of gratitude to the untiring workers who have labored for us as pastors. I know of some that are regularly preaching three times each Sunday and are worried because they can not reach the many places often enough. We could and should have more pastors on our mission field. If our congregations knew the conditions the support would be more liberal. The pastors would see to it that there would be no shortage in the home mission treasury, while one or two of the other activities show a surplus.

In a recent conference with several pastors of one of our circuits my attention was called to the fact that we have at least 5 or 6 places where no work is done by our church. One of the places numbers around 50 families, and another place from which 23 families have joined a congregation in the nearest city—25 miles away. The pastor said, "I will release these families, you send a pastor to serve them." We proposed to the mission committee to send a pastor to serve these places and others. The committee was in favor of it. But the chairman of the committee in voting in favor of the proposition, pointed out with just as good reasons, "We need one more pastor in our circuit too." For years I have known of these conditions. We have the men. There are a number of pastors without charges. Our Theological Seminary in recent years has graduated a class of around 50 each year. The prayers to God to give us men have been heard. Let us pray for means to send the men out into the vineyard.

If we love the work of educating or training workers, if we love the work of bringing the Gospel to the heathen, if we love the work of helping the needy and unfortunate, let us love a **little more** the work of the Home Missions in order that there may be more of us to support the activities mentioned.

I have mentioned the need in two of our circuits, there is a demand for more workers in other circuits too. In my reference to these conditions, I have had in mind people mainly of our nationality. "But if any provide not for his own, and especially for those of his own household, he hath denied the faith, and is worse than an infidel." But God wants others to be saved too. You will, therefore, realize the work God has given you to do.

All the members of the home mission committee pledged themselves to arrange for home mission meetings wherever possible. And the committee hereby appeals to every pastor in the district to help bring this—the most important work in our church—to the attention of our congregations. Let an earnest, prayerful appeal be made to our congregations for more support of the Home Missions, and we shall come nearer to do the Lord's will than hitherto.

Let us encourage our home mission pastors by giving them the hope, help will come when the field gets to be too large for them.

In closing I want to mention a criticism that has come to my knowledge. We have some parishes that have received aid from the Home Missions for a long period of years. But in the case of two or three the conditions are such that no combinations with other congregations can be made, and they are unable to support the pastor without help. If we should abandon the work in these places, sects are ready to step in. In only one charge I feel that the criticism is justified. This charge has recently been visited, and I have the hope that mission aid will be substantially decreased. The mission committee has this problem constantly in mind and will not continue to help congregations that can help themselves. The mission pastor and his congregations will bear in mind that mission aid is for a reasonably short period only. A real effort must be made by the people to help themselves. The Christian love that helps the needy must not be abused.

You have the right to expect that every year some of the mission charges must become independent, and money released to open new fields! If you are able to give any advice or lay down any rules for the guidance of the committee, they will be received with thanks.

On Oct. 21st I organized a congregation at Osakis, The Osakis Lutheran Church. At the time the congregation numbered 34 voting members. It has had a very rapid growth. The congregation was served by Rev. P. B. Trelstad for some months, and at present by Rev. Prof. Walther Johnshoy without any help from the Home Missions. The Osakis Lutheran Church applies for membership.

INSTITUTIONS WITHIN THE DISTRICT

Wild Rice Children's Home

J. R. Orvedahl, Manager

The main building burned down March 18. The fire started in the night, all children in bed sleeping. There were 67 children at the Home. All were saved. The little ones were carried out asleep, placed in automobiles and taken to Twin Valley. The Zion Congregation at Twin Valley cheerfully opened their homes to the children. They were well cared for. The Church owes a debt of gratitude to the members of Zion Congregation at Twin Valley for the help and love shown at this calamity, and above all thanks be to God that no lives were lost and no one injured. Some of the children were later placed at Lake Park and Beloit Homes, and some are cared for in private homes at Twin Valley to the end of the school year.

The Wild Rice Home was recently put in excellent condition, and needed repairs had been made. Everyone visiting at the Home came away with the highest praises of the condition and management. The main building was insured for the full insurable value. Full credit for this must be given to the local Board of Directors. It was properly attended to.

There is sadness in the hearts of many that for over 30 years have loved and supported the work of this Home.

Lake Park Children's Home

Ingvald Larson, Manager

The work at the Home has been in every way satisfactory. The health of the children has been good.

Needed repairs of the buildings will be undertaken in the near future. Twenty-one children from the Wild Rice Home were admitted after the fire at the Wild Rice Home.

Both Homes are in considerable debt accumulated during a period of years. The economic conditions made it necessary to reduce the appropriation. The debt must be paid. Years ago the Church passed resolutions to that effect.

On December 16, at a joint meeting of the Boards for the two Homes, Rev. A. H. Amundson was elected as financial solicitor for the Homes. He and his helpers will appeal to you for financial aid.

Glenwood Home for the Aged

Rev. M. N. Knutson, Manager

The old people at this Home are receiving the best of care under the efficient management of Rev. Knutson and his wife. People in the vicinity have repeatedly evidenced their love for this Home in many ways.

Concordia College

Dr. J. N. Brown, President

The present school year has been—according to reports—a very satisfactory one. The attendance only a little below the highest, the banner year being '29-'30—in spite of the economic conditions of the Northwest. The increase of the number of students naturally requires an increase of income. The endowment fund so liberally subscribed in '26 is not fully paid. Promises should be kept. The College needs your support.

This year Concordia College will celebrate its fortieth anniversary. In October, 1891, it commenced its work. It was a small academy, two teachers and seven students. Concordia today is a fully accredited Senior College with a faculty of 42 members and a student body of nearly 500. What does this tell us? First of all the blessings of God have rested upon the College. It shows the work of consecrated men that have given their best to the building of the College. It shows the loyal support of our congregations. It proves the need of Concordia in our part of the Church. Almost 600 alumni of Concordia in

various walks of life—51 as pastors or theological students—I believe—prove to us that Concordia has the right to call on you for continued support.

Park Region Luther College

Rev. E. Wulfsberg, President

This college has had a good school year as far as attendance and work of the faculty is concerned. The work has been done under difficult conditions. The financial support has not been sufficient.

The Budget

Our district did well for the budget last year. It was not an easy year. Most of the pastors and congregations showed real zeal in the work. They deserve the gratitude of the Church, and so does the district financial secretary, Rev. P. B. Trelstad.

But there are a few congregations that have shown indifference and given less than justly could be expected.

The last general convention voted an increase of the budget for this year. Our share of the increase amounts to $15,000.00. Prayer and work are needed if we are to reach our allotment. It can be done. Let each one of us bear in mind that we can not place the load on our neighbors. It is not God's will. "For I mean not that other men be eased and ye burdened" (2 Cor. 8:13).

We have established schools, our Seminary, our four accredited Senior Colleges, our Junior Colleges and Academies, we have over 300 professors and instructors, and between 4,000 and 5,000 students to be trained for work and leadership in our church. Should we close the doors of our schools on account of lack of financial support?

We have built institutions for children that no one cares for, homes for old people that have only the Church to look to for mercy, we have rescue homes for the fallen, and hospitals for the sick. Shall this work cease for lack of support? We have established missions among the sailors, among the Indians, Eskimos, the Chinese, the Malagasy, and the Zulus, they all need your support, are you going to fail them?

We are doing extensive home mission work to reach millions of unchurched in the United States and Canada. Between 2 and 300 pastors are on the home mission field. Shall we call in these workers you have sent out, or are you going to support them?

The confirmed member in our district is called on for an average of less than a dollar to each of the four activities per year. If we do not reach the goal, the cause is not financial depression but spiritual poverty. Our district has done well in the years past by the grace of God. Let us put forth a little more effort to reach our increased budget in '31. The faithful pastors and congregations of our district will not fail, even if the load is a little heavier.

Conclusion

In conclusion I want to state that I have conducted the usual number of visitations or inspections. I have attended all meetings of boards and committees I am a member of. I have attended the district pastoral conference, some of the circuit pastoral conferences, some of the circuit meetings, delivered a number of sermons at festivals and anniversaries, lectures at various occasions and attended a large number of meetings for calling of pastors. This year there has also been many calls to attend meetings to adjust difficulties.

Through the kindness of the district in granting me a vacation last summer and the substantial gift from many friends, I was enabled to visit the land of my birth—Norway. It is needless to say that the two and half months were festival days, days that will never be forgotten. Not least to be remembered was your kindness for which I want to again express my heartfelt thanks.

I also wish to thank you all, pastors and congregations, for help in the work, for hospitality, for encouragement, for willingness to overlook my shortcomings, for your prayers. May we all lift up our hearts to God asking Him to give us strength to work for the Church we love. May God bless our convention.

Yours in the Lord,
I. T. AASTAD.

SECRETARY'S STATISTICAL REPORT

Moorhead, Minn., June 4th-7th, 1931.

To the 13th Annual Meeting of the Northern Minnesota District of the Norwegian Lutheran Church of America:

The statistics of this report are mainly based on the 1929 parochial reports, which are the latest available at the time of compiling this report.

No. of congregations in the district May 1, 1931		399
No. of pastors serving congregations, May 1, 1931	133	
No. of pastors not serving congregations, May 1, 1931	26	159
No. of souls		63,313
No. of confirmed members		38,795
No. of voting members		18,649
Communed during 1929		20,198

(4,500 less than 2 years ago previously)

This cannot very well be blamed to the economic depression, nor to any sudden loss of spirituality in our district, but must, I believe, be blamed to incomplete or neglected parochial reports. Two years ago we could report an increase in communion attendance. There is a general sentiment among our pastors and Church leaders that communion attendance has been growing better. Let us not discourage one another by neglecting to properly record and report this attendance.

Membership Accessions and Losses in 1929

Accessions:		
By baptism: 969 boys, 904 girls; total	1,873	
Adults	46	
Total	1,919	1,919

By confirmation: 769 males, 771 females; total	1,439
By certificate: 966 children, 1,514 adults; total	2,480
Total accessions	5,728

Losses:

By deaths of children 149, adults 647; total	796
By certificate, children 207, adults 458; total	665
Other losses, children 319, adults 227; total	546
Total losses	1,211

Net gain 4,517 in 1929 as compared to 2,886 in 1927.

N.B. It is noticeable that accessions of males and females have run approximately on a scale of fifty-fifty. This is a significant characteristic of the Lutheran Church. Many other churches have a preponderance of female members—women's and children's churches.

We thank God that our Church is **also** a "Man's Church"—a Church for ALL, because it has a virile message—"The whole counsel of God unto salvation."

There is a reason why the Lutheran Church during the last decade exceeded in growth all the other Protestant churches of this country combined as was stated last Sunday by a representative of the American Bible Society.

What a mighty incentive to measure up to our God-appointed mission in this country!

Public Services in 1929

Total number of regular services by clergy, 12,252; English, 6,519; non-English, 5,733; 786 more English than Norse services in 1929.

N.B. A brief analysis of these figures and others, may give us a better understanding of the language situation in our district.

In 1921, ten years ago, there were 5,089 more Norse than English services and in 1927 only 813 more. In 1929, however, the tide went over the bar with 786 more English than Norse services in our district.

In other words, in 1921, 31 per cent of the public services in Northern Minn. District by the clergy were conducted in the English language. In 1927, 47 per cent and in 1929, 53 per cent plus. Thus there has been a 22 per cent gain in the use of the English language for services in our district during the last ten years.

Baptisms in 1929

Adults	39
Children of members	1,279
Children of non-members	1,079
Total	2,387

No. Confirmed in 1929

Boys	1,060	
Girls	1,178	
Men	17	
Women	17	
Total	2,272	
In English	2,132	
In Norse	140,	or 6% plus

Marriages in 1929

Total—991.

Of those 1,982 persons married in 1929 only 570, or a little less than 4 per cent, were members of our district. 1,412 were not. I have no records to show

how many of these 1,412 were not Lutherans, but evidently a very large proportion. Neither have I available figures to prove whether we are losing or gaining through those mixed marriages, though it is to be feared that we are losing. You pastors and delegates will know what the results are in your local congregations.

Here is a field which must not be neglected, as most marriages mean future families whose loss or gain is important to district and Church.

Funerals in 1929

Members	797
Non-members	458
Total	1,255

Religious Instruction

Times met for Adult confirmation	330
Times met for Junior confirmation	7,686
Times met for Adult Baptism	332
Total times met	8,348

For Week-day, Vacation and Saturday schools combined:

Days taught	5,534
Teachers	433
Pupils	7,807

(761 more pupils than two years previously)

Sunday School

No. of meetings	6,535
No. of teachers	1,954
No. of pupils	14,939

(A gain of 1,040 pupils in two years)

N.B. It is interesting to note that during 1929 our district had more hours of week-day religious instruction than any other district of our Church except the Southern Minnesota District which had 3,849 hours while we had 2,192, or 1,657 more than we. North Dakota District came next with 2,114 hours, or 78 less than we.

Women's Societies

The 471 Women's societies with 11,738 members reported for 1929 have thus apparently suffered a slight loss during the two years, 1927-1929, but this also is unquestionably due to incomplete parochial reports.

Men's Societies

There were 41 Men's societies with a total of 1,312 members reported for 1929 as compared to 34 in 1927 with 1,140 members, a gain of 7 societies and 172 members. Here is a branch of our activities which certainly calls for more uniformity of operating methods, if it is to develop successfully. It challenges our best thoughts and efforts.

Young People's Luther League

The General Church Report shows 385 Y. P. L. L. societies in the Northern Minn. District in 1929 and a reported membership of 8,837. This shows a slight increase of 2 societies during the two-year period, but a small loss of membership. The incomplete parochial reports are undoubtedly responsible for this also.

Conclusion

If we are interested in knowing the true statistics of our Northern Minn. District and of our Church, we pastors must faithfully and conscientiously keep records and report them. Forty-one did not send in parochial reports for the year 1929 on which this report is largely based.

You realize that on this account the figures in this report cannot be considered absolute. They are, however, sufficiently accurate to give us a working perspective of our district.

Respectfully submitted this 4th day of June, 1931.

H. W. ESTREM,
District Secretary.

C) Convention Journal

The 13th annual meeting of the Northern Minn. District of the Norwegian Lutheran Church of America opened Thursday forenoon at 10:30 o'clock with divine services. Hymn, "I Love Thy Kingdom Lord," was sung in opening. Rev. S. T. Sorenson, pastor of the convention church—Trinity Lutheran—conducted the altar service. Hymn, "Jesus Shall Reign," was then sung after which Rev. R. M. Fjelstad of Thief River Falls preached the introductory convention sermon based on Matt. 28:16-20. He dwelt especially upon the Great

Commission of Christ—to go out and make disciples of all nations—in other words, to build the Church of Christ. Thus we were fittingly led to the great theme of our convention, "Building the Church."

The service closed with the singing of hymn, "O God of Mercy, God of Love," verses one to four.

Rev. Sorenson welcomed the convention most warmly and asked God's richest blessings upon all. He then introduced Mr. C. I. Evanson, city mayor, who heartily welcomed the convention on behalf of the city and offered its goodwill and facilities.

District Pres. I. T. Aastad responded to the above greetings and good wishes. He emphasized that the serious purpose of this meeting is to discuss the greatest of all themes, "Building the Church."

The President's appointment of Credential Committee was ratified. They are, Reverends C. B. Runsvold of Glyndon; H. R. Romness of Barnesville and Delegate Walter Holmgren of Pelican Rapids.

This Committee reported as follows: Report No. I: Delegates 26, Pastors 15.

The following appointments were made by the Chair:

President's assistant, or famulus: Rev. L. C. Jacobson, Ada, Minnesota.

Chaplain: Rev. O. H. Brodland, Nielsville, Minnesota.

Postmaster: Rev. A. H. Amundson, Moorhead, Minnesota.

Sergeant-at-Arms: Rev. O. F. Braaten, Comstock, Minn.

Tellers: Rev. Daniel Halvorson, Duluth, Minn; Del. Hans Moen, Zion Church, Duluth, Minn.; Rev. C. M. Grimsrud, Hitterdal, Minn.; Mr. Torsten Cordal, Rock Prairie Church, Rev. A. Shefveland's call.

Musical Director: Rev. M. C. Johnshoy, Starbuck, Minn.

The Communion service of the convention was set for Sunday, 9:00 A. M.

The following committee on committees, or nominations, was elected:

Arrowhead Circuit—Rev. G. Kluxdal, Duluth.

Bemidji Circuit—Rev. Edw. Livingston, Blackduck.

Clearwater Circuit—Del. Thomas Wollan, Erskine.

Crookston Circuit—Rev. Halvard Lee, Fisher.

D) Committee Reports

NO. 1-A. ON PRESIDENT'S MESSAGE

Committee No. 1 consisting of Rev. O. G. Aasen of Elbow Lake, Del. Hans Moen of Duluth, and Rev. G. W. Tolo of Fertile organized and elected Rev. Aasen as chairman and Rev. Tolo as secretary.

The Committee begs to submit the following report:

Sec. 1. The Northern Minnesota District in convention assembled at the Trinity Lutheran Church at Moorhead, Minnesota, June 4-7, 1931, expresses its gratitude to our Heavenly Father for the wholesome progress our Church has enjoyed since our last District Meeting; and for His pure Word and unadulterated Sacraments; and we thank God that He has blessed our District President, Rev. I. T. Aastad, with sufficient health and strength to carry on effectively the work within our District in promoting the various activities of our Church.

Sec. 2. The convention heartily endorses the President's declaration "To Build Upon Christ the Corner Stone and Foundation of our Church, through the Means of Grace while it is day, for the night is coming and, therefore, we have no time to waste."

Sec. 3. The District rejoices to know that our beloved President was enabled to make a vacation trip last summer to the land of his childhood after many years of strenuous labor in the vineyard of our Lord, and to return with renewed vigor to superintend the work of his District.

Sec. 4. The District is happy to learn of the well organized work in the local congregations, in the Sunday Schools, Parochial Schools, Luther Leagues, Choirs, and Ladies' Aids.

It is also grateful to the Women's Missionary Federation and its District officials for their interest in the various activities of our Church and for their liberal financial support.

Sec. 5. (A) The District wishes to express its heartfelt thanks to every faithful and conscientious pastor within its boundaries for their courageous stand in witnessing for Christ during these troublesome times when the true Church is assailed by the hosts of darkness.

(B) If any is found unfaithful as a shepherd of souls we pray that he might repent and with diligence divinely afforded strive to present himself as a servant "approved unto God, a workman that needeth not to be ashamed."

Sec. 6. The Committee suggests that the paragraph in the President's message dealing with the two children's homes and the home for the aged in our District be referred to the Committee on Charity.

Sec. 7. The Committee wishes to call the District's attention to the newly erected Pioneer Old People's Home at Fergus Falls, Minnesota, a self-supporting institution that offers a splendid home for old people who desire to spend the evening of their lives in a Christian Home.

Sec. 8. The Committee suggests that the paragraph in the President's message regarding Concordia College be referred to the Committee on Education.

Sec. 9. The Committee suggests that the paragraph in the President's message regarding the Budget be referred to the Committee on Finances.

Sec. 10. The Convention feels keenly indebted to our General President, Dr. J. A. Aasgaard, for his timely message that conveyed inspiration and courage to many discouraged hearts. We were forcibly reminded of the fact that our sufficiency is from God and that we are able to do all things in Christ which strengtheneth us.

Sec. 11. (A) The Convention notes with pleasure the amalgamation of the two Lutheran Congregations at Gary, Minnesota, and invokes God's richest blessings upon their united efforts to build the kingdom of God.

(B) The Convention recommends that similar consolidations be effected wherever it is found expedient and where local conditions are ripe for such a union, thereby diminishing duplication of effort and money.

Sec. 12. The District welcomes the new pastors who have moved into our District, and also the candidates of Theology that have accepted calls within the District, and wishes that the Lord of the Harvest would richly bless their efforts in their new field of activity in God's vineyard.

Sec. 13. The Crookston Circuit requests that the Convention recommends the amalgamation of the Crookston and Thief River Falls Circuits, and that the necessary steps be taken to effect such a union if it is found expedient.

G. W. TOLO, Secretary.

NO. 1-B. SECRETARY'S STATISTICAL REPORT

Sec. 1. The Convention is truly grateful to its District Secretary, Rev. H. W. Estrem, for the summarizing of facts revealed in his annual report. It gives us a panoramic view of our Church as it functions in our District. It affords much food for thought. The fact that our accessions in membership are not greater annually is due largely to the incomplete parochial reports that are submitted to the general secretary. The Committee urges upon the many indifferent pastors to be more conscientious in keeping their Church records and compiling the required statistics in their own parishes, and reporting the same in the annual parochial report.

Sec. 2. The Convention is pleased to learn that religious instruction of both children and adults is emphasized throughout our Distirct, and that it is on the increase. We implore our Father in Heaven, by His Spirit to stimulate and further augment our workers' interest in this fundamental task of thus building God's Church on earth.

G. W. TOLO, Secretary.

COMMITTEE NO. II ON EDUCATION

Consisting of Rev. E. W. Sihler, Clearbrook, Minnesota; Rev. Oscar Rem, Pequot, Minnesota; Rev. Edward Stenson, Halstad, Minnesota, met and organized by electing Rev. E. W. Sihler as chairman, and Rev. E. Stenson as secretary, respectfully begs to submit the following report:

Par. 1. The Northern Minnesota District assembled in Convention at Moorhead, Minnesota, June 4-7, 1931, express their sincere thanks and praise to our Triune God for His bountiful love and mercy and His providential care over our Seminary, Colleges and Academies, as well as over every honest endeavor in instructing the young in God's Word.

Par. 2, Section 1. The District acknowledges with much gratitude all the blessed work that is being done in our Sunday Schools, Parochial Schools, Week-Day Schools, and Pastors' Instruction Classes. God grant an ever-increasing zeal of interest on the part of pastors, parents, teachers, and children, for the work of Christian Elementary Education.

Section 2. We appreciate with thanks the valuable and important work which is being done by the Board of Christian Elementary Education. Its work is very instructive and helpful through its plans, methods, publications and institutes.

Par. 3. With much satisfaction we express our appreciation for the splendid work that has been done in all the Educational Institutions of the Church. We extend to the Presidents and Faculties of our Institutions our sincere thanks for their faithful and earnest efforts in the training of the Youth at our Schools. We pray that God's richest blessings may rest upon their efforts and that this work may be continued with renewed zeal.

Section 2. We urge parents and young people of our Church to carefully and prayerfully consider the advantages offered at our Christian Schools when selecting an institution for further study.

Par. 4. We note with sadness the constantly recurring deficits in the Department of Education. We appeal to our people to give this important work greater consideration and loyally support our Schools. In view of the fact that some of our institutions have incurred large debts we urge that those administering funds at our Educational Institutions exercise the most stringent economy.

Par. 5. We note the calling of the Rev. J. C. K. Preus by the Board of Education as Synodical Director of Education. We hope that his services will do much to bring the needs of our Schools before the people and to adjust the educational program of our Church.

Par. 6. We hope that our Church in the near future will find it possible to provide our Seminary with a Library Building and other necessary facilities.

Par. 7. The District heartily endorses the President's recommendations in his annual message in regard to Concordia College. This institution is doing a splendid work in the Northwest and deserves our hearty support. In October of this year Concordia will celebrate her fortieth anniversary. We appeal to all subscribers to the Concordia College Endowment Fund to fulfill their pledges. We appeal to all friends of Concordia College to remember this school with their prayers and their gifts. We pray that the fortieth anniversary of Concordia College may be a most memorable one and that our Heavenly Father will richly bless this our educational institution.

Par. 8. The District remembers with thanks the Christian work which has been carried on at Park Region Luther College, Fergus Falls, Minnesota. The School has had a successful school year, but has labored under financial difficulties. It is the hope and prayer of this District that these difficulties may be

adjusted. We heartily urge upon the friends of this College to rally to her support during these days of financial depression. Now more than ever this institution needs the gifts and prayers of faithful friends.

Committee,
E. W. SIHLER, Chairman,
OSCAR REM,
EDWARD O. STENSON, Secy.

REPORT OF COMMITTEE NO. III—HOME MISSIONS

The Home Mission Committee consisting of the Pastors J. K. Krogh and R. M. Fjelstad and Delegate E. L. Olson organized by electing J. K. Krogh as President, and R. M. Fjelstad, Secretary, submits the following report:

1. The Northern Minnesota District expresses gratitude to God for His blessings upon our Home Mission work during the past year, and for the enlarged opportunities that have been open to us on the Home Mission Field.

2. The District expresses its thanks to our Home Mission Committee and our Home Mission Pastors for unselfish and devoted service in this cause during the past year.

3. Acknowledgment is gratefully made of the fact that a number of congregations have recently become self-sustaining. This should ever be the aim of our Home Mission Congregations and we cordially urge all such congregations by increased yearly contributions to become self-supporting.

4. The District rejoices in the spirit of responsibility over against the unchurched in every community evidenced by many of our pastors and congregations. We heartily commend every constructive effort put forth by our pastors and congregations to win for Christ and for the Church not only the people of our own race, but also those of other nationalities.

5. The District endorses the recommendation of our President and Mission Board to hold special Home Mission conferences in various centers within the District. The District authorizes and instructs the Mission Committee to take steps that such conferences be held.

COMMITTEE NO. 4—FOREIGN MISSION

Committee No. 4 consisting of Pastors S. L. Tallakson, O. F. Braaten, and Del. Mr. Osmund Aslakson met Saturday, June 6, and organized by electing Tallakson, chairman and Braaten, secretary. We ask to submit the following report:

Par. 1. The Northern Minnesota District in Convention at Moorhead, Minnesota, expresses with humble gratefulness its thanks to Almighty God, the Lord of the Church, for what He has permitted to be accomplished to the salvation of souls upon our Foreign Fields during the past year in spite of many difficulties.

Especially does the District desire to express its thanks to God for having spared the lives of our brethren held captive by brigands in China, and for having blessed the efforts in all our Fields to the upbuilding of Christ's Kingdom on earth.

Par. 2. When we consider the conditions under which mission work must be carried on at present in the China Field, where lawlessness and civil war

still continue, we cannot but turn to God with praise for the Christian faith and courageous loyalty shown by foreign and native workers alike in the face of so great danger to their lives.

We rejoice to note that health conditions have been good among the China Missionaries, while our sympathies go out to our friends and brethren in other fields, especially in Madagascar, where general health conditions have not been of the best during the past year.

Par. 3. The District notes with gratitude the fact that the doors are open on every hand in our foreign fields for extending the Kingdom of God, and our humble prayers to the Lord of the Harvest are that we in the homeland may not hinder the salvation of souls by withholding by lack of interest and necessary means with which to carry on the work.

The continued requests from our brethren in the fields for more workers, and more ample funds, should stir our hearts and cause our prayers to rise more fervently to the Throne of Grace.

While we commend the policy of gradually turning over the responsibility for leadership to the natives in the advance of a cause of Christ among their countrymen, we must still of necessity stand by and encourage them for many years to come.

Par. 4. The District acknowledges with thanks the splendid work done by the Women's Missionary Federation for the untiring efforts put forth by the organization, in creating interest in the mission work and in gathering in large sums to support the work of foreign missions.

O. F. BRAATEN, Secy.

COMMITTEE NO. 5—CHARITY

Committee No. 5, composed of the following: Rev. C. M. Westermoe, Del. M. H. Stang, and Rev. A. J. Anders, met and organized, electing Rev. C. M. Westermoe, chairman, and Rev. A. J. Anders, secretary.

1. Northern Minnesota District assembled at Moorhead, Minnesota, express our sincere thanks to Almighty God for His divine love and mercy toward the work of Charity within our District.

2. We express our sorrow for the loss by fire of the main building of the Wild Rice Children's Home, but we thank God that no lives were lost. We further express our thanks to the institutions and private homes that opened their doors and cared for these helpless children that no serious suffering came to them.

We look to the general Church to find the best solution to carry on the future work of Charity within our District.

3. We urge on the people of our District to remember these institutions in their prayers and with their financial support.

REPORT FROM COMMITTEE NO. 6—FINANCES

The Committee No. 6 on Finances consisting of the following members: Rev. G. O. Forde, Del. Ole Fylling, and Rev. A. Stortroen met and organized by electing Rev. G. O. Forde, chairman, and Rev. A. Stortroen, secretary.

The Committee respectfully submits the following report:

Par. 1. Sec. 1. The Northern Minnesota District in convention assembled thanks God for the material blessings He has given us with which to carry on His work for building the Church.

Sec. 2. We rejoice and thank God for the interest many of our people are taking in the ingathering of the budget and for their willingness to give of the means with which God has blessed them.

Par. 2. The fact that we as a district came so near the goal last year should spur us on to increased activity for the ingathering of the budget for the present year. Though there is an increase in the budget for 1931, still, less than one dollar to each of the four activities of our Church is asked from each member. We wish to impress upon each one that he should not begin economizing when it comes to the work of the Lord. "The silver and gold are mine saith the Lord." We are stewards of the gifts of God and will be called to account for the use we make of them. He expects us to use our temporal means for the upbuilding of His Church, for the salvation of souls. Attention is called to the fact that many congregations look upon the budget allotment as a final goal, while it is intended only as the minimum sum. When congregations are so situated financially that they could send in more and still withhold contributions after this minimum sum has been reached, that discourages other congregations similarly situated from contributing more than the allotted sum.

Par. 3. We recommend that:

1. All congregations and all members of the congregations take part in the ingathering.
2. That an every member canvass be made.
3. The congregations try to send in the budget by monthly or quarterly contributions, and if a congregation is not able to send it in before the end of the year, to send in a sum so much greater so as to take care of the interest the Church must pay on money borrowed.

Par. 4. The Committee heartily endorses the ingathering of funds for the two Children's Homes, Lake Park and Wild Rice, that is taking place at this time for the purpose of liquidating the indebtedness of these institutions at the request of the Church and in conformity with former resolutions of the Northern Minnesota District and resolutions by the Board of Trustees and Finance Committee of the Norwegian Lutheran Church of America. The Committee rejoices in the splendid response of the congregations to this cause in spite of the financial depression, and is happy to know that already about fifteen thousand dollars have been gathered for this purpose. They ask that all congregations take part so that the work can be done speedily and completed before the close of the year. Thanks and appreciation are due the many who already have opened the fields and those who have contributed so liberally.

ALBERT STORTROEN, Secy.

(A) For the new books published yearly which are available to all.
(B) For our Church papers that come regularly to our homes.

Par. 2. We wish to urge upon the members of the District both to subscribe to and read them and thereby become more acquainted with the work of the Church.

Par. 3. We, therefore, urge our people to patronize our Publishing House, and reap the benefits from reading good, Christian Literature.

Present were Rev. G. O. Forde, Rev. A. W. Annestad, and H. S. Erickson. Rev. I. T. Aastad was also present.

Meeting called to order by the chairman. This meeting was called for the purpose of considering the sale of the property owned by the Northern Minnesota District, and occupied officially by the District President, Rev. Aastad. Particularly did the Committee give consideration to the resolution passed by the annual meeting of the District, held at Crookston, recommending the sale of the property at a minimum price of $3,500. After due consideration, of the subject, the Committee was ready to consider proposals.

Rev. Aastad offered to pay $1,000, above the encumbrance against the property, which is $3,710.85, making the sale price $4,710.85, it being that he would release the present mortgage, and give his personal note for $1,000, payable on or before five years, with interest at the rate of 5 per cent payable annually. Rev. Aastad also made this proposition, that if the District wanted this property back at this purchase price, plus cost of improvements, he would let them have it. The proposal of Rev. Aastad was unanimously approved.

It was moved and seconded that Deed conveying the property from the District to Rev. Aastad, be deposited with the Treasurer of the Norwegian Lutheran Church, in escrow, to be delivered to him when the note for $1,000, which is also to be deposited with the treasurer is paid. III. SOUTHERN MINNESOTA DISTRICT

A) President's Message

In his epistle to the Galatians the great apostle writes: "I am crucified with Christ; nevertheless I live, yet not I, but Christ liveth in me, and the life which I now live in the flesh, I live by the faith of the Son of God, who loved me and gave Himself for me." The words reveal a spirit of devotion which has been an inspiration to Christians of all time. Humbly and solemnly the apostle asserts and declares his complete allegiance to Jesus Christ. He had found contentment by giving himself up entirely to serve God. At the beginning of his life with the Savior, Paul said: "Lord, what wilt Thou that I shall do?" As he neared the end of his earthly road he turned his face toward eternal life and said: "I have fought a good fight, I have finished my course, I have kept the faith; henceforth the crown of righteousness is laid up for me." Speaking in the name of her Master, the Church invites, not only unto membership, but unto earnest discipleship. The onleading steps of Christ ever go up along the way of complete surrender to the will of God.

What we need today, more than all else, is a genuine dedication of heart to the program of Jesus Christ. God has been good to us. We gather at this convention, a people crowned with blessings. Through the means of grace the Savior has walked among the "golden candlesticks." Let us not forget to thank Him for His love and mercy. What blessings are ours! What responsibility rests upon our Lutheran Church. Some day soon, for all of us, the Light of God shall fall upon our lives—upon us who have received so much. It is serious to be a pastor; it is serious to be an official in the Church; it is serious to be a member of a Christian congregation. "He that shall endure unto the end, the same shall be saved." Brethren, I believe it is time for a reconsecration all along the line. The mere saying of "Lord, Lord" will not suffice. By God's grace, let us rise with Paul to the height of true discipleship and say: "I am crucified with Christ; nevertheless I live, yet not I but Christ liveth in me, and the life which I now live in the flesh, I live by the faith of the Son of God, who loved me and gave Himself for me." "Seek ye first the Kingdom of God and His righteousness, and all these things shall be added unto you." It is truly time to take God more earnestly upon His Word. Pray for the Holy Spirit upon our lives. Pray for faith in the Son of God—that faith which drives out fear, eliminates non-essential and even sinful struggles, which deplete our energies—a faith that puts our feet upon the Rock and frees us to do the tasks which the Church is called upon to perform. Faith removes mountains and overcomes the world. Let us joyfully rededicate ourselves to the Lord Jesus Christ, and the change in the Church will be like the breaking forth of a new day. With these words we welcome you to the fifteenth annual convention of Southern Minnesota District in the name of the Father, Son, and Holy Ghost!

Mankato—Our Convention City

More than a year ago the invitation to hold this year's district convention in Mankato was received and subsequently accepted. In arranging for this event we have met with the finest spirit of able cooperation from Bethlehem congregation and its pastor as well as from the city of Mankato. We have been assured of a hearty welcome. At the opening of our convention we extend to Mankato our grateful greetings. We know we shall enjoy our days of meeting in this beautiful city.

Official Visits and Inspections

Sixty-seven congregations within the district have been visited by the president during the past year. Although this number is larger than in any previous year, official visitations should be still more extended. Regardless of possible opinion to the contrary, inspection of parish conditions is extremely important to the welfare of our Church. Pastors and congregations need more constant encouragement, and difficulties could often be adjusted before advancing too far. An understanding contact between pastor, congregation, and Synod is an essential of efficiency. The district president should be relieved of participation in many other functions that he might devote more time to the work of inspection. Special festive events do not occur so often in each circuit, and therefore the circuit president could be delegated to officiate at many of these. At times week days should also be used for the conduct of official visits.

Some thoughts on program of inspection:

Conference with pastor alone.
Inspection of parish files and records.
Conference with church officers.
Conference with officers and pastor.
Sermon by pastor on Sunday morning.
Address to congregation by district president.
Inspection of S. S. and catechization of children.
Talk by president to young people on Sunday evening.

Our Home Mission Field

Amount given by Southern Minnesota District in 1930.....$72,074.62
Amount used in district during 1930..... 18,132.29
Amount granted for use in district for 1931..... 18,715.00

The home mission work of the American Lutheran Conference in Southern Minnesota District has now been placed under the supervision of the Southern Minnesota District.

The following congregations are receiving home mission aid: First Lutheran, Redwood Falls; Trinity, So. St. Paul; West Delavan, Delevan; Grace Lutheran, Fairmont; St. Louis Park, Minneapolis; Bethel, Elko; Victory, Minneapolis; Russell Avenue, Minneapolis; St. Stephens, St. Paul; Como Park, St. Paul; Nazareth, Minneapolis; First English Lutheran, Marshall; First Lutheran, Pipestone; Lake Harriet, Minneapolis; First English Lutheran, Ortonville; St. Johannes, Milbank.

The following have reduced amount to be received during present year: Trinity, So. St. Paul; W. Delevan, Delavan; Victory, Minneapolis; Como Park, St. Paul; First English Lutheran, Marshall; Lake Harriet, Minneapolis.

New fields have been opened at Paynesville, Minn., north of Phalen Park, St. Paul, (S. S. Station) and at Bloomington Ave. and 65th St., Minneapolis.

Rev. H. P. Grimsby has rendered valuable service through surveys and organizations. He will report on his work during the past months.

We are glad our Church Extension has been able to grant loans to a number of congregations in the district. These loans should be repaid as soon as possible that the money may be available for other places. We have an extended home mission field and therefore need a large Church Extension Fund. There are numerous fields in southern Minnesota which should be occupied by us. Many of them are being lost to even non-Lutheran groups. Church Extension enters powerfully into the picture of Home Missions. It would be marvellous in its result if every congregation would remember the offering or collection each year to this cause, as requested by our Church. Pastors and delegates please make a note of this. It will mean so much if you give the offering.

The work at the state institutions in Faribault is taken care of by Rev. H. O. Bjorlie. His chapel is indeed an interesting place to visit. Rev. Bjorlie is an expert in his work and is rendering an important service in this home mission activity of our Church. We shall be pleased to listen to a report from him.

Fine work is being done also at our state schools. These are the institu-

tions and the men in charge: University of Minnesota, Rev. C. S. Thorpe; Agricultural College at Morris, Rev. N. O. Peterson; Mankato State Normal, Rev. Edward Johnson; Winona State Normal, Rev. H. A. Wein.

We have asked these men to give a report of their work to the convention.

Home Missions are not only confined to the outlying districts. Southern Minnesota has a decided home mission field. Requests for help come from many quarters. If our district is to enter more powerfully into its spiritual opportunity and remain the strong contributor to this sacred cause, we must also occupy the fields within our own borders in city, town, and country. Our faithful district committee is constantly planning a program of conservative expansion.

Our executive secretary, Dr. C. S. B. Hoel, has not been well of late. May it be God's will to give him strength to continue his blessed service. Our convention should send him a greeting of encouragement and appreciation.

Christian Education

Christian Education has a direct bearing on all the activities of the Church. The sum of $62,827.28 was given in 1930 by the Southern Minnesota District to this cause. Although this is a large amount, our district deficit is in this department alone. Some time ago the sum remaining unraised of the guaranteed amount apportioned Southern Minnesota was about $2,700.00. We sent out a letter asking for a special donation from such congregations as felt they could give it. About $500.00 came in, largely in response to this appeal. When the books closed, our deficit in Christian Education was only about $2,200.00. If this amount could have been raised, Southern Minnesota would have reached the guaranteed budget amounts in all departments.

We are happy to learn that Rev. J. C. K. Preus has accepted the call to be executive secretary in the Department of Christian Education. We hail him with greetings of assured cooperation. As we welcome Rev. Preus into his new position, we thank Dr. L. A. Vigness, the retiring secretary, for the many years of faithful service.

Elementary Christian Education

As our fathers and mothers treasured and fostered the sacred cause of Elementary Christian Education, so we must do if the Church is to live. On the program of Christian Education, Elementary Christian Education must have a prominent place. The children of the Church must be given every opportunity to enter into their "great heritage." Dr. J. N. Andersen, synodical director, is one of our convention speakers and will tell of the work in this field of activity.

Foreign Missions

The district contribution to Foreign Missions in 1930 was $79,895.77. Truly this branch of our Christian endeavor is near to the hearts of our people. We praise God for this manifestation of loving concern for the carrying out of the command of the Savior. The task of this department is often complicated by difficult problems. Southern Minnesota is thankful for work so splendidly done. May there be constant prayer for our Foreign Missions. Just now some of our missionaries are in grave danger, especially in China. Let us go often to the throne of grace in behalf of these brethren. We suggest that a special session of prayer be set aside at one of the morning Bible hours at our convention. Pray for the workers on all our mission fields in China, Madagascar, and Africa. Speak a word of appreciation, also, to the missionaries at home on furlough as we meet them. Mrs. William Trygstad is seriously ill at Fairview Hospital. Our heartfelt sympathy goes out to her and the Trygstad family. May God give them strength and surround them with His divine love.

Our Work of Charity

This department is under the experienced supervision of Rev. H. B. Kildahl, executive secretary. Southern Minnesota has been the recipient of many blessings through this great work of love. Jesus went about doing good, let us

thank God that we are privileged to follow in His steps. To this cause our district gave $48,210.39 in 1930.

The Lutheran Girls' Home, Minneapolis. Mrs. Lena Formoe, superintendent. We call attention to Rev. Kildahl's report on the work done by the home during the year. This is the one institution of mercy located in our district. It is partly supported by the budget of the Church. Hundreds who have made mistakes find a kindly haven in this house. It is truly a ministry of mercy worthy of our support.

Home Finding Activity in Minnesota. Since January 1, 1929, the Lutheran Welfare Society of the Twin Cities has had charge of our Home Finding work in the State of Minnesota, except in connection with our children's homes. A total of 195 children were under the care of this activity during the year.

Rochester City Mission. Another important mission, under the supervision of the department of charity and carried in our district. Rev. W. K. Naeseth is in charge. He gives spiritual care to hundreds of our people at the hospitals in that city during the year. God has richly blessed this work. Rev. Naeseth will be given an opportunity to address this meeting.

Twin Cities Institutional Mission, in charge of the Lutheran Welfare Society, conducted by Rev. E. T. Rogne, missionary. We have asked Rev. Rogne to tell us of his experiences as a hospital worker.

Thus, every day, our charity workers go about their task of love. Let us remember to pray for them.

Evangelists

Our district has been blessed through the service of our evangelists. We have too few of these men working among us, only four in our entire Church. Our regret is that they are not able to fill more engagements in our district. This work is under the supervision of Home Missions, and it is truly home mission work. In order to further this cause, we suggest a district committee on evangelistic work.

The Spiritual Life Conference

One of the outstanding gatherings of the year was the Spiritual Life Conference held at Albert Lea, Minn. The meeting had been prayerfully planned and was carried out unto great blessing. While the conference was a general synodical event, Southern Minnesota was the meeting place, and we thank God for its influence in the district. This conference should be followed up by similar district conferences. Southern Minnesota should arrange to have such a meeting in the fall of this year.

The Budget

When the books closed for 1930, our district had contributed $263,008.06 to the synodical budget. Again our people have responded with more than one quarter of a million dollars. This has been done during a year of unusual depression. Love for the work of the Lord has found a way in the hearts of most of our members. The guaranteed percentage has been reached in the total amount. A deficit occurs only in the department previously mentioned, $2,200.00 in Christian Education. For the first time in the history of our Church the past fiscal year shows that every congregation in the district has contributed. The present year shows about the same percentage raised as at the same date last year. This, too, is encouraging. Our ten circuits have been organized through their elected finance committees to put into operation the card system adopted by the Church. One of the most important features of this system is the creation of a synodical activities committee in every congregation. We thank God for the spirit of cooperation manifested by pastors and churches.

Emphasis on Circuits

Making the circuit an outstanding unit in our organization must be accomplished for the efficient conduct of our work. The idea is being well received

by pastors and congregations. We would recommend the carrying out of the following program:

Annual Conference—District Executive Officers and the ten Circuit Presidents.

Meetings, twice a year—Dist. Pres. and Circuit Officers.

Meetings, twice a year—Dist. Pres. and Circuit Finance Committee.

Meetings, twice a year—Dist. Pres. and Circuit Board of Elem. Christian Education.

Circuit presidents should, in our opinion, be elected to longer terms in office.

Dates of circuit meetings should be set after conferring with district president, so as to permit him to attend, if possible. There is need of this contact.

The Book Mission

The little pamphlets and booklets of our Book Mission have proven to be real missionaries in the Church. They go with Christ's message of love into our institutions and homes, to many a sick bed, to many an invalid. Rev. O. Guldseth has worked so hard for this mission and God has crowned the task with success. Let us encourage this veteran servant and also further this cause, which is more significant than many know.

Schools within District

Luther Theological Seminary, St. Olaf College, Red Wing Seminary, Madison Normal. While these schools belong to all of the Church, we appreciate that they have their home within our district. Southern Minnesota thanks the presidents and other teachers of these institutions. We pray for God's blessing upon all the schools of our Church. May our Heavenly Father watch over the young people who go in and out from their halls. The respective presidents have been asked to bring greetings.

Dr. M. O. Bøckman has retired from the presidency of the Seminary after many years of signal service. The district will offer resolutions of thanks for the rich years which God permitted him to give to us. And as these resolutions are offered we will greet the new president, Dr. T. F. Gullixson, with words of encouragement and pledges of loyalty.

Jewish Missions

A group of men and women are constantly engaged in the effort to bring Israel to the Savior. Interesting things have happened during the past months. In one of the Minneapolis missions even a Jewish rabbi has embraced the Christian faith. A greeting of appreciation from the district would be encouraging to workers in the Zion Society for Israel.

Augsburg Publishing House

Do we realize that we have one of the finest publishing houses in the Northwest? The influence of this institution among us is far reaching, indeed. The selection of books is becoming better and better. We are pleased to note that many of the fine later editions are by our own pastors. There is an atmosphere of efficiency about our Publishing House, an interesting fact, perhaps not known by many, is that stated hours of prayer are conducted, to which the workers are invited. Manager R. E. Haugan and his associates are indeed to be congratulated.

Regular Meetings

Circuit meetings have been held regularly in all the circuits. The Southern Minnesota Pastoral Conference met at Minneapolis, January 28, 29, 1930.

Recommending new District Committees

For some time we have felt there should be a standing district committee, elected annually, to which situations and cases may be referred for recommendation and such action as may be necessary between district meetings. The district president should be ex-officio member of said committee. We recom-

mend the election of a standing committee of four members, pastors and laymen, at each annual convention of the district.

We further recommend the creation of a District Board of Charity, said Board to work under the direction of the General Board of Charities.

Our Former District Secretary

After many years of splendid service, Rev. P. C. Danielson resigned from the position of district secretary. Acceptance of a call to Racine, Wis., Eastern District, made the step necessary. Rev. Danielson's work as secretary was always ably executed. The district expresses gratitude. Rev. M. E. Hauge, formerly of Canby, Minn., now of Minneapolis, alternate secretary, assumed the duties of office until the election of a secretary at this meeting.

District Organizations

The Women's Missionary Federation.
The Lutheran Daughters of the Reformation.
The Brotherhood.
The Young People's Luther League.
Det Norsk Lutherske Forbund for Ungdom i Amerika.

These organizations exist for the Church. We praise God for the outstanding service rendered. The W. M. F. and the L. D. R. are holding their conventions here with us during these days. The District Lutheran Brotherhood is to be organized on Saturday evening. We are glad to welcome them, and pray that they may have blessed meetings.

Ordination at Convention

Candidates in theology, Walter M. Holtan and Milton T. Bratrud, ask for the ordination of the Church. Candidate Holtan is called as pastor of St. John's and Sundown Congregations, Springfield, Minn., and Candidate Bratrud has been called to a pastorate in the Northern Minnesota District. Let us welcome these young brothers in Jesus' name and pray that they may be given years of blessing in the service of the Church. The district will authorize their ordination, which will take place Sunday afternoon, the closing session of the convention.

Necrology

The following pastors have been called to their reward since the district last assembled in convention: Rev. L. E. Green, Minneapolis; Rev. O. H. Hoel, Canby; Rev. O. A. Bue, Northfield; Rev. N. G. W. Knutson, whose home was at Albert Lea, Minn.

These men were all veteran servants in the ministry. The Lord gave the Church a precious gift through their faithful labors. We believe they "fell asleep in Jesus." "Earth has folded in her arms their weary frames and shelters them 'til the morrow." Blessed be their memory. We would also record

here the passing of Mrs. C. K. Preus and Mrs. K. Xavier, whose lives as pastors' wives will ever be held in thoughtful remembrance by all who knew them. To the bereaved families of these men and women we extend our heartfelt sympathy. We commend them to the love of our Heavenly Father and the wondrous promise of resurrection and eternal life through Jesus Christ.

In Conclusion

For a period of four years it has been my privilege to serve as president of the Southern Minnesota District. May I say that the tasks have not all been easy, but God has been good to me, and I have been greatly blessed. Pastors and congregations have surrounded me with encouragement and understanding love. I thank God for His mercy. It has been my prayer that I might be given wisdom to pursue a constructive program for my district. There is indeed much yet to be desired. Personally I believe many changes are necessary for the efficient conduct of our affairs. May we in love help one another find the way. And now I pray that my sins and mistakes may be covered by the merits of my Savior. God bless and keep my district, for Jesus' sake!

—NILS KLEVEN.

D) Committee Reports

NO. I. CHURCH AFFAIRS

Committee No. 1 consisting of L. W. Ellefson, A. N. Haaserud, Rev. C. L. Rochie, Dr. G. M. Bruce and Rev. Arnt Vaaler organized by electing Dr. Bruce as chairman and Rev. Arnt Vaaler as secretary.

The committee submits the following report:

1. On General President's Message

(a) The convention gratefully acknowledges God's guiding and protecting hand during the past year in all the various activities of our Church as well as the blessing which He in His mercy has richly bestowed upon our Church in its work.

(b) The convention notes with a great deal of joy the chord of optimism and victorious faith which pervades the message of the General President and hereby expresses its sincere appreciation of the exhortation and encouraging words conveyed—deeply recognizing the truth of the key-note struck. Our sufficiency is of God. May the difficult and troublous times through which we are passing serve to humble us before God and to give more earnest heed to His loving call to a deeper and more thorough going repentance. A more whole-hearted consecration to Him and to more faithful and diligent work in His vineyard.

2. District President's message

(1) The convention notes with pleasure the diligence the District President has shown during the past year in paying official visits of inspection to the congregations in the District. Sixty-seven such visits are reported. The convention urges him to continue to stress this part of his official duties so productive of blessings both to pastors and to congregations.

(2) The convention heartily concurs in the "program of inspection" outlined in the District President's message on page 142.

(3) In order to bring about a closer contact and co-operation between the District and the Circuits and between the District President and the Circuit officers and committees, the convention approves the suggestions made by the District President on page 145 of his message.

4-a) Be it therefore recommended that the circuits consider the advisability of making the term of the office of the circuit president extend over a period of three years. If this plan is approved by the circuit, it is further recommended, in the interest of uniformity, that the District President and the Circuit Presidents propose to the several circuits some fixed date when such three-year term is to begin.

(4-b) The president is authorized and urged to imply the circuit presidents as his assistants in such manner and to such an extent as he may deem necessary and expedient to accomplish the visitation of all the parishes within the District during a period of three years. It is also recommended that he employ them for such minor official functions as he from time to time may designate.

(5) In order to promote evangelistic work within the District, the president is authorized and directed to appoint a committee of three members who shall serve for a term of two years, beginning July 1, 1931. This committee shall in consultation with the president have charge of special evangelistic work and arrange for spiritual life conferences at such time and place as shall be deemed advisable.

(6) A Judicatory Committee for the District is hereby created in accordance with the president's recommendation (see p. 145). It shall consist of five members, the president ex-officio, two pastors and two laymen. The pastors and laymen shall serve for a term of two years, beginning July 1, 1931. This com-

mittee shall perform such duties as the convention may from time to time assign and adjudicate to such matters as may be referred to it by the president.

(7) The convention approves the recommendation for ordination of the following candidates:

Walter M. Holtan on call from St. John's and Sundown Congregations, Springfield, Minn.

Milton T. Bratrud on call to serve congregations in Northern Minnesota District.

Oliver Bergeland on call to serve congregations in Rocky Mountain District.

(8) The convention notes with rejoicing and thanksgiving to God that in spite of the present financial depression, the congregations have raised almost the entire quota of the guaranteed budget for the year 1930. It urges upon pastors and congregations to make a special effort to raise the remaining small amount of about $2,000 at the earliest possible date and to put forth every effort to raise the full quota for the current year.

(9) Items in the president's report referring to home and foreign missions, finances, charities, Christian education, elementary education, and publications are referred to the proper committees for consideration and report. The items relating to the Book Mission and the Jewish Mission are referred to the Committee on Home Missions.

(10) The following items are referred to the Committee on Resolutions for consideration and report: Former secretary, district organizations, anniversaries, pastors received into the District, pastors removed from the District, and necrology.

Committee No. I—Report No. 2

By action of the convention the following communication from the Montevideo circuit was referred to Committee No. 1 for consideration and report (omit sections pertaining to credentials):

Your committee has devoted two sessions to the consideration of this matter. At the first session Revs. E. J. Strom and J. O. Wrolstad appeared before the committee and presented arguments in support of the proposal to change the organization of our Church by the elimination of the district divisions and district officers. It is but natural in times like these that this temptation may arise to sacrifice efficiency to a program of curtailment of expenses and established order and approved working conditions to a temporary expediency. The committee is of the opinion, however, that it is inadvisable to take such action as requested in the above cited resolution.

Your committee therefore recommends that the Southern Minnesota District do not at this time go on record as favoring the elimination of district divisions and district officers at this time.

Respectfully submitted,

G. W. BRUCE, Chairman,
A. VAALER, Sec'y.

Committee No. II—Christian Education

1. We express our gratitude and thanks to our Heavenly Father for the work that we have been permitted by His grace to pursue within His Church, realizing our own inefficiency in this matter.

2. We appreciate the contributions by the several congregations of the district towards Christian education. And we hope and pray that we may have the continued support of our congregations so that in future years—this department may not have any deficit.

3. We heartily endorse the Christian Educational work done within our district in our several congregations, and throughout our church body. We appreciate the improved methods of teaching our youth, the efforts of our synodical directors in furthering these causes and we highly recommend the pronounced work of the Luther League in their own advancement in Chris-

tian work. We also recommend the topic system in further education of our adolescent and confirmed youth.

4. We heartily endorse the sentiments expressed by Reverend Joseph Tetlie in defense of secondary schools in his recent speech.

5. We heartily endorse the Saturday school, vacation school, week-day school as practiced in different localities, and we recommend the special system of budgeting for same, including the Sunday school.

C. L. STROM, Sec'y.

REVEREND N. G. MAGELSSEN,
REVEREND O. P. STENSLAND,
DELEGATE B. INGVALSON,
DELEGATE ERICK LOMEN.

Committee No. III—Home Missions

Nels Tangen, Albert Lea; Jens Kalstrom, Milan; John Kragness, Houston; Reverend Otto Mostrom, Zumbrota; and Reverend Olin C. Fjelstad, Owatonna, met and organized by electing Reverend Mostrom, Chairman, and Reverend Fjelstad, secretary.

1. The Southern Minnesota District voices its cordial gratitude to our Heavenly Father who in His great mercy has richly blessed our Home Mission efforts; to the officers and mission pastors who, as instruments of the Holy Spirit, employ their time and talents in saving and gathering souls into the Church of Christ; and to the loyal members and friends of our congregations who give moral and material support to our Home Mission program.

Grateful recognition is given to the pastors who, in addition to congregational work, render special services at our state institutions; C. S. Thorpe, University of Minnesota; N. O. Peterson, Agricultural College at Morris; Edward Johnson, Mankato State Normal; N. J. Wein, Winona State Normal; and H. O. Bjorlie, institutions for deaf, dumb and blind at Faribault.

2. The District notes with joy and gratitude that three new fields have recently been opened.

The District commends the congregations which have been able to take a further step in the direction of self-support, and urges all mission congregations to strive to become entirely self-supporting at as early a date as possible that funds may be available for beginning work greatly needed in new fields.

3. Inasmuch as Southern Minnesota offers a very extensive Home Mission field, the District regrets that, although men are available, lack of means do not permit us to enter many open doors:

Be it resolved that an apportionment be requested for our District Home Mission budget equal to two-fifths of the total amount contributed by the District toward Home Mission work.

4. Be it resolved also that all congregations be reminded to receive every year an offering for the Church Extension Fund, as repeatedly requested by our Church.

5. Be it resolved that the District commends the work of our Book Mission under the direction of Reverend Olaf Guldseth, and encourages and urges our congregations and individuals to support the work with their prayers and gifts.

6. Be it resolved that greetings of congratulation and sincere good wishes for future growth be extended to the Zion Society for Israel, and that our people be urged to work and pray for the conversion of the Jews.

Respectfully submitted,

OTTO MOSTROM, President,
OLIN G. FJELSTAD, Secretary.

The Committee on Foreign Mission No. IV

The Committee on Foreign Missions organized by electing Rev. O. T. Storaasli, chairman and Rev. N. J. Njus, secretary.

We submit the following resolutions to the Convention:

1. We thank God because He in His mercy has so signally blessed our work on all our foreign mission fields in the past year so one can rejoice over great ingathering of souls. We thank God because our missionaries can report that He has in a still greater degree opened the doors for the Gospel message.

2. We pray that God may open our eyes to the great opportunities given us to become a blessing to the people and that He may help us realize the privilege given us to spread His Kingdom that we may to the greatest possible extent make use of the present opportunities for salvation of souls.

3. We express our deep appreciation of the faithful work of our missionaries under most difficult conditions, difficulties augmented by lack of funds to carry on the work as the need demands.

4. Our hearts are especially touched by the Christian heroism and devotion shown by our missionaries in China; that they in the greatest danger have in faith in God's protection carried on their work. We thank God for His protection, for the courage and strength granted unto them. We pray for continued protection and blessing in their work.

5. With thanksgiving and joy, we think of the release of Missionary K. N. Tvedt. With sorrowful resignation under God's will we think of Missionary

Resolved, that the district commend its congregations for support by prayer his captors to the glory of His name, but most of all that God by His spirit will grant him continually to be conscious of His Fatherly love and care.

6. We rejoice to hear of the unusually favorable condition on our field in Madagascar but we are filled with sorrow to know that the work is hampered by the lack of means needed to meet the opportunities. We pray God that He may open the hearts of those to whom He has given the means that liberal special gifts may flow into that mission field that the cry for help may not be in vain.

7. We also remember the mission field in South Africa with thanks to God and prayer for continued blessing and success.

Committee No. V—Charities

The Committee on Charities moves for adoption the following resolutions:

Resolved, that the So. Minn. Dist. express its gratitude to God for enabling it to contribute to the work of Charities sufficient funds to prevent a deficit, and that it pray God's continued blessings upon the Department of Charities and its functionaries.

Resolved, that the district commend its congregations for support by prayer and by gifts the work done by the Lutheran Girls' Home in Minneapolis; the ministrations to the sick by W. K. Naeseth in Rochester; and the activities of the Lutheran Welfare Society in the fields of home finding, city and hospital mission and other efforts of reclaiming the lost and relieving want and pain.

Resolved, that the Southern Minnesota District extend to the Homme Children's Home, The Homme Sunset Home and to their publication, "For Gammel og Ung," fraternal greetings and congratulations upon completing this year fifty years of useful and blessed service. May God continue to bless also in days to come these institutions which have administered to many residents of Southern Minnesota and are cherished by many of our people.

Resolved, that the District express appreciation and regard for Rev. and Mrs. J. A. Wang, when they now, after long and faithful service in the cause of Christian Mercy, retire from the ranks of active workers. May the God of Mercy bless them in their evening of life.

Committee No. VI—Finances

Consisting of J. N. Jacobson, Theo. Thormodson, A. O. Anderson, Rev. Clarence Haugen, and Rev. Edw. Hegland organized by electing Clarence Haugen for chairman and Edw. Hegland for secretary.

The committee begs to submit the following report:

The Southern Minnesota District of the Norwegian Lutheran Church of America in convention assembled at Mankato, June 10-14, register our gratitude to God, and express once more our dependence upon Him in financial affairs as in all others.

Further, we definitely and sincerely express our gratitude and appreciation to the church people of our district for their generous support of the work of the Church.

Even during the year 1930, a year of restricted income, and consequently of lowered financial ability, the congregations of our district contributed the sum of $263,008.06 to our synodical budget. That this was well done ought to be said to the glory of God and to the credit of our people.

The district encourages its pastors and congregations to continue to the best of their ability, as God gives them grace, to support the work of the Church in extending the kingdom of God.

Southern Minnesota District commends to the kindly reception of pastors and congregations Rev. H. O. Svare, the church financial agent of our district.

We respectfully recommend that the pastors and congregations keep informed as to the ingathering of the funds for our church work, in order that they may contribute intelligently as and where the needs become apparent.

The encouraging record for the year 1930 justifies the hope and expectation that the pastors and the congregations of Southern Minnesota District are firmly determined that the work of the Lord by the Church shall not suffer because of financial depression.

The Committee on Pensions

Delegate C. O. Christenson, Delegate S. S. Reitan, Delegate C. M. Hanson, Reverend C. S. Halvorson and Reverend Clarence L. Lee organized by electing Reverend C. S. Halverson, President and Reverend Clarence L. Lee, Secretary.

The Committee wishes to submit the following report:

Par. 1. The Southern Minnesota District in convention assembled expresses thanks to the Almighty God for what we as a Church have given towards the support of aged Pastors and Pastors' Widows through the instrument of the Pension Fund.

Par. 2. A—The Convention is grateful and appreciative to the 171 congregations within the District, who have contributed $6,528.69 during the past year.

B—The Convention regrets that of the 342 congregations within the District, 171 congregations contributed nothing towards the Annuity Account.

C—The Convention wishes to remind the congregations, pastors and delegates that the Pension Board was compelled to draw $4,654.24 from a Reserve Fund in order to pay each pensioner the sum of $320.00.

Par. 3. The Convention desires to remind of the necessity of such Pension. The report of the Pension Board says: "300 superannuated or sick ministers, teachers, missionaries, and widows, who with very few exceptions, have little or nothing else to live on than the Pension."

Par. 4. The Convention recognizes that if these men and women, who have given the best years of their lives in the Lord's service, are to receive the minimum pension suggested and recommended, that every congregation in the District must endeavor to raise the largest sum apportioned to it for the Annuity Account.

This is necessary:

First—Because of the economic condition which makes it impossible to collect interest due on all investments.

Second—Because the source of income from the Augsburg Publishing House will be less this year.

Third—Because the list of Pensioners will no doubt soon be increased, for as the report of the Pension Board says: "of 755 dues-paying members, 106 are past 65 years of age and may soon become pensioners."

CLARENCE L. LEE, Secretary.

The Committee on Publication consisting of Rev. J. O. Wrolstad, Granite Falls; Delegate Andrew Finstuen, Kenyon; Delegate H. K. Hoff, Mankato; Delegate Oscar Hanson, Blue Earth and O. S. Reigstad of Minneapolis, organized by electing Andrew Finstuen, chairman and O. S. Reigstad, secretary, and begs to present the following report:

The Southern Minnesota District of the N. L. C. of A., assembled in biennial convention at Mankato, wishes to acknowledge with gratitude the constantly increasing efficiency of our publication department, and the incomparable service rendered by this institution through the dissemination of truth, by the printed word, both for information and edification. Our publishing houses are for a great portion of our constituency the only informative source and medium by which the current local, synodical and international church affairs are conveyed.

Our publishing department by relentless effort is a great factor in the propagation and advancement of the kingdom of Jesus Christ.

Some changes and improvements in the service this department can render, might doubtlessly be suggested, but the Convention feels that such counsel together with spiritual-technical direction must be charged to the Synodical Board of Publication. We render our thanks for the work which is now accomplished.

1. Since the Board of Publication is a primary and fundamental agency in the propagation of the truth, the Convention wishes hereby to recognize the invaluable contribution thus made. The Board is a useful and fruitful handmaid of the Church.

2. The Convention wishes to make specific recognition of the extraordinary efforts set forth during the past biennium to enlarge the reading constituency of our church organs, "Lutheraneren" and "The Lutheran Herald," by a constant and systematic endeavor to increase the number of subscribers, great things have already been accomplished and entire communities have become regular and faithful readers of these devotional and informative organs.

3. The Convention wishes further to endorse and approve the apparently more generous and liberal policy governing the acceptance, publication and sale of devotional, literary, scientific and theological contributions of our own leaders; that this policy be maintained and encouraged so that we may discover and preserve the pre-eminent gifts and talents. We do not need forever to live, nor can we thrive always on borrowed material.

4. The Convention furthermore desires to express its appreciation of the work done by the Book Mission, through the printing and distribution of tracts and pamphlets to the sick and lonely, the imprisoned and distressed, in ever wider and more far reacting scope. Be this work commended to our people everywhere, and the burden of its support laid upon their hearts.

OLIN S. REIGSTAD, Secretary.

President's House Rent

The Committee on President's House Rent, consisting of A. E. Anderson, Pres, J. N. Jacobson, Gilbert Strandemo, L. W. Boe, Tenner Thompson, met at the Ryan Hotel in St. Paul in January this year and formulated the following resolutions to be presented to the Southern Minnesota District Convention in Mankato.

1. To present a report of the status of the House Rent up-to-date.

2. To request a resolution from the District to our general treasurer to send out the House Rent apportionments with the Budget for 1932.

3. To request a resolution from the district to the General Convention in 1932 to add the House Rent apportionment to the general apportionment for Southern Minnesota District congregations.

Explanations

1. We have raised to date $1,962.88 lacking $37.12 of being the amount promised Rev. Kleven to date. The resolution of S. Minn. Dist. went into effect July 1, 1929, so that the President's house rent has been paid at the rate of $1,000 per year to date.

2. We have sent out the apportionments three times. The first in September, 1929, the second about April, 1930, the third in February, 1931. According to which there should be in by the end of this year $3,000. No doubt a large amount of this will come in.

3. But because of the tendency of the present system to failure, as time goes on, therefore we request this second item, viz., a resolution to send out the appointment which the general budget for 1932 and looking towards another and more complete consideration by the General Convention in 1932. Now the 1930 convention simply referred the 50 resolutions back to the District. Since that time there has been considerable education and pressure brought to bear on the officials in regard to this matter and we hope to have a more favorable action in 1932.

Resolution—Red Wing Seminary

The Southern Minnesota District, in convention assembled, regrets that the Board of Education has found it necessary to take drastic action against Red Wing Seminary, a school owned and operated by the Norwegian Lutheran Church of America. The convention feels that such action rests properly with the General Convention of the Church; it is, moreover, convinced that Red Wing Seminary has a definite and vital contribution to make to our Church, together with our other educational institutions.

The Convention furthermore urges upon pastors and congregations within the District to give all possible assistance in relieving the present financial difficulty, and in securing students for the coming school year.

The Committee on Resolutions

1. The Southern Minnesota District of the Norwegian Lutheran Church of America, in Convention assembled at Mankato, Minn., June 10-14, 1931, desires first of all to express its gratitude to God for the life and the service of the faithful pastors, who have been called home from the Church militant to the rest and glory of the Church triumphant in the kingdom of heaven. These are Reverend L. E. Green, Minneapolis, Minn.; Reverend O. H. Hoel, Canby, Minn.; Reverend O. A. Bue, Northfield, Minn.; Reverend N. G. W. Knutson whose home was at Albert Lea, Minn.; Reverend G. M. Sævig, Rushford; Reverend S. H. Thollehaug, Minneapolis, Minn., and Reverend Christopher Peterson, Benson, Minn. These men were a great gift from God to our Church that will long be cherished and remembered by many of us, who are left to carry on the work they have so nobly advanced. But most of all we rejoice over the many souls they pointed to Christ and were instruments in saving.

2. The Convention remembers with gratitude Mrs. C. K. Preus and Mrs. K. Xavier, and Mrs. O. H. Hoel, these faithful pastors' wives who did so much to bring cheer and comfort to the life and homes of their pastor husbands. Great indeed was their service and blessed be their memory.

3. The Convention was much cheered by the greetings brought to us by Dr. Aasgaard from Dr. H. G. Stub, and Judge Andrew Grindeland. These have both retired from active service and are unable to be with us in body, but we are thankful to God that they are with us in spirit. Their greetings and good wishes fall like a benediction upon all of us who are active in the battle for the advancement of the kingdom of Christ. Well have they earned a short respite in which they can look back upon lives well spent and work well done. We thank them heartily for their kind greetings, and we hope that God will grant them many blessed days in their eventide of life.

4. The Convention rejoices with Luther College, Decorah, Iowa, on her seventieth anniversary and congratulates her most heartily. The college was born in the dark days of the Civil War through the prayers and sacrifices of Norwegian Lutheran Pioneers. She is the Mother educational institution in our Church, and has weathered many storms, and seen many a dark and trying hour, but she stands today stronger and more prospering than ever. Her crown of glory are her many faithful sons, who in Church and state have promoted the kingdom of God, and the welfare of mankind. May Luther College continue to be true to her motto: "Verbum Dei Manet in Aeternum."

5. The Convention desires to express its joy and congratulations to Concordia College, Moorhead, Minnesota, on her fortieth anniversary, attained this year. During these four decades this College has experienced a rapid and healthy growth, and has wielded a beneficent influence upon the young men and women of our Church in the Northwest. She holds advantageous position in moulding the minds of the hundreds of young folks of her territory, preparing them for leadership in the various walks of life, giving them a Christian basis and motive for thought and conduct. May she ever be faithful to the Lord of the Church, and never be false to her trust.

6. The Convention learns with profound sadness of the serious illness of Pastor Th. Rorstad, necessitating his resignation from his parish. May the Master whom he has faithfully served be his mainstay in his days of afflictions, and may he experience the truth of the divine promise that "all things shall work together for good to them that love the Lord."

7. The Convention learns of the illness of Rev. and Mrs. Ole Lokensgaard and sends greetings and hope that their days of service in the Kingdom of the Lord may be extended. The Convention is also cognizant of the fact that Pastor Lokensgaard can this year celebrate his fiftieth anniversary as pastor. The Church is duly appreciative of the faithful service of this man of God as pastor and teacher, and sends greetings and grateful acknowledgment of the valuable and constructive work done during his fifty years of ministry.

8. The Convention sends greetings to Rev. O. B. Tufte of Bricelyn, Minn., and Rev. A. H. Trygstad of Northfield, Minn., and Dr. H. B. Hoel of Minneapolis, Minn., brethren in the Lord's Vineyard, who have been visited with prolonged illness. The Lord who has permitted their present affliction will not forsake them in their days of trial, but will give grace and glory.

9. The Convention is gratefully appreciative of the hospitality of the City of Mankato; of the service of the Retail Merchants' Association which has so extensively contributed to the comfort and convenience of the members of the Convention.

10. The Convention is grateful for the use of the Bethlehem Lutheran Church for the sessions of the Convention and to Rev. and Mrs. Edw. Johnson for the efficient manner in which they have superintended the arrangements for the same.

It gratefully appreciates the use of the St. John's Episcopal Church for the sessions of the Women's Missionary Federation and for the Norwegian Services Sunday morning:

The Christian Church for the use of the Convention committees:

The Methodist Episcopal Church which was also tendered the Convention:

The Immanuel Church and to pastor, Rev. Ackerman, for the use of their church for the ordination service.

11. The Convention is highly appreciative of the valuable services rendered by the local music committee, particularly Mrs. Orville V. Siverson and Mrs. T. L. Nydahl, for their untiring efforts in supplying special music for the various sessions of the Convention.

12. The Convention gratefully appreciates the services of Messrs. Salveson and Larson, who have served the Convention in the Augsburg Publishing booth and have furnished the Convention with a daily bulletin.

13. The Convention sends greetings and felicitation to Camrose Lutheran College on her twentieth anniversary which she celebrates this year. Her work in the Canadian Northwest has been a God-send to our Church and resulted in much blessing.

14. In conclusion the Convention expresses sincere gratitude to all the officers of the District for efficient and valuable services rendered during the year; to all its working committees and the various individuals who have rendered valuable services, making possible the holding of this blessed Convention.

Resolution

The Southern Minnesota District Convention expresses its thanks to Dr. M. E. Waldeland for his efficient conduct of the National Lutheran News Bureau, and to Rev. Ivar Ramseth, Rev. J. C. Walledom and Rev. O. E. Dolven, our convention news committee for their untiring activity in supplying the press with authentic news for publication.

THE COMMITTEE ON RESOLUTIONS.

The Southern Minnesota District of the Norwegian Lutheran Church of America, assembled in Biennial Convention at Mankato, Minn., June 10th to 14th, 1931, expresses its hearty appreciation and thanks to the Mankato Daily Free Press, The Associated Press, The United Press, The American Daily and Weekly Press, to the Norwegian American Press, and to our official Church papers, for their most friendly co-operation with the News Bureau of our Church and with the Convention News Committee, to give this Convention favorable and wide publicity. COMMITTEE ON RESOLUTIONS.

IV. IOWA DISTRICT

A) President's Message

Bless the Lord, O my soul, and forget not all His benefits (Ps. 103:2)

Dear Brethren:

We are by the grace of God once more permitted as a district to meet and take council on the most important and the most responsible activities that the Lord has ever intrusted to any man—the upbuilding and extension of God's kingdom on earth.

We need guidance. We need power. By strength can no man prevail. We need much prayer.

When the Lord commissioned His disciples to preach the Gospel to all the nations, He commanded them to stay at Jerusalem until they were endued with power from on high. They obeyed. They gathered in the upper room and continued in prayers and supplication, and they did receive power, in that the Holy Ghost came upon them all.

Their mission was greatly blessed. Thousands were added to the Kingdom of God.

Brethren, let us diligently follow the example of the disciples—pray without ceasing. The prayers of a righteous man availeth much.

We confess and deplore that we come short in all our Christian duties and activities—especially in the lack of prayers and thanksgiving to God.

The general secretary of our church has asked and urged that all reports to conventions be brief. No chance to enter into any detailed accounts of conditions within the district. However, I can not abstain from briefly reminding you of a few outstanding blessings that the Lord in rich measure has showered upon our district also during this synodical year. We certainly have due reason to meet at our convention with gratitude, prayer, and thanksgiving.

If David had reason to stir up his heart in prayer and thanksgiving to God, we still more do.

Bless the Lord, O my soul, and all that is within me, bless His holy name, who healeth all thy diseases, who redeemeth thy life from destruction, and who crowneth thee with loving kindness and tender mercies.

For those and many other blessings we wish to bring our hearty thanks to God, who alone is the source and fountain from which all blessings flow, temporal and spiritual. No formality. Let it be a gratitude and prayer from our heart and soul, from the inward man, the whole man. O my **soul**—bless the Lord!

I trust we all appreciate having the Christian Church and its blessed activities in our midst. The Lord has established many institutions among men, but none to be compared with the Christian Church, the only institution endowed with the means of grace, the word and the sacraments, by which souls can be saved from sin, death, and the power of the devil.

While we are enjoying the blessings of the church, let us not forget the millions of our fellowmen groping in darkness and in the shadow of death, ignorant of the way of salvation. Think of conditions in Russia, China, and other pagan countries!

While we are gathered here at our church convention, surrounded by friends and protected by the laws of the land, some of our own missionaries have been taken captive. Missionaries Rev. K. N. Tvedt and Bert Nelson have for months been suffering in the cruel hands of bandits. Brother Tvedt was finally released, but Brother Nelson is still in the hands of the bandits.

Let us remember our suffering missionaries and our persecuted fellow Christians in our prayer before the throne of mercy.

Conditions within the Distict

The conditions in the congregations within the district are about as usual. The Word of God is constantly preached in season and out of season, reproving, rebuking, exhorting with all long suffering and doctrine. The sacraments are administered as instituted by the Lord. In some congregations are conducted midweek prayer meetings, but not in all congregations by far. Devotions in the homes are sadly neglected.

Nearly all congregations have Sunday Schools and some have week-day schools, where the children get christian instruction.

I have always in my reports to the conventions and in my visitations stressed the importance of thorough instruction for children preparing for confirmation. It may be the only Christian instruction that some of them ever will receive.

The young people are carrying on Luther League work in most of the congregations within the district. They need all the encouragement and support the pastor and the congregation can render to them.

In addition to those general remarks I wish to emphasize:

A. Christian Education

The district is certainly thankful to the Board of Elementary Christian Education for the help it is rendering our Sunday Schools and parochial schools. Christian education is so vital that the Lutheran Church in this country and other countries will in the course of time fall or stand by the attitude to this very activity.

"Train up a child in the way he should go, and when he is old, he will not depart from it."

"Take this child and nurse it for me, and I will give thee thy wages."

Moses was to be nursed by his mother's breast. Our children have to be nursed by their mother's breast—the Christian instruction of the Lutheran church. Nothing else will suffice if our Church shall exist and grow in accordance with its doctrine and faith.

And I do hope and trust that the young people of our Church who are seeking a higher education will attend the institutions built and supported by our own Synod.

B. Missions

The Ladies' Aids of the local congregation and the Women's Missionary Federation of our church are carrying on a noble service in the district and in the church at large. But I do hope and trust that the congregations do not place all the responsibility of this activity upon the ladies alone, but that every member of the congregation in gratitude to God is willing to take an active part both in Home and Foreign Missions. Both those missions are needed, but if Home Missions are neglected, it will sadly affect the Foreign Missions too.

C. The Budget

The Iowa district did not quite reach its quota for 1930. If an active budget committee is elected at the annual business meeting of each congregation and a proper house to house canvass is carried out at the beginning of the year, there is reason to believe that the Iowa district will raise its share of the budget.

No member of this budget committee should have more than 10 families in his district for collecting subscriptions to the budget quarterly.

To the pastors and congregations that also this year have raised their share of the budget without putting any expenses on the Church, I wish to extend my sincere thanks.

D. Church Attendance

The church attendance in some of the congregations within the district is fair, at other places it is slack.

At midweek meetings and at the Communion table there are comparatively few that take part. This applies to our young people.

May the time of refreshing from the presence of the Lord be experienced more in our congregations, to the awakening of souls and the repentance of sin toward God and faith toward the Lord Jesus Christ.

Pastors and congregations within the district are working in peace and harmony, with but a few exceptions.

E. Laymen's Activities

In my former reports to the district conventions, and in my visitations in the congregations, I have always encouraged laymen's activities. I trust every pastor and congregation in the district will make use of all available talents to the upbuilding of the Church. They are all needed. No one should bury his talent in the earth, nor put his light under a bushel, but on a candlestick, to shine before men, that they may see your good work and glorify your Father which is in heaven.

Necrology

No pastor within Iowa district has been called away by death this year, and no pastor has for any length of time been prevented by sickness from taking care of his Charge. But a dear Sister, Mrs. Rev. Anna R. O. Hjelmeland, passed away January 24, 1931, in Ceylon, Minnesota, at the age of 59.

Mrs. Hjelmeland was born in Søndfjord, Norway; married to Rev. R. O. Hjelmeland in 1892. Mrs. Hjelmeland was a sincere Christian woman and an active worker in the Church. She leaves a husband and nine children to mourn the loss of a faithful wife and a dear mother. "Blessed are the dead that die in the Lord."

Conclusion

I am thankful to God for physical and spiritual strength allotted to me during the year. I have missed no appointments on account of sickness. I have responded to all calls except five installations of pastors, where I could not officiate on account of previous appointments. I am thankful to the brother pastors who kindly rendered me the assistance of installing those five men.

I have during the year taken part in 140 meetings of various natures—all within the district, except a week's visit to New York and a few days at Albion, Wisconsin, in connection with the celebration at those places of the 900th anniversary of the introduction of Christianity in Norway.

I shall not take the time to describe the work of your district president. The most essential to me has been the opportunity to meet with congregations and pastors on the Lord's Day, and preach the Word. I do hope it has nof all been in vain.

During the week days there has been conducted congregational meetings, visitations, mission meetings, circuit meetings, anniversaries, committee meetings, church council meetings, and other gatherings.

I wish to state that I have enjoyed immensely the service you have intrusted to me these 14 years. I know my limitations. I know my shortcomings, but I do venture to say that by the grace of God I have tried to the best of my ability to serve Him and the Iowa District.

To you brother pastors I wish to extend my sincere thanks for your kindness, your advice, your forbearance, and your encouragement. May the blessings of the Lord in rich measure rest upon you all for what you have been and done for me.

I am thankful for the hospitality extended to me in the homes of the pastors and members of congregations in Iowa District. It can never be repaid by me. May the blessings of the Lord be your reward for all favors shown to me.

This is the 15th convention of the Iowa District. The Lord has been gracious unto us in the past. May His blessings rest upon this convention and upon the Iowa District in the future. May all the activities of the district and the Church redound to the glory of God, and to the salvation of souls. And may we all, when our journey is ended by the grace of God anchor our lifeboat in the harbor of heaven and then hear the welcome words of our Lord and Savior:

"Well done, thou good and faithful servant, thou hast been faithful over a few things, I will make thee ruler over many things, enter thou into the joy of thy Lord."

Yours in Christ,
H. C. HOLM.

Committee No. 1 organized by electing Rev. O. Glesne as President and Rev. T. H. Benson as Secretary.

We beg leave to submit the following resolutions:

1. We the Iowa District of the N. L. C. A. wish to express our gratitude to God for His blessings in the past in the words of Paul in Eph. 5:20, "Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ."

2. The general condition within our district is not in every respect what it ought to be but let us nevertheless rejoice in the hope, be patient in tribulation, instant in prayer.

3. We are glad to note that there is, within our Church, a marked degree of increase of interest in the instruction of our children and young people.

We recommend to our congregations, to try, as far as possible to follow the plans offered by our Board of Elementary Christian Education.

4. With gratitude to God, we appreciate the work put forth by the Women's Missionary Federation of our Church. May the interest, that is manifested by the women spur on the men members of our congregations more to realize their duties in the furtherance of mission work.

5. We wish to encourage every congregation of our district to make special efforts, if need be, to raise the amount allotted to them that Iowa district may again take the place that it formerly held.

6. Recognizing the good work done by the institutions of mercy within our district, we kindly ask our people to remember them in their prayers and in their good will donations.

7. Since our district has within its boundary lines three of our church institutions of learning and our people are enjoying the blessings coming from such institutions we urge that our congregations be made aware of the special privileges given them by having these institutions in their midst.

8. In view of the fact that the laymen's activities should be sponsored by the men of our Church and in order that this activity may find its proper channel and do most efficient work, we do recommend to the individual congregations of our district the organizing of real men societies.

9. We highly appreciate the special interest and efforts put forth by the alumni and friends of Red Wing Seminary in behalf of its maintenance and welfare and in regard to the privilege of soliciting funds for said institution within the Iowa District, we declare ourselves willing to concur or accede to whatever actions the finance committee of our church body has taken or may take in the matter.

10. We recommend that Trinity Lutheran Church of Mason City, Iowa, Rev. O. L. N. Wigdahl's charge, be transferred from the American Conference District of the N. L. C. A. to the Iowa District.

11. Be it resolved that the Iowa District simplify its convention programs by eliminating the election of unnecessary committees and avoiding useless routine work;

That the program be so arranged that one whole session can be devoted to the presentation and consideration of one of the several major activities of our Church body.

O. GLESNE, President,
T. H. BENSON, Secy.

The Credential Committee reported one pastor.

Committee No. 2 reported as follows:

Committee No. 2 consisting of Rev. M. B. Quill, Del. J. O. Johnson and Rev. T. J. Severtson elected Quill chairman, Severtson, secretary.

1. The Iowa District in Convention assembled thanks Almighty God who also this past year has showered His blessings upon the three church colleges in the Iowa District, making it possible for these colleges to finish successfully another school year.

2. The Convention hereby expresses its gratitude to the faculties of these colleges the many Christian men and women who have given their time and talent teaching in our Christian schools, thus helping to build God's kingdom.

3. The Convention expresses its appreciation to the many parents, who during this period of economic depression, have sent their boys and girls to our church colleges, and also to these boys and girls are we grateful because they come. May your experience prove that you lost nothing, but that it rather was a gain for you to study at our own Christian college.

4. As this year marks the 70th anniversary of our Senior College, namely Luther College, Decorah, Iowa, therefore we, the Iowa District in convention assembled do hereby express our heartfelt gratitude to Almighty God who gave it into the hearts of our fathers to build a Christian college for higher education, even before they had builded homes for themselves, and because

God has given it into the hearts of men to continue in the faith of our fathers these 70 years.

On motion this report was received for immediate consideration.

On motion the report in toto was adopted by rising.

Committee No. 3 reported as follows:

Committee No. 3, on Home Missions, composed of the following members: Rev. H. Oppedahl, Mr. C. J. Carlson, M. Mandsager, met and organized by electing H. Oppedahl, President, and M. Mandsager, Secretary.

We beg to submit to the Convention the following resolutions:

1. Iowa District is thankful to God for the interest manifested in Home Mission work. And, whereas, Executive Secretary Hoel states in his general report that there are in the United States 10,000 villages without a church, and 30,000 towns without a resident pastor, and 14 million children under 12 years of age who receive no religious instruction. We sincerely urge that Home Mission work be remembered by our people in their prayers and with their gifts.

2. The Convention recommends that everything possible be done to extend this great work of God. But that the work be concentrated as much as possible on one place at the time. As Isaiah states in Chapter 54:2-3, "Enlarge the place of thy tent, and let them stretch forth the curtains of thy habitations; spare not; lengthen thy cords, and strengthen thy stakes. For thou shalt spread abroad on the right hand and on the left; and thy seed shall possess the nations, and make the desolate cities to be inhabited."

On motion this report was adopted as read.

Committee No. 4 reported as follows:

REPORT OF THE COMMITTEE ON FOREIGN MISSIONS

The Committee on Foreign Missions, consisting of the Reverends Chr. Heltne and N. Astrup Larsen, and Delegate O. Gilbertson, submit the following report:

1. The Iowa District expresses gratitude to God for the work which our Church through our missionaries in China, Madagascar and South Africa, have been permitted to carry on with such blessed results also during the past year.

2. We note that our Board of Foreign Missions is able to report that God has set before us an open door in all our fields, and desire to call the attention of all our congregations to the further fact, that unless the open doors are entered and the work carried forward with all possible vigor, the doors may be closed. We urge our congregations in this connection to remember our Lord's words, "I must work while it is day, for the night cometh when no man can work." We call particular attention to the unanimous testimony of those who know the field, that the disturbances in China, while making the work difficult, have opened the hearts as never before to the Gospel.

3. We also wish to remind our congregations that the New Testament is essentially the record of a great missionary movement, that the apostles and other authors of New Testament books were missionaries, and their books in most cases written primarily for the strengthening of missionary churches. We also remind ourselves of the explicit command of our Lord, to go into all the world and preach the Gospel to every creature, and desire to impress upon our congregations that we can be unfaithful to the example of the early church, and disobedient to the command of Christ, only at the risk of great spiritual decline in our home church.

4. We call special attention to the earnest requests of our missionaries for more workers in our various fields, and we also note that such a request comes from the Christians on our field in China, where the missionary force has been reduced to less than one-half of what it was prior to 1927. Candidates are waiting to be sent out, but cannot be sent because of insufficient funds. We urge upon our congregations to pray and labor earnestly to make it possible

to send out more of the workers who are so greatly needed. We especially commend to our congregations the example of mission interest and generosity shown by congregations which are assuming responsibility for the full salary of a missionary, although this means giving much over and above their apportioned quota for Missions. If more congregations were able to do this, more of the needed workers could be sent out, and greater blessings would flow back to the sending church.

5. We call special attention to the encouraging report coming from China to the effect that, since our Mission has been compelled to discontinue its primary schools, the Chinese Church is itself endeavoring to establish Christian schools for its children.

6. We give thanks to Almighty God for the release of Missionaries Bergliot Evanson and K. N. Tvedt from their captivity among communist bandits. In view of the fact that Rev. Bert Nelson is still held captive, we urge upon our people that earnest prayer be made for him, not only in private, but also that mention be made of him in the General Prayer of the congregation in their public worship.

7. The Iowa District heartily endorses the sentiment expressed in the Report of the Board of Foreign Missions as follows: "To all missionaries coming home, sick or sound, old or young, on regular or forced furlough, a sincere welcome is extended, and also our hearty thanks for faithful service as our representatives in the field. May God's blessings be upon their rest and their work also here at home!"

8. In conclusion the Iowa District desires to make its own the following words from the Report of the Board of Foreign Missions: "May the Spirit of our Lord Jesus Christ permeate our hearts, our homes, and our churches, so that, moved by the true passion for souls, we enter through the open doors on our mission fields!"

On motion this report was adopted as read.

By request of the Convention, Rev. N. A. Larsen led the assembly in intercession for our missionary in China, Rev. Bert M. Nelson, who is held in captivity by bandits in China.

Committee No. 8 reported as follows:

Rev. T. B. Thorson, Rev. Koren, Delegate Hove. The Committee on Elementary Christian Education organized by electing Rev. T. B. Thorson, Chairman, and Rev. Paul Koren, Secretary.

2. The attention of the Convention is called to paragraph A in the President's message concerning Christian Education.

3. The Convention recognizes the vast importance of this work and endorses all right efforts to further this cause.

Committee No. 5 reported as follows:

Committee No. 5, consisting of Rev. W. B. Scarvie, of Story City, Mr. Oscar Hesla of Rembrandt, and Rev. B. Guldseth of Belmond, organized by electing Rev. Scarvie as chairman, and Rev. Guldseth as Secretary.

The committee begs to submit the following:

I. Thanks

(a) The Iowa District of the Norwegian Lutheran Church of America gives thanks to the Triune God for the many opportunities He has given us

for doing works of mercy, and for the blessings He has bestowed upon us in the performance of this work. It also gives thanks for the many evidences of the desire awakened in our people to make use of these opportunities.

(b) The District commends the policy which is being pursued by the Department of Charities in seeking to choose properly qualified and efficient men and women to take charge of the work. It also extends its thanks to the Synodical Board of Charities with its secretary, to the field representatives, to the local Board of Directors, superintendents, matrons and helpers, of our separate institutions, for their efficient and blessed work.

(c) The District gives thanks to the Transportation and Publicity Bureaus for their faithful co-operation in the development of this department.

(d) The District desires to express its appreciation to county and city agencies, and especially to the various State agencies, which through their sympathy and understanding have greatly facilitated this work.

II. Deaconess Home and Hospital of Chicago

(a) The District notes the progress being made in the building of the Deaconess Home and Hospital in Chicago, and wishes to emphasize the hope expressed by our Synodical Board that the unpaid funds subscribed be paid, so that the work of the building can proceed without interruption.

(b) The District appeals to its pastors to bring to the attention of their people the purpose and importance of the training for service offered by this institution, and suggests that Miss Mabel Thorstensen, publicity director of the Home, be invited to present the cause of the Home.

III. Bequests

The District concurs with the Board of Charities in its statement, wherein it expresses its appreciation of the many bequests made to the charities of our Church. (Confer "Messages and Reports 1931," pages 150 and 151.)

IV. The Workers

As we read the detailed information of the work of the separate institutions as they are listed in the report of the districts of our Church, we sense somewhat the immense amount of work the various individuals at these institutions are doing for us as a church. If it were possible to do so, mention should be made of each individual worker. Special mention should, however, at this time be made of Rev. and Mrs. J. A. Wang, who have resigned as superintendent and matron of the Homme Children's Home at Wittenberg, Wis., after twenty years of faithful service.

The District notes with sorrow the news of the destruction by fire of the Wild Rice Children's Home, but rejoices, with gratitude to God and thanks to the authorities, workers and friends of the Home, that no lives were lost and nobody hurt. It also thanks the citizens of Twin Valley for prompt service for opening their homes to the children.

VI. Rescue Homes

Since the Rescue Homes which we have in Minneapolis, Fargo and Sioux Falls, carry their work so unostentatiously, the District hereby would call attention to these agencies of mercy, and recommends to its congregations that these homes be remembered in their prayers and in their donations of money and supplies.

VII. District Institutions

The District remembers with special gratitude, and commends to the interest, assistance, and the prayers of its people, the work which is faithfully being carried on in the charitable institutions within its own territory. It congratulates the Story City Sunset Home and Hospital in the completion of its new addition.

On motion this report was adopted as read.

Committee No. 6, consisting of Pastor S. J. Fretheim, Del. J. E. Sogard, Ames; Del. Enos Bergan, Ridgeway, reported as follows:

1. We are not this year meeting as a budgeting convention, but there is every year the similar need for funds in conducting the work of the Church. Iowa District is therefore deeply concerned about the financial status of the church work, both in the district and the Church at large.

2. It is a virtue to be able to be optimistic in difficult times and conditions, and to go forward trusting in the loyal willingness of our people and hoping for better times to come. But it is no less a virtue to let past and present conditions guide us in the making and executing of our future plans.

3. The larger number of our people have generously contributed toward the work of our Church these years, and yet with the exception of only one or two years there has been a considerable deficit every year in the working budget of the Church while one church institution after another has accumulated large deficits in spite of the several millions contributed in extra jubilee and endowment funds.

4. Since economic conditions now are recognized to be more stringent and uncertain than at any time during the existence of our present church body, it would seem to be the part of wisdom for our Church to follow the command of the Lord of the Church who has laid down the rule that he that would build a tower should first consider the cost that he may know whether or not he has the price with which to build.

5. In view of these conditions, Iowa District recommends:

First, that a careful study be made by all to ascertain the actual financial condition that obtain among our people in order to find out as far as possible whether the constant and growing deficits are caused by inability or unwillingness on the part of our people to contribute the allocated amounts.

6. If it is found, as it is often claimed, that the shortage of funds in the different departments is not caused by people's inability to contribute the amounts requested, then carefully to examine whether or not our present system of appropriating, ingathering and expending the funds may be the real cause of the yearly growing deficits which hamper the general work and threaten the very existence of many of our church institutions.

7. That strict economy in the use of church funds is practiced by all officials, boards, committees and others; that every dollar contributed may be well and wisely spent, and that deficits may be reduced rather than increased from year to year.

V. SOUTH DAKOTA DISTRICT

A) President's Message

"Cursed be he that doeth the work of the Lord deceitfully" (Jer. 48:10).

Looking back upon the year that has passed, we have reasons to be grateful and happy. "The Lord is good, and His mercy endureth forever." In spite of our many shortcomings and many sins, the work has prospered, and we have been going forward. It is true, our progress has not been as rapid as expected. Our times are difficult in many ways. This period of depression has had a depressing influence upon many of our people, and this has evidently retarded the work of the Church. But under these circumstances we need to take to heart the words of the prophet Jeremiah: "Cursed be he that doeth the work of the Lord deceitfully."

It is well for us to remember that our work as a Christian Church and a Christian people is the work of the Lord. He has commanded it. It did not originate in man. It was not planted and devised by man, and it is, therefore, not of man's making. He is too little and too limited to conceive so great a thought and to plan so great a work . It could only be conceived in the mind of Almighty God. It originated in the heart of God, who "so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life." God wills this work. He has commanded: "Go ye, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost." Therefore, it is not a matter of choice with the people of God; it is compulsory. No one, of course, is compelled to become a servant of God; but we, a Christian people, have accepted the call to service in the Lord's vineyard, and the command of the Master must be carried out. To fail to do so would be a great sin. "To him that knoweth to do good and doeth it not, to him it is sin." To God we shall have to render account.

This not only makes our duty and responsibility more imperative, but it is a source of encouragement and cheer. Not only did the Lord plan and command this work, but He Himself is doing it. When Jesus gave the Great Commission to His disciples, He at the same time gave the promise: "Lo, I am with you always, even unto the end of the world." Jesus is the Master worker, and we Christians are His co-workers. He puts into His servants His Spirit, who enlightens them and guides them and strengthens them so that they are able and willing to do His work. "Without me ye can do nothing." We Christians are the instruments, the tools, the agencies through which He does His work of saving sinners. If we have gotten this truth well into our minds and hearts, we will no longer be inactive or disinterested, nor will we grumble and complain, but willingly and gladly do our share of the work of the Lord. We would be more like Jesus who said: "My meat is to do the will of Him that sent me, and to finish His work."

What is the nature and purpose of this work? To make disciples of all nations, to bring people out of the kingdom of darkness and sin into the kingdom of light and life, where "faith cometh by hearing, and hearing by the Word of God." The purpose is the salvation of immortal souls. Jesus said once: "For the Son of man is come to seek and to save that which was lost." His mission is the mission of the Church.

How is this work to be done? Jeremiah answers: "Not deceitfully." The word which is translated "deceitfully" can also be translated "negligently." Many of the Lord's servants are slothful servants and try to get by as easily

as possible. Often they are unwilling to give of their substance that other workers may be engaged to do the work. But, friends, this work should not be done deceitfully. He does it deceitfully who pretends to do it, but does it not to a purpose; who makes a show of serving God's glory, but is really serving his own ends, and carries the work of the Lord no farther than will suit his own purposes. The minister who enters the ministry for the purpose of having an easy, comfortable, and carefree life, is doing the work of the Lord deceitfully. The person who at a mission offering drops in a penny, thus pretending that he is a giver, is doing the work of the Lord deceitfully. The Ananiases and Sapphiras of the Church who would have the name of being liberal and generous, but who are covetous, miserly and stingy, are doing the work of the Lord deceitfully.

If we take the other translation, "negligently," we find again many who do the work of the Lord in this wrong way. There are Christians of whom it cannot be said that they do nothing, but they are slothful in business for God and take neither pains nor care to do their work as it should be done. In their own business they are very enthusiastic, energetic, and active. They can practise self-denial, sacrifice time and comfort to gain wealth, honor and pleasure; but when it comes to the Lord's business, there is a different story to tell. As in the days of Haggai, the prophet, "This people say, the time is not come, the time that the Lord's house should be built. But it is time for you, O ye, to dwell in your ceiled houses, and this house lies waste."

The opposite of deceitfully and negligently is honestly, uprightly, energetically, and faithfully. Thus should the work of the Lord be done. In this, too, we should follow Him who said: "I must do the works of Him who has sent me while it is day, the night cometh when no man can work." If we have the love of Christ in our hearts, and the Spirit of God dwelling within us, then there will be no danger that we do the works of the Lord deceitfully or negligently. Let us all see to it that we not only have the form of Godliness, but also the power thereof; that we be the servants of Christ not only in name, but in spirit and in truth. Then will the work of the Lord be done right and in a way well-pleasing to Him. So let us bear in mind these words of warning from the Lord, in order that we always may be found faithful: "Cursed be he that doeth the work of the Lord deceitfully."

Augustana College and Augustana Academy

Christian education is a very important branch in the work of the Church. Education to be complete must be of the whole man, mind and heart. Our pioneers realized this. Academies and colleges were established. Today our schools—from the Seminary all down the line—are in need of our closest attention and our keenest interest. They are laying the foundation upon which the later structure of the Church is to be erected. From our schools we get our pastors, missionaries, and teachers, and from them we get our lay leadership. The future of our Church depends to a great extent upon Christian education, and, therefore, this activity is most worthy of our whole-hearted support, our prayers, and our consecrated service. We remember especially the College and the Academy right here in our midst. Our district, together with one tier of counties along the Minnesota and Iowa line, has, by the grace of God, assumed the responsibility of supporting and building these schools. It is a tremendous task. These institutions are performing their duty in a splendid way. They are doing a fine work. The attendance has been good. The college has had a larger number this year than ever before. The teachers have worked earnestly and faithfully. It brought a peculiar joy and satisfaction when the college this spring was admitted into membership with the North Central Association of Colleges and Secondary Schools. This bodes well for the future. But it is well for us to remember that we are yet far from the goal. We have a long way to go before our task is completed. Buildings and equipment are needed. The one supreme treasure of civilization is its youth. The one surpassing value of a nation is the character of its youth. We must gather the thousands of young people into our Christian schools. No greater inheritance can we give our

children than a Christian education. No greater contribution can be made to state and Church than a trained youth consecrated to Christian ideals.

Elementary Christian Education

This is also an activity of supreme importance. We are very grateful to the Board of this department for the able assistance rendered us in this field, and also to Dr. J. N. Andersen for his able and untiring service. This is a matter that should be of great concern to every pastor and layman, to every congregation and to every circuit. The best is not too good for the children. If we neglect this duty, the future will be accordingly. The instruction of the child in the Word of Truth and in the way of life is one of our greatest responsibilities—in the home, in the Sunday School, in the week day and vacational school, and in the confirmation class. Therefore, I would urge upon every pastor and congregation, upon the officers of the Boards of Elementary Christian Education of the district and of the circuits to take the matter of the training of the children most seriously.

Home Missions

Our home mission pastors have worked hard and earnestly during the past year. They are a faithful group of men, but we know that many of them are working under great difficulties. Home missions need our sincere prayers, our noblest effort and whole-hearted support. This field has been sadly neglected in the cities and in the country communities. Here we have a big task. Comparing our Church membership with the records of the last census in South Dakota, we find that thousands of our own are outside of our Church in this state. But not only these; all the people in our district, not already members of some church, should constitute our field. Our home mission efforts should not be restricted to gathering into congregations the lost sheep of the Lutheran Church only; but we should likewise Christianize those of our land who never have been Christians, and who have never been connected with any church. Too long has the Lutheran Church neglected them. But of late our Church is beginning to realize what obligations we have to the sixty million citizens of our land who are outside of the pale of the Christian Church. It is true, many ask like Cain: "Am I my brother's keeper?" or do like the priest and the Levite, pass by the bleeding and dying man by the wayside. As a Christian Church we have a great responsibility. We are not making the progress in Home Missions that we should. In many places we are simply marking time. We lack the means. We need a consuming passion for the salvation of the lost. If we all had the conviction that we are stewards and not owners, and would bring our offerings to the Lord upon the first day of the week, "as the Lord hath prospered us," we would have means enough. Now is the time. It must not be postponed. In many places church work should have been established long before this. The harvest truly is plenteous! And hand in hand with Home Missions goes Church Extension. This is of great help to the work in the home mission fields. Let us try to carry out the resolutions of the Church and bring our offerings and gifts also in Church Extension.

The Congregation

"Blessed are they that hear the Word of God and keep it." Reports have come from many parts of the district that the church attendance is good. In some cases it has been increasing. Also, that the number of those coming to the Communion table is steadily increasing. This is very encouraging. It is our sincere hope that this is an indication of increasing spiritual life and power. But many of our church people are lukewarm and indifferent. This is an easy-going and pleasure loving age. We are the children of our day and share its weaknesses also in this respect. So many follow the path of least resistance, the path of ease and selfish nature, the way that leads away from God and His Church. We are in need of spiritual power, and Christ is the only one who can give it. May we have a real awakening in order that more and more of our people may see their true condition and realize their own helplessness and come to Christ in whom there is forgiveness, life, and power. Realizing our indiffer-

ence and the many dangers that threaten our church life today, our Church decided to have a Spiritual Life Conference, which was held last fall at Albert Lea, Minn. It was a blessed conference, conducive of much good. It would undoubtedly be very beneficial and refreshing if a similar conference could be held in the district sometime during the year.

The Pastor

Our pastors are working hard and conscientiously. The demands upon them seem to become more and more numerous. Their work taxes all their energies and talents to the limit. Often the fruits seem to be absent. I know from personal experience that the pastor has many sad difficulties to contend with. At times he is almost on the verge of despondency. But, brethren, do not lose courage. Remember the promise of the Lord: "I am with you alway even unto the end of the world." Much depends upon our preaching. In an age like this, when there is so much false teaching and questionable preaching, it becomes imperative for us all to be on guard. The whole counsel of God must be proclaimed, the Law and the Gospel without alteration or subtraction. This is a reading age, and all kinds of literature is flooding the country. We pastors should be mindful of the importance of reading the good old Lutheran literature that our Church possesses in great abundance. "Take heed unto thyself, and unto the doctrine, continue in them; for in doing this thou shalt both save thyself and them that hear thee."

I wish to call attention to the **experienced pastor.** Congregations are quite reluctant in calling a pastor who is fifty years or past. We all understand that it is very discouraging to a man when, in his best years, after spending a long period in preparation, he is to be set aside just when he is most mature. This is not as it should be. I believe that the Lord looks with displeasure upon that tendency, and that we shall later reap the consequences. I would urge upon all congregations faced with the duty of calling a pastor not to forget or pass by the man of ripened experience.

The Circuit

The circuits have functioned as usual, and there has been much sowing of the Gospel at their meetings. As a rule, these meetings are well attended. A few complaints have come to me, however, that interest in the activity of the circuit is lacking. The pastors claim that it is difficult to find time for so many meetings. It is true, but let us not forget that the circuit is an important part of our organization. It has a specific mission in our church life. We should put forth our best efforts that this unit also may function effectively.

The Pastoral Conference

We held our pastoral conference in Aberdeen this year, February 16-19, Rev. A. E. Moe's charge. It was a most successful conference. The officers had worked out a very good program, and all participants came well prepared. These conferences are instructive, edifying, and of great value to the pastors in every respect. They result in enlarged vision and stronger faith. We would, therefore, urge our pastors to make every effort to attend our district pastoral conference annually.

The Women's Missionary Federation

This organization is doing a blessed work. It encourages, enlightens, and inspires the women to larger service in our Church. The Federation is holding its convention in this city during these days. We note that "The Church and the Home" is the convention theme. We commend the choice of such an appropriate and important subject. We feel confident that the discussion of this theme will stimulate the mothers of the district to greater zeal and more enthusiasm for the upbuilding of the home and the Church. We urge that the ladies' aids and mission societies throughout the district become affiliated with the Women's Missionary Federation by working through circuit organizations.

The Young People's Luther League

A very successful district convention of the Young People's Luther League was held at Watertown, S. D., June 28-30, last year. It was largely attended. The young people's work seems to be quite well organized in every circuit of the district, and they all have their conventions. These are of great value and should be encouraged. Let us even try to make more of our young people's work. Let every pastor, if possible, try to have an active and live young people's organization in each of his congregations. Give the young people something to do, and give them an opportunity for systematic and regular giving to the Lord's work. This will help them feel a responsibility in this work, and they will become more interested in and loyal to the Church of their fathers.

Work at the State Schools

I wish again to call attention to our responsibility to our young people attending our state schools. They are numbered by the hundreds. It is our sacred duty to follow these young people with the means of grace and to minister unto them spiritually. Youth is the important period when habits are formed, character is moulded, and religious foundations laid. Our Church has a great responsibility at our state schools. We are very grateful to the pastors and congregations located where these schools are, for the good service they are rendering. It is in many ways a difficult work. We can assist these pastors and congregations materially by sending them the names of our young people attending institutions reached by these and urging the students to be loyal to our congregations located there.

Work of Charity in the District

We have a great deal of it, and there ought to be much more. Mindful of the words of Jesus: "Verily I say unto you, Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me" (Matt. 25:40), we have accepted the challenge to extend our help to the sick, the unfortunate, the poor, and the helpless. This blessed work is done at the following institutions: Bethesda Orphans' Home and Home for the Aged, Beresford, S. D., J. O. Johnson, superintendent; The Lutheran House of Mercy and Home Finding Society, Sioux Falls, S. D., Miss Bertha Bragstad, superintendent; Custer Tuberculosis Mission, Custer, S. D., with Rev. O. G. Malmin, Rapid City, S. D., in charge; Tuberculosis Mission in Colorado Springs, Colo., Rev. I. A. Lavik, Colorado Springs, Colo., missionary; Denver Tuberculosis Mission, Denver, Colo., Rev. J. Hjortaas and Rev. B. R. Maakestad, Denver, Colo., missionaries; State Hospital, Yankton, S. D., Rev. O. M. Odland in charge; and others. It will not be necessary for me to say any more about this activity, as most of these workers will report to this meeting. I wish to call your attention to the Beloit Orphans' Home and its fine work. Although it is located in Iowa, yet it is so near the line and so many of our people are interested in it, that we feel as though it were a part of our district. Superintendent T. Thompson will bring a greeting from the Home to this meeting.

Prof. B. J. Rothnem has worked faithfully this year, too, for our deaf mutes at the state institution in Sioux Falls. These children are not as fortunately situated as we who have the gift of hearing and speech. It is our sacred duty to instruct them in the Word of God and in the way of salvation. This is a very important mission. We are thankful to Prof. Rothnem for his good work.

Evangelistic Work

Our Church has four evangelists in the field. They are all very able and consecrated men, and I hope that pastors and congregations will make use of their services as much as their time will permit. Wherever they have been these messengers of God have through God's grace been used toward the deepening of spiritual life in the Church.

Book Mission

This mission has been a source of much blessing to individuals and congregations. More than many of us realize. I urge upon all to use extensively the books and devotional literature sent out by this mission. Let us remember it in our prayers and with our gifts.

The National Lutheran Council

We hear much about the suffering brethren in Europe, especially about those in Russia. The persecutions are terrible. Many become martyrs for Christ's sake. We who live in peace and are so comfortably situated should give freely for the help and relief of these unfortunate people.

The Budget

Our district has done well for the activities of the Church this last year, too. It is true, however, that we were short a little over four thousand dollars of reaching the goal. Had most of the people made the effort that some made, we would have given more than the amount asked by the Church. To start our payments at the beginning of the year and to complete them before its close should be the rule and motto of all. This would make it much easier for our people, and a greater service would be rendered to the Church. The problem of finance is often a difficult one for our congregations. How to meet the local and general expenses of the Church is a question that has worried many of our members. If all would be more systematic and regular in giving, the story would be different. This is a day of system and organization, and the more system and organization we get into our finances, the more we shall succeed and prosper. The envelope system, the weekly and monthly offering, has been recommended as the best plan. This plan is the New Testament plan, for we read in I Cor. 16:2: "Upon the first day of the week let every one of you lay by him in store as God hath prospered him." Every congregation ought to introduce this New Testament plan and give it a good trial.

We do express our sincere thanks to pastors and congregations for their good work for this important cause; to all the financial secretaries of the circuits and especially to Rev. T. H. Rossing, secretary of the district, for his very efficient work for the budget. For this he has no special salary. With the permission of his parish he donates all this time.

The Radio

This instrument has become a power, and our Church should make more use of it for the propagation of the true Gospel. Here is a wonderful opportunity. We are very grateful to station WNAX at Yankton for allowing our pastors to use it so generously; also, to Rev. O. M. Odland and to others for the good services they have rendered in this way. It is a work that requires time and effort, but it is worth while. We recommend and urge its continuance. What a wonderful service our Church would render, if we had a radio pastor stationed at Yankton! It may be that the station would permit it, if we could provide the means. This is a question worthy of our consideration.

Rev. W. I. Aamoth and Rev. C. K. Malmin have come to us from other districts. We extend a cordial welcome to these brethren.

Necrology

Rev. J. J. Ekse died Nov. 24 at the age of seventy years and was laid to rest in the Singsaas Cemetery Nov. 28 near Hendricks, Minn. Rev. Ekse was ordained in 1889. Pastor Fort Ransom, N. D., 1889-96. He served the Singsaas congregation for about thirty years. Vice-president Hauge Synod and also its president for several years, and for a period vice-president of the South Dakota District. Rev. Ekse was an able, trusted, and consecrated pastor, whose memory we will always hold in very high regard.

Lars Aga died Oct. 10 at the age of seventy-six and was buried at Colton, S. D. He was a leading layman in our Church who has rendered good service, especially to Elementary Christian Education. Mr. Aga was president of the Lutheran Normal, 1891-1892.

Of mothers in Israel who passed away during the year, and who have rendered a noble service to the Church, I would especially mention **Mrs. C. K. Preus,** the mother of Dr. O. J. H. Preus, president of Augustana College, and also **Mrs. J. J. Boe,** Presho, S. D., the wife of our esteemed member of the Home Mission Committee.

Rev. Jens C. Roseland, Chicago, Ill., father of Rev. L. A. Roseland, Vermilion, S. D., died in December. He was well known to many of us and had rendered a fine service to Augustana College. His ability and tireless work have contributed much to our Church life.

Our sincere sympathy goes out to all these sorrowing friends.

Appropriate resolutions will be adopted at this meeting.

Elections

We shall have election of district officers this year: President, vice-president, secretary, member of the Church Council; also, three members of the Home Mission Committee; Rev. A. J. Evenson's and Hon. J. J. Boe's terms expire; also, one to complete Rev. Geo. Ulvilden's term, who has accepted a call to La Crosse, Wis. All these men have served ably and faithfully on the committee. We must also elect two members on the Board of Elementary Christian Education and a district financial secretary. Other elections may be found necessary.

* * *

In conclusion I wish to express my sincere gratitude to all pastors and the congregations for the whole-hearted support and faithful co-operation you have given me these years I have served as your president. You have overlooked my many failings and shortcomings and met me with confidence, kindness, and good will on every hand. Much more than I have deserved. A great work lies before us, and the harvest truly is plenteous. Our energies and talents will be taxed to the limit. How necessary and important it is to give our all to God and His Church, for "Cursed be he that doeth the work of the Lord negligently."

A. J. BERGSAKER, President.

D) Committee Reports

REPORT FROM COMMITTEE NO. I

Committee No. I, on the District President's report and consisting of Rev. H. M. Solem, Rev. I. A. Suby, Delegates Ole Lawrence of Elk Point and Oscar Olson of Wentworth, and Rev. Alfred O. Storvick, organized by electing Rev. Solem as Chairman and Rev. A. O. Storvick as Secretary.
The Committee begs leave to submit the following report:

Sec. 1—Thanksgiving

1. The Convention expresses its thanksgiving to Almighty God for manifold blessings upon our South Dakota District, in spite of our many shortcomings and weaknesses.
2. We also express our gratitude to our retiring District President, A. J. Bergsaker, for his untiring and efficient service to the District and we wish him God's richest blessing in the new and important field of labor into which he has been called.

Sec. 2.—Augustana College and Academy

1. We recognize the blessed work that is being done within our District by our Christian Schools, Augustana College and Augustana Academy, and urge upon the District to give these schools the fullest measure of support and co-operation financially and otherwise.
2. We rejoice especially at this time in the Accreditation of this college and academy by the North Central Ass'n of Colleges and Secondary Schools, and desire to express our sincere gratitude to the Administration for their tireless efforts in bringing this about.

Sec. 3—The Congregation

1. We urge upon our Congregations to make the fullest use of Conferences, Christian literature, Evangelistic Meetings and such other things as may be conducive to the upbuilding and quickening of spiritual life.
2. According to the recommendation contained in the President's report we would urge that, if it can be arranged, a Spiritual Life Conference be arranged within the District sometime during the year.

Sec. 4—Home Missions

1. We desire to commend the work of the faithful Home Mission pastors within our District. We wish to encourage them in this great work in the kingdom of Christ, and to urge them to bend every effort to "Lengthen the lines and strengthen the stakes."
2. We urge upon the brethren who are laboring in the well-established communities of our District, more than ever, in this period of trying economic conditions to assist in prayer and deed, those who are in need of our help.
3. We urge the pastors and congregations to give due consideration to Church Extension, and plead that every congregation make an effort to lift an annual offering for this branch of our work.
4. We are grateful to note the increasing work that is being carried on by our pastors in the various schools, hospitals and institutions within our District.

Sec. No. 5—Christian Elementary Education

We heartily endorse the section pertaining to elementary Christian Education, and urge upon all, the careful study of this paragraph.

Sec. No. 6—The Pastor

We desire to underscore and emphasize the admonition of the District President as set forth in the passage from Scripture: "Take heed unto thyself, and unto the doctrine, Continue in them; for in doing this thou shalt both save thyself and them that hear thee." The whole counsel of God must be proclaimed, both the Law and the Gospel without alteration or subtraction.

Sec. No. 7—The Women's Missionary Federation

We recognize the great importance of the work being carried on within our District by the W. M. F. and urge that all Ladies' Aids and Missionary Societies throughout the District become actively affiliated as soon as possible with this organization.

We would urge all pastors within the District to co-operate to the fullest extent with the Administration of the W. M. F. in carrying out their program within the District.

Sec. No. 8—Y. P. L. L.

We wish to emphasize the importance of the work of the Young People's organizations within the congregations of the District, as being conducive to the development of active workers and intelligent leadership in the congregations.

Sec. No. 9

The paragraphs pertaining to the work in the State Schools, the work of Charity, Evangelistic Work, as well as that of Book Mission, have already been mentioned in this report.

Sec. No. 10—The Nat'l Lutheran Council

The sufferings of our Lutheran Brethren in certain sections of Europe are being forcibly brought to our attention. The need of help is evident and we would urge upon our congregations the need for giving whenever it is possible.

Sec. No. 11—Budget

1. While we notice that the So. Dak. District was only a matter of $4,000.00 short of the goal in the ingathering of the Budget last year, let us not forget that even a $4,000.00 deficit places a distinct handicap upon the work of our Church.

2. We would most urgently request the congregations to bend every effort to get their apportionment sent in as early as possible this year.

Sec. No. 12—The Radio

1. The Radio has rapidly come to the fore as a means of spreading the Gospel of Christ to countless numbers of people that hitherto could not be reached through our regular program of church services. We have had an opportunity to have the effectiveness of this type of work thoroughly demonstrated through the use of several Radio Stations within the District, most notably over Station WNAX of Yankton. In accord with the suggestion of our District President, we believe that the time has come when it would be to the distinct advantage of our Church in this District and the surrounding territory to do something to establish a definite program of evangelization by means of the Radio.

In view of the above mentioned facts we would submit the following recommendation: "That we as a District do something definite at this convention to provide the services of a full-time Radio pastor to serve the South Dakota District, provided proper arrangements can be made with the Radio Station

WNAX of Yankton, provided also that ways and means can be provided to pay the salary of such a Radio pastor. Also that a Committee of three be elected at this convention to make the necessary arrangements for such Radio service.

Sec. No. 13

We desire to bring to the Venerable Rev. J. A. Blilie who on July 1st closes a period of nearly 51 years of faithful and consecrated service in our Church, our most hearty thanks and sincere appreciation. May God's blessing rest upon him and his faithful wife.

Sec. No. 14

We regret to note that a number of the faithful pastors who have diligently served the South Dakota District with strength and talents, either have moved or are about to move to other fields of labor. Rev. R. Ulvilden, formerly of Omaha has moved to the North Dakota District. Rev. George Ulvilden of Toronto and Rev. Nils Klungtvedt are soon to move to the Eastern District, also Erling Jacobson of Lake Andes and Lewis Larson of Beresford. We pray that God's blessing may be with them in their new field of labor.

We also wish to bid welcome to Rev. W. I. Aamoth and Rev. C. K. Malmin who have moved into our midst from other districts, also to the candidates who have accepted calls within the South Dakota District.

Committee:
REV. H. M. SOLEM, Chairman,
REV. IRVIN A. SUBY,
REV. ALFRED O. STORVICK, Secretary.

REPORT OF COMMITTEE NO. II

I. EDUCATION AND PUBLICATION

A. This Committee organized by electing Rev. A. E. Moe, Chairman and Rev. A. J. Tolo, Secretary. The other members of the Committee are Rev. Russell E. Anderson, Delegates J. T. Hanson of Canton and M. L. Stavig of Sisseton.

We beg to submit to the constituency of the S. D. District of the N. L. C. A. the following recommendations, endorsements and acknowledgments:

B. First of all, we return humble but sincere thanks to God our merciful Heavenly Father for all His unspeakable mercies unto us, not only in granting great blessings, but also in withholding harm and in protecting us from great dangers. We are especially grateful that in this difficult and God-forgetting age, God has not looked unto our sins, but has sustained and richly blessed those particular agencies of our Church which are engaged in teaching and spreading the eternal Word of Salvation by the prosecution of elementary, secondary, and college religious education, by theological training, and by the publication of religious and devotional literature. May this Grace of God move us to greater appreciation of and even more willing support of these inestimably great factors in the instruction and edification of souls and in the building of the Church of Jesus Christ.

II. EDUCATION

A. Elementary Christian Education

1. We acknowledge with thanks the efforts of our District officers, our Synodical Board of E. C. Ed., and of the S. D. Dist. Board of E. C. Ed. We are equally well aware of and grateful for the meritorious, faithful, and fruitful work of Circuit and Congregational Boards and of countless S. S. and Religious School Officers, Teachers, and helpers throughout our District. Let us remember these diligent co-laborers in our prayers and support them in carrying out the great commission of Christ when He said: "Feed My Sheep."

2. We are grateful for the instruction and edification and inspiration received at this convention from various addresses on Christian Education and from the encouraging Report of our District Board, compiled and presented by the District Secretary, Rev. J. L. Kildahl. We cannot review this report here, but as it has already been offered in full, we appeal to the pastors and delegates to carry its suggestions and helpful recommendations back to their respective congregations, and put them into operation wherever possible. We endorse the holding of annual or semi-annual Teachers' Institutes in every Circuit throughout the District and the conduct of Teachers' Training Classes in every Congregation which employs Sunday and Saturday Schools.

3. We endorse most heartily the "HOME PROGRAM FOR CONGREGATIONS" prepared and offered by our Synodical Board and urge your careful study of each of its Five Points. Assuming that the majority of Sunday Schools have already taken steps to meet the requirements suggested in Points I and II, dealing with the training of teachers and the providing of suitable equipment, we wish to place our special emphasis on the three remaining points. These are, briefly: a. That the various agencies of religious instruction be co-ordinated so as to cover the required ground of the subject matter more uniformly and with less overlapping than often is the case. b. To try to do more for the children and youth of H. S. age in the matter of religious education. c. That congregations try to make funds for Elementary Christian Education work a part of their regular local budget in the Congregation.

4. Once again we plead that wherever possible, the Saturday School, the Week-day School—in states where this is possible—and the vacation school, be used to supplement the work of the Sunday School.

5. We are grateful to our Synodical Board and our Publication House for the publication of the "Lutheran Teacher," the recent "Ten Lesson" Series of handbooks for teachers' training, and the many excellent books, outlines, and courses previously published for this purpose. We cannot urge too strongly that our S. S. Staffs procure and diligently study this well-prepared and very helpful material.

6. To such Sunday and Saturday Schools as have not yet introduced the Graded System of textbooks, we suggest that they familiarize themselves at once with this standard system, and this excellent outline and plan of religious instruction.

7. This Committee deplores that some congregations are using Sunday School papers, lesson plans, and other literature, prepared and published under non-Lutheran auspices. We do not deny that some of these may have merit and fill certain needs, but there is a grave danger of harmful influence ever present where these are used, and we wish to urge most insistently that our churches use trustworthy Lutheran material whenever this is obtainable.

B. College Christian Education

1. We commend with thanks the excellent work of the Boards, Officers, Faculties, and supporters of our colleges and secondary schools for our young people. In these confused times, the contribution of these institutions is more important than ever before, and we call upon our people to sustain their work with their prayers and gifts, and to commend their student youth to the care and training of these schools. The people of this District have done much for this great cause, but this basic and fundamental work must go on, and we cannot afford to slacken our efforts. We regret to note (page 172, Gen. Report) that 12 congregations in the District contributed nothing last year to Education. We do not forget that several hundred others did contribute, but in this important work ALL should participate.

2. The financial affairs relating to Education will be dealt with by the Committee on Finance. Matters pertaining directly to Augustana College and Academy will be taken up, in a supplementary report to the Augustana Association.

At this time we wish, however, to thank Presidents Preus and Rothnem for their leadership and faithful service, and the Boards and faculties of these schools for their capable and sacrificing work in the interest of Secondary Christian Education.

We rejoice in the fruitful results these schools are achieving and in the recognition they are receiving in both secular and church circles. And because we feel that these schools need our most earnest support at this time, we recommend that this constituency give serious attention to the Gym-Chapel project and to such other general or emergency plans as our capable Board of Directors, after careful and intelligent deliberation, may see fit to present.

C. Theological Seminary

1. In harmony with the previous endorsement of our Synod we commend to the people of this District the plan to provide a Library Building for our Seminary, and urge them to support this as liberally as possible.

III. PUBLICATIONS

1. We express to our Board of Publication and Augsburg Publishing House our appreciation of their efforts to provide our people with religious and other constructive li'erature. We are especially grateful for a number of recent books of definitely Christian and devotional character, and we are pleased that so large a number of people buy and read these books and make use of the advantages offered by the Current Literature Club.

2. We indorse heartily the efforts of individuals and agencies in extending the circulation of our Church papers.

3. The cause of the Book Mission has so richly justified itself and borne such rich spiritual fruits that we urge our people to support it with prayer and free-will gifts.

4. We appreciate the courtesy of Augsburg Publishing House in bringing a choice display of Christian Literature, and we urge upon the members of this convention to use this opportunity of keeping abreast of the publication activity of our Church.

A. J. TOLO.

(Supplementary Report.)

By special request this committee offers the following resolutions for discussion and transaction:

"The South Dakota District requests the Board of Education of the Norwegian Lutheran Church of America to continue the support and operation of Red Wing Seminary until the matter can be further dealt with at the General Church Convention of 1932."

(Report requested of Committee No. II by Rev. Klungtvedt and Dr. Iverson.)

COMMITTEE NO. 3 ON HOME AND FOREIGN MISSIONS

The committee, consisting of Rev. Nils Klungtvedt, Gilbert Larson, Rev. O. A. Syverson, Ole Lovre, and O. H. Lawrence, organized by electing Rev. Klungtvedt, Chairman, and O. H. Lawrence, Secretary.

The committee begs to submit the following report:

1. We, the members of the South Dakota District return thanks to Almighty God for the many blessings bestowed upon the Home and Foreign Mission Work during the past year; and invoke continued Divine guidance and grace in the future.

2. We feel thankful to God who has kept His protecting hand over all our workers, especially our two missionaries in China, Rev. B. N. Nelson and Rev. K. N. Tvedt who were taken captive by the bandits last fall and our prayers go out for a speedy release of Rev. B. N. Nelson who is still held captive.

3. The District expresses its thanks to the Home Mission Board for its efficient work, the District President, Dr. A. J. Bergsaker, for his untiring

labors and splendid co-operation. We regret that both President of the Board and the President of the District are leaving for other fields of labor.

4. We appreciate the sacrifice and hard work of our Home Mission pastors. May the Lord bless them with a rich harvest.

5. We commend the efforts of our Home Mission Board in pressing mission charges, as soon as possible to become self-supporting. This is very important as the money thus saved can be used at other and more needy places.

6. Realizing the great work before us in gathering into the fold the many unchurched in our District and realizing that the work of saving these lost sheep is hindered because of lack of funds, we wish to recommend that more aggressive work be carried on to quicken more spiritual work in our churches in order to awaken more the sense of Christian stewardship.

Respectfully submitted,

NILS KLUNGTVEDT, Chairman,
O. H. LAWRENCE, Secretary.

COMMITTEE NO. 4 ON CHARITIES AND PENSIONS

Consisting of the following five members: Rev. John Kildahl, Rev. E. T. Lundy, Delegate H. Stokes, Judge Lewis Larson and Rev. N. J. Holm, organized by electing Rev. John Kildahl, President, and Rev. N. J. Holm, Secretary, and hereby present the following resolutions:

Article 1. During the past year of general depression there are 302 congregations that have not given to the Department of Charities, and only 15 congregations out of this number belong to the South Dakota District. During the last year our own District gave $18,999.80 and used only $12,674.00 and left a surplus of $6,325.80. And in view of these figures we express our gratitude to the South Dakota District and plead for a continued liberality in giving to those who need the help from their more fortunate Christian friends.

Article 2. The Lutheran House of Mercy has been singularly blessed in their work of Mercy during the ten years in which the institution has been in operation. We thank God for having been able to extend help where help has been so sorely needed. We urge our friends to give their support to this worthy institution. We also wish to express our appreciation to Miss Bertha Bragstad for her efficient efforts so eminently rendered.

Article 3. Bethesda Homes at Beresford, S. D., have been rendering excellent service and given comfort to many who were in need of comfort. We are of the opinion that the so-called "cottage plan" should receive our approval. We feel glad to note that our Charity work has received recognition from state social workers.

Article 4. Institutional missions:

We rejoice because of the excellent work done by Rev. O. G. Malmin, I. A. Lavik, J. J. Hjortaas and B. R. Maakestad are rendering in their respective missions.

Article 5. We also recommend the continued support of the Beloit Orphans' Home located so near to our own District.

Article 6. We rejoice to note that the average contributions of our Church from 1917-1930 have averaged a yearly contribution of $182,936.00 to Charities.

Pensions

Article 7. We recommend to all our congregations to assume the obligations suggested by the Synodical Pension Board.

Respectfully,

REV. J. KILDAHL, President,
REV. N. J. HOLM, Secretary.

VI. NORTH DAKOTA DISTRICT

A) President's Message

To the members of the North Dakota District:

Grace and peace in the name of our Lord and Savior Jesus Christ! I believe it would be timely, and no doubt beneficial, as we begin the work of this convention, that we are reminded of the words of Paul to the Philippians in the fourth chapter, the thirteenth verse: "I can do all things through Christ which strengtheneth me."

The city of Philippi was located in Macedonia, and it was here that the Gospel was first preached in Europe, and it was here that Paul and Silas had their unusual experience in the jail that resulted in the jailor's conversion. Paul founded the church of Philippi, and on several occasions it contributed to his necessities. The letter to the Philippians was one of the four letters of the imprisonment and was written at Rome in the year 62 or 63. Epaphroditus, a member of the church at Philippi, had been sent to Rome with a contribution of money for Paul. This letter, in which Paul expresses his gratitude and sets before them the Lord Jesus as The great example for life and conduct, was sent back with him.

Paul was of a grateful spirit. He appreciated deeply any little favor which he received, and while the things which his friends did for him were quite insignificant in comparison with what he had done for them, yet he speaks of their kindness as if it had been a piece of generous charity. And when they had not for some time sent to inquire after him or minister unto his wants, he was not resentful, but sought rather to find an excuse for them in the thought that perhaps they had lacked opportunity.

But this is what I would have you note in this connection which I deem very pertinent in our present situation: "Not that I speak in respect to want: for I have learned, in whatsoever state I am, therewith to be content. I know both how to be abased, and I know how to abound: everywhere and in all things I am instructed both to be full and to be hungry, both to abound and to suffer need. I can do all things through Christ Jesus which strengtheneth me." Paul had been in bonds and in imprisonments, and in necessities; he had endured hardships, and hunger, and suffering in his service for the Master, and had not been overcome by the temptations connected with such a state, but had been content to carry on. But he had also known what it meant to abound. He had also experienced prosperous conditions, and met the temptations connected therewith, and had not become proud and secure. But this he had been able to do, not because of his own strength, but through Christ Jesus which strengtheneth him. He humbly acknowledges that whatever he had been able to endure and whatever he had been able to accomplish was due to a special grace in Christ Jesus. It is this truth that needs to be stressed in our day and age.

In a degree we have also shared Paul's experience and have felt both what it means to be abased and to abound. We have lived in periods of great prosperity. We were then able to provide ourselves with every comfort and almost every luxury. As we look back upon such periods, we do well to raise the question, Did we, like Paul through Christ Jesus, resist the temptations to become proud and secure and worldly-minded? Did we, like Paul, give ourselves just as wholeheartedly in the Lord's service, and did we give of our silver and gold in proportion as He had prospered us for the support and extention of His

Kingdom? Today we are living in a period of depression. There are those in our land who know hunger and suffer need. Almost without exception every one has felt the effects of the times and has been compelled to forego many luxuries and comforts of former days. But that which should concern us as Christian men and women is the question, Have we, like Paul, through Christ Jesus, learned in whatsoever state we are, "therewith to be content"?

It is to be feared that the rank and file of the membership of our congregations are not content in the present financial depression. In fact we know that this is not the case. It is our lot, because of the nature of our work, to hear a great deal of complaint on the part of our people, and much of it evinces a bitter, impatient, and resentful spirit. It is a matter of much concern that there seems to be so little of Paul's spirit, who under every circumstance said: "I can do all things in Christ which strengtheneth me."

Another matter of concern in this connection is the tendency to make the Church the first object of curtailment. There are not a few who seem to think that the Church is somewhat of a luxury, with which one can readily dispense when times are hard. There is not the proper appreciation of the fact that the Church ministers the Bread of Life unto our souls, and that at all times we need this Bread of Life above all else in this world. Especially do we need it in times of hardship and discouragement. If there is any time the Word can give us the comfort we need, if there is any time the Word will find more responsive hearts, it is in a time of financial depression, when the world is a less pleasant palace in which to live. We are convinced that the Lord Jesus would have His people so support the Church, even in times like these, that the Church need not decrease its efforts, but can continue to carry on an aggressive and persistent work. We, therefore, urge most earnestly that every pastor and every layman go forth from this meeting and sound the note of Paul: "I can do all things through Christ which strengtheneth me."

The Congregation and Its Local Work

The Christian congregation has been established by Jesus Christ Himself in order that He might intrust to it the administration of the means of grace for the salvation of souls. It has a most important work to do, and should at all times be zealous in its Master's service. There is no other organization in this world that can be placed on a par with it. Membership in a Christian congregation should, therefore, be regarded as an honor and a privilege. As active workers in the congregation, we all have the opportunity to be co-laborers with Christ for the salvation of souls. There is no greater or more honorable task in life than to be such a co-laborer with Christ.

Under the leadership of the pastor, who has been duly called and inducted into the office, the congregation seeks to fulfil its mission in this world. We are thankful for the many active and faithful congregations of our district. Speaking of conditions in general, it can be said that the larger number of our congregations are active and realize in a measure their high calling in Christ Jesus. The attendance at services is splendid and an increasing number come to the Lord's table; there has been a good increase in membership, and there is visible evidence that the Holy Spirit is accomplishing His work through the means of grace. But it is also true that there are places where there is much indifference, poor attendance at services, and few that come to the Lord's table. Let it be a matter of earnest and continual prayer, that the Holy Spirit may be permitted to accomplish His work that many souls dead in sin may be made alive in God, and that true Christian life may flourish in every congregation.

In this connection may we say that it is our impression that the family altar is sadly neglected among our people. This does not bode well for the future. Would that the family altar might be found in every home! What a blessing it would be to ourselves and our children, if we could meet daily in the quiet shelter of our own home before the throne of grace in prayer and medita-

tion! If we fail to build Christian homes, then there will be no hope for our Church, and there will be little hope for our country.

Closely related to the above is the instruction of the children in the Christian doctrine. We feel impelled to stress again to pastors and congregations the fundamental importance of Elementary Christian Education. The Church will, humanly speaking, stand or fall according to the care and attention given to the instruction of the children. It is a first requisite for the future of our Church. Let pastors and congregations ever be keenly mindful of this fact. The Sunday School is today largely our only school for religious instruction in the congregation, and every effort should be made to make it effective to the highest degree. The Board of Elementary Christian Education of our district working in close cooperation with the district Sunday School Association, has made an effort to bring this matter to the attention of every circuit. Sunday School institutes have been conducted, and we believe that not a little has been accomplished to raise the standard of instruction in our Sunday Schools. Another important factor is the cooperation of the parents with the Sunday School and the pastor. Much will depend upon such cooperation, and the parents should be encouraged as well as admonished to meet this responsibility.

The Congregation and the Synodical Body

The congregation should not, however, restrict its activities merely to its own immediate community. It has a larger duty and a wider sphere. The Head of the Church has laid upon it the duty of making disciples of all nations. He has laid upon it the duty of exercising Christian charity and thus to care for the sick and the destitute, the fatherless and the aged. He has laid upon it the duty of training its own pastors and missionaries and teachers and other Christian workers and leaders. That this may be done systematically and effectively, synodical bodies are organized. Through its own Synodical Body the local congregation can participate in this work at large and fulfil the solemn obligation laid upon it by the Lord Jesus Christ. No congregation can rightfully expect that Jesus Christ will look upon it with favor and will continue to bless it, unless to the best of its ability, it is obedient in this respect. We urge the pastors carefully to instruct the congregations in this truth. The pastor is largely the key-man in this matter. We doubt that our pastors realize fully how much confidence is imposed in them by the individual congregation, and that their leadership practically determines the spiritual and churchly attitude of their congregations.

Higher Christian Education

We are firmly convinced that unless we support Foreign Missions and Charity with our gifts and prayers and sympathetic attitude, we can not long prosper, neither as individual congregations nor as a Synodical Body. But we are also convinced that it is necessary to stress, in particular at the present time, higher Christian education and Home Missions. These two activities are fundamental, and upon the degree to which our people rally about them, will depend the vigor with which the other two will be promoted. If we fail in our promotion of higher education and Home Missions, we shall eventually fail in Foreign Missions and Charity.

The educational problem of our Synod is quite acute. Our people in general do not have the interest in this department that they have in the other departments, and they do not from year to year contribute enough to cover the regular appropriation voted by the Church. There is grave danger that this fact will eventually cripple our whole educational system. That would indeed be a calamity to our Church. An adequate supply of well trained pastors and missionaries and teachers woud soon cease, and before many years our pulpits would be vacant and our churches empty. What will then become of our children and our children's children, to whom we have hoped that we might bequeth our Lutheran heritage? God grant that our people may awake to a full realization of the importance of our Christian schools!

Concordia College

The Christian school which in a special sense is our responsibility is Concordia College. The general Church body has by resolution designated our district as Concordia territory. The college, therefore, looks to us for a large portion of its student body, and a substantial financial backing. The president of Concordia College reports that the financial depression has not seriously affected the college this year. There has been an enrollment of 444 in the college department, which is practically a normal attendance. Health conditions have been good; the musical, literary, athletic, and religious organizations have been carried on in an orderly and commendable manner. An encouraging interest has been manifested by the students in the spiritual activities of the college. Thirteen men in the present Senior class intend to study for the ministry, and many of the others in the class, both men and women, will enter Christian service in other fields. The present Senior class numbers 105 members, and is the largest graduating class in the history of the college. The president also speaks with much appreciation of the able and consecrated service rendered the college and the Church by the faculty. We are very glad to take note of this fine report.

Concordia Conservatory

It may be well to call your attention again to this comparatively new department of Concordia College. In the summer of 1929 the Board of Directors of Concordia College purchased the Dakota Conservatory of Music located in Fargo, N. Dak., and have since conducted the conservatory as a branch of the college. The conservatory occupies the entire third floor of the Stone Music Store building located at 613 First Avenue North. These quarters were originally planned for a conservatory and offer splendid facilities for class work as well as private instruction. Fully accredited courses are offered by experienced instructors of established reputation. There has been a total enrollment of 512 this school year, and the instruction has been given by 17 teachers. The conservatory offers its students every advantage for a thorough musical training. It would be well that pastors and delegates would help to make this fact known among our people. There seems to be a large number of our people who are not as yet aware of the conservatory at Fargo, and therefore, pass through Fargo to Minneapolis and other cities in the East to study music, when they might have just as fine a training at the Concordia Conservatory at a much lower expense. Let us, therefore, help to make the conservatory better known among our church people of the Northwest.

Fortieth Anniversary

Concordia College will observe its 40th anniversary next fall. Thousands of students have received their training at Concordia during these years and are today leading lives of usefulness in many walks of life. From a small academy Concordia has developed into a college which has won an honored place in the Church and in educational circles. It would seem fitting that our district should adopt a resolution making note of this fact which may be presented at the time of the anniversary festival.

Home Missions

We have already referred to the need of stressing the Home Missions activity. It is self-evident, if we give the matter some thought, that unless we can extend and build the Church well at home, we shall not be able to carry on an aggressive work in any other department of our Church. We must also be mindful of the command to care for our own and to begin at Jerusalem. We reiterate the opinion expressed in previous reports to the district, that our Church has a particularly promising future in this state. At the present time we have 18 pastors on our home mission field serving 51 congregations with a confirmed membership of 2,074. These men are serving at a small income under

many difficulties and hardships. Their fields are extensive and strenuous. This work has, however, been richly blessed. There are several circuits in one district which a few years ago were practically new mission fields, but today are self-supporting and contributing large sums to the budget. Even at the beginning of this year two parishes on the mission field became self-supporting, and other parishes were able to assume a larger portion of the local expenses, and thus reduced materially the mission aid. This is very encouraging and we appreciate the spirit thus manifested by pastors and congregations very highly.

Church Extension

A very important factor in the home mission work is the Church Extension Fund. It is imperative, almost in every case, when new work is started to secure a place for worship. Very little progress can be made unless the people can assemble in fairly comfortable quarters. But the problem of purchasing or building a house of worship at the very outset is well nigh hopeless. If we had an adequate Church Extension Fund, we could solve this problem effectively and speedily. Our Church Extension Fund, however, can not by far meet the requests that are made for loans. We would, therefore, remind you of the fact that our Synod has requested an annual offering to the Fund in every congregation, and plead with you that you comply with this request. May we also urge that persons of means remember this Fund with generous gifts.

The Work of Charity in Our District

Rev. H. B. Kildahl, the executive secretary of the Department of Charity in our Synod, reports the following concerning the work of his department in the North Dakota District:

Dunseith, N. Dak. Rev. J. B. A. Dale, missionary, is taking care of the religious work at the state hospital for tuberculosis located in Turtle Mountains. He has conducted 151 services with an average attendance of 242, communed 194, conducted one Baptism and 12 funerals.

North Dakota House of Mercy, 1505 5th Ave. So., Fargo, N. Dak. Miss Selma Karlstad, superintendent, has had 86 mothers under her care, of whom three were married and 69 unmarried, and 14 were present at the beginning of the year. There were eight children present on January 1st. There was an intake of 69 children together with their mothers and 29 without mothers, or a total of 98. The total number of children and mothers cared for during the year was 192.

Lutheran Home Finding Society of North Dakota, Fargo, N. Dak., had 106 children under its care, of whom two were placed in private homes for adoption, 69 returned to parents or guardians, two died, 22 were cared for in private boarding homes, and 11 were under temporary care.

It should be a matter of much satisfaction that the work of charity by our Church in the state has been highly efficient, especially on the part of the house of mercy at Fargo, so that it is now recognized as a potent factor in the welfare work of the state.

Rev. C. J. Fylling's Work at the State Institutions

In this connection we should also recognize the splendid work done by Dr. C. J. Fylling at the State Training School, Mandan, the penitentiary, Bismarck, and the asylum at Jamestown. The inmates of these institutions are sadly in need of spiritual care. It is a difficult work, and requires a person especially adapted for this particular service. In our opinion Dr. Fylling possesses these qualifications in a high degree, and has been eminently successful. This work is not directly under the auspices of our Synod, but is directed by the Intersynodical Lutheran Inner Mission Society of North Dakota. We urge that you give this worthy undertaking your generous support.

American Lutheran Conference

The organization of the American Lutheran Conference was effected last October on the basis of the constitution adopted by our Synod last summer.

We believe that much will be accomplished for the Kingdom of God on the basis of Lutheran principles and practices through the cooperation of these synodical bodies. The Church Council adopted the following resolution at its last meeting: "We recommend that occasional pastoral conferences be held of pastors whose synods are members of the American Lutheran Conference, and on the whole to cultivate a friendly and social relationship among said pastors. We further recommend that wherever practical devotional meetings be held of congregations and groups of congregations of the conference."

Synodical Brotherhood

The organization of a Synodical Brotherhood has now been completed. Judge Lewis Larson, Sioux Falls, S. Dak. is the president, and Mr. R. E. Haugan, Augsburg Publishing House, Minneapolis, is the secretary. Under this leadership we believe that much can be accomplished in the way of unifying our men in a more effective service in the Church. The president of the Synodical Brotherhood requests that the men who are interested meet some time during this district meeting for the purpose of forming at least a temporary organization, so that the Synodical Brotherhood officers may have men in the district to work with in pushing the organization work.

The Women's Missionary Federation

This splendid organization has also this year under the able leadership of Mrs. H. A. Helsem been a source of inspiration in our district. A fine piece of work is done in spreading information concerning the activities of our Church through tracts, circulars, and pamphlets. We urge our pastors and congregations to make use of this literature to the fullest extent. The influence of the printed page can not be measured. We commend most heartily the spirit of consecrated loyalty manifested by the women of our district. May their convention here at Bismarck, by the grace of God, bring increased blessings to the Church!

The District Young People's League

Our District Young People's League is functioning in a splendid manner. Much credit is due to its fine leadership. Regional institutes and circuit conventions have been held that have been the source of much help and inspiration. It is vital for the future of our Church that we can keep the young people within its fold. The District Young People's League is rendering our district a very distinct service, and deserves a deep appreciation. The National League will hold its convention in Chicago this year. Careful and extensive preparations have been made, and it will no doubt be a wonderfully inspiring meeting. We would encourage our young people to make an effort to attend this convention.

Young People's Bible Camp

A Young People's Bible Camp has been conducted at Red Willow Lake for several summers with increasing attendance. A wonderful spiritual atmosphere has prevailed at these Bible camp meetings, and we are confident that those in attendance have been greatly blessed. The movement has reached such proportions and promises such possibilities that a better and more exclusive site is necessary. Efforts are being made to coordinate this movement with the young people's work of the state, and to procure a site that can be used jointly. We believe that this is a good venture. A suitable site can be secured in the Turtle Mountains, but the question of swinging the deal financially is a perplexing problem. If persons of wealth in our district would come to the aid of our young people in this matter, we believe they would render a fine service for the Kingdom of God.

The Experienced Pastor

We feel that we ought to make a plea for the rightful position of the experienced pastor when the extending of a call is under consideration in a

vacant parish. In all other professions experience is counted a valuable asset. It should certainly be so in the Gospel ministry. Years of experience should not make a man less able in the pulpit, nor less wise and efficient as a shepherd of souls. A man of fifty years of age should not be considered too old, but rather a man in his prime, and congregations should be glad to avail themselves of his service. We are glad to welcome the young men who will consecrate their lives in the noble service of the ministry. They bring a certain hopefulness and enthusiasm that is a helpful inspiration, and we hope we can always find them a place to work. But the Church commits a grave injustice and deprives itself of a blessed service if it disregards the experienced pastor who is still in his prime.

The Pastoral Conference

The district pastoral conference met at Fargo, January 27-29. The consensus of opinion among those in attendance seemed to be that the program was of a high standard and that the conference was instructive and beneficial. We believe the attendance was somewhat larger than usual, but would nevertheless urge earnestly that all the pastors of the district make every effort to attend this yearly conference. We note how eager the men of other professions are to perfect themselves through conferences in their respective professions. It should be true even in a higher degree in the ministry. No other line of work is so important and so difficult. We realize, to be sure, that there are pastors who are unable at times to meet the expenses involved in attending the pastoral conference. In such cases we would suggest that the congregations help defray their pastor's expenses. In our opinion it would be money well spent. The pastor would come back with new energy, new enthusiasm, and better equipped for his work.

Circuit Meetings

The circuits have functioned as usual. Regular meetings have been held in all the circuits. These meetings are great factors in the promotion of spiritual life within the district. Unless urgent circumstances prevent, pastors and delegates are expected to give full time attendance to the circuit meeting. The end and aim of every effort in church work is the promotion of spiritual life. Let this in particular be emphasized at the circuit meetings.

Fladager, born January 6, 1874, and ordained to the holy ministry in 1908, died at Drake, February 3, 1931, and was buried at Harvey February 6.

It is with sadness in our hearts that we pause to consider that these co-laborers are no longer with us. We are grateful to God for what these men accomplished for His Kingdom. We have the blessed hope that they, through faith in Christ, have obtained eternal life. Appropriate resolutions will be adopted by this convention.

Official Visits and Inspections

During the year we have visited 59 congregations in an official capacity in the way of inspections, dedications, laying of corner stones, anniversaries, and mission festivals. In addition we have attended the regular meetings of the Church Council, the Home Missions Board of Synod, the home missions committee of the district, committee meetings for the Sunday School Association, pastoral conference, and a number of conferences with committees in circuits and in local parishes of the district. This, together with the heavy correspondence of the office, has occupied our time to the fullest extent.

Elections

It will be necessary at this meeting to elect district officers: A president for a term of six years, a vice-president and a secretary, and a lay member on the Church Council, each for a term of three years. There may also be other elections.

Conclusion

It has been my privilege to serve as your district president a little more than five years, thus filling out the unexpired term of the sainted Rev. I. D. Ylvisaker. As I look back over these years, I feel keenly the imperfection of the service which I have rendered. At the same time I deeply appreciate the opportunity which I have enjoyed, and the kindness and cooperation which I have received. May the Lord Jesus Christ grant continual blessings upon every pastor and every congregation in the district, that His Kingdom may be more and more firmly established among us to the honor of His name and to the salvation of souls!

Your servant in Christ,

—DAVID STOEVE.

D) Committee Reports

NO. I. CHURCH AFFAIRS

Committee No. 1 on Church Affairs, Pastors A. E. Lien, G. O. Loftness and Joseph Johnson, and Delegates O. B. Syverson and A. J. Monson, organized by electing Rev. A. E. Lien as chairman and Joseph Johnson as secretary.

The Committee respectfully submits the following report:

1. The North Dakota District gives thanks to God that He has blessed the work in our congregations, district and synod for the advancement of His Kingdom and the salvation of souls. We urge upon the members of our congregations to be zealous in their work and that they let it be a matter of earnest and continued prayer that the Holy Spirit may be permitted to accomplish His work that many souls dead in sin, may be made alive in God and that true Christian life may flourish in every congregation.

2. The District urges upon its members to give heed to the words of the District President regarding the family altar. "It is our impression that the family altar is sadly neglected among our people. This does not bode well for the future . . . If we fail to build Christian homes, then there will be no hope for our Church, and thus, will be little hope for our country."

3. The District urges upon its pastors and congregations to stress the fundamental importance of Elementary Christian Education. This is a first requisite for the future of our Church. We commend the work that is being done in our District by the Board of Elementary Church Education, and the North Dakota Sunday School Association, and urge upon our congregations that they use and support these agencies.

4. The District urges upon its members to take to heart the words of our District President in the Annual Report: "Another matter of concern in this connection is the tendency to make the Church the first object of curtailment. There are not a few who seem to think that the Church is somewhat of a luxury, with which one can readily dispense when times are hard There is not the proper appreciation of the fact that the Church ministers the Bread of Life unto our souls, and that at all times we need this Bread of Life above all else in this world. Especially do we need it in times of hardship and discouragement. If there is any time the Word can give us the comfort we need, if there is any time the Word will find more responsive hearts, it is in a time of financial depression, when the world is a less pleasant place in which to live. We are convinced that the Lord Jesus would have His people to support the Church, even in times like these, that the Church need not decrease its efforts, but can continue to carry on an aggressive and persistent work. We, therefore, urge most earnestly that every pastor and every layman go forth from this meeting and sound the note of Paul: "I can do all things through Christ which strengtheneth me."

5. The District would impress on the local congregations how important are their relations to and their duties toward our Synodical Body. The Head of the Church has laid upon this Church its duty of exercising charity towards the sick and destitute, the fatherless and the aged; He has laid upon it the duty of training its own pastors, missionaries, and other charity workers and leaders. This work is done for its local congregation through our Synodical Body. No congregation can expect that Jesus Christ will look upon it with favor and continue to bless it, unless, to the best of its ability, it is obedient in this respect. We urge the pastors carefully to instruct the congregations in this respect.

6. The District urges upon its congregations faithfully and continuously to support our Home Missions, Foreign Missions and Charities with their gifts and prayers, and thus fulfill the command of the Lord to go and preach the Gospel to every nation.

7. In view of the fact that many of the members of our churches do not appreciate the importance of the work of Higher Christian Education, and because our Christian schools are the foundation for the training of our pastors, missionaries, teachers and other Christian workers This District urges upon our people that they be awake to a full realization of the importance of our Christian schools and that they give them their hearty, moral and financial support. We urge upon parents in our Church to send their boys and girls who are going to college to our own Church schools, in order that they may be under Christian influence and kept for their Church and Savior.

8. The District commends to our people the Church Extension Fund of our Synod. Some congregations give generously to this work, most give little or nothing. We would remind our congregations of the fact that our Synod has requested that an offering to this fund be given every year.

9. The District expresses its appreciation of the splendid work that is being done by the Women's Missionary Federation of our North Dakota District in advancing the cause of the kingdom of Christ among us. May God grant it His continued blessing.

10. We commend the work of the District Young People's Luther League. The Young People's Luther League is rendering our District a distinct service and deserves a deep appreciation. We also commend the efforts that are being made to establish Young People's Bible Camps, and urge upon our people, both young and old, to give them their support.

11. The District heartily endorses the statement made by the District President about "The Experienced Pastor."

12. The District would remind the pastors of the importance of attending the annual pastoral conference. Those who attend, gain much for themselves and their work. If the pastor, for financial reasons, feels that he must stay away, the congregation is urged, for its own sake, to help make it possible for him to attend.

13. The District would urge upon its congregations that they invite the president to visit them, not only when there is trouble in the congregation, but also on other occasions, in order that they may receive instructions, encouragement and inspiration for their work. A visit of the president will accomplish a great deal of good in the congregations, and in many cases avert troubles and misunderstandings.

14. The District expresses to Rev. David Stoeve its heartfelt appreciation of his faithful and efficient work in directing the affairs of the District. We pray God that He will bless him and give him strength in his arduous labors as District President.

Respectfully submitted,
JOSEPH JOHNSON, Sec'y.

Mykland, as chairman and undersigned as secretary. The members and delegates of the North Dakota District assembled in Convention at Bismarck, June 4-7, submit the following resolutions:

1. That we give thanks to Almighty God that the doors have been open for work during the year in all our foreign mission fields in China, Madagascar and South Africa, that the work has prospered and has been blessed and that we increase our labors while the doors are open.

2. That we express our gratitude to God that in spite of difficulties in China the work has been going on, and that His protection and blessing have followed His workers.

3. We rejoice that Rev. K. N. Twedt has been released and we urge upon all to remember Rev. Bert Nelson, who is still held captive, before the throne of Grace.

4. That we keep in mind the urgent call for more workers from all over our fields and that we bend every effort to meet these needs.

5. That we ask God's blessings upon every worker and especially those on furlough or those going out to the fields.

6. Inasmuch as the regular budget does not provide sufficient funds to carry on all the necessary work, we recommend that interested parties be invited to participate in this blessed cause.

Committee No. 3, consisting of the following members: Rev. L. Langehaug, Rev. O. J. Malkevik, Rev E. C. Tollefson, A. O. Wang, Rev. P. J. Johnson, organized with Rev. L. Langehaug as president and P. J. Johnson as secretary.

The Committee submits the following resolutions and recommendations:

1. Whereas God has bounteously prospered and blessed the Home Mission work in the North Dakota District: Be it resolved: That we return thanks to the Triune God for His manifold blessings during the past year.

2. We value highly the action of many congregations on the mission field in becoming self-supporting, and urge that such congregations as are now receiving aid from the Home Mission funds to make every effort to become sustaining as soon as conditions will permit, in order that the work may be taken up in the extensive new fields.

3. Be it resolved: That the North Dakota District recommends to the different circuits to hold a home mission meeting annually, attended, if possible, by a member of the home mission committee, for the purpose of stimulating interest in Home Missions.

4. We recognize the valuable work done by the intersynodical Lutheran Inner Mission Society of North Dakota, in the State Institutions and urge the congregations of the North Dakota District to support this work financially.

5. The District expresses its appreciation of the work done at Dunseith Sanatorium and commends it to the good will of our congregations.

6. It is with sorrow that we are apprized of the ill health of our Home Mission Secretary, Dr. C. S. B. Hoel. It is our prayer to God that He may speedily restore him to health that he may continue to carry on the work which he so ably heretofore has performed.

Report of Committee No 4—Charities

The members of Committee No. 4 consisting of Rev. R. T Wanberg, Del. V. Halvorson, Rev. J. M. Johnson, Del. S. P. Dahl, and Rev. Marcus Lewis, organized by electing Rev. R. T. Wanberg, chairman, and Rev. M. Lewis, secretary. The committee submits the following report:

The North Dakota District of the Norwegian Lutheran Church of America, expresses its sincere gratitude to Almighty God, for His gracious blessings upon the work done in His Name through the department of charities during the past year and invoke His blessings upon the work in the future.

We also express appreciation and gratitude to the members of the board of charities for their efficient work and for the faithful and self-sacrificing service of the workers in the various institutions.

We recommend the following institutions for continued support by prayers and means: The North Dakota House of Mercy, and the Lutheran Home Finding Society, Fargo, and the Missionary work at the Sanatorium at Dunseith by Rev. J. B. A. Dale.

THE NORTH DAKOTA HOUSE OF MERCY—In view of the splendid record this institution has made for itself and the high recommendations it has received from the State and from welfare societies, we earnestly urge pastors and congregations that this home be recommended to the people who need the services of an institution of this kind and that this home be made known to judges and officers under whose jurisdiction such cases may come.

Since our District is responsible for this institution, we urge all to give their best support.

THE LUTHERAN INNER MISSION SOCIETY OF NORTH DAKOTA—We rejoice over the successful work accomplished by this Society in the various state institutions, such as the Penitentiary, State Training School at Mandan, and Asylum. We hope the people will respond to the appeals of this society, in order that it may adequately supply the spiritual needs of the inmates of these institutions, which for a long time have been sadly neglected.

We respectfully call attention to the fact that the North Dakota District has no Children's Home, and that considerable difficulty is encountered with the placing and support of North Dakota orphan children, in Minnesota homes, likewise the difficulty encountered for North Dakota people adopting children from our Church homes out of the state.

If, in the future, conditions become favorable, we respectfully call to the attention of the Church body the advisability of establishing a home within the District.

The difficult times will naturally bring greater demands upon the department of charities. May, therefore, every congregation within our District, feel its responsibility toward the needs of charities.

MARCUS S. LEWIS, Secretary.

Committee on Finances, No. 6

The convention expresses thanks to God for His sustaining power in this time of economic depression, for the determined effort of all workers in the financial departments of the Church and for the good will shown by the members in general. In view of the fact that many activities in the commercial world have been demoralized, the Church has been able to continue the work in all the branches of its activity. Being mindful, however, of the belated activities in collecting for the budget, the convention urges that the pastors and church people make a special effort for ingathering to the general budget.

The Committee on Finance, after due investigation and deliberation, have come to the conclusion, that it is the sense of most people of the District, that some disposition be made of the District president's house in Fargo. The Committee would therefore suggest that the matter of such disposition be referred to the Committee on President's House, or other body having it in charge, and that such body be instructed to take whatever steps necessary, that will relieve the District of any further obligations.

In regard to the financing of all church activities, the committee would call especial attention to the Finance Committee's report found on pages 169-170-171 of "Messages and Reports to the District Convention." The Committee earnestly recommends that these pages be studied and taken to heart by every layman and pastor in the Convention. The Committee would further remind the convention of the earnest plea made by our District President Stoeve concerning our obligations and privileges in the ingathering of funds for the support of our Christian Church work in all its endeavors.

Permit the Committee to also call your attention to pages 87 and 88 of the same report as a reminder in these matters.

If Jesus of Nazareth Himself had stood on the platform in the District President's place, and made that same plea for the support of His Church that His kingdom might come, we dare say that there would be heard no complaints about financial burdens nor unwarranted sacrifices And, yet, if we but truly believe His Word, He did stand there, invisible that's true, and yet, certainly there.

In all our labors, therefore, with the Church, may we never lose sight of the fact that in the final analysis, it is Jesus we are dealing with, others are merely His representatives. It is to Him we are responsible, and it is to Him we will eventually give an accounting as to our stewardship. When we fully acknowledge this, then our financial problems will largely be minimized.

Rev. A. J. Eikeland, Chairman,
Rev. E. E. Eidbo,

Committee on Elementary Christian Education, No. 8

The Committee on Education consisting of the following members: Rev. Carl E. Lucky, Rev. Marcus Tufteland, Rev. K. O. Raftshol, Del. J. Jenson, and Del. H. Lucken organized by electing Rev Carl E. Lucky Chairman, and Rev. Marcus Tufteland, Secretary, and reports as follows:

The North Dakota District of N. L. C. A. gives thanks to God that He has given us the privilege, desire and means to carry on the work of our Christian educational institutions.

Whereas the work of elementary Christian education has by the Grace of God been permitted to go on with increased interest and effect in most of our congregations under the able direction of co-operation with our pastors, local teachers and workers, be it resolved that we express our thanks to these faithful servants in the Church.

We are mindful of the blessings received through our Sunday schools, and yet conscious also of the inability of the Sunday school to afford adequate instruction even in the most ideal circumstances, we therefore recommend that additional instruction be given in the Saturday school, throughout the school year, in the week day religion school, or in not less than one month of Vacation school.

Being thankful for the instruction afforded in our elementary schools of religion, yet realizing that all such instruction is of limited effect unless augmented by guidance and help in the home, we recommend that our people be continually reminded of the need of careful religious instruction in the home.

The Convention recommends that our teachers and Sunday school workers avail themselves of the opportunity to make use of the splendid literature edited by our General Board.

Whereas our Department of Education has been subjected to comparative neglect and in these days of financial depression is handicapped by a decided shortage in funds, the Convention urges that our people remember this at the ingathering of the Budget that the Department of Education may receive its proper share.

Concordia College having also this year been richly blessed from on High the Convention expresses its thanks and gratitude for the faithful and efficient service rendered by the faculty at the College. We rejoice also in the knowledge that so many from the Class of 1931 have signified their intention to enter the Holy Ministry.

Whereas Concordia College is about to celebrate her fortieth anniversary, be it resolved, that the District through its President express its greetings and congratulations to the College on that occasion

Whereas Concordia College by the purchase of the Dakota Conservatory of Music has greatly increased her facilities in giving courses in music study, we

commend this department of our College to the careful consideration of our people.

The Convention recommends to our people the movement so ably promoted by the Bible Camp Committee.

The Convention also recommends that this worthy project be further developed under the direction of the North Dakota District Luther League.

Respectively submitted,

CARL E. LUCKY,
MARCUS TUFTELAND,
K. O. RAFTSHOL.

The District also expresses its thanks to the Trinity Lutheran Church at Bismarck and its pastor for the invitation received to convene here and for the hospitality and the ample and splendid accommodations enjoyed while assembled here.

The District congratulates the Trinity Lutheran Congregation and its pastor upon the erection of this new and fine church building and prays for God's continued blessing upon the work of the congregation.

The District also desires to express its appreciation and gratitude to the city of Bismarck and the local press for the courtesies and services rendered in connection with its convening here.

Whereas, Mr. A. S Tweten of Reynolds, N. Dak., has faithfully served the District as a member of the Church Council since the organization of our Synod, be it resolved that the District expresses its sincere gratitude to Mr. Tweten for such services.

In regard to the invitations received from the St. Olaf Lutheran Church at Devils Lake and from the United Lutheran Church at Grand Forks, and the Grand Forks Chamber of Commerce for our next District Convention, be it hereby resolved that the selection of place be left with the officers of the District.

The District heartily commends the work that is being done at the School for the Deaf at Devils Lake, N. Dak., through the Home Mission Board of the Church by its representative, Rev. H. O. Bjorlie of Fairbault, Minnesota, and hope that the board may find it possible to make permanent arrangements for its continuation.

Since our last District Convention it has pleased God to remove Rev. I. G. Monson, Rev Anders H. Berger and Rev. Oliver L. Fladager, from their labors in His vineyard here into His promised rest in the Kingdom of Glory. The District in convention assembled expresses its thanks to God for the work which they were permitted to do in His Church during their days of labor here below and hereby conveys its sincere greetings of sympathy to the bereaved and prays for God's sustaining grace upon them and His comfort to them in their sorrow.

Since our last Convention, two pastors' wives, namely, Mrs. K. L. Norlie and Mrs. M. O. Dybvick, have departed this life. The District expresses its sincere sympathy with the two brother pastors in their bereavement. May the

God of all mercy comfort Pastors Norlie and Dybvick in their sorrow, and give them to experience that all things work together for good that love God.

The District regrets that Rev. T. H. Larsen of Taylor, N. Dak., and Rev. M. B. Ordahl of Binford, N. Dak., are hindered to attend this Convention due to illness. It hereby desires to convey its greetings and its expression of hope for a speedy recovery, if it be the will of God. May they experience that the grace of God is sufficient in all their needs.

The District expresses its deep appreciation for the greetings that were conveyed to the Convention from the venerable Dr. H. G. Stub, through the President of the Church, Dr. Aasgaard. May the Lord in whom he has always trusted for his strength and guidance during his long service in the Church, be his strength and helper in his old age and grant him peace and happiness during the days that the Lord will yet give him to sojourn among us.

The District regrets to learn of the failing health of the Hon. Judge A. Grindeland of Warren, Minnesota, a man who for a generation has been prominently active in the work of the Church, and wishes hereby to convey to him its greeting of sincere appreciation for his many years of service, especially as a wise councilor in helping to solve the many problems of the Church, and pray that the Lord may grant him the needed strength and blessing during his declining years.

VII. ROCKY MOUNTAIN DISTRICT

A) President's Message

Grace and Peace!

"Look up, and lift up your heads" (Luke 21:28).

There are many hopeful and encouraging signs in the world today along the lines of science, education, and social progress. There is much to enjoy and to be thankful for. In the spiritual kingdom the hopeful signs are perhaps not so outstanding and prominent; but the observer will also there find much to rejoice in, and to be thankful for. The Word of God is still the same—mighty and powerful to save and to sanctify the souls of men. There can be no more beautiful sight to behold than the creation and development of the spiritual life. The greatest and most blessed work in the world is to lead precious souls to Christ. How thankful we who are engaged in this work of the Lord should be.

On the other hand, the Christian who observes conditions as they are will find many things that are very discouraging to his view of life. First of all, he observes his own weaknesses, short-comings, and failures, and his inability to grow spiritually commensurate with the high ideals set before him in the Word of God. "Be ye holy" (Leviticus, 20:7). There are temptations within and without; the world is full of wickedness, falsehood, and deceitfulness. The worldly spirit seems to be predominant in nearly all walks of life. True piety and sincerity is mocked and scoffed at; godliness is not counted profitable, but rather looked upon as a mental and moral weakness in man. Again, the true Christian many times becomes disappointed and discouraged by discovering insincere and false brethren among professed Christians.

One of the great temptations of the professed Christian is "to conform to this world" (Romans 12:2). "Can ye not discern the signs of the times?" (Matt. 16:3). Friends, do you realize that we are living in the beginning of the end of times? When Jesus Christ shall come again to judge the living and the dead? When each one shall receive, according to the deeds done in the body, be they good or evil. For the comfort and benefit of the Christians, God has given us a great many signs by which we shall know the approach of His coming, in order that we may prepare to meet Him, as a bride goes forth to meet her bridegroom, with joy and gladness.

Some of the signs pointed out to us are to be looked for in nature; in the sun, moon, and stars; upon earth distress of nations with perplexity. How prominent is not this last mentioned sign at the present time. "Seas and waves roaring—the powers of Heaven shall be shaken—men's hearts failing them for fear." Compare this sign with the great wave of suicide sweeping all over the world today. In 2 Thess. 2 we learn of some spiritual signs that shall appear before His coming. "The man of sin, the son of perdition," who shall exalt himself, and proclaim himself god, and there shall be a falling away from the faith, lying, falsehood, false prophets, false Christs; unrighteousness shall be prevalent in those days. There shall be even danger of the elect being deceived. The days shall be like those of Noah and Lot—a worldly, pleasure-seeking spirit. There shall be wars and rumors of wars. When they say peace and safety, then shall destruction suddenly overtake them (Thess. 5:3).

In 2 Tim. 3 we read: "But know this, that in the last days, grievous times shall come. For men shall be lovers of self, lovers of money, boastful, haughty, raillers, disobedient to parents, unthankful, unholy. Without natural affection, implacable, slanderers, without self-control, fierce, no lovers of good. Traitors, headstrong, puffed-up, lovers of pleasure rather than lovers of God. Holding

a form of godliness, but having denied the power thereof. From these turn away." You may make your own comparison with these signs as you observe them at the present time.

He is to come quickly, like lightning, unexpected, with power, and in great glory. The day and hour when He is to appear only God Himself knows. God has given us all these signs for a purpose; to prevent us from becoming careless and indifferent and falling asleep. "Christians, awake, and put on the whole armor of God" (1 Thess. 5:1). "Watch and pray." Keep your lamps filled with oil, burning, ready to meet your Bridegroom—the Lord Jesus Christ. Ministers of Christ, watchmen on the walls of Zion, cry aloud; point out to your people the unmistakable signs of the times; warn them against the present-day dangers and temptations, against the many besetting sins of our age, and not the least, the sin of indifference and carelessness in their personal relation to God, their lax attitude to the means of grace, and the work of the Church. "When ye see these signs come to pass, know ye that the Kingdom of God is nigh at hand. Look up, and lift up your heads; for your redemption draweth nigh." Praise be to His holy name, Our Savior and High Priest, Lord and King, Jesus Christ!

Home Missions

This work is fundamental for the extension, progress, and upbuilding of our Church. Our district is one of the largest mission districts of our Church, and because of our language situation, affords us a most wonderful opportunity for doing mission work among all the different nationalities. In spite of many difficulties and the present economic depression, the work in our district has progressed beyond expectations. Thanks to God, and the many faithful pastors and church members.

The **Opheim** charge went self-supporting last fall. This makes sixteen mission charges in our district that have become self-supporting in the last few years.

Ten new mission congregations have been organized during the year. I have organized six of them; one was organized by Reverend E. Soiland; one by Rev. C. E. Johnson; one by Rev. W. I. Aamoth; one by Rev. O. L. Olsrud.

At my request, Rev. C. G. Tjomsland has taken up mission work in a new mission field at Redstone, Montana. This was done after an investigation had been made by Rev. O. J. Hagen, Rev. C. G. Tjomsland, and myself. According to reports received, this appears to be a promising mission field. Rev. Tjomsland is doing this work without any compensation from the mission fund, for which he deserves the gratitude of the Church. There are all kinds of opportunities for extending our mission work, if we only had the means to support the work properly. It is sad not to be able to meet the requests that come to us for aid for organized mission work.

A number of our mission pastors are doing mission work at our state institutions, looking after the students from our congregations who are attending these institutions of higher learning. This is a very necessary and important work, and should receive the hearty co-operation of all parents who have children attending any of these institutions. Rev. A. O. Johnson has been requested to prepare a paper on this work, to be presented at the district convention.

The mission committee has held its regular meetings as usual during the year and has done a very efficient work, according to opportunity, and with the means at their disposal. The Hon. T. A. Myklebust, secretary of the District Mission Committee, deserves the gratitude of the Church for his very efficient service. The committee is mindful of the resolution of the Church to reduce the aid for each mission charge annually. This, in many cases, is a very difficult thing to do. The mission committee can only give what it receives from the congregations to give; and the congregations that supply the mission money have a right to look for progress and results in our mission congregations. We need more money for our home mission work, and for our Church Extension Fund; and all the congregations are urged to supply these much-needed funds through Christian giving. "Give and it shall be given unto you." Let pastors and congregations remember the cause of Home Missions in their prayers and with

their gifts. "The fields are white unto harvest; pray, therefore, to the Lord of the harvest" for men and means. During the year I have been assisted by Rev. O. J. Hagen, Rev. C. G. Tjomsland and a number of the other pastors in rendering services to the many vacant congregations in the district.

This is a service for which we are very thankful. About twenty-seven parishes in our district have received more or less support from the Home Missions this year. We always urge the mission congregations to do all they can for the support of the work in their own field, and thus become self-sustaining as soon as possible. This is according to the policy and resolutions by the Church. **Mission meetings** were held last fall in nearly all the circuits in connection with the regular meetings; the forenoons were, as a rule, used for pastoral conferences. Most of the meetings were well attended, and the speakers well prepared. Much interest was shown for the cause of the kingdom. I hope that similar mission meetings can be held this year in the different circuits. Home mission work does not only include the work of gathering into our respective congregations those that are of the Lutheran faith; but it includes also the work of Christianizing those who know nothing about Christ, His power to save, and His love to humanity.

In connection with the progress of our home mission work, it might be interesting to note that since the union—1917—twenty-three new charges have been formed; thirty-five new congregations organized; twenty-one charges have become self-supporting; forty-seven new church buildings have been built, or reconstructed; twenty-four parsonages have been built or purchased; the mission pastor's salary has, during this period, been increased twice—the first time from nine hundred to twelve hundred; the second time from twelve hundred to fifteen hundred and house.

Bearing in mind the many difficulties, adversities, and obstacles under which this progress has been made in the past, we look with much courage and hopefulness for an even greater accomplishment in the future. We are especially fortunate in the Rocky Mountain District in having been able to Americanize our mission work in such a way as to be in a position to make a Gospel appeal to all classes and nationalities. With the splendid beginning that we now have, it should only be a matter of a few years until our district will become self-supporting and financially independent. I can remember that at the beginning of the union the request from the Rocky Mountain District for mission support was approximately fifty thousand dollars; and that the mission support received by the Rocky Mountain District last year was approximately nineteen thousand dollars. This shows a remarkable advancement in the support of our work by the people of our district. The Rocky Mountain District affords wonderful opportunities for the extension and advancement of our Church if we had sufficient means to undertake new work. Any reduction of our mission allowance at this time would seriously interfere with the future progress of our work.

The Luther League

The work among our young people is of vital and fundamental importance. We should not only work for the Christian training and bringing up of our young people, but we should lead and teach them to become active Christian workers in the Church; in other words, put them to work in our local congregations. This, besides teaching them by word and example, in our lives, what to believe and how to live, is one of the greatest services that we can render to our young people. To lead them to Christ that they may abide in Him is our greatest task. I am glad to report that there is a growing interest for the young people's work in the district. Practically all the circuits in the district had young people's conventions during the year. The programs were very good and inspiring. The attendance was fairly good at most of the conventions. The young people are the material for the building of God's Kingdom in the future. The Luther League is a practical training school for our young people. I firmly believe that we should lay more and more stress on the spiritual life in our young people's work. The business of the Church is to lead souls to Christ, through the administration of the means of grace, and not through en-

tertainments, although I recognize the social side of the Christian life; but it must not be carried on in a way that it becomes detrimental to the spiritual life.

National Lutheran Council

The Church Council has adopted the following resolutions regarding Russian Relief and Elementary Christian Education:

(a) Russian Relief. Your committee recommends that we express our heartfelt thanks to God for what the Lutheran Church has been enabled to do for our sister church, the martyr church of Russia.

We further recommend that some time be given to the discussion of the work at our district meetings this summer, in order that information about the sad conditions of our brethren in Russia can be brought to our people.

(b) The Council. We endorse the work of the National Lutheran Council and recommend that we give our share of its financial support.

Elementary Christian Education

It is a recognized fact that Elementary Christian Education is the foundation of the work of our Church. The Church must therefore constantly impress upon its pastors and congregations to be mindful of their responsibility in this matter. The Board of Elementary Christian Education is rendering a very valuable help in organizing this work, in calling the attention of pastors and congregations to its importance and providing necessary help by editing publications and text books by which the best results can be obtained. Our Publishing House is also rendering valuable service in this work by publishing the Sunday School papers and providing the necessary material for doing this work. Let us work and pray that the instruction of our children in the way of the Lord may be felt as the first and greatest responsibility resting upon the Home, the Church, and the Pastor.

The Budget

Considering the conditions under which we have been laboring, during this last year this district has done well by the budget. A great number of the congregations have done splendid work, and given more than their fair share to the budget, for which they deserve praise. We are, however, sorry to learn that some of the larger and better situated congregations in the district did not come up to expectations in collecting their fair share. This simply means that some of the branches of God's work in the Church had to suffer because they did not do their duty. Remember the admonition from God's Word: "Bear ye one another's burden, and thus fulfill the law of Christ"—the law of love and service. I have, during the year, devoted a great deal of time and effort to the ingathering of the budget. I consider that of great importance for the progress and upbuilding of the Church. We wish to express our sincere thanks to the pastors and congregations and financial secretaries of the respective circuits for their fine spirit of good-will and co-operation, and the good work done. For this year as well as for the future we urge you all who love the Lord Jesus, His Church and its work, to send in your gifts for the Lord's work as soon as possible—the sooner the better—as it saves interest money for the Church. Some of our pastors and congregations have done so, and are already on the honor roll in this respect. Let all the congregations and pastors try to reach this goal.

Women's Missionary Federation and Lutheran Daughters of the Reformation

In regard to the work of these two organizations, the Council endorses the words of our president, Dr. J. A. Aasgaard, and recommends for due consideration at our district meetings this summer:

"The Women's Missionary Federation and Lutheran Daughters of the Reformation are working energetically and faithfully. When we realize that the women of our Church, through their different organizations and aids, contributed something like $380,000.00 the past year to the budget of the Church, they are entitled to much encouragement and thankful praise and gratitude from those of us who are their representatives in making use of these funds.

"The Lutheran Daughters of the Reformation are especially interested at present in the work in Alaska and have contributed funds so that the station at Shishmaref has been opened and has begun its work.

"The Women's Missionary Federation is doing a very fine piece of work in spreading information through tracts, circulars, and pamphlets about the activities of the Church. Our congregations and pastors should be encouraged to make use of this literature. We have not made the use of literature that we should. A great many converts are made for Christian Science, Adventism, Russellism, and other sects through the use of the printed page. We must urge our people to make use of this agency in spreading and upbuilding the Kingdom of God."

Pastoral Conferences

A number of pastoral conferences have been held during the year. These conferences as a rule are very good and helpful to the pastors who attend them; because of the great distances and the expenses connected with such conferences the pastoral circuit conferences seem to be the most practical in our district. This year, however, we are entering upon a new venture in having a pastoral conference for the whole district in connection with our district convention. If this should prove to be practical and feasible, it could be continued for the future.

The Coeur d'Alene Homes

Rev. C. F. Johnson, superintendent of the Coeur d' Alene Homes, reports that regular divine services are being conducted at the homes every Sunday, besides a number of special services that have been held during the year. Devotion is being conducted every morning and evening. The health condition is excellent; only a very few deaths during the year, and very little sickness. Number of inmates last year, fifty-four; twenty-seven men and twenty-seven women. The finances of the institution are in good condition, in spite of the financial depression, and the institution is doing a blessed work. You will find a more detailed report of the Homes in the report from the executive secretary of the Board of Charities. The district presidents are not expected to report on the different institutions of the Church, as all such reports, according to the rules of the Church, are to be made by the heads of the respective departments of the Church.

Rev. J. M. Rasmussen of Lewistown, Montana, together with his wife, and Mr. and Mrs. Gus Nelson, members of his congregation, in Lewistown, who are also in the service of the Church, during the early part of this year were in an automobile accident, and were seriously hurt. We are very thankful to God, who, in an almost miraculous manner, saved their lives. They have recovered sufficiently to be in active service.

During the year I have visited seventy-one congregations, have given temporary services to a number of the vacant congregations, given ninety-eight ser-

mons and lectures, conducted forty-five installation services, besides having attended circuit meetings, a young people's convention, mission conferences, church council meetings, mission board meetings, and other meetings of various kinds pertaining to the work of the Church.

Evangelistic Work

At our last district meeting a committee of one from each circuit was elected to work out plans and try to secure the services of the regular evangelists of our Church. As far as I know the committee was not successful in securing any evangelist for this last year. The evangelists are very much in demand, and hard to secure when you want them. Application for their services should be made early. I would suggest that each circuit, at their circuit meetings, elect a committee on evangelism, to plan for such work in their respective circuits. In case you cannot secure the services of the regular evangelists of the Church, try to secure some of your own circuit pastors to assist you with special meetings.

Elections

The following elections are to take place at this convention: President, and vice-president; member of the Church Council for a term of two years, and an alternate; district secretary, for two years; district finance secretary, for a term o fone year; member on committee number six, for a term of one year; one member on Elementary Christian Education, for a term of two years; one member on District Home Mission Committee, to fill vacancy, for a term of one year; one member on the Home Mission Committee, to be elected for a term of two years; one lay member on the Home Mission Committee, to be elected for a term of two years. The term of the lay member that expires this year is that of the secretary of the mission committee, Hon. T. A. Myklebust.

Candidates for Ordination

The following theological candidates from our Seminary have accepted calls in our district, and are recommended for ordination:

Myron C. Austinson, to Chinook, Montana.
Oliver Bergeland, to Whitefish and associated congregations, Whitefish, Mont.
Julius L. Hanson, to Hogeland and Turner, Mont.
Elling Ramsey, to Hingham, Montana, and associated congregations.
Melvin E. Ranheim, to Malta, Montana, and associated congregations.
Joyce Ranum, to Opheim, Montana, and associated congregations.
Clarence J. Johnson, to Miles City, Montana.
Orval A. Schmidt, to Dillon, Montana.
These young men apply for admittance into our district.
May the Lord abundantly bless their labors!

Conclusion

I wish to thank all pastors and congregations for their great kindness, support, and co-operation in the work. I realize that there are many imperfections in my service as your district president. I covet your prayers. May the grace of the Lord Jesus Christ cover all my failings, and grant me and all of us more grace and wisdom to do the Lord's work more perfectly, to the glory of His name, and the salvation of immortal souls.

Yours in Christ,
—REV. A. M. SKINDLOV,
District President.

D) Committee Reports

1. On the President's Message

Committee No. One composed of S. S. Moen, S. G. Nelson, and L. M. Hanson was organized by electing Mr. Moen president and L. M. Hanson secretary. They submit the following resolutions:

We hereby wish to express thankfulness to our heavenly Father for His guidance and protection of our Church work.

Furthermore, we are thankful for the privilege granted unto us to be engaged in His work of administering the means of grace for the salvation of souls.

Home Missions

We are especially thankful for the splendid progress that our Home Mission work has made among us and to those who were influential in promoting its advancement. We are heartily in sympathy with our president that any reduction of our mission allowance at this time would seriously interfere with the future progress of our work.

Luther League

Being that the future of our Church is to a great extent dependent upon the young people, we should therefore, as has been said by our president, lay great stress on active young peoples' work in our Church.

National Lutheran Council

The committee endorses the work of the National Lutheran Council and recommends as far as expedient that each congregation contribute to its financial support.

Elementary Christian Education

Recognizing the fact that Elementary Christian Education is the foundation of our present and future Church, be it therefore resolved that a more intensive effort be exercised in the Christian instruction of our children.

Budget

Realizing that the Church cannot make proper progress without adequate funds, be it therefore resolved that every pastor and congregation in the district be urgently requested to raise their fair share of the budget and more if possible so that our Church work would not be curtailed.

Women's Missionary Federation and Lutheran Daughters of the Reformation

Be it resolved that we hereby express our gratitude and praise to the W. M. F. and D. of Ref. for their large contribution of $380,000 the past year to the budget of the Church.

Pastoral Conferences

We hereby heartily endorse that Pastoral Conferences be held in every Circuit of our District at least once a year where possible.

Funeral

Since it behooved the Lord to remove from our midst the beloved wife of our brother, Rev. L. M. Hanson, of Rapelje, Mont., be it resolved that this convention extend its sympathy to the bereaved family. May the Lord comfort and console them.

Since it has pleased our Heavenly Father to remove from our midst to His Heavenly Home our brother and co-worker, Rev. E. F. Carlson, be it hereby resolved that this convention extend its sympathy to his bereaved family and relatives.

Pastors Resigned

We are sorry that our ranks have been broken by the resignation of ten of our pastors who have moved to other fields of labor. We wish them God's blessing and glad too that the breach was filled with new recruits. Be it hereby resolved that we extend to them a hearty welcome of Christian Fellowship.

The Coeur d'Alene Homes

We are thankful that we have in our District the Coeur d'Alene Homes for the Aged, and heartily recommend its support.

We are thankful to our God Who in an almost miraculous manner saved the lives of Co-workers Rev. and Mrs. J. M. Rasmussen of Lewistown, Mont., and members of his congregation, Mr. and Mrs. August Nelson, who were in a very serious auto accident.

Evangelistic Work

Since the general Church makes provisions for the service of evangelists be it hereby resolved that the committee on Evangelistic work secure the services of an evangelist for our District at an early date. Be it further resolved that each circuit plan for Evangelistic work in their respective charges.

Candidates for Ordination

To the eight new candidates of our seminary who have accepted calls in our District we wish to extend a hand of fellowship. May the Lord abundantly bless their labors, for the Salvation of Souls.

Conclusion

We express our deep appreciation to the District President for his able leadership and untiring efforts for the extension of God's Kingdom.

We rejoice that our Hon. President was re-elected and join with him in his prayer that God would grant him grace to carry on the work to the glory and honor of Jesus Christ, our Savior.

RESPECTFULLY SUBMITTED BY THE COMMITTEE.

Resolutions

The Rocky Mountain District of the Norwegian Lutheran Church of America, in convention assembled in Lewistown, Montana, June 5 to 9, offer the following resolutions:

1. We thank the Triune God for His blessings, guidance and help in the past; that He has preserved and guided His Church by the means of grace, the Word and the sacraments, and defended it against its enemies.

2. We are thankful to God for the progress our district has made in the past, for the many new congregations organized, for the interest the people have manifested in the work of the Church, and the many evidences of spiritual life in the congregations and for the loyal pastors, who have given of their best, as God has led them.

3. We thank Almighty God that He so abundantly has answered the many prayers for blessings upon our convention. May these blessings be extended to all of the congregations of our district to the honor and glory of God.

4. We heartily thank the people of the city of Lewistown for their kindness and hospitality to the convention and its members. We thank the chamber of commerce for securing for our use the splendid accommodations of the Junior High School, and for other favors liberally extended.

5. Especially do we wish to thank the Burke, the Fergus, the Calvert, the Beaver, the Leland, the Empire, the Modern, and Sapphire Hotels for their unprecedented generosity in granting rooms for our use and entertainment.

6. We express our appreciation for the competent and efficient planning and managing of the convention by the president and all those who have so ably assisted him.

7. We thank Rev. H. O. Shurson of Minneapolis, Treasurer of the N. L. C. A., for his inspiring message Sunday morning and for his forceful presentation of the financial needs of the Church.

8. We express our thanks to Zion Lutheran Congregation of Lewistown for the invitation to hold the convention of the Rocky Mountain District in Lewistown. We further wish to thank the members of Zion Luheran Congregation and the Zion Lutheran Ladies' Aid for the many favors and courtesies extended directly or indirectly to the convention and its members. We extend our thanks to Mrs. John Rasmussen and the members of the cast of the pageant, "The Light of Men," for their impressive presentation to the convention. We especially wish to thank the local pastor, the Reverend John M. Rasmussen, for his untiring efforts in making our convention a success and our stay in Lewistown a pleasant one. May God's richest blessings continue to rest upon Zion Lutheran Congregation and its pastor.

9. Whereas there are two active Lutheran congregations established in Lewistown, amply able to take care of the Lutheran work in Lewistown, we as a convention deplore the attempt to organize a third Lutheran congregation in this community. Because of these facts, we as a convention respectfully request in the interest of brotherly love, and the general welfare of the Lutheran Church, that the United Lutheran Church of America leave this field to the Lutheran congregations already established.

WM. J. MADSON,
E. E. TOLLEFSON,
OLAF J. ENGH.

VIII. PACIFIC DISTRICT

A) President's Message

Dear Brethren in Christ! Grace and Peace.

We turn with gratitude in our hearts to God for the many blessings bestowed upon us and our Church, as we again assemble in convention to review in part the work of the past and deliberate upon methods and policies for the future, in order that by the grace of God His Kingdom may come, souls be ingathered, strengthened, and rooted in love for our Savior and His Church.

May I remind you of the apostle's words of commendation of the ministry. "Christ in you the hope of glory: whom we preach, warning every man and teaching every man in all wisdom; that we may present every man perfect in Christ Jesus" (Col. 1:27-28).

The economic depression so prevalent in our country and the world at large has also had its effect upon our church work. The unemployment and financial situation among our people have tended to retard progress and contributions to a certain extent.

But this depression has also had its psychological results for spiritual good. Many through losses, fears, and hardships encountered in the material world have felt more keenly their need of God and things everlasting in the midst of temporal losses and have sought the supreme need of the soul as well as consolation and Divine assurance of our Father's love and unfailing promises.

It is encouraging to note the strength and progress of our Church through such times of depression. New churches have been constructed, and several reconstructed to afford more room and better equipment, and in many places larger programs for expansion have been undertaken.

Divine services have been faithfully conducted in all our churches. The sacraments have been administered, and through the preaching of the Word hungry souls have gathered at the throne of grace for strength and comfort and assurance of eternal life through the forgiveness of sins in Christ's name. Church attendance has on an average been better and memberships have increased materially in many congregations.

A marked sympathy for and understanding of our Church and her problems have been in the ascendency.

While our contributions as a district to the synodical budget have been much below what it should be, our hopes and prayers are that with a definite knowledge and understanding of our obligations and Christian duties, both pastors and congregations will endeavor to accomplish greater results in the coming year.

As a Christian constituency, may we pray and deliberate these convention days upon the essentials whereby His Kingdom may come.

Our contact with the masses in everyday life impresses us with a sense of the world's increasing frivolity and licentiousness both in life and literature.

Nothing short of a deep spiritual change of heart and mind through the Word of God and the Divine Spirit can overcome these forces of darkness. The burden and responsibility of the thousands of baptized and confirmed Lutherans and others throughout our country, who are not affiliated with any church are a challenge to us. Jesus said: "Of those thou gavest me, I have lost none." Can we Lutherans say this?

Home Missions

The Home Mission Board has held regular meetings throughout the year. It has met in the far southern extremity of our district as well as in the northern part, so as to become acquainted with the individual church problems as they present themselves in various parts of our territory.

As home mission superintendent I have visited practically all fields supported by our Home Missions, and have made extensive surveys in several prospective city and rural fields. Care must be exercised at the present time so as to avoid overlapping and duplicating the work of other Lutheran bodies belonging to the American Lutheran Conference.

Our share of the budget allocated this district for home mission work being only about one half of what it was eight years ago, is a serious handicap in attempting more aggressive work in new fields, where support must also in many instances be given for purchasing of property and equipment to meet present day demands on the part of our people.

The past year, with the kind cooperation of mission pastors and their congregations, I have succeeded in reducing our home mission appropriations this year again to the extent of about $5,500.00 in our various mission congregations.

Budget

In 1930 our district raised 69.6 per cent of our budget. Since 1923, our average amounts raised are as follows: 1923, 74.9 per cent; 1924, 78.0 per cent; 1925, 95.3 per cent; 1926, 91.8 per cent; 1927, 73.8 per cent; 1928, 75.4 per cent; 1929, 84.2 per cent; 1930, 69.6 per cent.

The average amount raised in the past eight years is 80.4 per cent. I am led to believe that our entire apportionment can be raised in our district with earnest efforts, prayers, and consecration in our work for the Lord. There is not so much unwillingness on the part of our people, as there is lack of understanding of our problems.

Permit me also to say that I am sure our pastors little realize their important position as leaders, guides, and educators of the people pertaining to Christian activities as well as for their work in general.

We need funds to carry on the work of the Lord for the salvation of souls and for relieving the distressed and forsaken souls everywhere. May we learn to consider it a privilege as well as a duty placed at our door to "enlarge the tents of the Lord" and to bring comfort and salvation to the helpless and lost. "Let us not weary in well-doing." Great confidence is placed in our pastors as spiritual leaders, so when the needs of our Church are constantly brought to the people by them, encouraging results will be experienced.

Synodical Brotherhood

A Brotherhood has been organized within the N. L. C. A. recently, consisting of a synodical federation of men's clubs and brotherhoods in the congregations of our Synod. The object of this timely organization is to stimulate interest among the men of our Church for the Kingdom of God, and to foster an evangelical understanding of Christian stewardship and character; to promote loyalty to the home, congregation, and Synod; to work for such special objects within the Synod as may be agreed upon from time to time.

We welcome such an organization for the further mobilization of the manpower of our Synod and our local congregations for the extension of the Lutheran Church influence.

C. E. E.

The foundation of our Christian church work is centered in our homes, Sunday Schools, and parochial schools. After this, a conscientious follow-up work in the Bible classes and Y. P. L. L. organizations. The future of our Church will rest upon the faithful attention given this department of our church work. Vacation or parochial schools seem to have fallen more or less into disuse, while the Reformed churches are adopting this system more and more.

I would also plead for a faithful use of our own synodical Sunday School literature and hymn-books published and recommended by our Church. The children in our Sunday Schools should be made familiar with most of the hymns used at our regular Sunday church services.

Institutes for the training of Sunday School teachers are imperative. In practically all of our circuits such institutes and programs of instruction have been conducted in several of our congregations, besides the teachers' training courses conducted at some of our Bible conferences. More detailed emphasis as well as time for discussing this important subject matter will be given at this convention.

Y. P. L. L.

The Y. P. L. L. has conducted a commendable program of work in the district. The many circuit convention programs as well as local programs are very inspirational and conducive to the upbuilding of spirituality and character. Great blessings must by the grace of God come from such wholesome movements, endeavoring to bring the Savior closer to the hearts and lives of both young and old in our Church. The 6th International Y. P. L. L. Convention will be held in Chicago June 17-23. May the blessings of God rest upon this great convention. Let us give our young people every encouragement possible. They are the church of tomorrow.

W. M. F.

The district fully appreciates the untiring efforts of the W. M. F. This organization with its inspirational and educational programs has created a greater interest among our church people for Christian activities and understanding of our work. Their conventions, publicity work and spreading of Christian literature have done untold good towards increasing our contributions for the budget. Let us also remember the faithful and loyal support given so many of our congregations by the untiring efforts of the local aids and young people's societies. These organizations help pay church debts, the pastor's salary, install organs and equipments besides giving to charities.

The women of our Church, through the various organizations, have contributed about $380,000 to the budget for 1930. The Daughters of the Reformation have been chiefly interested in our mission work in Alaska and have contributed funds to the mission at Shishmaref, which is now in full activity. May the Lord bless the efforts of these worthy organizations.

Pacific Lutheran College

Our Christian academies and colleges are the heart and life-blood in our Church for leadership. Without them our roll of Christian workers, pastors and missionaries would be alarmingly small.

Our Pacific Lutheran College has had its adversities and moments of extreme despair. But we are at this time thankful to God for the dawn of a new day in the life and future prospects of this, the only Lutheran college in the Western states. With the creation of the American Lutheran Conference, and the hopeful prospects of cooperation with all the synods comprising it, the growth and success of this college should be assured and share in the contributions of spiritual leaders to our Church and State.

P. L. C. deserves the undivided loyalty, cooperation, and support of the entire district. The attendance at the college has been very encouraging, totalling about 300 in all departments. The spirit and moral tone of this institution both among teachers and students have been excellent. Our college president with his co-workers are tireless in their work for the upbuilding of the school.

The Book Mission

Through the efforts of the Book Mission as well as the W. M. F. excellent spiritual literature has been distributed. I would request all our pastors and congregations to make use of this literature. The literature published and sent

free of charge is not only a source of comfort to many an invalid or lonely soul, but very effective also in the spreading and upbuilding of the Kingdom of Christ.

The Lutheran Church in Russia

Our persecuted brethren in Russia need your prayers and assistance. Please do not forget the needs and sufferings of our sister church in that country.

Church Papers

We can not but deplore the fact that so few take the church papers in our district. The two larger papers, **Lutheraneren** and the **Lutheran Herald** should be indispensable as a guide and influence for good in every home in every congregation.

The situation pertaining to our local paper, **Budbareren,** or the **Messenger,** deserves your attention and support when presented at this meeting. We can not consider the abandonment of such a useful organ as this in our remote district, which has problems and interests peculiar to the Far West. It would be a tragedy, in the opinion of your president, to discontinue this paper. Means and methods for its continuance must be considered and adopted at this convention.

Necrology

During the past year the Lord has called from our Church Militant four of our veteran pastors:

Rev. A. Mikkelsen passed away at Ellensburg, Wash., on Oct. 15, '30, at the advanced age of 95½ years. Rev. Mikkelsen had served our Church both as pastor and teacher, and was the author of several tracts. Besides serving different congregations as pastor, he also held the position of president and teacher at the Lutheran Normal School at Sioux Falls, So. Dak., for several years.

Rev. O. Skattebol passed away in Aberdeen, Wash., on Oct. 30, '30, at the age of 83 years. Rev. Skattebol had served as pastor both in Norway and America for many years. He was a deep student of the Bible and greatly interested in the spiritual welfare and growth of our Church.

Rev. O. Hagoes passed away on Dec. 4, '30, at Tacoma, Wash., after several months of illness. Rev. Hagoes was a faithful and willing worker and served our Church in various capacities as pastor, field and city missionary.

Rev. O. Gronsberg passed away in San Francisco on Feb. 11, '31, where he had served as pastor and seamen's mission pastor for half a century. Our Church and district are deeply thankful to God for the gift to our Church of these men who had a vision of God and the interest of His Kingdom at heart. We hope and trust that these servants have through the merits of Jesus Christ entered into the life of glory, where all strife and sin are known no more.

Mrs. Christine Rossing, widow of the late Rev. C. O. Rossing, passed away at her home in Hoquiam, Wash., on Apr. 6, '31.

Blessed are the dead who die in the Lord.

In many other homes within our district the Grim Reaper has also exacted his toll. In many a family there has been "the cry of a Rachel who would not be comforted." We extend our sympathy to the bereaved. May the Lord bestow His Spirit of Comfort on them.

I would also suggest that resolutions of condolence be adopted at this convention.

Visitations and Inspections

During the year I have attended the various Board meetings within the district as well as in Minneapolis, have participated in circuit and mission meetings, besides officiating at festival and mission services and have visited and inspected 37 congregations.

Elections

At this meeting the election of district president, vice-pres., sec'y, member of the Church Council and two members on the Board of Home Missions will take place.

In conclusion, I wish to thank all in the district for the kind hospitality, co-operation, and support given me in this difficult and responsible work during my term of office.

I realize my many mistakes and shortcomings, and pray that the grace of Jesus may cover my many errors.

Praying always that the Lord will perfect in us the good work which hath begun until the day of Jesus Christ.

I remain your servant in Christ Jesus,
J. A. EMANUEL NAESS.

The committee organized itself by electing Rev. O. J. Ordal chairman and Rev. R. Bogstad secretary. The other members of the committee are Mr. K. B. Norswing, Mr. S. Nelson and Mr. Arthur Egtvedt.

Paragraph 1. We wish to make the following report: In the words of the Psalmist: Give thanks unto the Lord, for He is good and His mercy endureth forever, the Pacific District desires to express its gratitude to God for His manifold blessings through the past year.

Paragraph 2. The Pacific District wishes to thank very heartily the Women's Missionary Federation for their co-operation and efficient help towards raising money for the Church. We, also, wish to express our appreciation for the work done by the Young People's Luther League.

Paragraph 3. The Pacific District wishes to thank all the pastors, the congregations and individual members of the congregations for their donations towards the work of the Church. When we realize that during the year 1930 nearly $1,200,000 was collected for the work of the Church, we have reason to be thankful both to God and to the Christian people that so willingly came with their donations. On the other hand we also wish to, if possible, stimulate the interest among those who have not as yet taken any share in supporting the various activities of the Church.

Paragraph 4. The Pacific District has been asked to furnish $33,449.24 to the activities of the Church for the year 1931. This amount being allocated to the five (5) circuits of the District by the financial secretary of the District and the financial secretary and the other members of the Finance Committee of the circuit in connection with pastors and delegates from the congregations. Those who were present agreed to the distribution and each to raise their respective amounts. The thing now left to do is for each congregation to plan its work in such a way that the share alloted to each may be sent in to the General Treasury monthly or quarterly, so that the Church may save a great deal of money that is now paid out in interest on money borrowed in order to pay the monthly expenses of the Church until money comes in from the various congregations.

Paragraph 5. The Pacific District wishes to call the attention of the congregations to send in their donations prorated to the Christian Education, Home Missions, Foreign Missions, and Charities so that the money may be applied where it is most needed.

Paragraph 6. The Pacific District wishes to call the attention of ministers and delegates to this: To encourage gifts to the Church in the shape of legacies and bequests. Our Church has been a little timid in this respect and consequently a lot of money has gone to other sources, which might have been gotten for the work of the Church had our ministers and laymen been alert and on the lookout for such donations.

Paragraph 7. The Pacific District wishes to urge upon our people to give liberally and not forget activities not included in the appropriations of the Church such as the Pension Fund, Church Extension, Y. P. L. L., Lutheran World Service, Jewish Missions and other missions organized that are doing work in relieving suffering.

Pragraph 8. The Pacific District urges very strongly that every confirmed member of the District will take some share in supporting the work of the Church. They are depriving themselves of a great amount of blessing that follows with the satisfaction of having done something for the Church and the cause of God. We regret very much that there were the past year 28 congregations that did not contribute to Education, 17 that did not contribute to Home Missions, 16 that did not contribute to Foreign Missions, 18 that did not contribute to Charities, and 11 that did not contribute anything to the four activities of the Church.

Paragraph 9. The Pacific District in convention assembled wishes to put all the emphasis it possibly can on the plan that the District secretary, Circuit secretaries and Finance Committees in the circuits and congregations put forth their greatest and best efforts so that the amount allocated to each congrega tion may be collected in due time. The convention is of the opinion that there is no reason why our District should be next to the poorest in the Church body in collecting our fair share, which is less than one cent a day for the great work that the Church is doing.

Paragraph 10. The Pacific District heartily endorses the plan proposed by the trustees and the Finance Committee and the general treasurer of our Church, that the duplicate envelope system be introduced into the congregations and special committees be elected in each congregation to see to it that all confirmed members within the congregation take part in the in-gathering of the amount alloted to the congregation. It should be a matter of pride to every one in the District to go forward and not backward. Our collection to the Synodical Budget has in years past been up to 75, 85 and 95 per cent and in 1930 we fell back to less than 70 per cent. This must not be repeated. We should feel ashamed of ourselves when in the church papers we see that the black line, indicating what has come in from the Pacific District to the General Treasury in a certain period, is so short, while those of other districts are much longer. There is only one line shorter, namely, that of the Lutheran Church of Canada. The convention is of the opinion that it is not necessary that it should be so. We cannot defend our lethargy, before men or God. We are amply able to do our share. It can be done and we must do it.

Signed,
O. J. ORDAL,
S. NILSEN,
R. BOGSTAD,
ARTHUR EGTVEDT,
KNUTE B. NORSWING.

Your committee feels that more than ever we must stress our Home Mission work. We feel that at this time we are in special need of a full time Mission superintendent for our District. We earnestly recommend to this District Meeting that we make some definite provision for a full time Mission superintendent. As our Home Mission work within our District is practically at a standstill, we earnestly implore our Church to raise the allotment in order to enable us to carry on more effectively this vital part of our Church work.

Synodical Brotherhood. We concur in the President's expressions regarding Synodical Brotherhood as follows: We welcome such an organization.

We refer to the respective committees the following: The Budget, Elementary Christian Education, Y. P. L. L., and W. M. F.

Pacific Lutheran College. We thank our God for Pacific Lutheran College; for what it has accomplished, and earnestly recommend to our people to rally to its support by joining the College Development Association. This fund has already proved itself an important factor in the maintenance of our College. Let our goal be 100 per cent participation on the part of all our people by joining the Development Association, thereby securing the future of our school.

We heartily approve of the President's recommendation of the Book Mission, and exhort our Pastors and our people to make use of the same.

We also call attention to the President's expressions regarding our persecuted brethren in Russia.

We recommend our Church papers to our people and especially "The Pacific Lutheran Herald," which is the official spokesman of our District and College.

We thank God for the work of mercy done by our institutions of charity and our city missionaries. Your committee feels that in these times of economic depression this work, under God, will prove a special blessing.

(Signed) H. A. L. HJERMSTAD, Secretary.

To the President and Delegates,
Norwegian Lutheran Church, Pacific District,
In Convention Assembled,
Parkland, Wash.

Mr. President and Members of the Pacific District:

Inasmuch as the Pacific District has seen fit to elect me to the office of District President, I take this opportunity first to express to Rev. Naess, who on January first next will retire from his present office of District President, my sincere appreciation of the time and effort which you, Rev. Naess, have put forth in the discharge of your duties, and pray God's blessing be upon you in the fields of labor in which you may be found after your duties as District President have been completed.

May I repeat to this assembly the statement I made before you upon my election yesterday—"I have not sought this office, but you have sought me."

I regard my election to this office as a **call** from Almighty God. I respect the will of the majority as expressed in your vote of yesterday. Through you, delegates and pastors, the congregations of Pacific District have spoken. I find myself charged with the many responsibilities of this high office. You have given expression to an high degree of confidence in me and I regard it as the will of God that I assume on January first next, the duties of District President.

Therefore, at this time, I declare it to be my purpose to assume the office to which you have elected me. I feel confident that my present congregation will see it as the will of God that I do this.

I pledge myself, under God, to wholehearted endeavor in the advancement of God's Kingdom, I am mindful of many short-comings but have implicit trust in the Grace and Strength of God. My only purpose as District President shall be, that by His Grace as His humble servant, I may be an instrument in the Lord's hands to the end that "His Kingdom may come and His will be done on earth as it is in heaven."

As to my former synodical connection may I say with all emphasis—"You need have no fear that former synodical connections shall influence to any discrimination against fellow-pastors or congregations." I am a product of our own Seminary and pray God that I may ever be loyal to the injunctions of my Lord and Savior in dealing with my fellow-men.

I ask your prayers. No man can do anything to God's glory of himself. Under His blessing, God's Kingdom shall prosper through His children.

May God bless Pacific District.

(Signed) H. L. FOSS.

Pres. Naess greets President-Elect:

At this time, Rev. Foss, I want to congratulate you in behalf of myself and the Pacific District on your election to this office. I pray God may bless you and give you strength and guidance in your work.

I also hope that all you pastors and lay people will stand back of your president in this very trying and responsible work. The duties of a District President are very serious and strenuous.

Personally I have now served in this office for seven and a half years, and have traveled continually throughout this far-flung territory, as well as making the many annual trips back east in the interest of our church work. I have endeavored, by the Grace of God, to assist congregations and the pastors, especially when complications and dissentions have taken place. I have entered into the troubles and differences on such occasions with heartfelt sympathy, and have often lost sleep on account of disturbances which are peculiar to human beings, and where the Evil one so frequently tries to disrupt the work of God.

May God therefore bestow His grace and strength upon you in this very trying and responsible work is my sincere prayer for you and the cause of Christ.

(Signed) NAESS.

It gives me pleasure to join with the local members of the Norwegian Lutheran Church in extending you a cordial invitation to hold your 1932 convention in this city.

Los Angeles has achieved a national reputation as a convention center. We are well equipped to entertain large assemblages; every facility for the comfort and convenience of delegates and their many friends is afforded here. Further, the Olympic Games will be held in Los Angeles next year, and will provide worthwhile entertainment for convention guests.

Assuring you of our desire to co-operate in making your convention, if held here, a success and one of pleasant memories for all who attend, I remain

Yours sincerely,

(Signed) W. J. SANBORN,
Acting Mayor.

Announcements.

Session closed with singing of hymn, "On My Heart Imprint Thine Image."

Friday, June 5, 1931

Rev. H. A. Stub, "Home Mission Problems."

1. What authority have we for Home Missions? Is it a divine command

or just a development of Church life? We do not know what methods or plans were used in Old Testament times.

In New Testament we have Jesus' command, Matt. 28: "All authority, etc." "The Churches marching orders"—we have the authority, the command, the commission, the method, the ways and means, the aim and goal and the promise and assurance of success, and in Jesus Christ we have the one ideal Home Missionary.

2. The term "Home Missions" as we know it was defined and it was brought out that it is distinct and peculiar to American, and a plea was made for gathering, classifying and systematizing the church's experience in Home Mission work.

3. The importance of Home Missions was stressed. The field was surveyed showing its extent and a few statistics were given showing the astonishing numbers of unchurched in the United States.

4. Home Mission History in the Norwegian Lutheran Church was cited to show some of the problems of the past, and some present day problems were touched on. As aids to solve these problems were adduced, greater appropriations, consolidations, personal work in the kingdom, not only by pastors, but by lay people and above all faith in God, willingness to do His will and a personal prayer life.

Committee on Charities, No. 5

The Committee on Charities consisting of the following members: The Revs. A. O. Aasen, P. J. Luvaas, C. H. Norgaard, Delegates C. J. Anderson and Emil Refsland organized by electing Rev. Aasen chairman and Rev. Luvaas secretary. The committee begs to submit the following resolution for the consideration of the Pacific District of the N. L. C. A.

1. We thank God for the work of mercy which He has given us the privilege of doing through the various institutions and departments of our District and the Church at large.

2. We express our appreciation of the self-sacrificing work done by all those in charge of the administration of these institutions and departments and pray God's blessing upon them.

3. We view with gratitude the fact that many congregations have contributed toward the support of this department up to this time and we prayerfully urge a continued and increased support on the part of ALL congregations in the Pacific District.

4. In view of the existing economic depression we also call to the attention of this District the possibility of an increased demand upon the institutions of charity and mercy within the Church.

Furthermore, because of the many seaports in our District, a special demand is placed upon it for support of much needed work in meeting the demands which naturally arise in seaport towns. May God help us to see the needs and to alleviate suffering and want wherever and whenever it appears.

(Signed) A. O. AASEN, Pres.,
P. J. LUVAAS, Secy.

Saturday, June 6, 1931

Rev. O. E. Heimdahl called the meeting to order at 2:40 P. M., following the close of the P. L. C. Corporation meeting.

The Committee on the organization of a District Brotherhood reported by Rev. Theo. Hokenstad, Chairman, as follows:

Your committee on the organization of a District Brotherhood felt that it should defer its work until the general synod had taken the initial step.

Now the Brotherhood of the N. L. C. has been organized, hence the work of organizing our District Brotherhood can be carried out.

Owing to the lack of time and the poor representation of Local Brotherhoods or Men's Clubs your committee recommends that this convention authorize an organization convention to be called this fall, some time before the general Brotherhood Convention in Sioux Falls, S. D.

This convention would be arranged for by the present Brotherhood Committee if this Convention does not provide otherwise.

Report of Committee No. 4 was adopted with the inclusion in the report of a letter and greeting from the Missionaries in Madagascar and signed by Rev. K. F. Braaten. Letter follows:

Fort Dauphin, Madagascar,
March 14, 1931.

Greeting from the Missionaries in Madagascar to the District Conventions of the Norwegian Lutheran Church of America

Dear Brethren in the Lord:

Our Annual Conference requested me to convey to the District Conventions of the Mother Church our hearty greetings.

Although separated by many thousand miles of land and water we are all one—united by the strongest possible tie, our common holy faith.

Our thoughts go back to you, especially now, as you gather to review the work of the past year, and plan for the year to come. We wish you God's richest blessing and pray that His Holy Spirit may guide you throughout your deliberations so that His will may be done, His name glorified and many souls gathered into His Kingdom.

On behalf of the Daughter Church out here, we ask you to accept our heartfelt thanks for all that you by the grace of God, have been able to do for the salvation of the Malagasy.

We are here laboring on the frontiers of the Church of God. Heathenism is a terrible reality roundabout us. Satan does not yield the ground willingly, but God has "opened a door for us," and He bids us go in and possess the land. The time seems now opportune to gather these heathen tribes into the Kingdom of God. We have freedom to work unhindered everywhere. The Macedonian call, "Come over and help us," is heard even from the darkest parts of Androy where the joyful sound of the Gospel is yet unknown. Stop, listen! Permit this call to enter your soul. Look at the dark, naked, hungry forms, who have never had a chance to hear about the love of Christ, and your heart will be moved with compassion, and you will do your utmost for their salvation.

We plead with you to remember us and our work before the throne of grace. Pray for a more fervent spiritual life among our Christians, for the conversion of the heathen, for more consecrated native workers, for more missionaries, especially women workers; and also for means to carry on the work with. As the budget is altogether insufficient for any farther extension of the work, we ask you as individuals, as pastors, and as congregations to do everything in your power to have some extra money sent out, so that the neces-

sary stations and substations may be built, and workers employed to gather in the harvest.

Again we greet you in the name of our blessed Lord and Savior, Jesus Christ. On behalf of the Conference,

Yours for the salvation of the Malagasy,
K. F. BRAATEN.

Committee No. 9 reported by Rev. T. Gulhaugen. Report was adopted as read.

Committee No. 7 reported by Rev. J. Skagen. The expressions of thanks to God were adopted as read. Moved that the editor of "Pacific Lutheran Herald" first render his report before further action on report of Committee No. 7 be taken.

Mr. E. Tingelstad reported as to the management and status of "Pacific Lutheran Herald."

Motion made and seconded that the "Pacific Lutheran Herald" be turned over to the Board of Home Missions with full power to act. No vote.

Committee No. 4

Committee No. 4 on Foreign Missions, consisting of the Revs. N. J. Aadland, Orland, Calif.; J. D. Runsvold, Portland, Ore.; M. K. Hartmann, Oakland, Calif.; and Delegates J. M. O. Gudal, Los Angeles, Calif., and J. O. Gulbranson, Bellingham, Wash., organized by electing Rev. Aadland president and Rev. Hartmann secretary. The committee respectfully submits the following resolutions:

1. We express our sincere gratitude to Almighty God for His gracious guidance and His merciful protection in our work on the Foreign Mission fields. The Lord has truly revealed Himself to us as the ever faithful One. Through storms and persecutions He is ever near and when the skies have cleared, if we have remained faithful, our work shall have been strengthened and we ourselves shall have advanced unto a greater faith.

2. China. The cruel injuries and indignities inflicted upon our missionaries by banditry in China has filled our hearts with sorrow and fear. We rejoice to learn that after an imprisonment dating from Oct. 5, 1930, two of our missionaries, Miss Evanson and Rev. K. N. Tvedt have recently been released. We thank God for their release. Rev. Bert Nelson is still in the hands of the bandits. Let us with trustful hearts turn to God praying to Him that He protect our brother in his distress and grant him his freedom.

3. Seminary. Our attention has been directed to the encouraging fact that the Union Theological Seminary at Shekow is still in operation and doing a blessed work. We firmly believe that the light of God's Word will continue to show the way to many through the efforts of our Seminary in China.

4. While the Pacific District rejoices that despite the ravages of civil war and banditry and the general disturbed conditions in China our Missionaries have found an open door for the preaching of the Gospel, we sincerely deplore the fact that the missionary force in this field is at present only about one-half of what it was 4 or 5 years ago.

Our hearts are touched with the earnest requests that come to us from the few workers who are now holding the front trenches for reinforcements. We hear of important mission stations without a single white missionary and that a single lady missionary is bravely holding the fort at other stations, in these unsafe times, because of lack of workers.

5. We are furthermore deeply moved by the report that all of our returned missionaries are anxious to go back to China, where they feel God has called them to labor, and that there are dozens of well qualified young men and women who have for several years pleaded with the Board to be sent, all of whom cannot be called and sent because of lack of funds.

6. Madagascar. We thank our blessed Lord for the work that is being done in Madagascar by our Missionaries. "I have experienced a great deal of joy in my work during these months. The Kingdom of God is coming with its many blessings also in this benighted land," writes Supt. K. J. Braaten from his three months' tour of visitation. "The open door" in Madagascar is not an idle word. But while we are informed that much is being done in Madagascar we are at the same time reminded that more could be done. Self-help should be urged as much as possible both in China and in Madagascar. God is calling, God is providing. Shall we fail?

7. South Africa. Our Mission in South Africa has enjoyed a blessed year of work. The Church is steadily growing. More zeal for God's glorious Gospel is manifested day by day. We render thanks unto God for our mission activities in South Africa. Let us rally with renewed interests about the banner of our Lord.

(Signed) M. K. HARTMANN.

Now, therefore, be it resolved by this convention that we call upon every congregation and member of our district to pray more earnestly and give more liberally for the support of this important work of the Church, so that the Macedonian call of our sorely pressed brethren in the field may be heard and answered.

Committee No. 9, Elementary Christian Education

Committee, composed of Rev. H. A. Stub, Rev. L. J. Floren, Rev. Theo. Gulhaugen, Del. P. Peterson and Del. L. Langaunet organized itself by electing Rev. Gulhaugen president and Rev. Floren secretary. The committee submits the following:

1. The Pacific District of the N. L. C. A. thanks the Lord for the reviving interest in Christian Elementary Education, and for His gracious providence in blessing our Sunday schools, vacation schools, and other means of instructing our youth in the principles of the Christian religion, and that He has continued to bless this very important work in spite of our many shortcomings.

2. For a fuller understanding of the importance of this activity and information concerning the same we refer to the remarks made in this connection by Pres. Naess in his annual report to the convention, and to the report on Elementary Christian Education found in the annual report on page 179-181; also to the W. M. F. report on Christian Nurture found on page 184 of the same report.

3. (a) The Pacific District urges upon its pastors and members to acquaint

themselves with the facts in the case, namely, the importance of beginning the Christian training in the home and supplementing it as the child grown in the Sunday School, Vacation School, Church attendance and all other means at our command, so that we may fulfill the Savior's great command, "teaching them to observe all things whatsoever I have commanded you."

(b) The Pacific District urges upon its pastors and members earnest prayer and effort in this most worthy and important matter.

(c) We call the attention of our membership to the statement of our president that the vacation schools seem to have fallen more or less into disuse, and hope that this deplorable condition will soon be corrected.

(d) We urge the faithful use of our own books of instruction, synodical literature, and hymn books, that the children may become acquainted with the teachings of our Church and the hymns which are used at our services.

(e) We are gratified to note the growing interest in teachers' training classes in individual congregations, in teachers' institutes, and at Bible conferences, and urge that this training be made available to all our teachers.

(f) We commend the comprehensive and efficient work of our general board in Elementary Christian Education and express the hope that they will continue their laudable efforts in behalf of our children and youth.

Respectfully submitted,
H. A. STUB,
L. J. FLOREN, Secy.,
THEO. GULHAUGEN, Pres.,
P. PETERSON,
L. LANGAUNET.

Committee No. 2, Christian Education

Members of Committee: Revs. Jos. D. Berg, A. K. Vinje, W. J. Maakestad, Delegates E. O. Tweit and N. M. Leque organized with Rev. Berg as president and Rev. Vinje as secretary.

The Committee submits the following report:

We thank God for the rich blessings poured out upon the Educational Institutions of our Church, through which also this year an army of our youth are being sent out, under Christian training, into the battle of life with the knowledge that the Fear of the Lord is the beginning of wisdom. Especially do we thank Him for His wondrous protection, guidance and blessing upon our own Pacific Lutheran College.

We thank God for our faithful and devoted administrative officers, the consecration of unselfish teachers and for the host of loyal friends and supporters who make possible successful continuation.

We recognize with grateful appreciation the untiring and devoted labor of Dr. L. A. Vigness, retiring Executive Secretary of the Board of Education. We rejoice at the important step taken by the Board of Education in appointing a full-time secretary in the important field of Education, and we wish God's blessing upon Rev. J. C. K. Preus, now entering upon the duties of this office.

We earnestly place the matter of the ingathering for our Luther Theological Seminary Library Building, upon the hearts of our people.

We hold in grateful remembrance the faithful service and devotion to the cause of Education of the now sainted: (1) Rev. A. Mikkelson, first president of the Lutheran Normal School, now Augustana College, Sioux Falls, South Dakota. (2) Rev. O. Gronsberg, one time president of Pacific Lutheran College. (3) Rev. O. Skattebol, who in many ways has shown his interest in the cause of Christian Education.

We commend the spirit of practical Christian Co-operation of the Board, Faculty and Student body at our Pacific Lutheran College this year. We are happy to note the consistent record of growth in enrolment at our College as noted in Pres. Tingelstad's annual report.

We note with gratitude the remarkable growth of the Development Association and urge the continued support of this most valuable aid toward the successful continuation of the school.

We are happy over closer inter-synodical relationships resulting in the growing spirit of friendliness and co-operation with Pacific Lutheran College in ever widening circles.

We recognize the Educational and inspirational value of the Young People's Convention at Chicago, and the Pacific Lutheran College Choir's participation therein.

Realizing the high standards necessary for accreditation and recognition, realizing also that this is a critical period in the life of our school, we express our earnest faith and confidence in the administrative conduct of our school, and we invoke upon it the continued blessing of God, and earnestly commend it to the prayerful consideration of our people.

1. The committee recommends the establishment of a four-year Liberal Arts Course as aim, as resolution adopted by the Board of Trustees of Pacific Lutheran College on March 24, 1931, which reads as follows: "We, the committee appointed to consider the extension of the Pacific Lutheran College Liberal Arts Course as a four-year course, recommend the establishment of a four-year Liberal Arts Course as our aim. The date of establishment of same should be contingent upon the following points:

a. **Endowment.** $500,000.00 actually invested and with income from approved sources. Must be shown that college can meet a $100,000 budget.

b. **Synodical Co-operation.** This shall mean definite financial support from the constituents of the American Lutheran Conference.

c. **A satisfactory building** expansion program.

d. If above conditions are met, the third year Liberal Arts work should be offered in 1933-34, and the fourth year in 1934-35.

2. We recommend a speaker be given opportunity to present the Dormitory funding plan.

3. We wish to express our thanks to the last two graduating classes for their generosity toward the school.

4. We recommend that the same status be given our two representatives on the Inter-Synodical Committee as that enjoyed by the members of other bodies on the same committee.

Submitted,
(Signed) A. K. VINJE, Secy.

Committee No. 2 recommends the adoption of following resolutions:

1. The Pacific District of the Norwegian Lutheran Church of America, assembled in convention at Parkland, Washington, June 4th to 7th, does hereby express its appreciation of the work for co-operation in maintenance of the Pacific Lutheran College, instituted by the Board of Trustees with the Northwestern District of the American Lutheran Church and the Columbia Conference of the Swedish Augustana Synod, and recommends that they continue with said co-operative plans until a satisfactory solution is effected with all parties concerned.

2. The Pacific District of the Norwegian Lutheran Church of America does hereby express its willingness to share Ownership, Capital Investment, Administration and Control, Faculty Representation, and Financial Support in the Pacific Lutheran College with the Lutheran Synods with which the Norwegian Lutheran Church of America has altar and pulpit fellowship.

3. We heartily recommend that this co-operative work be continued by the Trustees along the plans indicated up to the present time, and request that annual reports be presented to the Pacific District of any detailed plans and arrangements which are contemplated with the Lutheran Synods, with which we have altar and pulpit fellowship.

4. Moved and seconded—that the Board of Trustees of Pacific Lutheran College be instructed to formulate possible changes in the corporation articles, so that congregations within the districts on the Pacific Coast, belonging to Synods of the American Lutheran Conference, may be represented on the Board of Trustees.

Committee No. 8

The Pension Committee, composed of Revs. P. Skartvedt, T. T. Ove, R. Overgaard, Delegates H. L. J. Dahl and T. H. Torkilson organized by electing Rev. Skartvedt as chairman and Rev. Overgaard as secretary.

Pacific District thanks God for the work of the aged pastors and pastors' wives and workers.

The committee recommends that the stipulated sum of $500.00 should be the aim sought for to be paid the servants who have spent their strength in faithful service to the Lord in His Church, and deplore the fact that out of 111 congregations in our District, apportioned $2,187.00 only 36 participated in sending $818.46 to the Pension Fund, leaving the sum of $1,368.54 unpaid from our District alone.

Owing to the present depression all over our country, we exhort upon all pastors, who are not yet members, to join the Pension Fund, and we urge the individual congregations to do their uttermost in sending in the quota asked by the Pension Fund Committee, in order to pay the $320.00 hitherto paid by the Pension Fund.

REV. SKARTVEDT, Chairman,
REV. OVERGAARD, Secretary.

Saturday Evening, June 6, 1931

Session opened with the singing of hymn "All Glory Be to God on High." Rev. Edwards read the 84th Psalm and led in prayer.

Rev. O. E. Heimdahl took the chair and called for additional reports of committees, if any. As there were no such reports the order of the day was called for.

Mr. Elliott, representative of the Lutheran Mutual Aid Society was given the floor, and explained the plan whereby would be made possible the erection of a girls' dormitory.

A vocal duet was rendered by Mrs. Ph. E. Hauge and Miss Solveig Rynning.

Dr. O. A. Tingelstad addressed the gathering on the scheduled subject, "Christian Education."

1. Christian Education is the business of all Christians at all times.
2. The progress that you can make in education in a school like Pacific Lutheran College is directly determined by what has been done before in the Christian home and congregation.
3. Christian Education requires contact with Christian personalities, even as it requires contact with Jesus Christ.

Moved and carried to adjourn. Announcements. Session adjourned at 9:15 with the singing of hymn 552, the first two and last verses and the pronouncing of the benediction by Rev. Heimdahl.

Sunday

Communion Services were held in Trinity Church at 9:30 A. M. Rev. T. O. Svare was liturgist and Rev. O. J. Edwards of Tacoma gave the Confessional address.

Divine Services were held in the College Auditorium beginning at 11 o'clock. Rev. T. O. Svare was liturgist and Rev. C. H. Norgaard of Everett preached the sermon on the text taken from Math. 16:24-27. Trinity Church Choir of Parkland favored the congregation with the rendering of the anthem, "Hold Thou My Hand." An offering was lifted for the benefit of "Pacific Lutheran Herald." The offering amounted to $75.01.

Sunday P. M.

Pacific District met for an inspirational service at 2:30 P. M. in the College

Auditorium. Hymn number 11 in the Lutheran Hymnary was sung after which Rev. H. L. Foss read the Scriptures from Romans 12 and led in prayer. Rev. N. J. Aadland presided. A vocal solo was rendered by Mrs. E. Haakenson.

Rev. M. K. Hartmann of Oakland, Calif., addressed the gathering on the subject "In the Master's Service." Hymn number 120 was sung.

Rev. J. D. Runsvold of Portland, Oregon, addressed the assembly on the subject "Present Day Problems on Our China Mission Fields."

Rev. Aadland spoke briefly as a former pastor in the China Mission Field.

Several questions were directed to Rev. Runsvold with reference to the missionaries who had been and are being held captive in China.

Committee on Resolutions reported by Rev. Edwards. Resolutions adopted by rising vote.

The convention closed with the singing of "O Tænk Naar Engang Samles Skal" and one verse of "God Be With You 'Till We Meet Again." The benediction was pronounced by Rev. Maakestad of Petersburg, Alaska.

Report of Committee No. 10 on Resolutions

The Resolutions Committee organized itself by electing Rev. O. J. Edwards chairman and Rev. Eugene W. Lee secretary. The committee submits the following resolutions:

1. That the Pacific District offers thanks to Almighty God for the many blessings bestowed on the work in the district the past year, and the progress made in the extension of the kingdom of God, for the salvation and edification of souls.

2. That the Pacific District expresses its thanks to the officers of the district for their faithful performance of their many and responsible duties in the extension of the kingdom of God and His Church. Especially do we express our thanks to the outgoing president, Rev. J. A. E. Naess, and extend to him our best wishes as he continues to serve his beloved Church. We also greet the president-elect, Rev. H. L. Foss, and wish him God's blessing and guidance as he assumes the duties as president of the Pacific District.

3. The Pacific District extends a friendly and brotherly welcome to the new pastors of the district and wishes them God's blessing and success in their work. The same wishes are extended also to the new congregations in the district.

4. That, in view of the great Home Mission opportunities within our district we urge a more intensive and aggressive Home Mission program and ask the hearty support of both laity and clergy in this important activity of our Church.

5. That whereas God in His wisdom has called from our midst the colaborers, Rev. A. Mikkelson of Ellensburg, Wash.; Rev. O. Skattebol of Aberdeen, Wash.; Rev. O. Hagoes of Tacoma, Wash.; Rev. O. Gronsberg of San Francisco, Cal., and Mrs. Christine Rossing, widow of the late Rev. C. O. Rossing of Hoquiam, Wash., we thank the Lord for the long and faithful services these pioneer workers by His grace were permitted to accomplish, as we also express our heartfelt sympathy to the bereaved and pray that God will be their stay and comfort. May God in His mercy bring consolation to all who have been visited by sickness and loss of dear ones.

6. That the convention expresses its gratitude to Trinity Lutheran Congregation and its pastor for the use of the church for its sessions, and for the extended hospitality. Also thanks to the Ladies' Aid for its services in furnishing meals.

7. That the Pacific District Convention expresses its thanks to the administration and faculty of Pacific Lutheran College for the courteous accommodations shown the visiting pastors and delegates.

A) President's Message

Brødre i Herren! Naade og fred fra Gud for fader, og Frelseren den herre Jesus Kristus vorde eder alle mangfoldig tildel!

Saa taler Herren til Israel ved profeten Esaias: Og du Israel, min tjener, Jakob, som jeg utvalgte, avkom av min ven Abraham! Du som jeg tok ved haanden og hentet fra jordens ender og kaldte fra dens ytterste kanter, og til hvem jeg sa: Du er min tjener, jeg har utvalgt dig og ikke forkastet dig! Frygt ikke, ti jeg er med dig Se dig ikke ængstelig om, ti jeg er din Gud! Jeg styrker dig og hjælper dig og holder dig oppe med min retfærds høire (Es. 41, 8—10).

Det er gripende at høre denne Herrens fortrolige tiltale til sit folk. Hvert ord aander av den dypeste kjærlighet og den inderligste fortrolighet. Min tjener, min utvalgte, avkom av min ven! Du som jeg tok ved haanden og hentet fra jordens ender og kaldte fra dens ytterste kanter. Det er som en far tar sit lille barn ved haanden og leder det frem i tryghet og sikkerhet. Og hør hvorledes han minder Israel om hvad han har talt: Du til hvem jeg sa: Du er min tjener, jeg har utvalgt dig og ikke forkastet dig! Frygt ikke, ti jeg er med dig. Se dig ikke ængstelig om, ti jeg er din Gud! Jeg styrker dig og hjælper dig og holder dig oppe med min retfærds høire. Brødre av norsk æt! Tør vi ta disse Herrens ord som om de ogsaa var talt til os? Ja, visselig. Apostelen Peter sier: Jeg skjønner i sandhet, at Gud ikke gjør forskjel paa folk; men iblandt ethvert folkeslag tar han imot den som frygter ham og gjør retfærdighet (Ap. gj. 10, 34—35). Det synes mig at Herren her taler til os som sit folk; ti vi er hans tjenere, hans utvalgte, avkom av hans venner, vore fædre, som han kaldte ut av hedenskapets mørke til sit underfulde lys. Det lys som utstraaler fra Guds ord og som lærer os at kjende den sande Gud og hans frelse. Ogsaa til os som et Guds-folk sier Herren: Du som jeg tok ved haanden og hentet fra jordens ender og kaldte fra dens ytterste kanter og til hvem jeg sa: Du er min tjener, jeg har utvalgt dig og ikke forkastet dig! Den Norsk Lutherske Kirke er kommet til Canada og staar nu her som Guds tjener. Er du villig til at tjene Herren? Er du villig til at utføre den gjerning han her har betrodd dig? Her skal du bevare det "arvegods" som "skal vor avkoms være": De dyrebare naademidler, Guds ord og sakramenter. Her skal du lære dine barn at kjende Herrens vei og hjælpe din ungdom at vandre denne vei. Her skal du gjøre den barmhjertige Samaritans gjerning og hjælpe de nødlidende, og herfra skal du sprede lys til dem som sitter i mørke og i dødens skygge og føre deres føtter paa fredens vei. Gjerningen er stor. Herren har kaldt dig til at gjøre den. Hvad svarer du? Maa det være enhvers oprigtige svar det vi ofte pleier at synge naar vi frembærer vort offer og lægger det paa Herrens alter:

"Herre! jeg hjertelig ønsker at fremme din ære,
dertil du skapte mig at jeg din tjener skal være.
Hvor er jeg sæl,
som kan med liv og med sjæl
tjene saa naadig en herre!"

Jesus har sagt: Mit aak er gavnlig og min byrde er let; men du synes at den er tung, du magter den ikke, særlig nu i disse trange tider. Men nu er det at din tro paa Gud og din troskap som hans tjener skal prøves. Lær av Jesus, han bar den tunge syndebyrde for os alle, han arbeidet sig træt og fortæret sin kraft, men han gav ikke op, han var lydig og gjorde Faderens vilje. Derfor kunde han si til Faderen: Jeg har fuldbyrdet den gjerning som du har git

mig at gjøre (Joh. 17, 4). Derfor kunde han utrope paa korset: Det er fuldbragt. Og derfor har Gud høit ophøiet ham, og skjænket ham et navn som er over alle navn. Da han segnet under byrden, under den haarde kamp i Getsemane, sendte Gud ham en engel til at styrke ham. Gud som hjalp ham vil ogsaa hjælpe dig. Hør hvad han sier: Frygt ikke, ti jeg er med dig! Se dig ikke ængstelig om, ti jeg er din Gud! Jeg styrker dig og hjælper dig og holder dig oppe med min retfærds høire. Du Norsk Lutherske Kirke i Canada. Er du ivrig for sjæles frelse, vil du gjerne være en tro tjener i Herrens tjeneste, saa be Gud om hjælp. Bli ved i bøn og paakaldelse nat og dag, bed og bli ikke træt, og du skal erfare at Gud er trofast, han skal være med dig og styrke dig og hjælpe dig og holde dig oppe med sin retfærds høire. Se ikke paa hvad du har, men betænk at Gud er rik, se ikke paa din egen ringe kraft men kom ihu at den almægtige har lovet dig hjælp. Se dig ikke ængstelig om. Du vet hvor du kan faa hjælp. Be og du skal faa, og din glæde skal bli fuldkommen. Betænk hvor vigtig det er at arbeidet blir gjort, at sjæle frelses, at Guds hus blir fyldt med glade gjester. Om du nu saar med graat, saa skal du høste med fryderop naar du kommer bærende dine kornbaand. Vi skal høste i sin tid, saafremt vi ikke gaar træt.

Saa la os i tro paa dette Guds ord hos profeten Esaias og i tillid til den hjælp Herren lover, ta fat paa vort arbeide under dette møte, behandle de saker som foreligger og fatte vore beslutninger i forvisning om at faa den hjælp Herren lover. Dertil hjælpe os Gud i naade. Amen.

Et overblik

Naar vi kaster et blik utover arbeidsmarken i det hele og store, saa vil det vi ser være os baade til glæde og bedrøvelse. I ganske mange menigheter har der været større vækkelser og mange har spurt: Hvad skal jeg gjøre for at bli frelst? O, hvilken glæde for Guds folk naar syndere vaakner op av syndesøvnen og søker frelse for sin sjæl. Dette foregaar stedse, om end mere ubemerket, der hvor et helt Guds ord, loven og evangeliet forkyndes; ti Guds ord vender ikke tomt tilbake, men utretter det Herren sender det til. Og der er glæde i himmelen naar en synder omvender sig. Maa der bli mange slike glædestunder! Men der er ogsaa det som volder bedrøvelse. Der er mange som er fiender av Kristi kors, hvis ende er fortapelse, hvis Gud er buken, og som sætter sin ære i sin skam, de som attraar de jordiske ting (Fil. 3, 18—19). Til disse maa vi si med taarer: Ak, om du dog visste paa denne din dag hvad der tjener til din fred! Denne tragten efter de jordiske ting bevirker at der er liten lyst og trang til at ta del i kirkens gjøremaal, saa Guds kirke maa føre en kummerlig tilværelse baade i den lokale menighet og i samfundet. Istedetfor at glæde sig i den tjeneste Herren betror dem, klynker og klager de over de mange krav og de tunge byrder. Indsamlingen til samfundets budget for 1930 viser klart at her er mangel paa vilje og interesse for Guds rike; ti hvor der er vilje der findes der ogsaa en vei. Men Herren har ikke forkastet os, han utrækker fremdeles sine hænder og indbyr os at komme til sig. Maa vi agte Guds langmodighet for frelse og fatte et andet sind. Fra denne almindelige oversigt vender vi os til de særlige gjøremaal og betragter dem hver for sig.

Indremissionen

I min indberetning til distriktsmøtet i Camrose 1929 nævnte jeg at vi ventet at mange missionskald vilde bli selvstændige i 1930. I denne forventning blev vi skuffet. To missionskald har dog paatat sig at lønne sin prest uten hjælp fra missionen, nemlig Donalda-kaldet og Parkside-kaldet. Herover har vi grund til at glæde os. Arbeidet er gjenoptat i Sylvan Lake-kaldet ved past. Albrekt Elle. To prester er ansatte paa nye strøk: Past. I. C. Dahl, Medstead, Sask.; og past. P. Ellingson i Peace River Block. Dermed har vi fremdeles 26 indremissionsprester paa vort missionsbudget som det sidste aar beløp sig til omkring $20,000.00. Missionssekretæren vil gi detaljert indberetning om de enkelte kald. La mig her faa minde om at det ventes av hvert missionskald at de hvert aar øker sine bidrag til prestens løn indtil de blir selvhjulpne. Det bør betragtes

som en æressak for ethvert missionskald at bli selvstændig saa snart som mulig for at arbeidere kan ansættes paa nye felter hvor markene er hvite til høsten. La os be Høstens Herre om arbeidere og midler til indhøstningen, særlig her i Canada.

Hedningemissionen

Vort folk har et varmt hjerte for hedningenes frelse. Dette kommer til syne i offervillighet, i bøn for missionærene, av hvilke flere er utgangne fra os, og i den iver som utvises for at faa stedse flere interessert i hedningemissionen. Det at vi faar besøk av vore missionærer naar de er hjemme paa ferie bidrar meget til at opflamme og vedlikeholde kjærligheten til dette arbeide som vor herre Jesus Kristus har betrodd os. Palmer Andersen med familie og Miss Ida Groseth som var med os paa vort møte i Camrose for to aar siden, er atter i virksomhet i Kina. Prof. P. B. Stolee med familie er hjemme paa ferie, og i sommer venter vi pastor og Mrs. A. Burgess hjem. (Mrs. Burgess er en søster av Prof. P. B. Stolee.) De urolige forholde i Kina og flere av vore missionærers tilfangetagelse av banditter med krav paa løsepenger har bevirket at særlig denne mission har været gjenstand for de kristnes bønner. Av de to som længst har været holdt i fangenskap, nemlig past. B. Nelson og past. Kr. N. Tvedt, er nu past. Tvedt løslatt, mens past. Nelson fremdeles er i fangenskap. Brødre og søstre, la os komme hedningemissionen ihu baade i vore bønner og med vore gaver.

Emigrantmissionen

Da Canada paa grund av den økende arbeidsløshet forleden høst blev stængt for emigration, maatte denne mission indstilles. Past. T. J. Langley, som var ansat i denne mission, antok kald til Birch Hills, Sask., og vor forbindelse med statsbanene blev ophævet. Kolonisationsarbeidet bør dog fremdeles vedlikeholdes, til hjælp og veiledning for dem som søker sig nye hjem.

Skolene

Det er med glæde og tak til Gud at vi kan berette om den gode søkning som baade Outlook College og Camrose College har hat det forløpne skoleaar, og om det gode arbeide disse skoler har utført. Næst Gud skylder vi de to be styrere, prof. K. Bergsagel og prof. C. A. Ronning, tak for deres dygtige og trofaste ledelse av disse skoler, og vil anbefale dem til vort folks paaskjønnelse derved at de sender sine unge gutter og piker til disse skoler hvor de kommer under kristelig indflydelse og faar kristelig tilsyn og pleie. Vore menigheter bør ogsaa betænke sine skoler med en aarlig understøttelse. Erkjender vi nødvendigheten av kristelige skoler for kristendommens bevarelse saa maa vi ogsaa se nødvendigheten av at støtte dem. Da bestyrelsen for Outlook College henvendte sig til menighetene med begjær om at anta en viss andel av den gjæld som hviler paa skolen, saa at gjælden kunde bli betalt, da gjorde de det som menighetenes tjenere og til menighetenes bedste for at skolen kunde bli bevaret for menighetene, som har overtat den som sin skole. Menighetene bør vel overveie denne sak og velvillig efterkomme denne ordning og bære hverandres byrder og saaledes opfylde Kristi lov. Forøvrig henvises til den indberetning fra Outlook College som skolens bestyrer vil fremlægge for møtet.

Elementary Christian Education

Vore barns undervisning i kristendomskunskap er og blir til alle tider kirkens vigtigste opgave. Jesu befaling: "Lær dem at holde alt det jeg har befalt eder," følger som en ufravikelig pligt med enhver daabshandling. Barnet "kristnes" ved daab og ved undervisning. Denne undervisning begynder som privat undervisning i hjemmet og bør ogsaa fortsættes som saadan; men den bør ogsaa foregaa som fællesundervisning sammen med alle menighetens barn i søndagsskole og i ukeskole. Det er menighetens pligt at sørge for saadan skole for sine barn "for at de kan bli ved Kristus likesom de ved daaben er indpodet i ham." Jeg skal atter minde om det hjælpefond som samfundet har hvorav menigheter, som trænger hjælp, kan faa hjælp til at betale det halve av lærerens løn. Ansøkning om hjælp fra dette fond indsendes til distriktsformanden. Dette bør opmuntre flere menigheter til at gjøre alvor av at faa religionsskole

for sine barn. Hvor det er mulig bør den halve time i "commonskolen" benyttes til religionsundervisning. Undervis den unge om den vei, han skal vandre! Ogsaa naar han blir gammel, skal han ikke vike fra den (Ordsp. 22, 6).

Barmhjertighetsvirksomheten

Bethania Gamlehjem

Hjemmet er fremdeles i Bawlf, Alberta. En passende tomt for hjemmet er tilbudt av byen Camrose og av Camrose College Corporation, men da ingen nævneværdig indsamling av de $50,000.00 som kræves til at bygge det nye hjem er gjort, saa kan vi intet sikkert love angaaende tiden for bygningens opførelse. Bestyrelsen har derfor maattet indstille forhandlingene angaaende tomt indtil videre. Paa grund av tidenes tranghet vil det neppe være mulig at samle byggefond for nærværende. Siden past. J. O. Gjøvaag sluttet som bestyrer, har Mr. John Soberg tjent som midlertidig bestyrer og past. O. B. Sanders, som bor paa hjemmet, har sørget for de gamles sjælepleie. Av aarsrapporten fremgaar at i 1930 sørget hjemmet for 27 gamle mænd og kvinder, av hvilke tre hadde frit ophold. 19 mænd og fire kvinder, tilsammen 23, var der over fra forrige aar. To mænd og to kvinder, tilsammen fire, blev indskrevne. Tre mænd og en kvinde, tilsammen fire, døde, og en mand og en kvinde blev utskrevet, saa der ved aarets utgang var 21 tilstede ved hjemmet. I det hele tat var sundhetstilstanden god. Der var syv sygdomstilfælder.

Home Finding

Siden past. Gjøvaag resignerte er ingen blit ansat i denne stilling, og vi har intet at rapportere om den sak.

Institutionsmission

Pastor J. P. Tandberg rapporterer at han har avlagt 118 besøk til 1430 personer i to hospitaler og sanatoriet i Prince Albert i 1930. Og op til den 15de mai avla han fire besøk i to hospitaler og sanatoriet i Saskatoon, til 33 personer og desuten 14 husbesøk til 19 personer sammesteds. Tilsammen 149 besøk til 1477 personer i seks institutioner. 28 blev kommunicert, fire døpte og syv jordfæstet, og en hel del læsestof blev utdelt. Past. Ingv. Husvtdet optok tjenesten i Saskatoon den 15de mai. Han har avlagt 50 besøk i to hospitaler og i sanatoriet til 267 personer, har besøkt normalskolen to ganger og universitetet to ganger, samt avlagt 65 private husbesøk. I alt sørget samfundets ni alderdomshjem for 430 gamle i aarets løp, av hvilke 123 hadde frit ophold. De otte barnehjem sørget for 790 barn. Homefinding virksomheten sørget for 654 barn, og de tre redningshjem for kvinder sørget for 225 kvinder og 275 barn. De to barnekrybber sørget for 251 barn. De to diakonissehjem har 54 søstre. Der var 10,408 patienter i de fire hospitaler. 42 trængende prester og enker efter prester fik understøttelse. 23 by- og institutions-missionærer betjente 49,052 patienter i 236 institutioner i 21 byer.

Evangelistarbeidet

Av mangel paa fornøden støtte maatte distriktets eget evangelistarbeide som distriktet paa sit møte i Camrose for to aar siden besluttet a opta, atter nedlægges. Det er vel at overveie at om en bestemmelse skal kunne gjennemføres saa maa den ogsaa sikre de nødvendige midler.

Flere av vore lægmænd har virket paa forskjellige steder til stor velsignelse. Vi ønsker at se at naadegavene i menigheten blir tat i bruk. Dersom enhver lyste paa det sted han er sat, da vilde det snart se lysere ut. Gud gi os naade dertil. La mig faa minde menighetene om nødvendigheten av at være forsigtig naar fremmede prædikanter kommer og vil holde møter, saa de ikke tar imot dem førend de forvisser sig om de er lutheranere og er enige med os i tro og bekjendelse.

"Hyrden"

"Hyrden" har nu tjent os i seks og et halvt aar som organ for vor kirke i Canada. Den er en kjær gjest i mange hjem og har mange trofaste venner som dypt vilde savne dens besøk om den skulde ophøre at komme. Da gjælden

ved dette aars begyndelse var blit saa stor at noget maatte gjøres for at faa den betalt, og ingen var at formaa til at overta bestyrelsen av bladets regnskaper, hvilket arbeide past. Kandal ikke længere saa sig istand til at overkomme, saa overtok jeg, med min datters bistand, bladets regnskapsførsel. Det viste sig at den utestaaende kontingent beløp sig til cirka $3,000.00. Omkring 1,200 brev blev sendt i februar—April, og mange har sendt ind restanse og fornyelse, endel har lovet at indsende saasnart de kan, flere har indsendt gaver, en del har opsagt bladet, og fra mange er intet svar kommet. Regnskap over bladets financielle stilling vedlægges.

Budgettet

Naar vi nævner budgettet og ser paa hvad Canada distrikt ydet til Herrens gjerning i missionsarbeidet, hjemme og i hedningeland, til kristelig undervisning ved de høiere skoler og til barmhjertighetsarbeidet, da maa vi slaa vort øie skamfuld ned. Det halve av det beløp vi hadde paatat os at samle, en halv procent av samfundets samlede budget, det var alt vi bragte. Forsaavidt som det stod til os, saa var missionsarbeidet ophørt, vore skoler stængte og mange vægtere forsvundne paa Zions murer. Maa vort folk vaakne op som ret er og vise omvendelsens værdige frugter.

Kirkeindvielser, grundstenslægninger og andre møter

Den 15de juni 1930 forrettedes grundstenslægning og kirkeindvielse i Bawlf, Alberta, past. O. R. Falkeids kald, ved formanden; den 11te august 1930 lagdes grundstenen til kirken i Vor Frelsers menighet, Hayter, Alberta, past. H. T. Egedahls kald, ved past. O. I. Odlands kald, og den 28de juni blev Vor Frelsers kirke ved Ardath, Sask., past. A. Hjortaas' kald, indvidd ved formanden. Det samlede antal av møter, visitaser og gudstjenester som formanden har overværet og holdt beløper sig til 106 i det forløpne aar. Dødsfald

Den 24de feb. 1931 blev past. O. N. T. Sørhus, Langham, Sask., hastig hjemkaldt fra arbeidet til sabbatshvilen som er tilbake for Guds folk. Denne trofaste arbeider vil bli dypt savnet, han har nedlagt et stort og tungt arbeide i Canada distrikt, han var agtet og elsket av unge og gamle. Velsignet være hans minde. Til hans efterlatte hustru og barn vil vi fa uttale vor dype sympati. Maa han som er enkers forsvarer og faderløses fader være deres hjælp og trøst.

Jeg føler trang til at faa uttale min hjertelige tak til distriktets prester og menigheter for den kjærlighet og overbærenhet de har vist mig i mit arbeide. Maa fredens Gud velsigne eder!

Eders ringe medarbeider i Guds rike,

DISTRIKTSEKRETÆRENS INDBERETNING

Til det ærede aarsmøte:

Den Norsk Lutherske Kirke i Canada bestaar for nærværende av 9 kredser. Og disse kredser bestaar igjen av mellem 250 og 300 menigheter. Disse betjenes i almindelighet av omtrent 45 prester. En menighet er uttraadt.

Sjæleantallet er mellem 14 og 15 tusen.

Konfirmerte medlemmer: 7,676.

Stemmeberettigede medlemmer: mænd, 3,259; kvinder, 1,1,139.

Antal norske gudstjenester, 2,855; antal engelske gudstjenester, 1,189.

Møter ved besøkende prædikanter, 766; møter ved lægfolk, 940.

Bønnemøter (Prayer Meetings), 350.

Kredsmøter, 28.

Døpte i aarets løp: barn tilhørende menighetsmedlemmer, 324; ikke tilhørende menighetsfolk, 330.

Nadvergjester: menighetsmedlemmer, 2,437; ikke menighetsmedlemmer, 257.

Søndagsskolebarn: undervisning i det engelske sprog, 1,904; undervisning i det norske sprog, 578.

Lærere: mænd, 111; kvinder, 252.

Kvindeforeninger, 183; medlemmer, 2,544; møter, 1,336.

Ungdomsforeninger, 67; medlemmer, 1,501; møter, 583.

I anledning det virkelige antal av aktive menigheter saa vel som andre statistiske oplysninger, vilde det være ønskelig om for eks. kredsenes formænd og sekretærer vilde være kirkens sekretär behjælpelig med dette arbeide.

Om en liten indberetning som denne vil kanske nogen si: "Det er kun tørre tal." Disse tal gjælder dog for det meste udødelige menneskesjæle. Og de er dyrebare i Guds øine.

I ærbødighet,

K. O. KANDAL, sekretær.

b) KOLONISATIONSBUREAU

Efter at være indvalgt som medlem av kirkens kolonisationsboard ved forrige aarsmøte og efter samraad med pastor T. J. Langley, daværende immigrationsprest i Winnipeg, utarbeidet jeg en arbeidsplan for fremtidig virksomhet for nævnte board med det maal for øie at frembringe et mer systematisk arbeide for om mulig at opnaa et bedre resultat. Planen blev bygget paa egne erfaringer indvundet ved fortsat assistanse i dette arbeide siden 1923, og blev derpaa indsendt til J. S. McGowan, C. N. R. Western manager, Dept. of Colonization, Winnipeg, som gav den sin bedste tilslutning for fremtidig bruk. Planen var i det hele ment som en liten hjælp, og kan naturligvis forandres efterhvert som omstændighetene maatte kræve det.

Personlig arrangement for pladser og placering av skandinaver er som følger: 1929: 14 mænd, 2 kvinder, 2 familier; 1930: 34 mænd, 3 kvinder, 4 familier; 1931: 3 mænd; op til dato: 51 mænd, 5 kvinder, 6 familier.

Av disse placeringer er omtrent to tredjedele i forbindelse med C. N. R. og er ordnet gjennem hovedkontoret i Winnipeg eller distriktskontoret i Saskatoon.

Tolv skandinaviske landsøkere er ydet assistanse. Av disse var 8 fra U. S. A. og blev veiledet efter anmodning fra C. N. R.

De nævnte familier har kjøpt eller rentet land og er bosat inden vore lutherske menigheter, hvor de har adgang til gudstjeneste og undervisning for sine barn.

Flere enkeltpersoner har slaat sig til ro i distriktet hvortil de først kom. De besøker gudstjenestene flittig, deltar i kirkelig arbeide, sangkor og andet, likesom de fører en kristelig vandel og er til stor hjælp og glæde i menigheten.

Adskillige forespørsler angaaende land o. s. v. er indløpet fra skandinaver inden provincen fra U. S. A., og enkelte fra Norge, hvilket har medført en ikke saa liten korrespondance, likesaa adskillig brevveksling med C. N. R. og telegrammer i forbindelse med arbeidet.

Der er ogsaa flere personer som er placert over igjen.

Denne gren av vor kirkelige virksomhet synes ikke endnu at være fuldt forstaat og ret paaagtet av alle; men er tiltrods herfor av stor fremtidig betydning for vor kirke, og vil vistnok komme til en raskere utvikling, naar tiden blir mer normal, især vil det komme til at vise sig i det nordlige Saskatchewan, som egner sig fortrinlig for blandet farming, og hvortil folk av den grund blir nødt til at søke hen. Hvis intet aktivt gjøres for at samle vort folk naar den beleilige tid er inde, saa skal man senere forgjæves søke at samle det spredte.

Kolonisationsarbeidet har sine vanskeligheter for dem som strir med det, men glæden over at kunne række haanden ut til landsmænd for at veilede dem til et hjem inden Guds menighet opveier det meste.

Eders i Herrens tjeneste,
A. J. GUBBERUD.

c) KOMITEINDSTILLINGER

Komite nr. 1 — Kirkesaker

Bestaaende av pastorene H. L. Urness, J. T. Borgen, J. A. Berge og delegatene S. Fengstad og N. Hustad, organiserte sig ved at vælge past. H. L. Urness til formand og past. J. A. Berge til sekretær.

1. Canada Distrikt av Den Norsk Lutherske Kirke i Amerika samlet til møte i Moose Jaw, Sask., 8—12te juli 1931, takker Gud for den fremgang som kirken har hat i det svundne aar og for den rike velsignelse vi har mottat av Guds haand. Vi er av hjertet taknemmelige for at vor Gud og mester har git os en saa rikelig anledning til at tjene ham i arbeidet for hans rikes utbredelse, opbyggelse og befæstelse i vor midte — alt til sjæles frelse.

Og vi ber at Gud fremdeles maa velsigne vort arbeide — ham til ære og os selv til gavn og glæde.

2. Vi glæder os med tak til Gud over den vækkelse som har gaat over mange av vore menigheter og ber Gud at han maa faa lov til at utgyde sin aand over Den Norsk Lutherske Kirke i Canada saa den maa vokse frem til en levende kristendom i vore menigheter.

3. Komiteen foreslaar at Punkt 7 i indstillingen fra Komite nr. 1 til distriktsmøtet i Camrose, Alta., 1929, angaaende oprettelsen av et kirkeraad for Canada Distrikt lægges paa bordet.

4. Komiteen foreslaar at skrivelsen fra prestekonferansen i Prince Albert kreds lægges paa bordet.

5. Komiteen foreslaar at formanden for Canada Distrikt av Den Norsk Lutherske Krke i Amerika i fremtiden bor i Saskatchewan.

6. Da det viser sig at en del selvstændige prestekald paa grund av uaar ikke er istand til at betale sine respektive prester nok til at opholde dem og deres familier, saa anmoder distriktet samfundets missionskomite om at yde en speciel hjælp til saadanne prester.

7. Da det viser sig at folk i visse kredser er i slik økonomisk forfatning at de maa ha hjælp av regjeringen for at leve dette aar, saa anbefaler komiteen at distdiktets aarsmøte ber Saskatchewans liquor board om at stænge alle liquor og beer stores i 1931.

8a. Vi glæder os over det arbeide som utføres av lægfolket ved Guds ords forkyndelse og religionsundervisning og ellers til støtte og hjælp for prest og menighet til sjæles frelse.

8b. Vi tilstemmer formandens uttalelse i hans indberetning saalydende:

"La mig faa minde menighetene om nødvendigheten av at være forsigtig naar fremmede prædikanter kommer og vil holde møter, saa de ikke tar imot dem førend de forvisser sig om at de er lutheranere og er enige med os i tro og bekjendelse."

9. Ianledning av pastor O. N. Sørhus' dødsfald den 24de februar 1931 takker distriktet Gud for hvad han gav past. Sørhus naade til at utføre for Canada Distrikt, og uttaler herved sin sympati med hans hustru og barn.

Komite nr. 1

Rapport nr. 2 — Barmhjertighetsarbeidet

1. Vi takker Gud for den gode aandelige saavel som økonomiske tilstand ved vort gamlehjem i Bawlf.

Likesaa uttaler vi vor tak til past. O. B. Sanders og til hr. John Soberg samt matronen Mrs. Strømsmo for det gode arbeide de hver paa sin plads har utført.

2. Ifølge beslutning fattet paa distriktets aarsmøte i Camrose, Alta., 1929, kan intet gjøres med at bygge gamlehjemmet i Camrose førend den stipulerede sum av $50,000 er indsamlet.

Som de økonomiske forhold nu er kan der ikke bli tale om at bygge. Derfor anbefales at de **nødvendige reparationer** utføres ved det nuværende hjem i Bawlf.

PAST. H. L. URNESS, formand,
PAST. J. A. BERGE, sekretær.

REPORT FROM BETHANY OLD PEOPLE'S HOME, BAWLF, ALTA.

Last fall when Rev. Gjøvaag decided to accept the position as minister at Calgary, Alta., and resigned his position at the Home, it was decided by the Board of Charities that I should take over the position as superintendent for the Bethany Old People's Home. I found that conditions at the Home were good, but our financial position was not so good. Our balance at the bank on June 30, 1928, was about $4,000, and on October 1, 1930, our balance had dwindled to practically nothing. Due to crop conditions, farmers owing us money were unable to meet their payments, and municipalities supporting some of our inmates were not able to pay. I am glad to report that we have been fortunate in securing old age pension for so many of our inmates. We have now ten people receiving $20 per month pension and five receiving $30 per month from cities and municipalities. We rejoice and thank God for helping to place the Home on a self-supporting basis.

We have received gifts of money, clothing and food from many quarters, for which we are very grateful.

We have at the present time twenty-four inmates at the home, most of whom are over 75 years old. Two are blind, and five are at the present time bed-fast and need a great deal of care. During the past year four of our people passed on to the Great Beyond.

I am glad to report that we have with us at the Home Missionary Sanders, who is doing wonderful spiritual work among the inmates. You may go to the Home practically any time, and you'll find Sanders singing and praying for some of the inmates. He is a blessing to the old people and to the Home. We are at the present time short of room at the Home, and an addition to our present building is needed. At our last board meeting it was decided to bring the matter up at the yearly meeting in Moose Jaw.

There are often obstacles in the way, but by God's help they are overcome. Every week we receive letters from pastors and others asking us to provide room for people. It is only through increased support both in prayer and material means from congregations, individuals, and ladies' aids throughout the Church in Canada that this will be made possible.

Please accept our hearty thanks and appreciation for the love and interest you have shown the Home and the ones whom the Lord has placed in our care. By your help and the help of God have we been blessed. A statement of receipts and disbursements follows.

Wishing you God's richest blessings on behalf of the Bethany Old People's Home.

JOHN SOBERG.

RAPPORT FRA KOMITE NR. 3

Skolesaker

Komite nr. 3 bestaaende av prestene Tandberg, Haaland og Langley og delegatene John Hanson og Ed Stromsrud organiserte sig ved at vælge pastor John P. Tandberg til sekretær og T. J. Langley til formand.

I. Skolene

1. Jesu sidste befaling var "at lære dem at holde hvad jeg har befalet eder." Skolesaken er ingenlunde den ringeste sak eller den mindste opgave som er git vor lutherske kirke her i Canada. Distriktet uttaler herved sin glæde

over at det i disse vanskelige tider har gaat vore skoler saa vel i det avsluttede skoleaar, og det uttaler sin tak til Gud som saa rikelig har velsignet denne gren av vort kirkearbeide.

2. Distriktet uttaler herved sin tak til skolens bestyrer, lærerpersonale og Board of Management for troskap, ottervillighet, og godt utført arbeide fra præsidenten for Saskatchewan University og provinsenes high school inspector.

3. Distriktet uttaler sin tak til skolens alumni for den elektriske klokke de har git skolen. Den har en værdi av $126.00. Likeledes uttaler den sin tak til dr. J. H. Riggels for en værdifuld tysk leksikon.

4. Distriktet uttaler sin tak til Mrs. Anne Grønlid for velutført arbeide med ordningen av overdragelsen av den at pastor J. C. Grønlid testamenterte gave av en farm nær Hatton, N. D., til Outlook.

5. Distriktet paalægger sit Board of Education at utarbeide et skolesystem for Canada distrikt, saa vore skoler kan ha klare linjer at gaa efter i sine skoleplaner.

6. Aarsmøtet beslutter at Camrose College og Outlook College betragtes som likestillede hvad bevilgninger fra samfundet angaar for høiskole grades. Naar en eller begge av disse skoler driver Junior College eller Pro-Seminar kurser, bør kirken gjøre ekstra bevilgninger for disse kurser.

7. Aarsmøtet henstiller til de menigheter som har lovet at overta en del av den gamle kjæld paa Outlook College om at anstrenge sig for snarest mulig at indsende dette beløp.

8. Aarsmøtet opmuntrer sine menigheter til aarlig at indsende hjælp til løpende utgifter for skolene i Outlook og Camrose.

INDBERETNING FRA KOMITE NR. 2

Indberetningskomite nr. 2 bestaaende av pastorene Marken, Bjelde og Wangensteen samt delegatene J. E. Marken og Ole Thorkelson, organiserte sig ved at vælge past. Bjelde til formand og past. Wangensteen til sekretær.

I. Med hensyn til indremissionen

1. Vi takker Gud for anledningen og opfordringen, samt at han anser os skikket til arbeidere i sin vingaard. Vi ber om naade og hjælp til at gjøre hans gjerning til samling av vort folk til og for ham.

2. Vi opfordrer alle vore menigheter og særlig vore menigheter i de større byer, at lægge vinn paa at arbeide henimot det maal at bli selvhjulpne.

3. Komiteen beklager meget at distriktets beslutning i Camrose med hensyn til evangelistvirksomheten blev nedlagt paa grund av mangel paa penger. La as for fremtiden være forsigtig saa vi ikke unødig saarer vore brødre i arbeidet til sjæles frelse ved ikke at opfylde distriktets løfte med hensyn til den kaldte evangelists løn.

4. Komiteen anbefaler at vi paany forsøker at opta evangelistarbeidet og ansætter en dertil prøvet og skikket mand.

6. Komiteen anbefaler at vi ved reisning gir tilkjende vor hjerteligste tak til vor indremission for den støtte og hjælp som den ogsaa dette aar gav os, og at en takkeskrivelse desangaaende blir sendt til vor kirkes eksekutive sekretær, pastor Hoel i Minneapolis.

RAPPORT FRA INDREMISSIONSKOMITEEN FOR CANADA DISTRIKT TIL DISTRIKTSMØTET I MOOSE JAW, SASK., DEN 8—12te JULI 1931

Da formanden i sin indberetning allerede har behandlet indremissionen er der ikke meget igjen for mig at nævne. Jeg vil bare faa minde os alle om et Gudsord som vi finder i Matt. 25, 21: "Hans herre sa til ham: Vel du gode og tro tjener; du har været tro over litet, jeg vil sætte dig over meget; gaa ind til din herres glæde!"

Hvem var det som fik høre disse herlige ord? Jo, det var han som hadde faat renter av de talenter der var betrodd ham, og som bragte baade talentene og rentene til sin herre, hvem han skyldte regnskap.

Dette er en vigtig og alvorlig sak baade for kirken som en helhet og for den enkelte kristne. Der kommer en regnskapsdag. Derfor gjælder det at ha regnskapet i orden, ellers kommer vi tilkort. Vi er jo bare husholdere over Guds gaver. Alt vi har er betrodd gods, som Herren en dag vil kræve os til regnskap for. "Hvad har du, som du ikke har faat av Gud?" sier Paulus.

Kanske nogen av os synes som han der kun fik en talent, at det var saa litet vi har faat, at det ikke nytter at forsøke paa at tjene renter med det. La mig faa si, at alt som er os betrodd er stort, fordi det kræver troskap — fordi det er git os av Gud.

Hvad vil Gud at vi skal bruke hans gaver til? Vi faar ikke renter uten at vi bruker det betrodde gods, og bruker det saaledes som Gud vil, ærevne av kjærlighetens aand. Gud vil at vi skal bruke hans timelige og aandelige gaver i arbeidet for sjæles frelse og hans rikes fremgang. Først gjælder det vor egen sjæl, dernæst den store aker som kaldes verden. Der er meget at gjøre. Missionsmarken i Canada er stor. Dørene er aapne for os. Gud vil at vi skal bringe hans frelses evangelium videre ut. Lyset skal flyttes længere og længere frem i mørket. Og de timelige skatter som Gud har betrodd os, skal brukes i dette arbeide. Gud kræver det.

Hvorledes staar det til med vor troskap?

Vi takker Gud for de store og rike gaver han har git os i den lutherske kirke; men la os ogsaa huske at der følger stort ansvar med store gaver. Skal taknemmeligheten være av rette art, maa den bære frugt i taknemmelig handling. Men vi staar desværre ofte tilskamme overfor andre kirkeavdelinger med hensyn til missionsarbeidet i Canada. "The United Church of Canada" for eks. bruker 65 procent av sit budget for indremissionen og 26 procent for hedningemissionen. Hos os synes det at være omtrent motsat, ialfald hvad Canada angaar. Jeg har med bedrøvelse lagt merke til at enkelte menigheter, ialfald øder over dobbelt saa meget til heduingemissionen som de gjør til indremissionen. Det er ikke rettærdig fordeling. Canada er hovedsakelig en indremissionsmark, derfor bør hver menighet føle det som en hellig pligt, først og fremst at sørge for at der blir nok til at drive dette arbeide med. Og kun ved at drive et kraftig indremissionsarbeide vil det lykkes at drive hedningemissionen fremad. Vi burde oprette flere nye missionskald iaar. Mens vi venter av mangel paa midler, gaar sektene og de reformerte kirkesamfund ind og optar pladsen. Vi kan ikke undres paa om vort folk slutter sig til disse, naar de ser at vi intet kan eller vil gjøre for dem.

Vore missionsprester gjør sin gjerning i troskap og sliter ofte over kræftene, men vi kan ikke vente store resultater, saa længe de maa ha en saa vidstrakt arbeidsmark som de fleste har. Flere av disse kald bør deles, men midlene strækker ikke til. Nogen faa kald har forhøiet sin andel av prestelønnen dette aar, men paa grund av det finansielle tryk som vi lever under just nu bør de fleste kald be om mere støtte fra missionen. Istedet for at yde denne ekstra støtte som bedes om, har missionskomiteen maattet underrette dem om at de selv maa forhøie sin andel. Dette hemmer indremissionsarbeidet. Ved Sylvan Lake, Alta., hvor arbeidet hadde været nedlagt et aars tid, blev det igjen optat sidste aar. Et nyt kald blev oprettet ved Medstead, Sask., past. P. Ellingson har det sidste aar arbeidet i et vidstrakt strøk i Peace River, Alta. En prest til bør ansættes der snarest mulig. Port Arthur kaldet er igjen blit overtat av Nordre Minnesota distrikt. Et kald underrettet komiteen om at det fra 1ste juli 1930 vilde forsøke at greie sig selv uten hjælp fra missionen, nemlig Parkside kaldet. Donalda kaldet har ogsaa ordnet sig slik at det nu kan greie sig uten hjælp fra missionen. Det er komiteens haab at flere vil følge disse kalds eksempel.

La os ikke se paa vort indremissionsarbeide som en pligt. La os ikke være trælbundne i arbeidet. Det hemmer. Det er et herlig privilegium Gud har git os. La os derfor være med i arbeidet med helt hjerte, uten hensyn til

hvad det koster. Paa regnskapsdagen skal vi da faa høre disse herlige ord av Herrens mund: "Vel, du gode og tro tjener! du har været tro over litet, jeg vil sætte dig over meget; gaa ind til din herres glæde!"

Eders for indremissionen,

A. K. ODLAND, sekretær.

HEDNINGEMISSIONEN

1. Canada distrikt uttaler sin tak til Gud for det arbeide som er utført paa hedningemissionsmarken i det forløpne aar, og for den troskap som arbeiderne under stor trængsel har utført. Særlig vil vi nævne missionærene Nelson og Tvedt, som har været i fangenskap saa længe. Vi glæder os over de fangne missionærers løsladelse; men da missionær Bert. Nelson, saavidt vi vet, endnu er i banditternes hænder, opfordrer vi vor kirkes missionsvenner til inderlig forbøn for hans løsladelse.

2. Da vore missioner, baade hedningemissionen og indremissionen, er blit hindret betydelig i sit arbeide paa grund av beskjærelse av budgettet, vil vi opfordre vore menighetsfolk til ved mere rikelig offervillighet at støtte denne store og velsignelsesrike gjerning i Guds rikes arbeide paa jord.

FINANSENE

1. Naar man tar i betragtning forholdene i Canada og andre steder i samfundet for aaret 1930, saa takker vi Gud at der kom ind nok sidste aar saa alle missionsprester fik sin løn.

2. Da forholdene iaar synes at være vanskeligere end ifjor, opmuntres de menigheter som Gud velsigner med større utbytte av sine hænders gjerninger til om mulig at gi mer end de er budgettert for og saaledes være med at bære hverandres byrder.

3. Paa grund av disse trange tider paa det financielle omraade anbefaler aarsmøtet streng økonomi i alle brancher hvor lønningene utredes av budgettet.

DISTRICT FINANCE COMMITTEE

Meeting Oct. 9th at Grey Court Hotel, Saskatoon, Sask.

A meeting of the district president and district financial secretary, together with the circuit financial secretaries, was held at Grey Court Hotel, Oct. 9th, 1930, at 9 a. m.

The meeting was opened with devotion conducted by President Akre.

The following were present: District President Akre, District Financial Secretary Borgen; Circuit Financial Secretaries: Rev. Mr. Dahl, Prince Albert Circuit; Rev. Mr. Berge, Saskatoon Circuit; Mr. Solberg, Swift Current Circuit; Mr. Flotre, Yorkton Circuit; Mr. Loveseth, Camrose Circuit.

Rev. J. J. Akre was elected chairman and Rev. Mr. Borgen secretary.

Rev. Borgen explained the purpose of the meeting, namely, the allocation of the 1931 budget to the various circuits.

The 1931 budget was then taken up for discussion.

In view of the fact that a congregation has withdrawn from the Saskatoon Circuit, a motion was carried that the $70.00 allotted to this congregation be divided among the 9 circuits of the district.

Moved and seconded that $20.00 be added to the 1930 apportionment of each circuit, which shall be the amount allotted to each circuit for 1931 as follows:

Camrose	$ 2,750.00	Provost	1,242.00
Manitoba	360.00	Saskatoon	1,126.00
Medicine Hat	556.00	Swift Current	968.00
Moose Jaw	1,664.00	Yorkton	1,790.00
Prince Albert	1,120.00		
		Total	$11,576.00

Budget voted for Canada District, $11,575.41.

Motion duly carried that this allocation be applied also to the 1932 budget.

Resolved that each financial secretary make an effort to get all the circuits to arrange for a mission sermon at all circuit meetings.

Meeting adjourned.

The Lord's Prayer was prayed in unison.

J. T. BORGEN, Secretary.

"HYRDEN" — PUBLICATIONS

1. Aarsmøtet uttaler sin tak til redaktøren for den interesse han har fremvist ved at fortsætte som redaktør naar hans løn ikke har været betalt.

2. Likeledes uttaler det sin tak til formand Akre for det arbeide han har gjort ved indsamling av gammel gjæld og ved indsamling av nye abonnenter.

3. Aarsmøtet ser med bedrøvelse at "Hyrden" ikke længer kan fortsætte under de kaar som den nu er i. Den kan ikke fortsætte med at stifte mere gjæld. Derfor maa noget andet forsøkes.

4. Aarsmøtet anbefaler at man forsøker at utgi "Hyrden" i bladformat og at der gjøres et forsøk paa at faa nok avertissementer til at holde bladet gaaende.

6. Aarsmøtet anbefaler at formand Aasgaards inberetning til vort aarsmøte

trykkes av bokmissionen og utdeles efter dens regler. Det paalægges distriktsformanden at sørge for at faa dette gjort, og hvis dette ikke er mulig, paa anden maate lægge det frem for offentligheten.

5. Aarsmøtet henstiller til bestyrelsen for "Hyrden" om mulig at faa redaktionen og forretningen for "Hyrden" utført av en missionsprest i et mindre kald, slik at dette betragtes som en del av hans arbeide og dækkes av hans løn.

T. J. LANGLEY, formand,
JOHN P. TANDBERG, sekretær.

Dersom en i hver menighet vilde paata sig at indsamle og indsende bladpenger, saa vilde det være en stor hjælp, og dersom enhver vilde indsende fornyelse naar subskriptionen utløper, saa vilde det være en let sak at fortsætte uten at komme i større underbalance, især dersom abonnentlisten kunde forøkes med omkring 300 abonnenter.

Augsburg Publishing House har vist stor overbærenhet med os, og det samme maa sies om redaktøren og bestyreren for bladet, past. Kandal, men noget maa gjøres for at komme ut av vor nuværende vanskelige stilling. Un-

As we include the expenses of the W. M. F. and the two bureaus under this department, we must include also what they have received from the church for their work.

During the first three years, designated by lead A, B, and C, the prorating for administration expenses had not been introduced. Then the expenses of Administration were listed as "Samfunds Kasse."

B. Report from Board

To the District Conventions of the Norwegian Lutheran Church of America:

"Whosoever shall call upon the name of the Lord shall be saved." (Rom. 10:13.)

In the final analysis there is only one solution for the troubles of humanity. The apostle in these passages sets forth this secret in the expression, "Call upon the name of the Lord." Did all men practice this mode of soul-life, the world would be a much more happy place in which to live.

It is the office of the Church to impress this message upon men. It must proclaim the Gospel to lost sinners. This is done in various ways. The particular manner of this promulgation that concerns us here is that which utilizes education in its way of approach. In these times, when education has become so great a factor in the life of mankind, the Church can not without suffering damage, neglect so important an instrument. It must through elementary training instil into the minds of its children the fundamental truths of the Gospel; it must through higher schools equip men with qualifications to go out to an educated world with the message of salvation.

Our educational institutions have also this year labored faithfully and loyally to fulfill their purpose in the service of the Church and the Kingdom of Christ. It is saying only what informed people fully know when we state that the finances in our educational work have been inadequate to meet the increasing requirements. We should appreciate the self-sacrificing service of the men and women who labor in our various institutions. Regardless of many hardships they have continued planting the good spiritual seed in the lives of boys and girls, of young men and women.

It is in order here to appeal to all the people of our Church to give serious and prayerful thought to the problems that confront us in these times.

Luther Seminary

On the sixteenth day of October, 1930, occurred the installation of Dr. T. F. Gullixson as president of Luther Theological Seminary. It is the hope and prayer of the Board as surely it is of all the Christian people in our Church that the Lord of the Church will bestow His blessings in large measure upon the new president and upon the institution under his administration.

On the same date, as a matter of course, Dr. M. O. Bøckman retired from the presidency of the Seminary. For a period of forty-four years he had served the Church as professor of theology and still continues in this office. Of this period he served as president for thirty-seven years. It is superfluous here to say that by his diligence, his learning, his earnest spirituality, his loyal confessionalism, he has in this period profoundly influenced the ministry and the Church. May the Lord give him strength to add yet further to his great contribution.

Luther College

Luther College will next October celebrate its seventieth anniversary. The entire Church will rejoice with the institution in the festivities that will mark this occasion. When we look back over the seventy years that have passed, think of the interest, the sacrifices, the prayers, and hopes of the fathers and mothers who toiled in that day, think of the harvests of blessings that succeeding generations have reaped from their labors—what an inspiration it should

give us to renew our own efforts for the further strengthening of the cause so well begun by them.

St. Olaf College

St. Olaf College has had a good year. In regard to the various features of the work the reader will find information in the report of the president on another page. May we call particular attention to the paragraph under the caption, "The Liberal Arts Colleges." It suggests problems that will require the best thoughts of our people.

Concordia and Augustana Colleges

Concordia and Augustana Colleges have both had large attendance and have had successful years. The reports of the presidents will be found on other pages of this book.

Concordia College will this year celebrate its fortieth anniversary. While this institution is younger than Luther College, what was said above in connection with its seventieth anniversary will apply also in the case of Concordia, only as a matter of course adjusted to a period not so long.

Red Wing Seminary

Red Wing Seminary has had trying times. The attendance has been small. In this respect it shares the experience of most of our secondary schools. The situation at the Seminary has been such for the past year that its continued existence has been problematic. The financial situation is the factor that menaces our secondary schools.

The Board held out in its hopes to find ways and means to continue work at Red Wing. When, however, the University of Minnesota withdrew its accreditation, it became plain that the Junior college department was annihilated. After such a blow the Board found the situation practically hopeless. The cost of operating the school is approximately $30,000. The only money definitely in sight was the $10,000 appropriated by the Church. Income from students in the case of a non-accredited school was considered very uncertain. The Board finally on May 1, 1931, adopted the following preambles and resolutions:

Whereas, (1) according to the auditor's report of August 31, 1930, the current liabilities of Red Wing Seminary were at that date $63,429.87; and

(2) The indications are that the financial operations of the Seminary for the current year will leave a considerable deficit at the end of the year; and

(3) The attendance at the school has become inadequate for the successful maintenance of such an institution; and

(4) The authorities of the University of Minnesota have withdrawn accreditation from the Junior college; therefore be it

Resolved, (1) that the Board of Education, under these circumstances, consider it inexpedient to assume the risk of electing teachers and otherwise incurring for the Church financial obligations to an indefinite extent beyond the limit of the finances authorized by the Church; and

(2) That in consideration of the whole situation—including both the general educational status of our time and the special situation in regard to Red Wing Seminary—it is the sense of the Board that the wise thing to do under the circumstances would be to suspend operation until the general convention of the Church in 1932 could have opportunity to take final action; but

(3) That inasmuch as the Seminary has a large body of interested friends and supporters who earnestly desire its continuance, the Board submits, and it hereby does submit, to the administration of the school the proposition that it make an appeal to the friends of the school for a fund of $10,000 to help in maintaining the school through the year 1931-32. If this amount can be raised and if the Commercial Club of Red Wing will supply in full the amount due under the contract up to the end of this school year—approximately $7,000—by the 15th day of July, 1931, the Board will in that case and at that time proceed to arrange for the operation of the school in 1931-32; but

(4) That in case these amounts can not be provided on or before the above stipulated date, the Board will find it necessary to suspend operation at the school, and, to take effect in the event of such conditions, it hereby does suspend the said operation, for the year 1931-32 and will submit the whole matter to the church convention in 1932 for final adjustment.

These resolutions were submitted to the administration and to a meeting held at the Seminary on May 5, 1931.

The Board desires here to express its appreciation of the very efficient way in which the local affairs of the school have been administered under the trying circumstances that have obtained during the year.

Madison Normal School

The general convention in 1930, on request presented through the Board from the constituency of our Madison Lutheran Normal School, passed a resolution authorizing the Board of Education at its discretion to initiate Junior college work at the school in the fall of 1931. After much deliberation and after a conference of a committee of the Board with a group of representative people at Madison the conclusion was reached that it is inadvisable to undertake such an expansion at this time.

Our Subsidized Secondary Schools

The following secondary schools, not owned by, but loyal to, the Church, have been in operation during the past year: Augustana Academy, Camrose College, Central Wisconsin College, Clifton College, Gale College, Outlook College, Pacific Lutheran College, Park Region Luther College, Pleasant View Luther College, Waldorf College.

These institutions have done a blessed work in giving their boys and girls an educational training under the influence of the Christian faith. In the course of their history they have projected a mighty influence for Christian life into the Church and are doing so today.

Full-Time Executive Secretary

For several years the Board has endeavored to get along with the secretarial service of a man who had a man's full-time work in another position. It has become increasingly clear that the multiplied difficulties connected with our educational problems make it imperative upon the Board to employ some competent man who can devote his entire time to this vital cause in our Church. The Board has accordingly called the Reverend J. C. K. Preus to this office. He has accepted the call and is preparing to enter upon his work about the first of July this summer. The Board bespeaks for him the cordial cooperation of all our people and above all prays that God may give him wisdom and guidance in his difficult mission.

To the Board of Education of the Norwegian Lutheran Church of America:
Esteemed Sirs:

The present school year at Luther Theological Seminary, extending from September 8th, 1930, to May 25th, 1931, has been one blessed by general good health among faculty members and students alike. Three or four student cases requiring surgical treatment came through nicely.

An overshadowing event of the school year was the conclusion of Dr. Bøckman's long term of service as Seminary President, from 1893 to October, 1930. To few men is given so important a ministry and so long. As professor of New Testament Dr. Bøckman is at the Seminary each school day. His presence is an inspiration to faculty and students alike.

The following resolutions were adopted by the faculty:

"Mindful of the fact that our retiring president, Dr. M. O. Bøckman, has been in continuous service as Seminary President since the year 1893, when he became President of the Seminary of the United Norwegian Lutheran Church, and that this long and distinguished career as President of Luther Theological Seminary and one of its constituent institutions came to a close on October 16, 1930;

"Therefore, the Faculty of Luther Theological Seminary, desire, individually and collectively, on this occasion to pay their tribute to their retiring head and leader and express to him their sincere appreciation of the services which, as incumbent of this high and responsible position, he has so well and faithfully rendered throughout all these years both to this institution and the Church which has established and maintained it, wishing for him a rich and abundant measure of God's grace and blessing on the days of life which God may yet vouchsafe him and the services he may still be permitted to render the Church.

"Be it further resolved, that a copy of these resolutions be fittingly engrossed and presented to Dr. Bøckman, and that copies thereof be sent to the secretaries of the Church Council and the Board of Education.

Faced with a task altogether new and with the added responsibility of the building project, the undersigned acknowledges with thanks the kindness of Doctor Brandt in yielding the Sabbatical year which according to the rule prevailing should now have been his.

Dr. C. J. Sødergren of the Lutheran Bible Institute has conducted this year also a special English Bible course.

Dr. H. A. Preus of Our Savior's Church, Minneapolis, directed the course in chanting for the Seniors, and Mr. O. J. Skrukrud, a Senior student, the course in elementary Greek.

Dr. Adolf Hult of Augustana Theological Seminary, was guest of the Seminary on February 12th, delivering an address on the theme "Awaiting Dawn."

Many opportunities for contact with the Church and its work have been available to the students. Numerous addresses by visiting speakers on invitation from the student's theological society have been given touching principle and practice in church work.

Numbers of the students have regularly assisted in city mission, welfare work, and hospital visitation. Sunday school work is a regular assignment during the first two years at the Seminary.

The Glee Club on its annual tour brought us into touch with several parishes in Minnesota and Iowa.

By decision of the joint committee from the Board of Trustees and the Seminary Faculty, I have been designated director of in-gathering for the new building. This will of necessity severely intrude upon the work of administration and instruction. I wish to acknowledge a debt of gratitude for the fine courtesy and cooperation which has met me in this my new and so important office.

The Lord bless and abundantly use Luther Theological Seminary for His glory and His Kingdom.

—T. F. GULLIXSON, President.

LUTHER COLLEGE

To the Board of Education of the Norwegian Lutheran Church of America:

Attendance

The attendance at Luther College this year is 345, distributed by classes as follows: Seniors, 69; Juniors, 63; Sophomores, 79; Freshmen, 131; Special graduate students, 3.

The Health of the Students

In the main, the health of the students has been good, except that there have been an unusual number of operations for appendicitis—eleven in all. In the case of Mr. Arthur Harstad, who was a son of Prof. George Harstad, Fairfax, Minnesota, and a member of the Freshman class, the result was fatal. Arthur had chronic appendicitis, but seemed to be out of danger, when his case suddenly became aggravated and an emergency operation was necessary. Although serious illness and fatal results will at times occur in spite of all that human aid can do, it is a great satisfaction to us to know that the students have splendid medical and hospital service and are under the constant observation of a very efficient registered nurse, who enjoys the students' confidence and good will.

The Faculty

It is very important to have a good faculty, a fact so obvious that it need not be stated. I think that we are very fortunate in the faculty that we have at Luther College. Advanced academic degrees are not the only criterion by which to judge a faculty, but they are not to be disregarded. Five members of the faculty now have the Ph. D. degree, one has a Th. D. degree, and one has a D. Sc. degree. Of the men who have these degrees, two, Prof. Carl W. Strom and Prof. Chellis N. Evanson, secured them last year while absent on leave studying, the former in mathematics at the University of Illinois, the latter in history at the University of Iowa. Prof. William L. Strunk, who also had been absent on leave studying at the University of Michigan, secured the D. Sc. degree in biology. Prof. Orlando W. Qualley, who is studying at the University of Michigan, will quite certainly get a Ph. D. in Greek before he returns in the fall, and at the end of another year it is probable that three other members of the faculty, who will have been absent studying on leave, will secure the Ph. D. degree, namely: Prof. Olaf M. Jordahl, who is studying physics at the University of Wisconsin; Prof. H. Fred Swansen, who will study history at the University of Iowa; and Prof. H. O. Talle, who will study economics at the University of Chicago. The eagerness with which members of the faculty use every opportunity to improve themselves for the positions that they hold at the college is very commendable. In this connection, it should also be observed that last summer twelve of the younger members of the faculty devoted their time to graduate work, one at the University of Illinois, two at the University of Michigan, four at the University of Chicago, and five at the University of Iowa, all at their own expense. Besides Professors Talle and Swansen, who, as I have already stated, will be absent studying next year, Prof. Oscar M. Lomen, our registrar, will devote a year to graduate study in the field pertaining to his work at the college, and Prof. Oscar Nybakken, who has assisted in Latin this year, will continue his studies at the University of Iowa. Dr. O. M. Norlie, who was to have returned to Luther next fall, has requested that his return be postponed one year, and this request has been granted. Mr. Charles Norby, who will get his Master's degree at the University of Iowa this spring or summer, will fill the vacancy caused by Doctor Norlie's temporary absence.

Dr. Ottar Tinglum, professor of sociology, has written a Norwegian grammar for use in American schools. The publication of it is being financed by Maj. S. J. Arneson, editor of "Nordisk Tidende," Brooklyn, N. Y., and the press work is being done by Lutheran Publishing House in Decorah.

Dr. K. Gjerset's forthcoming volume on "Norwegian Sailors on the Eastern Seaboard" will soon be ready for the press and will be published by the Norwegian-American Historical Association.

Alumni Doing Graduate Work

One test of the quality of work done by the students at college is the impression they make if they enter upon graduate or professional study at well known universities. At present, seven Luther alumni are pursuing graduate work with the aid of assistantships, and three have been promised assistantships for next year, two have fellowships, and one has been granted a fellowship for next year, four have scholarships, and one has been promised a scholarship for next year, one has an instructorship promised for next year. The universities concerned are Iowa, Illinois, Pittsburgh, Northwestern, Wisconsin, Colorado, Nebraska, Michigan, and Minnesota. The aid extended varies in amount extending up to $1,800 a year. To be sure, in most instances those who receive aid are expected to give some of their time to the university in return, but the primary purpose of the aid is to enable the recipient to engage in graduate study.

Quite in a class by himself in this respect is Prof. B. J. Hovde, Ph. D., member of the faculty of Pittsburgh University, who was graduated from Luther College in 1916. He holds a Guggenheim Fellowship, yielding $2,500.00 a year, for research study in Europe in the field of history. Mr. Hovde has a contract with Alfred Knopf Publishing Company to write a history of the Scandinavian countries. He is a member of the faculty of the University of Pittsburgh.

Students of Theology

Of primary importance is the fact that every year some of the graduates of the college take up the study of theology. Last year the number was eleven, the year before it was twenty-two. What it will be this year is not definitely known, but it is certain that some of our graduates will enter the Seminary in the fall. It is also very probable that the press of financial circumstances will cause some to postpone taking up the study of theology until they can pay debts incurred while attending college.

Financial Difficulties of Students

The financial depression through which we are passing affects the college in various ways. Quite a number of students have difficulty in securing funds to pay their college dues and otherwise meet their financial obligations. To help such students adjust their affairs has been a pressing and difficult problem. To turn all students away who can not pay their dues promptly seems to be out of the question. But to know to what extent students should be extended credit is a problem that is no less difficult. We have struggled with the problem to the best of our ability. The college budget is based on the idea that all students will pay their dues promptly. When a considerable number are unable to do this, it creates a problem of which little account is taken in attempting to forecast what funds will be available for meeting the current financial obligations of the college.

Luther College Chorus

The Luther College Chorus, which is now a well established organization at the college, under the directorship of Prof. Theodore Nickel, who holds a diploma from the famous Conservatory of Music at Leipzig, Germany, will take a somewhat extended tour at the close of the school year, including concerts at the district meetings of our Church to be held in Sioux Falls, Mankato, and La Crosse, and concluding with a concert at the International Young People's Luther League Convention in Chicago June 17–21. While the chorus has come

somewhat to the fore the last two years, the widely known Luther College Concert Band and the Luther College Orchestra, both under the directorship of Prof. Carlo A. Sperati, are kept at the high standard that they have maintained for over a quarter of a century. Quite a number of Professor Sperati's former students now hold important positions as band and orchestra leaders in prominent high schools, and the success that they have achieved is reflected in inquiries that we receive for candidates for such positions.

Practice Teaching

A feature of the work in the education department of the college is the arrangement that has been made with the Decorah High School to give our students who are planning to teach an opportunity to do practical teaching. A splendid system of cooperation between the college and Decorah High School to provide practice teaching for students at the college has been worked out by Prof. L. A. Moe. It has now been in operation for nearly three years, and enables our students to go into high school work with the assurance that they know what to do and how to do it in the most approved manner.

Seventieth Anniversary

Next fall Luther College will celebrate its seventieth anniversary. It is the first institution of higher education among Norwegian Lutherans in this country to celebrate three score years and ten of service to church and state and people of Norwegian extraction in the United States. The anniversary falls on the fourteenth of October, but in order that there may be a Sunday for church services in connection with the anniversary exercises, and an opportunity given as many people as possible to be present, the dates chosen for the festivities are Friday, Saturday, and Sunday, October 16th, 17th, and 18th. Dr. J. A. Aasgaard, president of our Church, will be the principal speaker of the occasion, and all together an attempt will be made to prepare as festive and appropriate a program for the occasion as possible. Details will be published in due season after school opens in the fall.

Seventieth Anniversary Gift

Birthdays are often remembered with appropriate gifts. This has suggested the idea that a gift be raised and be presented to the college on its seventieth birthday. Graduates and other former students of the college are attempting to raise a gift of $70,000.00. The students of the college have also decided to do what they can to raise a gift for the occasion. The women friends of the Church have effected an organization whose purpose is to secure contributions to a gift for the college. People in the Decorah Circuit have been solicited, or will be solicited, for contributions to the gift. And the Chamber of Commerce of Decorah has also undertaken to raise an appropriate gift.

The reason for laying stress on a seventieth anniversary gift is the fact that the "deflation," which began ten years ago, followed by the present financial "depression," has seriously affected the income of the college, so that funds must be provided, in addition to the funds that are received from the regular sources, to meet the financial obligations of the college.

The endowment raised in 1911, which ten years ago yielded more than $14,000.00 a year, has since then yielded less and less, until in 1930 no income whatever was received from it. It is still intact and will again produce funds for the college, but at present it leaves the college without sufficient income to meet expenses. Furthermore, the appropriation of the Church to the college, which was $48,040.00 ten years ago, is now $30,000.00 a year, a reduction of $18,040.00.

Attention should also be called to the fact that about two years ago, when we thought times were improving and had no suspicion that a financial depression was about to descend upon the country, the college purchased a farm of 360 acres that adjoined the college campus on the north. There were three main reasons for purchasing this farm: (1) the time had already been

reached when the campus was becoming too small. The only place where additional space for campus ground was to be had was toward the north, where the farm is located. Some institutions have suffered because sufficient campus ground had not been secured when it could be had at a reasonable price. By purchasing the farm, we thought we would spare Luther College this difficulty in the future. (2) Interstate Highway No. 55, which is paved from Decorah to the Minnesota state line, and in two or three years will be paved all the way to the Twin Cities, runs through the farm. This makes a part of the farm well adapted for building lots, a filling station, an amusement park, and whatever else might prove profitable along such an important highway near the city limits. All of these things would increase the cost of the farm and some of them would also be quite disadvantageous to the college. (3) In 1896 the boarding department of the college was turned over to the students to be conducted by them as a cooperative boarding club. Last spring, the boarding department was transferred back to the college, which now conducts it, as it did in an earlier day. Both the farm and the boarding department are under the management of the business manager of the college. It is plain that the farm will be a source of income for the college when conducted in connection with the boarding department, because the farm can furnish milk, meat, poultry, eggs, and vegetables in large quantities. Whether prices of farm produce are high or low, the college will profit by the arrangement, so long as there is a fixed price for board. If the prices on farm produce are high, the farm will profit; if the prices are low, the boarding department will profit; and in either case, of course, the college will profit. It has been estimated that the farm, when run in conjunction with the boarding department, will be equivalent to an income-producing endowment of $100,000.00.

The amount realized by Luther College from the endowment pledges given in 1926 is now $418,000.00. This has been carefully invested and is yielding a regular income. Without this income, the present financial stringency due to causes noted above would be greatly aggravated.

Service Rendered by the College

It might be appropriate to close this report with a summary of what Luther College has done in the last seventy years. Much might be said in this connection. Let it suffice, however, to state that the college has rendered a service that has justified all the sacrifices that have been made in behalf of the institution from the time it was founded to the present day. It has produced some of the most notable men that have arisen among the Norwegian Lutherans in this country. Its graduates have been found occupying important positions in the fields of medicine, law, journalism, teaching, and other professions. Some have achieved distinction as scientists, some in the public service, some as public speakers, some as educators, and some in other fields; but the chief glory of the college is that nearly 650 of its students have studied theology and become ordained ministers of the Gospel, while others have taken a course in theology but have chosen to serve in other fields.

For the service that Luther College has been permitted to render with the comparatively small means at its command, we give thanks to God and we pray Him to continue to bless Luther College, so that it may render equal service, or, if possible, even greater service in the years that are to come. Soli Deo Gloria.

Respectfully submitted,

OSCAR L. OLSON.

Luther College, May 7, 1931.

ANNUAL REPORT—PRESIDENT ST. OLAF COLLEGE
1930–1931

To the Board of Education of the Norwegian Lutheran Church of America:

Attendance

The school year 1930–31 has in many respects been a very good year. As indicated in the last annual report, the attendance has been decreased, our total enrollment being 97 less than last year. Only by the hardest work on the part of the college and its friends will it be possible to avoid a further decrease unless economic conditions should improve materially. It is a good time for young people to go to college, as it is difficult to get positions which will remunerate them enough to help them later on. The attendance has been as follows:

	Men	Women	Total
Seniors	108	100	208
Juniors	102	95	197
Sophomores	114	110	224
Freshmen	160	147	307
Special	1	3	4
	485	455	940
Non-matriculate, music	6	3	9
	491	458	949

In June there will be graduated a class of 202 members, 104 men and 98 women.

The health of both students and faculty has been uniformly good, although there have been a few cases of illness which have been rather serious. During the infantile paralysis scare last fall the St. Olaf student body was fortunate enough not to have a single case. Investigation was made as to the precautions taken at St. Olaf in regard to the milk and food supply, and they were found to be such that they undoubtedly helped prevent the epidemic from finding any victims among our students.

Faculty

The faculty this year has numbered 73, with eight on leave of absence and one professor emeritus, making a total of 82. In 1931–32 there will also be eight teachers on leave of absence. Five teachers have resigned, two to pursue graduate work and three to teach elsewhere. St. Olaf has been very well represented by its teachers and graduates in advanced study. Many have received outstanding scholarships and fellowships. They are pursuing their studies without any assistance from the college, and when they return they bring back to the college renewed spirit and enthusiasm for the work.

Finances

The school year 1929–30 was an outstanding year financially, due to the fact that our enrollment reached the highest figure in our history, 1,046, with an average attendance for the two semesters of an even thousand. At the end of the fiscal year, August 31, 1930, there was a surplus of between four and five thousand dollars, large enough to retire the deficit of the previous year. This year, due to the lesser number of students, we shall most likely have a deficit of between twelve and fifteen thousand dollars. However, every effort is being made to plan the work for 1931–32 so as not to have any deficit, in spite of the probable lesser number of students. If with the help of friends we can maintain our attendance at its usual figure, we shall be in position to avoid any further deficit.

Thorson Fund and St. Olaf Corporation

Nothing can be added to what was said last year about the Thorson Fund, except that it has been well administered by Mr. P. O. Holland and the Board. The banks and lands are in good shape. The same can also be said of the

St. Olaf Corporation. It has decreased its indebtedness on the Power Plant by about $10,000 and has increased the assets of the Corporation by $32,814.56.

Athletic Field

The new athletic field has been taken into use and is providing not only a splendid place for athletic events, but has increased very largely the beauty of the whole campus.

In order to avoid damaging neighboring farms because of the drainage from the field, it became necessary for the college to join with the City of Northfield in building a new storm sewer at a cost to the college of about $8,000. This was a very much needed improvement otherwise, as it helped care for the overflow from the sewer on St. Olaf Avenue, which had become entirely too small with the increased population on the west side of the river.

Many of our people are concerned about the manner in which athletics are carried on in the colleges of the land. More and more the teaching world is beginning to bend its energy towards making athletics simply a part of its physical training and health program. This movement is very ably led by the North Central Association to which St. Olaf belongs. During the year St. Olaf has been inspected by Mr. C. A. Whitten, a representative of the Association. He reported that our program was balanced and that sound athletic policies were being carried out.

Endowment

Steps have been taken to close up the Luther-St. Olaf Endowment campaign. It is estimated that about $400,000 is still uncollected. This includes the larger pledges, the payment of which was to cover a period of ten years. The Endowment Committee has taken steps to divide the unpaid pledges between the colleges in the proportion agreed upon at the time of the campaign, leaving it to each college to carry on its own collections instead of continuing to maintain a joint office. It is hoped that final report can be made to the annual meeting of the Church in 1932.

Building Program

No report should be made about the present status of St. Olaf without mentioning the crying need for three types of buildings, i. e., a library, chapel, and dormitories.

Many of the friends who subscribed ten years ago to the St. Olaf Building Fund through the work of Reverend P. C. Birkelo, have paid their pledges. Others still have balances unpaid. During these years each graduating class has given pledges to the Library Fund and money is continually received in larger or smaller amounts. We lack space for the books which annually must be added to the library, and students are crowding the library to such an extent as to make it impossible to do good work. From time to time we are receiving books from pastors and other friends. Recently we received the balance of the library of Reverend J. C. Roseland, who died in December, 1930. We have just received from Norway, from Mrs. Bergitte Muus Klüver, a daughter of the founder of St. Olaf, the balance of his books and documents. Other libraries are coming to us, but we have no place to put them and can only store the books until the day comes that we have adequate library facilities.

We sorely need a chapel as a center for the religious life and activities of the college. We hope and pray that some man or woman of means will see here an opportunity for one of the finest gifts which can be made.

The question of dormitories is tied up with the liquidation of the Thorson Fund. It is almost tragic that we can not build at this time because from 20 to 25 per cent could be saved in building costs.

Annuities

Attention is again called to the annuity plan of giving to our colleges. There are many these last years who have lost all they had. They could have made

use of the fine opportunity to be found in the annuity plan, both to make a gift for the maintenance of a Christian institution and activity in the Church and at the same time to provide for themselves support in sickness and old age.

WCAL

In accordance with the resolution of the Church at its last annual meeting, we started a campaign last summer by radio and letter for the ingathering of funds necessary to rebuild the radio station WCAL. Dr. Martin Hegland, the director of the station, laid the matter upon the hearts of those who listened in. Without any further solicitation about $13,000 came in up to January 1st for the rebuilding and support of the station. There has been no experience so satisfying connected with any activity we have at the college as the one we have had with the radio station. Those connected with the station have been glad to serve, Rev. Gerhard Rasmussen in connection with the vesper services, Mr. Hector Skifter and Mr. Milford Jensen as operators, and teachers and students in other capacities. The many friends throughout the country have by letters and gifts shown their appreciation. In the early part of April foundation was laid for the new building. By September 1st it is hoped the station will be in full working order.

St. Olaf Choir

At the annual meeting of the Church two years ago, a resolution was passed requesting the St. Olaf Choir to go as the representative to the 900th anniversary celebration at Nidaros, Norway. The choir left at the close of school in June, accompanied by President and Mrs. J. A. Aasgaard. They gave about twenty concerts in this country. They toured Norway and took part in the exercises at Trondhjem. Then they toured part of Sweden and Denmark and went to Germany to participate in the 400th anniversary celebration of the Augsburg Confession. The choir returned to Northfield about September 1st. In anticipation of the fact that not enough money could be made on the tour itself, the choir started giving concerts beginning about January 1, 1930, to accumulate the necessary funds for the tour. The choir and our representatives received a hearty welcome wherever they went. Dr. Aasgaard brought greetings from the Church and the College. Especial thanks are due to him as a representative of the Church, to Dr. F. Melius Christiansen, the director of the choir, Professor P. G. Schmidt, the manager, and Professor J. Jorgen Thompson as advance agent. Nordmandsforbundet, Oslo, Norway, through its president, C. J. Hambro, and secretary Arne Kildal, were continuously of service. The message brought to our friends and fellow Lutherans will not soon be forgotten, nor will the welcome given to our representatives.

As a matter of interest I am giving a summary of the receipts and expenditures of the St. Olaf Choir from January 1, 1930, to October 1, 1930, when the books covering the tours were closed. The net loss of $635.01 will be paid by the choir through later concerts. The choir is to be commended for its fine work and good management and the fact that it returned with practically no deficit. One hundred dollars was contributed by each member of the choir. Otherwise no contribution was made by anyone.

Articles of Incorporation and By-Laws

In accordance with the Articles of Incorporation and By-Laws adopted at the last general meeting of the Church, the Board of Trustees met on October 14, 1930, to reorganize in accordance with the Articles. The adoption of the new Articles and By-Laws will make little or no difference in the running of the college as they were in reality but a restatement of the things which were already being done. The only difference was the addition of four members to the Board from the Board of Education of the Church, and the president and the director of finances of the college. The Board of Trustees of St. Olaf College is truly representative of both the Board of Education and the Board of Trustees of the Norwegian Lutheran Church of America.

Faculty Council

Another result of the adoption of the Articles was the reorganization of the faculty. The Faculty Council has been established and consists of the members of the administration and the heads of the different departments. The council is making a particular study of the problems connected with the administration of the college curriculum. Changes undoubtedly will have to take place to accommodate ourselves to the experiences of the present day. Out of the deliberations it is hoped there will come greater definiteness in the service and the work St. Olaf is trying to do in the Church.

Seminary

Twenty-two of the graduates of St. Olaf took up work at our Seminary last fall, and there is every indication that even a larger group will apply for admission the coming year. More and more it seems as if the students are gripped by a spirit of service and as a consequence are seeking for both the education and the opportunity for service along Christian lines. During the past thirteen years St. Olaf has furnished about 50 per cent of the total number who have attended the Seminary. Not all have measured up to high standards set for theological study and the ministry, but the great majority of those who go out from St. Olaf to the Seminary and into the field, whether it be at home or abroad, have been permeated by a spirit of devotion and consecration which bodes well for coming years.

Recognition

Quietly the good and substantial work which has been done these many years is becoming recognized. Both faculty members and students have been the beneficiaries these last years of many fine fellowships and scholarships at the best universities of the land. In October, 1930, St. Olaf was placed on the accepted list of the Association of American Universities, the highest recognition which can be given by any standardizing agency in the country. The college has been a member of the North Central Association since 1915. Some years ago it became a member of the American Association of University Women which, though it is not a standardizing agency, means much to the women who graduate from St. Olaf.

The Liberal Arts Colleges

These are troublesome days for the liberal arts colleges. In the face of competition from tax-supported institutions and other colleges and universities which have given up their denominational position, it is not easy for the college which elects to stand on the old foundation to go on its way. Radical changes will have to be made the next few years in the curriculum to accommodate it to the changing conditions among our people. The problem of retaining the high idealism of our Christian colleges is going to test to the very limit the consecration and devotion of faculties, student bodies and college constituencies. Thorough study should be given to the whole educational program of the Church so as to establish clearly a program that lies within possibilities. The aim should be to do well whatever we undertake to do.

Secretary of the Board

At St. Olaf we welcome the action taken by the Board of Education in the appointment of Rev. J. C. K. Preus as full time secretary of the Board. At no time in the history of the Church has it been more necessary to have a man devote all his time to the solution of our educational problem than just now. On behalf of St. Olaf I can promise both to Reverend Preus, the Board of Education, and the Church, the utmost cooperation in any effort toward the realization of the highest ideals in Christian Education.

—L. W. BOE.

CONCORDIA COLLEGE

To the Board of Education of the Norwegian Lutheran Church of America:
Gentlemen:

The fortieth school year of Concordia College opened September 12, 1930, and closed June 2, 1931. In the brief report which you have requested this year, I have sought to single out only items of special interest to the Board of Education and to our Synod.

General Information

We are grateful to report that the present financial depression has not seriously affected conditions at the college this year. We have enjoyed a normal attendance in the college department and have had an increased attendance in the department of music. Four hundred and forty-four have enrolled in the college department and 500 in the music department, making a total enrollment of 944. Health conditions, on the whole, have been very good. The musical, literary, athletic, and religious organizations have been carried on in an orderly and commendable manner. An encouraging interest has been manifested by the students in the spiritual activities of the college. Thirteen men in the present senior class intend to enter the ministry and others, both men and women, will enter Christian service in other fields. Able and consecrated services have been rendered the college by the faculty and administration workers. The pastors and lay people in the college territory have given valued support and encouragement to our work. Daily chapel exercises and Thursday evening musicals have been broadcast over WDAY, Fargo, North Dakota. During the month of May, Sunday services were broadcast over KGFK, Moorhead, Minnesota. A large number of letters have been received from listeners who have expressed their appreciation for this service rendered by the college. It is estimated that from six to eight thousand daily listen to these services.

Commencement

The present senior class numbers 105 members. This is the largest graduating class in the history of the college. Baccalaureate services were held Sunday, May 31. Rev. David Stoeve, president of the North Dakota District, delivered the baccalaureate sermon. Graduation exercises were held on Tuesday, June 2. Rev. J. C. K. Preus, synodical director of education, delivered the commencement address. Another class of gifted young men and women has completed its work at the college. We have sought to confirm their faith in Christ Jesus, and impart to them a Christian philosophy of life. May God grant them a life of useful and unselfish service in His Kingdom.

Fortieth Anniversary

Next fall Concordia College will observe its 40th anniversary. It is fitting that we pause for a special observance of this event, which marks forty years of service to the Church and to the Nation. Thousands of students have received their training for their life-work at our institution during these years and are today leading lives of usefulness in many walks of life. From a small academy Concordia has developed into a college which has won an honored place in the Church and in educational circles.

A committee from the faculty has been appointed to make the necessary arrangements for the proper observance of this anniversary, consisting of the following members: Vice-president J. H. Hjelmstad, chairman, Dean P. A.

Rasmussen, Prof. H. C. Nordlie, Dr. T. O. Burgess, Rev. Prof. Carl B. Ylvisaker, Rev. Prof. J. W. Johnshoy, Prof. C. E. Bale, Prof. A. M. Sattre, and Prof. T. C. Wollan.

The anniversary observance will begin Friday, October 30th, and continue through Sunday, November 1st. While the program has not been completed in every detail, the following have accepted invitations to be present and address the audiences: Pres. J. A. Aasgaard, D. D., Pres. T. F. Gullixson, D. D., Prof. Carl Mellby, Ph. D., Prof. Knut Gjerset, Ph. D., Rev. D. G. Ristad, formerly president of Park Region Luther College, Rev. S. G. Hauge, representing the Board of Directors of Concordia College, and Mr. John Nystul representing the alumni association.

The college extends a cordial invitation to sister institutions and to the pastors and lay people of our Church to be present and share the festivities of these anniversary days with us.

Gifts

This year also the college has been the recipient of many appreciated gifts from friends of the institution. Dr. J. E. Engstad of Grand Forks, N. Dak., Honorable L. F. Crawford, Fargo, N. Dak., Rev. G. A. Larsen, Clinton, Wis., Rev. John Peterson, Minneapolis, have made valuable contributions to our college library. Honorable L. B. Hanna and Mr. Lars Christianson, both of Fargo, N. Dak., have made the college the beneficiary of substantial life insurance policies. The present graduating class has contributed $8,000.00 to the physical education building fund. A number of individuals have contributed memorial gifts to the student loan fund and $1,555.70 has been given during the year to the Greater Concordia Association. May God richly bless the gifts and the givers. No gifts could have more far-reaching results than those invested in the Christian character of our gifted young men and women.

Synodical Activities

The college has taken an active interest in the work of the Church throughout the Northwest. Faculty members have filled pulpits at regular services; delivered sermons and addresses at circuit and district meetings, young people's conventions, Bible camps, Sunday school institutes and several vacant charges have been temporarily supplied. The four ordained pastors on our faculty have used practically every Sunday of the year for this purpose. The students, singly and in groups, have given their services to neighboring congregations on various occasions. Practically every congregation in the college territory has received direct service from the college in this way.

Concordia Conservatory

In the summer of 1929 the Board of Directors of Concordia College purchased the Dakota Conservatory of Music located in Fargo, North Dakota, and have since that time conducted the conservatory as a branch of the college.

The conservatory occupies the entire third floor of the Stone Piano Company building located at 613 First Avenue North. These quarters were originally planned for a conservatory and offer splendid facilities for class work and private instruction. Fully accredited courses are offered by experienced instructors of established reputation.

Under the able direction of Mrs. David Stoeve the attendance has steadily increased. The enrollment at the present time is 497. The present faculty, consisting of 17 instructors, will be increased to 20 for the next school year. The conservatory offers its students every advantage for a thorough musical training. The enrollment should increase rapidly as the institution and its work become better known among our Church people throughout the Northwest. A school of music is also conducted on the campus of the college for the convenience of college students.

A Balanced Budget

It would seem that earnest consideration should be given to the problem of working out a more balanced budget for our Church before the general conven-

tion in 1932. Some of the activities, especially Home Missions and Christian Education, are facing a serious situation. It is possible that we have undertaken too extensive a program. If so, our work should be reduced. On the other hand, if the Church finds that our budget has become unbalanced a more equitable distribution will solve the problem. Christian Education furnishes the Church with its workers in all activities; Home Missions increases the working and giving power of the Church. These activities form the foundation of all our Church work, and it is difficult to understand how we can curtail this work without permanent injury to all other activities of the Church. We trust that the investigations now being made by the Boards of our Church will result in a clear-cut, workable, and well-balanced program.

Park Region Luther College

Sub-committes from the boards of Park Region Luther College and Concordia College have held several meetings during the year to seek a closer cooperation between these institutions. The conferences have been carried out in a spirit of friendliness and helpfulness, which has been an encouragement to all concerned. A joint resolution has been submitted to the synodical boards of Education and Trustees for their consideration. These institutions are working together harmoniously for the best interests of both schools.

Inspector Whitten's Report

Prof. C. W. Whitten, athletic inspector for the North Central Association of Colleges and Secondary Schools, visited the college shortly after the opening of the second semester. His report to this association commends the college for the manner in which it handles its athletic funds, solicits students and conducts its athletic program in general. We quote his closing paragraph, in which he speaks of the tone and atmosphere at the college. "There was a particularly homelike air about the institution which commended it to the favor of the inspector. On the part of both teachers and pupils there was an evidence of courteous conduct well becoming the ladies and gentlemen in attendance at Concordia College. The institution is distinctively Christian in its attitude and ideals and instruction. The inspector believes that the authorities in charge of this college are motivated by the highest ideals of service and that every effort is being made within the limit of means available to develop high ideals of both ethical conduct and of social service on the part of the students in attendance."

Synodical Director of Education

Concordia College heartily endorses the selection of Rev. J. C. K. Preus, by the Board of Education, as director of education. We confidently believe that Rev. Preus possesses extraordinary qualifications for rendering the Church a signal service in this important position. In the work of directing the educational forces of our Church and in shaping its educational policies, we pledge him our wholehearted cooperation and loyal support.

Problems and Possibilities

Any work in the Kingdom is a challenge of loyalty and a test of faith. Each day presents its quota of difficulties to overcome and its problems to solve. The Christian college is no exception. On the other hand, there are compensating encouragements. God's promises are not empty words. We witness souls won for Christ, wavering faiths strengthened and confirmed and lives consecrated to unselfish, Christian service. The accumulated evidence of the passing college years is an emphatic testimony to the Gospel of Christ as the power of God unto salvation to every one that believeth. "Let us not grow weary of welldoing: for in due season we shall reap, if we faint not."

Respectfully submitted,

—J. N. BROWN, President, Concordia College.

AUGUSTANA COLLEGE

To the South Dakota District, N. L. C. A.:

"Teaching them to observe all things whatsoever I have commanded you," is an important part of the final command of our Lord and Master before His ascension. Naturally nothing but matters of the most momentous importance would be included in that final command and exhortation of our Lord. Matters of importance not only for this life but for eternity are clearly hanging in the balance with the attitude that we take concerning this command. The welfare of our children in this life and the salvation of their souls for eternity are involved. The life and the future of our Church is here hanging in the balance. Moral conditions in our entire nation are bound up with this same problem of teaching the children and the youth the things that the Lord has commanded us to teach. Woe to the Church, therefore, to the pastor, to the father and mother who forget this injunction. And God be blessed for the privilege accorded us to "teach them" and for the power there is in His Word.

Augustana College is an expression of faith in the Lord Jesus Christ and of willingness to obey His command, "Teaching them!" To that purpose the work has been carried on also during the past school year. Five hundred and eight students have been enrolled. Thirty-eight teachers have been on the staff.

Missionaries from the fields in China, South Africa, and Alaska have given lectures at the school. Rev. S. A. Berge of Fort Dodge, Iowa, conducted a series of meetings during four days in April. The Mission Union, the D. L. R., student religious groups, have held weekly meetings. Prayer meetings have been held regularly once a week. Chapel exercises have been conducted regularly every school day.

This year Augustana was admitted to the North Central Association with full accreditation as a standard four-year college, the only institution in Sioux Falls having this distinction. It is with joy that I make this known because it is a reward to all those faithful souls who have had faith in Augustana and who have diligently prayed and worked and sacrificed that our school might live.

This achievement ought to spur us on to greater efforts to build the institution up to the greatest possible efficiency, with the view to serve the Church more effectively.

The following is a summary of attendance and a brief financial statement:

Finances, Current Expenses

The past year has been in every respect very similar to the two preceding years. We received $20,000 from the education budget of the Church and $1,284.32 out of the South Dakota District Special Appropriation. The tuition was increased $25.00 a year per student. The total salaries also increased in like proportion. We have been averaging $5,000 deficit past three years. The net deficit at the end of the last fiscal year amounted to $15,235.19.

Endowment Fund. The endowment fund now consists of

New Endowment paid in	$299,177.91
Old Endowment paid in	138,730.33
Restricted Endowment paid in	5,261.00
Total	$443,109.24

During the past year there was collected on pledges, $27,918.14. At the present time, $194,133.04 of pledges are still unpaid. This includes about $70,000 of estate notes, leaving a balance of about $125,000 of pledges due unpaid.

The Gymnasium project ought to be completed. We need this building. We also need other buildings in order to meet requirements occasioned by increased attendance. But the former is the most urgent now. May we at this time give the Alumni cordial support in the present undertaking to build the Gym-Chapel.

President Rothnem will report for the Academy. The work has been carried on successfully through the year. Next year, according to a ruling by the State Department, we are not privileged to offer the one-year normal work either at the Academy or at the College. The two-year normal will be continued at the College. At the Academy this will, no doubt, cut the attendance and serve to make the financial problem a more serious one. The Augustana Association will, no doubt, give careful consideration to the whole question of finances relating to both the College and the Academy.

The Greater Augustana Association has been organized and promises to be of great service to the College and the Academy. It would be a great mistake, however, to throw the responsibility for the maintenance of the school on this voluntary association. This organization should be permitted to give its attention and means to certain specific projects of the school such as buildings, equipment, etc.

May I in conclusion call attention to the fact that the "Augustana Special" has not been fully paid in? You will understand the serious difficulty that this thrusts upon the institution.

With gratitude to God for the hearty support of the people of our school district, for the conscientious work and splendid cooperation of the faculty and the Board and for all of the blessings of God upon our work.

Respectfully,

—O. J. H. PREUS.

Supplement by Business Manager

This school year financially has been very much the same as last year. Although the audit this year was taken almost to the minutest detail, it did not materially change the final outcome.

The financial year of 1929 showed a net loss of $10,955.78. From this amount $5,211.19, interest received from the old endowment in Minneapolis at the time of the settlement after last year's audit was taken, really should have been subtracted (but figures were not available). This would have made the net loss last year only $5,744.59. This year would then have had a loss of $4,888.71 instead of a gain of $322.48.

In 1930 the tuition was increased $25.00 per year per student, one-half of which is on the 1930 financial report. This is offset by a similar increase in total salaries which were $67,093.39 in 1929 and $73,126.77 in 1930, an increase of $6,033.38 in 1930.

Endowment Interest

Income from endowments in 1929 showed $18,006.73, to which should have been added $5,211.19, making a total of $23,217.92, less late receipts of 1928, $3,006.73, leaving income of 1929 at $20,211.19 net.

In 1930, total interest received was $27,211.19, of which $5,211.19 was for 1929, making $22,000.00 net interest income, an increase of $1,788.81 for financial year 1930.

N. L. Church Budget

We received of the N. L. Church $20,000 both in 1929 and 1930. The academy received $5,000 each year besides.

South Dakota District Budget

Of $12,000 appropriated in 1929 the net income credited was $4,075.41, which was all ordered paid to the academy.

Total income in 1930	$6,677.62
Academy received	5,393.30
College received	1,284.32
Summary:	
Academy received in 1929	$ 4,075.41
Academy received in 1930	5,393.30
College in 1930	1,284.32
Total income 1929–30	$10,753.03

Current Accounts

Using $50,000 as basis of income from students per year, not including present school year, since 1920 to 1930, we find the following:

Total good accounts including 1930–31	$13,679.01
Less 1930–31	5,157.80
Plus total no good accounts	$ 8,521.21
Plus total no good accounts	12,206.05
Total outstanding accounts	$20,727.26

This total of $20,727.26 in $50,000 equals 4 2-10 per cent. Therefore, all outstanding accounts equal 4 2-10 per cent of the total payments. Of this we consider $12,206.05, or 2 4-10 per cent, almost worthless, and $8,521.21, or 1 8-10 per cent, as good.

Although the sum seems large, yet covering 10 years and having accepted many students who were poor and not able to enroll at all if cash had been asked, the average percentage loss is small, and the policy may even have shown a gain had we had figures showing the amount of loss of income in eliminating those who could not have enrolled otherwise.

General Outlook

Averaging up income and disbursements from all sources for the last three years, it appears that we are incurring a loss of approximately $5,000 a year without any special amount set aside for improvement on our buildings and plant.

Much Needed Improvements

Outside woodwork on Old Main and Ladies' Hall should be painted this summer. All window frames and sash on adm. ought to be painted also. The shingles on roof of Ladies' Hall are very poor, and a new roof is necessary almost any time, but they may keep out rain for another year.

It would be well if we could begin this summer to paint at least part of inside of adm. bldg., for instance, all the halls on the three floors, or, if preferred, one whole floor.

The work of "Student Pastors" should have been included with the survey of this Department, but as no separate financial record has been kept of that work it could not be included here.

The $7.500 appropriated for Elementary Christian Education for 1929 and 1930 was prorated in equal amounts to the four departments.

The numbers given in the rubric for **Interest** are the amounts received from **Interest on Endowments.** For the receipts and disbursements in **Interest** see **Department VI:C,** page 430.

The relation between total receipts and the amounts used by institutions is indicated by the first "Percentage" rubric and that of Board Expense by the second "Percentage" rubric.

Deficits as given here are taken from the Treasurer's report for 1930 as given in Schedule "E-8"—**Analysis of Budget Deficit**—printed in the 1931 Annual Report, page 59.

B. Report from Board

"Behold, I have set before thee an open door, and no man can shut it; for thou hast a little strength, and hast kept My Word, and hast not denied My name." (Rev. 3:8.)

Thus spoke the Lord Jesus Christ, the Captain of our salvation, to the church in Philadelphia, but this is also a message to our Church today, reminding us that He has set an open door before us in this homeland of ours, so that we, through the preaching of His Word and the administration of His sacraments, should gather in the unchurched masses and win them for Christ. Woe unto us if we do not see this open door—this wonderful opportunity. He has given us the greatest gift God can give to any church, His Word in its truth and purity, the sacraments undefiled. He expects, yes, commands that we should bring His Word to our fellowmen.

Thinking of the 10,000 villages in America without a church of any kind, thinking of the 30,000 towns and villages without a resident pastor, thinking of the almost fourteen million children under twelve years of age who receive no religious instruction, thinking of more than one-half the population of our nation without any church connection, and not forgetting our own race, of which over a million souls are still outside the fold, thinking of all these things, we begin to realize the great opportunities of the open door—a tremendous challenge to our Church. God be praised, He has given us a large number of consecrated young men willing to go out into the high-ways and by-ways, inviting in Jesus' name souls to come to the great marriage-feast. Again a large graduating class is standing ready to go through this open door to bring the Glad Tidings of peace and salvation to thousands of souls. These and all the other faithful workers in the Home Mission field must not only be followed with our prayers but also with our financial help. God strengthen them all in their task!

God has been with our Church in the past. He has graciously blessed us. May He say of us that we have tried to keep His Word and have not denied His name! Our strength has been little, but the Lord has been with us and His strength is made perfect in our weakness.

Let us pray that He will be with us in the future as He has in the past, and continue to bless us, so greater results may be attained and multitudes of our people may be won for the truth and for our beloved Lutheran Church. God grant this, in Jesus' name and for His sake. Amen!

The Board of Home Missions held two meetings last year, on March 26-27th and on September 17-18th. The Executive Committee held meetings on July 30th and September 18th.

As this is a year when our Church has its district conventions, the district presidents, who are also mission superintendents, will in their reports give to the Home Mission work in the various districts the important place it must have if our Church is going to march forward in battle array for Christ and His Kingdom.

In addition to the Home Mission parishes in the nine districts, the field includes the Seamen's Missions, the Indian Mission, Eskimo Missions, Immigrant Mission, Deaf and Blind Mission, Evangelistic work and Church Extension. The Book Mission, to which the Home Mission donates $250.00 yearly, has its own Board.

SEAMEN'S MISSIONS

East Boston, Mass. Rev. Axel Bergh, the superintendent, reports the work is progressing nicely in the mission as well as in the local congregation. During the past year 11,463 sailors visited the reading room, 90 ships were visited, and 187 sick sailors were visited at the hospital or on board ships. Three hundred boys were given employment through the aid of the mission and about $7,000 forwarded to relatives of the seamen in Norway.

We want to thank the many friends of the Seamen's Mission in East Boston for the Christmas donations they again have forwarded to help this special work along.

Galveston, Texas. Rev. E. Bonnevie-Kluver, who was the pastor and superintendent of the Galveston Seamen's Mission, resigned to accept a call to Halma, Minn., last summer. Captain Nelson of Galveston carried on the work temporarily until Rev. Theo. Bergee took charge of the mission the latter part of August. Many needy seamen have also this past year been helped both physically and spiritually.

San Francisco, Calif. Rev. O. Gronsberg, who has had charge of the San Francisco Seamen's Mission for many years, resigned on account of old age and sickness, and Rev. A. H. Thorsen, formerly of Portland, Ore., was called in his place. Pastor Gronsberg has now entered into the rest that remaineth to the people of God. May the Lord bless his memory and continue to bless the labors of his successor.

Rev. Thorsen reports that during last year 146,145 sailors visited the mission, 280 ships were visited by the seamen's pastor and his assistant, Rev. Olberg. $48,282.92 was deposited for safekeeping by the sailors and a large amount has been sent to dependents in the old country. The mission quarters will soon be remodelled and put into nice shape for the seamen coming to this place for material as well as spiritual help.

Seattle, Wash. The past year has been unusually busy at the Seattle Seamen's Mission. It has moved from the old rented quarters to our own building, corner of First Avenue and Columbia Street. Funds have been solicited to remodel the property for use as a Seamen's Mission and Hotel. Rev. Slettedahl, superintendent, reports a very successful year. The reading room had some over 175,000 visits. The mission was instrumental in locating 31 missing seamen and brought them in contact or correspondence with relatives and friends. During five months of the year free classes in English were conducted at the mission by two qualified teachers under the auspices of the Women's Auxiliary of the American Legion. Two hundred and ninety Gospel services have been conducted, with an attendance of 10,400, which is the largest number in the history of the mission. Many needy and sick seamen have been helped during this time of unemployment. A large amount of money was also during 1930 deposited by seamen for safe-keeping and home-sending.

Vancouver, B. C. The Seamen's and Immigrant Home at Vancouver, B. C., under the supervision of Rev. A. O. Aasen, who took charge of this mission in the fall of 1930, affords reading room, information and Gospel hall facilities to hundreds of newcomers and others of our countrymen in Vancouver. During the last five and one-half months religious services have been conducted once or twice every week to an audience averaging 75 to 100 during the winter and between 40 and 50 during the fall and spring months. The information and employment bureau has procured jobs for 145 men. The Seamen's Mission and Employment Bureau served 30,000 free meals to homeless, jobless, and hungry men.

Ketchikan, Alaska. The Seamen's and Fishermen's Home at Ketchikan has also this year been a home and a haven for many of our people. To have a Christian home in which to stay, at least for a little while, is certainly a blessing, and the superintendent, Rev. Adskim, with the help of the local congregation and pastor, has done a blessed work among the seafaring men. The reading room has been visited by over 36,000 men and the mission has been

instrumental in procuring employment for a number of men. A large amount of money has been sent to dependents in Norway.

May God continue to bless the faithful workers in all our Seamen's Missions!

Bethany Indian Mission, Wittenberg, Wis.

Prof. Axel Jacobsen, who has now worked among the Indians for over 40 years, has also this year carried on successfully. There are now 135 children at the Mission. Eight of them graduated from the eighth grade and four attended high school in Wittenberg. These children are supported by friends. They stay at the Mission, help with the work and attend Bible classes and devotional exercises. Four teachers and six workers are employed at the Mission and work faithfully throughout the year. Since last fall, Rev. O. E. Skavlan has been the mission pastor. The Women's Missionary Federation has furnished funds to procure the Indian camping ground (40 acres) opposite the church in the rural district, where two log houses have been put into shape for some of the old Indians and another small building will also be put up for their use. May God speed our humble work so that many more may be won for His salvation!

ESKIMO MISSIONS

Teller, Alaska. Mr. and Mrs. Jesse Olson are the new missionaries at Teller. Miss Anna Mathison has now served at the Mission three years and will be coming home on furlough this summer. She reports that although the work has been strenuous at the orphanage, with several cases of sickness among the children, they have been richly blessed in this wonderful work of bringing the Gospel to the beloved Eskimos.

Igloo, Alaska. Miss Helen Frost, formerly matron of our Teller Mission, is now in charge of the Igloo Mission, which is about 46 miles inland from Teller. Miss Frost conducts the services at the Mission. Every person in this little village is regular in attending the services. The natives live in the village from October to April, spending the summer months at reindeer camps near the seacoast and in fishing.

Shishmaref, Alaska. Through the untiring efforts of the Lutheran Daughters of the Reformation, we have been able to open a station at Shishmaref, Alaska. Rev. Elmer Dahle, formerly at Igloo, is now stationed at Shishmaref, and under his supervision the building has been completed. The approximate sum that the L. D. R. has set aside for the building and furnishings is $7,000.00. The Y. P. L. L. has promised an annual appropriation of $1,500.00 and the Lutheran Daughters of the Reformation have taken over this station as their own project, and pledged liberal financial support, thereby assuring the work at Shishmaref for many years to come. This station has been named the Anna Huseth Memorial, in memory of Sister Anna Huseth, who so faithfully ministered to the Eskimos for many years. May God bless our workers in the far North and our beloved Eskimos, and may the new station now opened be a blessing to many a native, young and old.

IMMIGRANT MISSIONS

Brooklyn, N. Y. The work at Norway House, our Immigrant Mission in Brooklyn, is under the supervision of Rev. R. O. Aase. Even though there are not very many immigrants coming, as the quota is reduced, still some are coming on every boat. To meet the newcomers in the name of the Church, taking them from the boat to the Home, caring for them a few days, then bringing them to the railroad station and sending them to the place of their destination, is the main work of this mission. Devotions are held every evening, and every Thursday night there is a special service, when a nice audience gathers to hear God's Word. Norway House is also a stopping place for many of our church people who go across to visit the old homeland, and is very much appreciated.

Winnipeg, Man., Can. Our Church has carried on an Immigrant Mission in Canada, with a station at Winnipeg, but as the Canadian government almost stopped the immigration to Canada, Rev. Langley, the immigrant pastor, accepted a call to Birch Hills, Sask., his former charge, and we have discontinued our immigration work at Winnipeg for the present.

DEAF AND BLIND MISSIONS

Faribault, Minn. Services were conducted regularly twice every Sunday at our Deaf and Blind Mission, and every Saturday during the school year religious instruction has been given to 180 deaf and 60 blind boys and girls. A class of 26 deaf and blind was confirmed. Eight were also baptized. Two were confirmed on their death-beds, one blind boy, and one girl at the hospital for feeble-minded. Rev. Bjorlie has also held services every other week, alternately, at the Iowa and North Dakota schools. A class of twelve was confirmed at Council Bluffs, Iowa, and a class for confirmation was organized at Devils Lake, N. Dak.

Sioux Falls, S. Dak. Rev. Rothnem has also the past year worked faithfully among the deaf and blind at Sioux Falls. May God continue to bless this work among our unfortunate deaf and blind young people!

EVANGELISTIC WORK

Our Evangelists, Rev. Ronning and Rev. Tjornhom and Mr. Scotvold and Mr. Lokken, have labored faithfully in conducting evangelistic meetings throughout our Church body. Many letters have been received from our pastors, in which they thank God and our Church for the spiritual help and encouragement brought to them through our Evangelists. It is impossible for our Evangelists to accept all the invitations which come to them. Their meetings have been well attended and have been a blessing to both the pastors and the people of the congregations where they have been held.

THE CHURCH EXTENSION FUND

Church Extension is one of the most important factors in our Home Mission work. A large number of our congregations now have beautiful church homes that they would not have been able to build without the help of the Church Extension Fund. Many a small mission congregation that has been struggling along, renting a place in an old store or in a dance hall, or using a school-room for services, has been able with the help of Church Extension to build a nice little church and is today a growing congregation. While it is true that our people more and more understand the absolute necessity of an adequate Church Extension Fund, it is really deplorable that they do not support Church Extension to the extent that is really necessary. For this reason the Church Extension Fund is not able to grant loans to a number of congregations in urgent need of a little help.

A large number of congregations that have been granted loans from the Church Extension Fund are still waiting to get the money, for the treasury is empty. It is hoped that next year, when Church Extension will be placed on the budget of our Church and the congregations will receive credit on their budget allotments for gifts to the Church Extension Fund, that much more will come into the treasury of this Fund. Attention is called to the fact that many congregations have had loans from the Church Extension Fund for many years and the loans are past due but no real effort is being made to repay them. It is to be hoped that the district presidents will help gently but firmly to remind these congregations of their duty to pay all or at least a part of these loans at once. If this is done it will be possible to help many other congregations to become self-supporting and able to contribute their share to the missionary, educational and charity work of the general Church body.

If we had a large Church Extension Fund we could do much more work and much better work on the Home Mission field than we are doing at present.

One half of the District Presidents' salary is paid from the "District Allotments."

The averages per confirmed member given in the total line are obtained by dividing the amount contributed to the budget by the congregations by 290,829 which is the average mean for confirmed members during the 13 7-12 years.

The total of first two items under Seamen's Missions which is given in third line as $12,956 are payments for seamen's immigrant, deaf and hospital missions. This total is not included in the total at foot of rubric.

The Executive Secretary's salary is divided between the Home Mission and the Church Extension.

The missions among the American Indians and the Eskimos received their allotments from the Foreign Mission Board during the first two years.

The 1920 record shows no disbursement for Seamen's Mission. Evidently included in district allotment. 1918 and 1919 includes this mission with other missions.

The numbers given in the rubric for **Interest** are the amounts received from **Interest on Endowments.** For the receipts and disbursements of **Interest** see **Department VI: C,** page 430.

The relation between total receipts and the amounts used by institutions is indicated by the first "Percentage" rubric and that of Board Expense by the second "Percentage" rubric.

Deficits as given here are taken from the Treasurer's report for 1930 as given in Schedule "E-8"—**Analysis of Budget Deficit**—printed in the 1931 Annual Report, page 59.

The Percentages given in the line for "Yearly Averages" gives the relation between the amount that the district has contributed to the budget of the Norwegian Lutheran Church and the amount that the district has received for Home Mission work, not including the Home Mission Institutions in the District.

For the accounts we should prefer to have given the **Number of Congregations** that have received support, rather than the **Number of Pastors.** Mission money is not paid out for the support of mission pastors, but for the help of needy congregations.

Many mission congregations slowly pine away in an out of the way place because they lack funds to build a little church or chapel in the right location and no help can be had from our Church Extension Fund.

The Book Mission

This Mission has also during the past year prospered, and, we believe, borne abundant fruit. Rev. Olaf Guldseth, the executive secretary, reports that 98,000 copies of 27 different pamphlets were distributed during the year; 102,000 copies of tracts were sent out and 8,300 copies of the Catechism; total pamphlets and tracts, 204,000. These pamphlets and tracts are rendering a wonderful service to the pastors and to the institutions to which they are sent. Through these little messengers we have been able to reach many hungry souls with the Gospel of Jesus Christ. We wish to thank all those who have also this year remembered the Book Mission in their prayers and with their gifts, and pray that they will continue to support this important work.

On behalf of the Board of Home Missions and Church Extension I should like very much to thank personally every one who has prayed for or contributed to our work during the past year. I am not able to do this. All I can say is, Thank you—one and all, and may God in His mercy continue to bless our Home Mission work to the salvation of many precious souls!

—C. S. B. HOEL, Executive Secretary.

B. Reports

A—THE WORK ABROAD

By **Helge Hoverstad**

"Behold, I have set before thee an open door" (Rev. 3:8).

Open doors. This was God's message to the church in Philadelphia. Today it is the message to the Norwegian Lutheran Church of America. It was true two thousand years ago. It is true also today—even on a larger scale. God opens doors that they may be entered. It is true, no one can shut the doors He opens, but the history of missions shows, that if the opportunities are not made use of, the doors will in time be closed.

The doors on our mission fields have been open for work during the year 1930. This is true for all our fields, even for

China

Difficulties. It is true, there have been difficulties on this field. Workers had to leave their stations when bandits or communists threatened or took the city where they were located, and the American School, i. e., the school for the missionaries' children, had to move from its quarters on Kikungshan to Hankow. It is true and well known that the communists have taken and are at this writing still holding for ransom one of our missionaries. Rev. Bert Nelson, located at Kwangshan, Honan, was on October 5th, 1930, captured and held for a big ransom asked of the Nationalist government of China. On October 16th, Miss Bergliot Evenson and Rev. Kr. N. Tvedt were taken prisoners at Kwangchow and held for ransom. Though the release of the two last mentioned had been promised on the payment of a smaller sum—3,000 doll. mex.—only Miss Evenson was released. This ransom was arranged for and paid by the two missionaries captured. On April 19th came the report that Rev. Tvedt had

been released. But sad to say, at this writing, Reverend Bert Nelson is still in the hands of the Reds.

Efforts of release. Everything that could be done to effect their release was done by all concerned—except by the Chinese government and generals. Dr. C. C. Skinsnes, the acting superintendent, was tireless in his efforts. These were backed by the urgent notes and requests sent to the Chinese authorities by the U. S. Department of State through its legation and consular service. It resulted only in good promises from the Chinese officials. Dr. C. C. Skinsnes kept in touch with the captured and sent them clothes, food, and pin money. He is now negotiating with the captors to obtain the release of Rev. Nelson, and every day we expect to receive the good news of his release.

As soon as the unfortunate fate of our workers became known, the Board of Foreign Missions authorized our missionaries and their officers to act as they found wisest and best. Clearly it is due to God's mercy, goodness, and hearing of prayers, that the mind and health of the prisoners have been preserved these many months under a physical and mental strain greater than we can imagine. God speed the release of this last one!

Now, though all this be true, it is nevertheless a fact that the work has been carried on the whole year. We quote from the report of the acting superintendent, Dr. C. C. Skinsnes, to the Mission Conference in China: "In spite of disturbances, it has been possible to work at all our stations, and most of our out-stations have been visited from time to time. It must be said though, that the country work has suffered, as there has been little time for itinerating."

The doors and the hearts are open to the Gospel. The opportunities are there as good as ever. The very situation is a challenge to the Home Church to employ all her means that Christ may be brought to the Chinese people at this critical period. The doors are open, but how long will they remain so?

Whether missions will have any direct benefit of it or not, we do not know, but it is worth recording, that Chiang Kai-shek, the president of the Nationalist government, was baptized in October last year, and thus became the first Oriental ruler to embrace Christianity.

The health of the missionaries. About this Dr. C. C. Skinsnes says: "I feel that we, as a conference, should give thanks to Almighty God that we have been kept from the epidemics raging about us. Typhus and relapsing fever have been common among the soldiers moving among us. Meningitis has been raging among the children. I remember of no year with less sickness among the missionaries than the past year." Since that was reported, Dr. Nellie Holman had to come home on account of illness. She is at present at the Glen Lake Sanatorium. As she came there at such an early stage of the sickness, the hope for her complete recovery is very good.

Schools. The Union Theological Seminary at Shekow has been going as usual and has done blessed work. The closing of the rest of the schools carried on by the mission for the training of children and youth, has resulted in shifting the responsibility for their training from the mission to the Christian parents and the native church, where it belongs. The mission is assisting the churches in starting primary schools for Christian children. The interest in the Sunday School is growing. Assisted by the mission, a middle school has been going in Fancheng. Bible schools have been carried on in Fancheng and Sinyang. For future workers in the church, preparatory schools are planned. There is no restriction as to specifically religious schools, such as Bible schools and Theological seminaries. The future situation for other missionary educational institutions is uncertain.

More workers. The Mission Conference as well as individual missionaries are pleading for more workers for the evangelistic and medical work. The native Chinese Christians likewise. In letters and by cable, this need has been brought to the Board. With less than half of the force we once had in that field, we can not work it properly. It is too much for them, and some of them are old, sickly, and do not expect to go out again when they come home this

summer. How is the Board to answer this urgent need? Only one was sent out during 1930. Our present force for this field is 38, of whom five at present are here at home. The conference asks that "at least three pastors and five women evangelistic workers be sent out at the earliest possible date." At the Board meeting on April 22-24, Rev. Talbert Ronning was called to go out in September. For medical workers, see below.

Hospital work. Since Dr. Nellie Holman had to come home, Dr. C. C. Skinsnes is the only medical missionary we have on the field. For several years two Chinese doctors had successfully carried on the work at the Kwangchow Hospital, but when their contract was up last year, they left. The service of another Chinese doctor has been secured, but at the Kioshan Hospital there is now no doctor, and we have no doctor at the Sinyang Hospital, where our mission carries half of the responsibility. Dr. Skinsnes says: "I believe that each of our hospitals should have one foreign doctor and one or two foreign nurses. I still have the faith that the mission friends will cheerfully carry the load, if the true condition of affairs are made known to them." The conference asks for three foreign medical missionaries and some nurses.

At this same Board meeting in April, Dr. G. J. Guldseth was called as medical missionary to this field, but no nurse.

Statistics. No statistics for last year have been received from China and for good reason. The statistical secretary, Rev. Mr. Tvedt, has been held by the Reds. God's blessings have been upon the work, souls have been saved, and the native church strengthened.

The literary work. This important branch of mission work in China is progressing nicely as a joint Lutheran undertaking.

Dr. C. C. Skinsnes, the acting superintendent, has had a tremendous load of work and responsibility since our missionaries were captured. That he has been able to carry it without breaking down is a wonder and due to God's faithful promises and to intercessory prayers. Our people will continue to keep this in mind when seeking the throne of grace in behalf of our missionaries and their work.

Madagascar

On account of the long distance and slow mail service, the conference report has not been received. Only the parochial report has come. What is here reported is based on letters and the statistics received.

Open doors. With thanks to God we can report that the doors continue to be open for the Gospel, and that God is blessing the efforts of our workers. Superintendent K. F. Braaten writes after a three months' tour of visitations: "I have experienced a great deal of joy in my work during these months. The Kingdom of God is coming with its many blessings also in this benighted land. In some places it is coming with unusual speed and power, changing the people in a comparatively short time. Almost wherever I traveled I found churches well filled with eager listeners. It is truly a joy and a privilege to preach the glorious Gospel to thirsty souls. As a whole, our work is progressing nicely throughout the field."

Statistics and schools. During 1930, 805 have been baptized to Christ, and of these, 333 were adults. The total increase of the native church was 1,045, and the present membership is 7,680, with an average church attendance of 7,580. There are 11 main stations and 134 out-stations. The staff of native workers is growing. It is by their own people that heathens must be won for Christ, but before they can be workers for Christ, they must become Christians and be trained. There are 197 evangelists and catechists, 68 teachers, 18 ordained pastors, and 22 other workers, besides 201 Sunday School teachers instructing 5,246 pupils in 132 Sunday Schools. In the other, lower schools and boys' and girls' homes, there are 1,805 scholars, while the higher schools have 343. At Ambovombe in Androy, where the field is so white unto harvest, a Bible School has now been in operation two years. By the grace of God, this needed school will be a great blessing in training workers so urgently needed.

The American School for the missionaries' children has had a very successful year. With a larger enrollment than ever before, the home has been filled.

Self-help is urged as much as possible, but it is difficult to work that in, when it was not pressed from the very beginning. The sum total of self-help for 1930 ($3,199.76) is a little less than for the previous year. This is because of the great famine in part of the field and because of the economic depression that also Madagascar is experiencing. The progress of self-help in one station district (Bjelde's) was as follows: During the years 1927-1930, it increased respectively for the years as follows: 4,000, 7,000, 13,000 and 17,000 francs. (25 francs equal one dollar.)

The working force. The present number of Madagascar missionaries is 39, 19 men and 20 women. There is need of more workers, especially women, for many can with blessed advantage be used in school work.

During the year there has been a good deal of sickness among the missionaries. For months Rev. R. C. Cartford suffered intensely from sciatica. Finally he got some better and could this year leave on his regular furlough. Also his son, Olav, was seriously ill in January, but recovered. Miss Alta Hougen was dangerously sick last year, but improved so she, under the care of Sister Oline Egesdal, came home at the end of last year. Both were due for furlough this year. Miss Hougen has improved greatly since she left Madagascar. Also Mrs. Rev. D. Lovaas needed expert medical attention, and with her family is coming home on furlough this year instead of next. The last letters from Madagascar report that Rev. K. Monson was down with fever, but they hoped he would recover. Also Sister Ella Ness was sick when last heard from. Rev. Wm. Trygstad and family had finished their furlough and started on their way back to Madagascar, but Mrs. Trygstad was taken sick and they had to return. At this writing she is at the Ancker Hospital. She is reported to be on the gain.

New missionaries. Only one new missionary will go to Madagascar this year, Miss Lyla Sivesind, who was called last year and has stayed in Paris to learn the French language. It was the mission interest and generosity of the church members in Rev. N. R. Klungtvedt's pastorate at Beresford, S. Dak., that made it possible for the Board to send out Miss Sivesind. Those people promised to pay her salary, and that over and above their quota. That this act will bring added blessings to those people is not to be doubted. Our Church owes thanks to that pastor and his people. May other churches do likewise! The Board has just decided to call one woman missionary to this field.

Home on Furlough

China. Superintendent Rev. C. W. Landahl, D. D., and Rev. George Holm, and their families, also Sister Marie Fredericksen, Miss Martha Kulberg, and Dr. Nellie Holman.

Madagascar. Prof. P. B. Stolee, Rev. S. Tverberg, and Rev. Wm. Trygstad and their families; also Miss Alta Hougen and Sister Oline Egesdal. Miss Marie Torgeson's furlough has been extended, that she may care for a sick relative.

Coming Home on Furlough

China. Miss Marie Anderson, Miss Therese Peterson, and Agnes Thonstad. All three have to their credit a record of many years of faithful and blessed work in the field. Their record is, respectively, 34, 23, and 24 years. Miss Anderson is advanced in years, sickly, and comes home to stay. Miss Peterson comes to take care of her old father, and has arrived.

Madagascar. Miss Nellie Dahl, Miss Ingara Nakling, Miss Alta Hougen, and Sister Oline Egesdal; Rev. R. C. Cartford, Rev. D. Lovaas, and Rev. A. Burgess, and their families are coming home on furlough.

To all missionaries coming home, sick or sound, old or young, on regular or forced furlough, a sincere welcome is extended, and also our hearty thanks for

faithful service as our representatives in the field. May God's blessings be upon their rest and their work also here at home!

Outgoing Missionaries

Last year only one missionary was called to each field: To Madagascar, Miss Lyla Sivesind; to China, Rev. Harold Martinson and wife; and to South Africa, Rev. W. O. Rindahl and wife. In spite of the urgent calls for a chance to serve in China and Madagascar, only two applicants have been called to China and one is to be called to Madagascar. The candidates for the fields are waiting. Some have been waiting for years.

The doors are open. The old workers are dropping out one by one. New ones are needed to take their places and to man the vacant stations.

May the Spirit of our Lord Jesus Christ permeate our hearts, our homes, and our churches, so that, moved by the true passion for souls, we enter through the open doors on our mission fields!

South Africa

Our mission in South Africa has had a blessed year of work. Ten white missionaries—men and women—eight native pastors, 79 evangelists and catechists, 50 teachers and a number of other workers have preached the Gospel and taught the Word of God at five main stations, 41 out-stations, and 87 preaching places. During the year, 663 have been added to the Church by Baptism. The total number of baptized now living has reached 8,686.

In our primary and intermediate schools, 1,700 children are receiving daily instruction. A number of our schools receive grants in aid from the Union government. It pays the salary of all qualified teachers in schools where at least 25 pupils are enrolled. The teachers are engaged by the mission. Fifteen minutes are given for opening devotionals and 30 minutes daily for religious instruction.

The cooperative Lutheran missions (Norwegian Missionary Society, Church of Sweden Mission, Berlin Mission, and our Mission) are conducting a normal school for education of teachers, and we have repeatedly been requested to secure a teacher for this institution. Rev. W. O. Rindahl, who arrived in South Africa last fall expects to be able to fill such a position at the end of this year. His salary will then be paid by the government. This school is the only Lutheran training school in Natal.

Rev. J. F. Ylvisaker and family are now on their way back to South Africa to be stationed at Biyela mission station, which has had no resident missionary for several years. Rev. Xulu has been doing faithful work here, but the field is large and important.

Rev. Johannes Otte, who came to America from South Africa together with his brother about thirteen years ago for the purpose of preparing for mission work among the Zulus, and who for about two years has been assistant pastor in Minot, N. Dak., has accepted a call and expects to sail for South Africa in August or September this year.

Miss Lillian Young, who went out as a mission nurse in 1929, has resigned, as she is engaged to Rev. Carl Otte. Her resignation will take effect about July. While Entumeni Mission Station will lose a valuable worker, we rejoice that she remains in our mission.

The Board hopes to send out a nurse to fill the vacancy thus created in this very important and needy field.

The superintendent, Rev. Johannes Astrup, D. D., and wife spent six months in America last year and about three months in Norway. They left Oslo on their return to South Africa in the latter part of February this year. Not very much rest did Rev. Astrup find, either in America or in Norway, as the requests for deputation work exceeded by far the time at his disposal. May God give him new strength and courage to continue the work to which he has given thirty-four years of his life. During that period he has been at home only twice on a short furlough.

The staff of white missionary pastors is now sufficient for the present, barring unexpected vacancies. With the addition from year to year of native theological candidates graduating from the Cooperative Pastoral Seminary at Oscarsberg, and also with an increase in the number of evangelists and other native workers, we have reason to believe that the outlook for the mission is brighter than ever. God, who in His love and mercy began the work through the early pioneer missionaries, will fulfil it to the day of Jesus Christ. To this end He has honored our Church by permitting it to be His messenger.

The committee in Norway, with its energetic secretary-treasurer, Mr. Chr. Dons, and many other mission friends in the homeland of the Schreuder Mission, have faithfully continued in prayer and support for this their first love.

For all that has been accomplished abroad and at home, God shall have the honor and the praise. His is the kingdom and the power and the glory forever and ever!

For the Board of Foreign Missions,
—HELGE HOVERSTAD.
J. R. BIRKELUND.

1. The Mission in South Africa was started from Norway by H. P. S. Schreuder in 1844. The first station, Emtumeni, was built in 1852. From 1870 to 1902 the Synod sent $27,920 to this Society. The Mission remained part of the field for the Norwegian Mission Society until 1873 when Schreuder withdrew, and established an independent mission for South Africa. In 1890 three sons of missionaries, Astrup, Otte, and Døving, came to Luther College. In 1881 the Synod withdrew officially its support of the Norwegian Mission Society and gave its support to the Mission in South Africa. This Mission was turned over to the Norwegian Lutheran Church of America in 1928.

The Mission in Madagascar was started by the Norwegian Mission Society in 1866. Engh and Nilsen were the first missionaries from Norway. The first station was Betafo in North Betsileo. The first missionary from America was J. P. Hogstad sent to Madagascar by the Norwegian-Danish Conference in 1887. In 1893 the United Norwegian Lutheran Church took over part of this field as its own. In 1898 was founded Ebenezer in St. Luce, the first American-founded station.

The Mission in China originated as an independent Society started at the 1890 Annual Meeting of the Hauge Synod held in Jackson County, Minn. The following pastors were elected as officers: President, A. O. Oppegaard; Sec., H. N. Rønning (now evangelist of the N. L. C. A.); Treas., O. A. Ostby. The receipts for 1890 were $4,648. In 1891 the Hauge Synod decided to establish its own mission in China, expecting to take over the Society, then one year old. In this it failed. Hence, the first missionary for the Society became the American pioneer in China, the late Daniel Nelson, who went to China on his own responsibility and expense in the fall of 1890. Hauge Synod sent its first missionaries, Rev. H. N. Rønning and his sister, Thea, in the fall of 1891. The Hauge's Mission was established in the Province Hupeh, at Fan-cheng, and the Society's Mission at Hankow, in Honan. In 1903 The United Lutheran Church took over the work of the Society. In 1912 the Norwegian Synod began work in Honan by sending as its first missionary, Rev. G. A. Lillegaard.—These three fields constitute the China field of the Norwegian Luth. Church of America.

2. The square miles given for territory is approximately correct. The figures for population are estimates.

3. The first series is built upon statistics which I gathered for 1915. The second series is compiled from the statistics received nearest to the year for 1925. The third series gives the statistics for 1930. Due to lack of uniformity in statistics for the three fields empty rubrics for this year are supplied from 1929.

4. The missionaries reported in the first 2 groups include also those home on furlough. In the third group are missionaries in the field only.

5. Because of differences in statistics, the report on native workers is incomplete. This group should be further divided so as to show evangelists, Bible women, teachers of intermediate schools, etc.

6. You will note that in the third group we are giving congregations. Comparing it with the second group we would conclude that the lesser number of outstations is accounted for by the number of congregations organized.

7. The seminaries in the mission field are union seminaries, founded and maintained by the various Lutheran groups in the field.

8. The contribution by natives is hard to report as China reckons on the Mexican dollar and Madagascar on the franc. In the second group, 35,543 francs are reported. This sum has been converted into the American dollars on the basis of the most favorable exchange on the franc.

9. The great loss through property damaged by robbers in China (see "Lutheraneren" 1923, No. 5) and the long-felt need for more buildings in Madagascar gave occasion for the special ingathering of funds for buildings in the mission fields during 1921 to 1926. (See "Extraordinary Donations.") Another item not to be overlooked in the very unfavorable exchange. This accounts for the $303.888 for 1925, with its 54 missionaries; as compared with the $150,398 for the 48 missionaries in 1915.

B. Report from Board

The Board of Charities herewith respectfully submits the following report for the year 1930 to the Norwegian Lutheran Church of America:

Grace and peace!

We thank God for His admonition in Luke 6, 36. Our heavenly Father pays us the greatest compliment that can come to us. "Be ye merciful even as your Father is merciful," or as it might also be stated, Be ye like God in the matter of being merciful. In giving us such a high goal, he also stresses His great love for us, and our love to God, ourselves and our neighbor should be stressed by our endeavor to be like God.

We thank God always for our Church and her people for the many evidences of their desire to be like God in the work of mercy. It is evidenced by the splendid financial support of the budget for this work; the fine support our people send directly to the Homes in the form of cash and donations which mean so much for the institutions. It is also evidenced by the increased number of congregations, societies, groups and individuals who visit the institutions and leave their contributions. Such visits mean much to them, but more to the institutions and those in charge of them. It is reasonable to conclude that the people who contribute to or visit the homes also pray for them, which the Father declares availeth much provided they are righteous people, which we hope they are.

We also wish to express our appreciation of and gratitude to the increased efficiency of the superintendents, matrons and their helpers at the institutions. When we bear in mind that we have as many as 26 institutions besides the 23 city and institutional missionaries, it should be evident to our people that it is not a small task to find people of the right type, qualifications, efficiency and devotion, not only for superintendents and matrons, but also as helpers in the various departments and activities. Of late years, we have followed the policy of practically combing the Church for the proper type of people to fill vacancies, and we appoint them only for a term of three years with the understanding that if for any reason they do not make good, they are simply not reappointed. We have been very fortunate in finding well qualified people, which has made it possible to increase the efficiency of the department.

We also want to express our appreciation for the faithful cooperation of the Transportation Bureau and the Publicity Bureau, which is an important factor in the development of the department.

We appreciate very highly the type of men and women who constitute the local boards of directors of the different institutions, and the talents, time, devotion and efforts they use in the supervision of their respective institutions. It means so much not only to the superintendents but to the Homes and the Church to have boards composed of the highest type of people, and great care should be taken by the General Convention of the Church to elect such people on the boards.

We also have gratefully in mind the kind, understanding and sympathetic cooperation of both secular and other church agencies, also state, county and city agencies, which have greatly facilitated our work. We refer especially to the State Boards of Control of Minnesota, Wisconsin and Iowa, and the State Board of Administration of North Dakota, the State Board of Charities of South Dakota, and the State Board of Public Welfare of Illinois, being that

most of our work lies in those states, but we enjoy the same kind relationship of similar boards in other states farther from our headquarters.

The Lutheran Deaconess Home and Hospital
1138 N. Leavitt St., Chicago, Ill.

The corner-stone of the Deaconess Home and Training School for Deaconesses and other Christian Social Workers was laid Sunday, April 12th, 1931. According to a resolution adopted by the Church, building operations can not be done any farther than the funds at hand will pay for. Consequently the building operations will be limited to the walls, floors and roof, and the completion of two stories. There was enough funds subscribed to complete the whole building, but about $70,000.00 of the subscriptions is still unpaid. It is hoped, however, that the pledges will be paid as the work proceeds so that the whole building can be completed while the workmen are on the ground with their equipment and material, when it can be done cheaper. Besides, the whole building is very much needed for the work for which it is being erected.

The opening of the Training School for Deaconesses and other Christian Social Workers was postponed until the new Home and School building is finished. Even though only two of the five stories of that building may be completed this summer, the plan is to open the school this fall. We are glad that prospects are bright for a large attendance from the start. There are thousands of young, strong, intelligent women in our Church who are anxious to qualify for active service in the ministry of mercy. The opening of this School will provide them the opportunity to get the necessary training for this service. This is not a new school. The Lutheran Deaconess Home has always conducted its training school for deaconesses, but the Home has always lacked the facilities needed for a full fledged training school. The wonder is that it has been able to do the work it has done with its limited and cramped equipment. With the prospect of a new building, it will be possible to enlarge its training school so that it will not only admit girls who wish to become deaconesses, but also girls who intend to take up Christian social work aside from the deaconess sisterhood.

In the Department of Charities we have long felt the need of such a training school. In order to build up the department, the first requisite is efficient service, and that can only be expected from workers who are trained for such service as the Church expects from the Department. Therefore, we rejoice that the school will be opened soon and that prospects are bright for a large attendance. We appeal to our pastors to bring this school to the attention of their people when, during the summer months, they call their people's attention to our own schools and the importance of sending their children to them.

Our Bequests

We are glad to report that a constantly increasing number of our people remember the Church and its work in their last wills and testaments. In 1923 we reported 20 bequests amounting to $17,660.21. In 1929 we reported 38 bequests amounting to $53,621.47, or 18 bequests and $35,961.26 more than in 1928. This year we can report 62 bequests amounting to $54,262.38, or 24 bequests and $640.91 more than the previous year. While the increase of bequests was much larger than the previous year, the total value of the bequests was not in proportion to the increase in the number of bequests. There were 14 bequests for sums less than $100.00, 18 between $100.00 and $200.00, 11 between $200.00 and $300.00, four between $300.00 and $400.00, one for $400.00, four between $500.00 and $600.00, one between $600.00 and $700.00, four for $1,000.00, one for $2,000.00, one for $3,000.00, one for $7,000.00, one for $12,800.00, and one for $16,000.00.

We are indeed glad and encouraged that so many people in this manner express their appreciation of the work of the Department of Charities and their confidence in the Church. It also expresses their pleasure and satisfaction in the support that they have given the Church during their lives, which prompts

them to continue this support after their death by willing some of their estate to the Church. The Church is permanent. Even the gates of Hell shall not prevail against it. Therefore, anything that we can contribute to the Church while we live or after death is permanent, not only for time but for eternity. When heaven and earth pass away, the Church shall stand steadfast, unblemished and triumphant through all eternity. "Honor the Lord with thy substance." Prov. 3:9.

Non-Contributing Congregations

Last year we reported that there were 275 congregations who had not contributed to the Department of Charities and that that was 34 congregations less than the previous year. We also expressed the hope that we soon would be able to report that all congregations were contributing. We regret to report that we lost some ground in 1930, so that we are farther from the goal than the year before. In 1930 there were 327 congregations who did not contribute to the budget for Charities or 52 more than in 1929. This is distributed by districts as follows: Eastern 37, Northern Minnesota 31, Southern Minnesota 16, Iowa 9, South Dakota 15, North Dakota 92, Rocky Mountain 25, Pacific 21, and Canada 81.

This is rather discouraging. If it had depended on these 327 congregations, our eight Children's Homes would not have had food and clothing, fuel and schooling for their 790 children; the nine Sunset Homes would have been similarly situated; the three Rescue Homes would not have been able to care for one of the 225 adults and 275 children that they had under care during the year. Even if the congregations as such feel that they can not do anything, there may be individuals in the congregation who are interested and in a position to do something. We hope and pray that the number of non-contributing congregations may continually decrease year by year until all will be contributing to the budget for Charities.

Our Budget

It affords us much pleasure to report that the guaranteed budget to our Department came in so that the deficit burden to the Church was not increased by our Department, but it was possible for us to reduce the deficit from 1927 to some extent. We hope that some of the remaining part of this deficit will be liquidated year by year.

We wish to express our gratitude to those who contributed and to all those of our friends who through prayer, words, or deeds helped in any way to supply us with these funds. May we all pray to God persistently that the Church may have what it needs to do His work.

The Investigation Work

The investigations for the Children's Homes by the Central Office were done by three women, namely, Miss N. Clara Kildahl, Mrs. Amalie Granrud, and Miss Martha Whalin. They made a total of 814 visits and handled 182 cases involving 462 children. There were 74 applications for admittance to the Children's Homes investigated, involving 186 children. Of these, 35 cases were admitted involving 71 children, while 39 cases involving 115 children were not admitted, but other plans were made for their care. There were 108 cases involving 276 children of various follow-up work. Seventeen homes were investigated for placement of children, of which six were used, six were approved and awaiting placement, while five were not approved. Nine children were placed for adoption. Twenty-three unmarried mothers were under care. Eight thousand, five hundred and sixty-three dollars were collected or secured for the Children's Homes. An improved system of keeping records of the children and the collection of dues, from those who are to pay the Homes for their keep, has been installed.

We appreciate very highly the kind, considerate, and understanding cooperation given our workers by the pastors and people of our Church, which has greatly facilitated this work and made it possible to accomplish so much. The

counties are showing their appreciation of our work by their willingness to pay us for the care of their dependent children. Some counties have been induced to increase considerably the amounts they are paying us for their service.

Mr. A. S. Bragstad, superintendent of the Martin Luther Children's Home, says in his annual report, "An increase of $993.46 has been received in money paid towards the care of children by relatives and counties. This is due largely to the investigator's work."

By Districts

In order that our people may be informed of the work done in their respective districts, we are submitting a report of the work by districts; also showing the number of non-contributing and contributing congregations and the amount contributed to the charity budget by the districts.

Detailed Information

Detailed information regarding each institution and activity is found on other pages of this report in the form of the tabulated part of the report. In this way a great deal of space is saved as well as the reader's time, and the information sought can be conveniently found.

The Decennial Report

We wish to call attention to the comprehensive financial report of the Department of Charities prepared by the secretary of our Church, Rev. N. J. Lohre, covering the years since the organization of the Church. In this report, he has brought the work of the Department into a nutshell and arranged it in such a way that it should answer a great many questions for those who will study it. We wish to thank Rev. Lohre for this service.

This summer the Homme Children's Home will celebrate its 50th anniversary.

Rev. and Mrs. J. A. Wang have resigned as superintendent and matron for the Homme Children's Home. They have held these positions since 1911, six years of which Rev. Wang was also superintendent of the Homme Sunset Home. Theirs has been an outstanding service to the Church and especially to the Department of Charities, for which we thank them and the Father.

Rev. S. R. Tollefson has been editor of "For Gammel og Ung" since November 1st. We are glad that he accepted this position, as he has had many years of experience in editing a similar type of paper.

Homme Sunset Home, Wittenberg, Wis., Rev. R. P. Wasbotten, superintendent, had 102 residents under care, of whom 55 men and 31 women, total 86 residents, were carried over from the previous year. There was an intake of 10 men and 6 women. There was an outgo of 15, of whom 13 residents died. Eighty-seven residents were at the institution on December 31st. There were seven sick cases.

The Home will celebrate its 50th anniversary during this summer.

Martin Luther Children's Home, Stoughton, Wisconsin, Arthur S. Bragstad, superintendent, had 68 children under care, of whom 31 boys and 21 girls, total 52, were carried over from the previous year. Ten boys and six girls were admitted. There was an outgo of 11, of which one was placed for adoption, nine were returned to guardians or parents, and one was turned over to another organization. There were 12 sick cases. Four children were confirmed. Fifty-three children attended school 36 hours with two teachers. There were 90 hours of religious school. Ten children were full orphans, 36 half orphans, four had parents living together, nine had separated parents, five had divorced parents, and four were illegitimate.

Skaalen Sunset Home, Arthur S. Bragstad, superintendent, had 42 residents under care, of whom 18 men and 20 women, total 38, were carried over from the previous year, and three men and one woman were admitted. Three men and two women died. Thirty-seven residents were carried over to 1931. There were 21 sick cases. Eight residents have been at the Home over 10 years, and two over 15 years. Forty per cent of the residents are charity cases. A great deal has been done in the matter of painting and decorations to improve the appearance of the Home.

Lutheran Deaconess Home, 1138 N. Leavitt St., Chicago, Illinois, Deaconess Ingeborg Sponland, sister superior. The sisterhood consists of 39 deaconesses stationed as follows: one sister superior at the Home, 13 in various positions in the hospital, three at the day nursery, one in home finding work, one in city mission work, three in parish work, one as college nurse, four in China, four in Madagascar, two are on vacations from foreign countries, three are with parents, two are on furlough, and one has retired. Besides these deaconesses, there are two student sisters.

The Board of Charities appreciates very much that the Deaconess Home has resumed its publicity work among our church people about the deaconess work and its significance for the development of the ministry of mercy of the Church. All of our congregations ought to invite Miss Mabel Thorstensen, publicity director for the Deaconess Home, in order that she may present the cause to them.

City Mission Work of the Deaconess Home.—Besides the work being done in the Deaconess Home, the following activities are carried on under its supervision:

Sr. Flora Moe, 1138 N. Leavitt St., has charge of the city mission work. She has made 993 visits, of which 137 were made for the day nursery. She has assisted 150 families with clothing, food, fuel, house rent, medical services, and hospitalization; found work for a great many men and women who were unemployed; induced a number of people to attend church.

Lutheran Deaconess Day Nursery, 1802 N. Fairfield Ave., Sr. May Gullickson, superintendent, had 216 children under care from 143 families representing 13 nationalities and 11 religious faiths. The reasons for the necessity of this help are: insufficient income, 42; unemployment, 36; separated parents, 25; widows, 17; widower, 1; sickness, 9; divorced, 6; in debt, 4; and in prison, 3.

The Industrial Mission, 1833 N. Washtenau Ave., Sister Hilda Lee, superintendent. This mission has been conducted from the day nursery, but it has grown to such an extent that it has been found necessary to move it into separate quarters at the above address, but it is still sponsored by the day nursery. Tuesday evening a sewing class is conducted for about 140 girls at the age of 14 years. They represent 16 nationalities and seven religious faiths. This work has been possible by the help of 20 teachers who have taught the girls different branches of work. Wednesday afternoon a sewing class is conducted for 64 mothers, who bring their own sewing and do it under the supervision of Sr. Hilda and her assistants. Altogether 41 meetings were held, each being closed with devotion. Thursday after school hours a class in manual training is conducted for boys from 6 to 14 years of age, representing 10 nationalities and six religious faiths. Forty-two meetings have been held by six teachers. Friday after school hours another sewing class is conducted

for girls from 6 to 14 years of age. The two last activities are conducted in connection with the Lutheran Bible Institute.

A Kindergarten is conducted in connection with the day nursery, with an average attendance of 21 children.

Mothers' Meetings of the day nursery have had an average attendance of 40 mothers and 35 children. Nine meetings were held during the year.

Lutheran Deaconess Hospital, 1138 N. Leavitt St., Mr. E. E. Hanson, superintendent, nursed 5,689 patients, of whom 140 were carried over from the previous year. Five thousand three hundred and four paying patients and 245 free patients were admitted. Five thousand four hundred and seven were discharged and 165 died, so that on December 31st there were 117 patients in the hospital. There were 665 medical patients, 3,202 surgical patients, and 873 confinements. There was a total number of 50,402 nursing days, of which 2,227 were part charity, 2,917 were free, and 42,258 were paid for. The total receipts amounted to $311,191.87 and total disbursements $261,794.10. The charity work of the hospital amounted to $21,559.35, which the hospital does at its own expense without any support from the Church. Besides this, the hospital also finances Sr. Flora's city mission work, which amounts to about $100.00 per month. Besides, the hospital with its staff of doctors is always willing to render gratis services to the Maywood, Byron St. and Edison Park Children's Homes; Norwood, Bethesda and Danish Sunset Homes; the Day Nursery, Lutheran Mission Home, Concordia College, Jewish Mission, etc. In spite of the unemployment situation which increased the number of free patients, the hospital has been able to pay $22,500.00 of its indebtedness.

The School of Nursing, Sister Ragna Nord, superintendent, has had 49 students, of whom 27 were enrolled this year. Fourteen graduates, and there were eight in the middle class. The course has been greatly improved. Besides the regular professional course in nursing, 90 hours were given in Bible study.

The Evangelical Lutheran Home Finding Society, Sister Caroline Williams, superintendent, cared for 172 children during the year, of whom 134 were carried over from the previous year and 38 were received. During the year, five children were placed for adoption, 10 were returned to guardians or parents, nine turned over to state or other organizations, two died, and three were placed in the Children's Home. On December 31st the society had 143 children under supervision, of whom 100 were in private boarding homes. Of the 172 children, 13 were full orphans, 57 half orphans, eight had parents living together, 44 had separated parents, 16 had parents who were sick, and 34 were illegitimate.

Sister Caroline Williams, who has been in the deaconess service for 33 years, has been very critically ill for some time, but we are glad to report that she is recovering nicely and that prospects are good for her complete recovery.

The Evangelical Lutheran Receiving Home, 4840 Byron Street, Mr. Peter Johnson, superintendent, had 128 children under his care during the year, of whom 72 were kept over from the previous year and 56 were admitted. There was an outgo of 53, so that on December 31st there were 75 children in the Home. Forty-six children were sick during the year. Four children were confirmed. Fifty-three children attended 36 weeks of school with two teachers. There were 156 hours of religious school. One child was full orphan, 50 children were half orphans, 24 had parents living together, 40 had separated parents, nine had divorced parents, and four were illegitimate.

Miss Clara Hoffness is the field worker.

Mr. Peter Johnson, who for many years has been chairman of the Board of Trustees of the Lutheran Deaconess Home and Hospital, has retired from that position and has accepted the position as superintendent of the Evangelical Lutheran Receiving Home on Byron Street.

An Institutional Mission was conducted by Rev. C. Doving and Rev. D. Kvaase. On account of an automobile accident in April, Rev. Kvaase was unable to function in this service for the rest of the year. The two men have made 191 visits in eight institutions and ministered to 1,665 persons. They

made 24 house visits, conducted 67 group meetings, communed 28, baptized two and conducted five funerals. They distributed a great deal of Christian literature.

Norwegian Lutheran Deaconess Home, 4th Ave. and 46th St., Brooklyn, New York, Rev. C. O. Pedersen, rector, and deaconess Lina Brechlin, sister superior. The sisterhood consists of 13 sisters, of whom two are stationed in Soudan, Africa, as missionaries, one supervises the hospital school of nursing, one has charge of the Family Welfare Association, one is a parish worker, and the others work in connection with the hospital. On August 8th Sr. Alma Nilson died. She had been in the service of the Home from the time it was founded. Two new sisters were admitted on January 22nd.

On November 1st, 1931, Sr. Lina Brechlin will celebrate her 25th anniversary as deaconess.

The Family Welfare Mission of the Deaconess Home is conducted by Sister Margareth Dahl. The significance and extent of this mission may be comprehended from the following: 973 house visits were made, 85 persons were provided with work, 88 families were assisted with food and clothing; 6,667 pieces of clothing and 2,660 portions of food were gathered and distributed; 31 persons were assisted in getting back to Norway. On account of the unemployment situation, there has been an unusual call for help. One thousand and eighty-three patients were nursed in their own homes. Twenty-six children were handled by the home finding activity, and legal assistance was given to a great many.

The Day Nursery, 545 45th St., Miss Kirsten Lunde, R. N., matron, has had 35 children under her care with an average daily attendance of 14. Six thousand six hundred and twenty meals were served to children of the nursery and other children who are fed on their way home from school. This day nursery is occupying temporary quarters until a permanent building is constructed. The building has been painted and decorated, which has greatly improved its appearance.

The Fresh Air Camp "Norge" at Spring Valley, 35 miles from New York, Mrs. Hulda Brennan, R. N., matron, has had 267 children and 13 mothers under care. The capacity of the camp is 80. It is open the year around. From June 26th to August 26th it is filled with school children, and from Tuesday after Labor Day until June 15th, it cooperates with the Edw. Gould Foundation in caring for negro children, whom the city cares for. The buildings have been improved for winter use, which was paid for by Mr. Edw. Gould personally to the extent of $2,634.13.

An Emergency Work Unit has been organized to take care of a great amount of work because of the unemployment situation. Through this activity, 130 men were provided with work, and lodging provided for a great many homeless and unemployed people.

Norwegian Lutheran Deaconess Hospital, 4th Ave. and 46th St., Rev. C. O. Pederson, superintendent, had 4,663 patients under his care, of whom 169 were carried over from the previous year. Four thousand, four hundred and ninety-four patients were admitted during the year, of whom 3,382 were paying patients, 683 part paying, and 429 charity cases. There were 828 medical patients, 2,063 surgical patients, and 901 confinements. The hospital has also served 10,160 persons by its different clinics, first aid, and ambulance service. There were 9,973 nursing days free and 51,237 nursing days paid for.

Hospital Training School for Nurses had 48 students, of whom 21 were Seniors, 19 Juniors, and eight beginners. Eleven students were graduated on May 7th, of which nine are doing floor service at the Hospital. Three years high school work is required for admission of students. Sister Mathilde Gravdahl is superintendent and directress of nurses.

Bethesda Mission, 22 Woodhull Street, Brooklyn, N. Y., Mr. Bern Kollwoll, superintendent. From November 1st to April 30th meetings were held each evening, many friends from the various Lutheran churches assisting. From January 1st to June 7th 140 meetings were held with an attendance of about

20,000 men. From September 10th to December 31st 82 meetings were held with 12,787 men present. Total, 222 meetings with an attendance of 32,787 men. The Brooklyn City Mission Work has been arranged with the Norwegian Lutheran Deaconess Society as authorized by the Church in 1930. The day nursery, summer camp, home finding work, juvenile court work, and family welfare work previously done by us has been taken over by the society, which has improved both institutions and is conducting the work very satisfactorily. We still have the Bethesda Mission which is supervised by a large local committee. We also have the hospital visitation conducted by Rev. Gunderson.

Wild Rice Children's Home

In 1925 we reported the destruction of the Martin Luther Children's Home by fire. This year we must give the same report about the Wild Rice Children's Home near Twin Valley, Minn., which was consumed by fire April 18th, 1931. The fire was discovered about 11 o'clock at night, when everybody had retired for the night. A little boy woke up and smelling smoke, he sounded the fire siren which had recently been installed. All the children awoke, and due to the splendid fire drill in which the superintendent, Mr. J. R. Orvedahl, had trained the children, they marched out in perfect order and were checked off as they came out, so that no life was lost and nobody was hurt. The children were taken to Twin Valley, five miles away, where practically every home was open to them. Later 21 were placed in the Lake Park Home and 20 in the Beloit Home, while others were returned to their parents or relatives or placed in private homes in and near Twin Valley. We are very thankful for the splendid attitude and assistance of the Twin Valley Fire Department, the citizens of Twin Valley and the community adjacent to the Wild Rice Home.

Rebuilding the Wild Rice Home

A joint meeting of the Board of Trustees and the Board of Charities and a committee representing the Board of Directors of the Wild Rice Home, was held April 28th for the purpose of discussing the matter of rebuilding the Wild Rice Children's Home. This resulted in the election of a committee of six, three members of which are from the Board of Trustees and three from the Board of Charities, for the purpose of gathering all possible information and report to a future joint meeting of the two boards, when a report will be prepared and the matter submitted to the General Convention of the Church in 1932.

The Budget

Thirty-one of the 417 congregations in Northern Minnesota District did not contribute to the charity budget for 1930. The amount contributed to the charity budget was $21,098.49.

SOUTHERN MINNESOTA DISTRICT

Lutheran Girls' Home, 1918 19th Ave. N. E., Minneapolis, Minn., Mrs. Lena Formoe, superintendent, had 87 adults and 75 children under her care, or a total of 162. The rumor seems to be out that the Lutheran Girls' Home is affiliated with the Lutheran Welfare Society of the Twin Cities. There was an effort to effect such an affiliation, but it did not materialize. The Home is functioning in affiliation with the Church as heretofore under the supervision of the Board of Charities.

Rev. O. L. Grefthen has accepted the position of field evangelist for this Home and cause. We hope he may receive many invitations to present the cause to our congregations.

Home Finding Activity—Since January 1st, 1929, the Lutheran Welfare Society of the Twin Cities has had charge of our home finding work in the State of Minnesota except in connection with our children's homes. On January 1st there were 109 children under the care of the society. There was an intake of 86, making a total of 195 children under care during the year. Eight children were full orphans, 40 half orphans, five had both parents living together, 14 had separated parents, 37 had divorced parents, and one was illegitimate.

The Home has under construction a 50 capacity dairy barn which has long been needed by this Home. It is fortunate that this work is done now while both labor and material are cheaper than they have been for a number of years.

The Budget

The Iowa District contributed $23,565.59 to the charity budget in 1930 by 171 congregations. Only nine congregations did not contribute anything to the charity budget.

All of these 106 children were illegitimate.

The North Dakota House of Mercy and the Home Finding Department of the Lutheran Home Finding Society of North Dakota has suffered a loss by the resignation of Miss Selma Karlstad, who had been superintendent since 1926. Under her, the work has developed wonderfully both in scope and efficiency. Miss Paula Iverson, formerly field investigator, has been appointed superintendent to succeed Miss Karlstad.

Rev. J. D. Runsvold, who for many years has been chairman of the Board of Directors of the North Dakota House of Mercy, has moved to Portland, Oregon, taking with him Miss Karlstad as his wife. We congratulate them and thank both of them for their fine service.

The Budget

He has conducted 12 group meetings with an average attendance of 40, and baptized 38 patients. There is a long distance between Rapid City and Custer over a very poor road, making it rather laborious work for Rev. Malmin.

Colorado Springs Institutional Mission, Rev. I. A. Lavik, 828 E. St. Vrain Street, Colorado Springs, Colo., missionary, devotes as much time as he can to this work, besides taking care of his congregation. He has made 618 visits to 15 institutions and ministered to 1,483 patients. Besides this, he has made 751 house visits to 1,397 patients. He has also conducted 84 group meetings of patients, and officiated at eight weddings and eight funerals. He has distributed a great deal of religious literature.

A residence for the superintendent is under construction. It is located just east of the Home facing the street. This will fill a long felt want. It is very strenuous for the superintendent and matron to spend their whole time, night and day, in the institution. It will be a great relief for them to live in their home when the residence is finished.

Parkland Children's Home, Everett, Wash., Mr. Arthur Olson, superintendent, had 115 children under his care, of whom 75 were present at the beginning of the year. Forty were admitted. A great deal of work has been done in clearing the east half of the 25 acre lot back of the Home of stumps and tree trunks, which not only improves the appearance of the place, but also improves the pasturage for the cows.

All city missionaries are distributing a great deal of Christian reading matter.

Inner Mission Societies

Seattle has an intersynodical Inner Mission Society which is a great help to Rev. L. C. Foss in his work. A similar society has been organized at Tacoma. A movement is on foot at Portland for such a society. Several meetings have been held, and prospects seem bright for a society. Meetings are also being held in San Francisco and Los Angeles with the organization of intersynodical home mission societies as the objective.

Such societies are a great asset to all Lutheran congregations in the respective cities, and make for larger and more efficient church work. This is especially important for the Church in these world harbor cities where land should be procured for sites for future home mission institutions that will be needed from time to time as the cities grow.

The Budget

Ninety congregations in the Pacific District contributed $4,031.18 to the charity budget in 1930, while $18,049.00 was checked out from the budget for charity work in the district. Twenty-one congregations in the district did not contribute anything to the charity budget.

The District of Canada has decided to move the Sunset Home to Camrose, but owing to adverse crop conditions, no effort has been made to raise the building fund for the proposed building. Since Rev. J. O. Gjovaag resigned as superintendent to take effect September 1st, Mr. John Soberg has served as temporary superintendent. Rev. O. B. Sanders, one of the residents, has attended to the spiritual work.

The Home Finding Activity—Since Rev. Gjovaag resigned, no one has been appointed to succeed him. So there has been no home finding work done.

The Budget

The Canada District contributed $1,114.77 to the charity budget in 1930, while $1,450.00 was checked out to the district for charity work. Of the 223 congregations of the district, 81 did not contribute anything to the charity budget.

a) An advance announcement.

I have carefully examined "Lents Parish Records" and have been very much impressed with the comprehensiveness and completeness of your system as well as its practicability and usefulness. Your system of parochial records may call for rather much detail in some respects, but once the pastor gets acquainted with it, he will find the records made valuable in every phase of his congregational work. If properly kept, these records will show at a glance the general status of any congregation and the character of the work that is being done. Furthermore, such records will mean thoroughly up-to-date and correct statistics.

REV. G. M. BRUCE, S.T.D., LL.D.
(Professor Luther Theological Seminary)

b) Two statements from experience.

I have been using the Lents Parish Records since April 6, 1930, and find them to be the most efficient and accurate means of keeping the records not only of the official acts of a pastor but of the detailed activities of a congragation. The Lents system makes it possible for a pastor, with little effort, to chronicle the daily events of his church, and to keep before him at all times an accurate survey of his work.

E. H. MEUSER
(Pastor Washington, D. C., Statistician of the Joint Synod of Ohio)

I am certainly glad to put in a good word for Lents Parish Records. I have introduced them in two charges now. I feel as if I do not have to apologize for doing so, either. I have studied at least a dozen records, and must say for Lents that it is by far the best, simplest, most comprehensive, record book I have seen. And strangely enough, it is easy to keep up-to-date. Rev. Løhre, if you never do the Church another favor, than to contribute this book, you have done well. The fine thing about this book is this: You can record the minimum amounts of facts required for any record book; but, for the pastor who likes to make a comprehensive record of his work, Lents lends suggestion and suggests simplicity in the recording. No longer will I spend sleepless nights in preparing my parochial reports either. Thanks for your favor.

HERMAN I. MUUS
(Pastor, Formerly of Comstock, Minn., now of St. James, Minn.)

Report of the Board of Trustees

To The Norwegian Lutheran Church of America:

In the words of the Psalmist "Give thanks unto the Lord: for He is good, for His mercy endureth forever" the Board of Trustees desires to express its gratitude to God for His manifold blessings through the past year.

The critical financial conditions are obvious; but we realize that even through this the Lord seeks to accomplish the development of that humility in us that will cause us to give more heed to His voice and to bring us through these difficulties with less self-sufficiency and more confidence in Him.

General

The Board endeavors to administer the financial affairs of the Church in such a way that the recognition of the splendid financial standing which it has enjoyed may be retained. On the other hand it recognizes that the challenge of the world's need comes to our Church stronger from year to year, and the Board aims to administer the material affairs of the Church in such a way as to produce the best possible results for the institutions and activities of our Church and, if possible, meet the challenge with an ever gradual expanding program of work.

Contributions

It is with deep gratitude to God and to our people that the following amounts have been gathered also this year for the extension of His kingdom:

A. General Work of Our Church		
For Christian Education	225,916.33	
For Home Missions	266,566.95	
For Foreign Missions	300,632.20	
For Charities	182,149.74	975,265.22
B. Legacies and Bequests		
Education	16,928.25	
Home Missions	6,797.43	
Foreign Missions	10,069.27	
Charities	28,784.54	
Other Funds	44,463.81	107,043.30
C. For Activities Not Included in the Appropriations of the Church		
Pension Fund	42,479.35	
Church Extension Fund	10,336.64	
Y. P. L. L.	15,093.56	
Miscellaneous	18,982.35	86,891.90
D. Other Contributions		
Lutheran World Service	2,914.99	
Jew Mission	2,995.01	
Miscellaneous	22,711.92	28,621.92
Total		1,197,822.34

Status of the 1930 Budget

	Budget Voted	Amounts Guaranteed	Contributions	Amount Disbursed
*Education	287,236.59	274,151.09	225,916.33	279,742.28
Home Missions	312,302.46	265,457.09	266,566.95	265,697.31
Foreign Missions ..	339,704.66	288,748.96	300,632.20	287,860.57
Charities	210,756.29	179,142.85	182,149.94	179,307.24
	1,150,000.00	1,007,499.99	975,265.22	1,012,607.40

*Emergency appropriation of $30,000.00 voted by Board of Education and Board of Trustees is included in the guaranteed amount.

The above figures show that the total amount contributed for the budget is $975,265.22, and the total amount contributed, if distributed in pro-rata amounts, would leave a deficit of $174,734.78 based on the voted budget and $32,234.77 based on the guaranteed budget.

As indicated above, none of the four activities received the amounts appropriated by the Church, yet the contributions to Home Missions exceeded the guaranteed amount voted $1,109.86, Foreign Missions $1,883.24, Charities $3,007.09, while contributions for Christian Education were short the guaranteed amount voted $48,234.76.

It is to be regretted that none of the activities received the amount appropriated. This naturally causes the different institutions serious difficulties, and it is especially to be deplored that $48,234.76 less than the amount guaranteed for Christian Education was raised, and $53,825.95 more than the amount actually raised was required and disbursed.

Comparing the amount received in bequests and legacies during 1929 and 1930 it is encouraging to note that the amount received in 1929 was $82,455.90, while the amount received in 1930 was $107,043.30, an increase of $24,587.40, or 29.8%.

Careful administration of the endowment funds entrusted to our Church has been an encouragement to our people who are contemplating leaving some or all of their estates to the Church for the up-building of the kingdom of God.

Budget Deficits to and Including 1926

Budget Deficits as at Dec. 31, 1926	837,468.38
Receipts to Dec. 31, 1930	574,702.82
Present status of the 1926 deficit	262,765.56

We have at hand unpaid pledges for the old budget deficits $16,244.49 which when paid will decrease the deficit to $246,521.07

On account of the general financial depression the ingathering for this purpose could not be completed in a large number of our congregations. It is urgent that the congregations that have not completed this work do so as soon as possible in order that the payment of interest on this amount may be obviated.

Budget Deficit Since 1926
As at Dec. 31, 1930

	Education	Home Missions	Foreign Missions	Charities	Total
Deficit Dec. 31, 1927	57,495.72	23,888.91	.....	8,917.94	90,302.57
Deficit Dec. 31, 1928	53,801.56	31,522.27	.....	.....	85,323.83
Deficit Dec. 31, 1929	20,890.51	.....	.....	.....	20,890.51
Deficit Dec. 31, 1930	53,825.95	.....	.....	.....	53,825.95
	186,013.74	55,411.18	.....	8,917.94	250,342.86

The above figures show the status of the budget deficits from Dec. 31, 1927 up to and including Dec. 31, 1930. The Church has voted that these deficits be absorbed in subsequent budgets.

Loans and Investments

The Loan and Investment Committee has held monthly meetings through the year and has encountered many difficult problems in connection with this department.

In view of the obtaining difficult agricultural conditions and general financial depression, the committee has not been able to do much more than to keep the funds intact about as reported last year. The sale of real estate received as gifts and acquired through foreclosure has been very difficult under the present economic conditions. In some instances where farms needed immediate attention, the committee found it necessary to use part of the income from funds that are intact for necessary maintenance and preservation of the investment. For this reason and also due to the fact that some of the loans made on farms are delinquent in the payment of interest, the returns from the endowment funds have not been as good as they will be when conditions improve and when investments in connection with the operation of the farms belonging to the different funds will show a normal yield.

In general the condition of the endowment funds has been improved. It will, however, take some time before the adjustment anticipated by the committee will be realized. The committee therefore asks the institutions concerned to be patient while these matters are being worked out.

Luther Seminary

As decided by the Church at its last general convention, plans are now being consummated for the ingathering of a building fund for Luther Theological Seminary. Dr. T. F. Gullixson, together with the seminary faculty, is in charge of this ingathering. The Board of Trustees makes an urgent appeal to all congregations to rally to the support of this cause in order that the much needed library building may become a realization.

Respectfully submitted,

Board of Trustees,

Finance

To the Norwegian Lutheran Church of America:

"But Jesus said unto them, Give ye them to eat." The disciples felt the inadequacy of their supplies, and their response was: "We have here but five loaves and two fishes."

The Finance Committee has very often throughout the year felt the inadequacy of the supplies at hand in comparison with the ever-growing needs, and it has often with considerable anxiety pondered over the question as to how the necessary means are to be gathered. It is, however, with sincere gratitude to God the committee recognizes that the same hand that was raised in blessing over the meager supplies of the disciples of old has also been raised in blessing over the ingathering and the means that have been gathered for His work.

While we did not reach the maximum amounts voted for the different activities, the committee, however, desires to express its gratitude to God for giving our people grace also this year to bring the following amounts:

For Christian Education	$225,916.33
For Home Missions	266,566.95
For Foreign Missions	300,632.20
For Charities	182,149.74

Together with these amounts, an amount of $222,557.12 has been received for miscellaneous purposes outside of the regular budget of our Church, besides contributions that have been sent direct to institutions and missions.

The committee recognizes the cooperation of our pastors and congregations, the different organizations within the congregations, and the individual members. The Church owes them all sincere thanks.

WOMEN'S MISSIONARY FEDERATION

The following amounts have been received through the Women's Missionary Federation:

For Christian Education	$57,801.94
For Home Missions	74,162.55
For Foreign Missions	88,377.13
For Charities	56,444.39
Sundries	32,365.53

This organization is growing in strength and in its achievements. It has become a power for good, and its value for service can not be overestimated. The Finance Committee recognizes the importance of the work of the Women's Missionary Federation and extends hearty thanks for its most splendid cooperation.

YOUNG PEOPLE'S LUTHER LEAGUE

The enlistment of the youth of our Church for the service which our Church has been called to perform is of great consequence. It should be gratifying to the Board and those directly connected with this activity who have labored so faithfully to see their efforts crowned with success that has become more and more evident from year to year. The finance committee desires to express its sincere appreciation of the splendid financial support contributed by this organization. The contributions are as follows:

Project	$16,433.91
Education	2,019.75
Home Missions	1,944.67
Foreign Missions	5,543.00
Charities	1,080.83
Miscellaneous	1,512.47

LUTHERAN DAUGHTERS OF THE REFORMATION

Another organization of more recent origin is the Lutheran Daughters of the Reformation. It is here proper to record an expression of appreciation of the good work that these young women have done for the Lord's cause. They have during the past year sponsored the blessed work of building the Anna Huseth Memorial Mission Station at Shishmaref, Alaska.

The Finance Committee is deeply mindful of the fine cooperation of the general president of our Church, the district presidents, the district and circuit financial secretaries and their committees, the workers in the individual congregations, the field superintendents and other field workers, and wishes to extend sincere thanks to them for their hard work and loyal support.

BUDGET DEFICITS

The budget deficits as of Dec. 31, 1926	$837,468.38
The amount raised by cash as of Dec. 31, 1930	574,702.82
	$262,765.56
Unpaid subscriptions	16,244.49
Balance	$242,521.07

This balance should be raised by the congregations that have not completed the ingathering of the apportionments for this cause.

The general budget of our Church has been apportioned from year to year. Many congregations have considered the apportionments as a minimum and raised considerable more than the apportionment, others have raised the exact amounts while a large number have not raised the full amount of their apportionments.

We trust that it has been the endeavor of all that have contributed to give according as the Lord has caused them to prosper. No further account is kept of this status after the accounts for the year are closed. It is noticeable that congregations that from year to year contribute the full amount of their apportionments or more have also contributed their apportionments to the deficit.

In view of this principle that has been applied in the raising of the budget it should not be considered unreasonable of the congregations if the congregations that from year to year have raised their apportionments for the budget and for the deficit that they expect that all congregations consider it their first duty to raise the apportionments for the deficit. All congregations should be willing to share in this ingathering.

INGATHERING OF THE 1931 BUDGET

By a careful organization of the circuit finance committees, and the finance committees of the congregations, the Finance Committee trusts that more effective work will be done in 1931. It is regrettable that the number of congregations not contributing is larger than last year, and that the amount raised for the general budget is $65,861.77 less than last year.

The question comes, "What more can be done?" Strenuous efforts must be put forth to reach our people. The emotions must be touched, the hearts of our people must be appealed to, the pitiful needs of the world must be visualized as well as the triumphs of the Gospel proclaimed. It is the endeavor of the Finance Committee to keep in close contact with the finance committees of the circuits and congregations in the hope that they in turn will carefully cultivate the fields assigned to them. This should be a great help to the pastors upon whom alone too much the responsibilities have rested in the past.

The every-member canvass must be carried so as to give all without exception an opportunity and an invitation to take part in the Lord's work. May not in these times a special encouragement be extended to those men and women who may be in more favorable circumstances to enlarge their generosity in support of the work for the Kingdom? Great is the need, and the Lord calls for helpers who with a glad heart will extend a well-filled hand. There is joy in doing our full share in our Master's business.

It may be difficult to get our generous givers to give more, but we must get more people to give.

May the Spirit of God fill our hearts and minds with a burning desire to see Christ crowned in the hearts of men.

Respectfully submitted, —Finance Committee.

To illustrate how the distribution in this schedule is made we take the figures for 1926 which are printed in the Annual Report for 1927. The following totals come into consideration: Treasurer's office, $29,522; Board of Trustees, $1,469; Controller and Audits, $6,640; Finance Committee, $12,678; Loan and Probate Committee, $3,833 charged against endowments; Investment Committee, $3,456 and Legal Council, $3,000—this amounts to $60,598. The items that constitute these charges are given as follows on pages 60 and 61; Business Administration, $43,655; Board of Trustees, $2,579; Sundry Items, $964; Finance Committee, $721; Field Superintendent, $11,072; and District and Circuit Expenses, $1,607,—a total of $60,598.

1) The $7,447 for 1918 includes fees for previous years' legal advice and documents for "Union Committee."

2) Percentages Overhead. The first percentage rubric expresses the relation between the total expenses and the actual cash received. The second percentage rubric expresses the relation between total expenses and the actual cash received plus the endowments administered.

Note the increase of endowments from $1,051,604 for 1918 to $3,892,027 for 1930. This is an encouraging fact and fairness suggests that the correct overhead for department IV as well as for the whole Church must be estimated on the basis of total cash received plus the endowments administered. Fairness also suggests that it costs more to look after $7,028,657 property which the Church owned in 1930 and the $3,124,366 it owned in 1918 (see rubric, "Property Values," Dept. I, Church Affairs B). However, we do not include that property item in our estimate for overheads.

IV. DISTRIBUTION DEPARTMENT.

A. Book Division.
1. The total sales for the Book Division for the year 1930 amounted to $243,669.29.
2. New titles issued in 1930.

The Board of Publication takes much pleasure in calling attention to the several books written by men of our own Church and published by Augsburg in 1930. There is much latent writing ability in our Church, and this ability, we are happy to note, is now rising to the surface.

Gift books of a devotional nature have found a ready market. Dr. O. Hallesby's "Why I Am a Christian," and Dr. Martin Hegland's "Walking With God" have gone into several editions.

New books published by Augsburg Publishing House in 1930 were:

3. Reprints of titles during 1930 included:

A second edition of Hallesby's "Why I Am a Christian," and of Hegland's "Walking With God" was printed in 1930, the first edition of these books having been sold shortly after being published.

A second edition of E. Kr. Johnsen's "The Passion Story of Our Lord Jesus Christ" was published during the Lenten season; the edition was entirely sold out.

4. **The Annual Report:**

	Total Cost	Loss on Each Edition
1924	$ 2,682.00	$ 1,314.00
1925	3,722.00	2,246.00
1926	4,360.00	3,097.00
1927	1,757.00	733.00
1928	2,254.00	1,124.00
1929	4,015.54	1,780.44
1930	2,650.82	1,045.40
		$11,339.84

For several years the Augsburg Publishing House has absorbed the heavy losses on the Synodical Annual Reports. Believing that this publication should conform in size to the retail price which has been paid in the past or be sold at its cost, with the cost varying in accord with its size, the Board of Publication has designated that the Synodical Report's cost price should be its retail price.

5. **Augsburg Christmas Cards.**

Each year an ever increasing number of our church organizations are distributing our Christmas cards. We are now publishing one of the few Scripture text series of greetings on the market.

6. **1931 Augsburg Publications.**

Although this report relates only to the year 1930, we wish to call to your attention our 1931 publications:

Author	Title	Selling Price
T. Huggenvik:	Fourteen Men Who Knew Christ	$1.00
F. Nelson:	Ideas and Ideals	1.00
O. Lee:	The Second Coming of Christ	1.50
N. Rønning:	The Living Word	1.00
O. Hallesby:	Prayer	1.00
B. Nelson:	The Deluge Story in Stone	1.50
A Christmas Annual	"Christmas"	1.00

7. **Sunday School Material.**

Our new four-page Sunday school leaflets for beginners are now ready. They have beautiful colored pictures, lesson material, children's music and handwork.

8. **Ten Study Series.**

When completed the "Standard Teachers' Training Course" for Sunday school teachers will include eight books. Of these five have already been published, as follows:

Ten Studies in the Catechism, Tanner.
Ten Studies on the Child, Tanner.
Ten Studies in Religious Pedagogy, Tanner.
Ten Studies in Church Doctrine, Tanner.
Ten Studies on the Sunday School, Bruce.

The three books still in preparation are:
Ten Studies in Biblical History.
Ten Studies in Church History.
Ten Studies on the Lutheran Church.

9. **The "Augsburg" Gift Bible.**

This is the regular Bible with a section of Practical Bible Study Helps written especially for this Bible by Dr. Jacob Tanner, Professor at our Luther Theological Seminary. It is an edition that will be especially suitable as a Confirmation Bible, offering our young people "Bible Helps" that are strictly in accord with the teachings of the Lutheran Church. It can be supplied either in the King James or the American Standard Version.

B. **Subscription Division.**

In common with the experience of other publishing houses the number of subscribers to our church papers, "Lutheran Herald" and "Lutheraneren," showed a decrease in 1930. That this decrease was not larger is due in a considerable measure to the efforts of Ladies' Aid societies and Luther Leagues who carried on subscription campaigns during the year. **As a further inducement, commissions were substantially increased from 10 per cent on renewals to 40 per cent for the fall campaign. This naturally decreased our subscription receipts very materially, but as an emergency measure it resulted in retention of the greater percentage of subscribers.**

On December 31, 1930, the name "Lutheran Church Herald" was changed to "Lutheran Herald," which was the name originally selected for the paper at the 1917 church merger.

It will be noted, that the Sunday school papers show an increase, with one exception.

The circulation figures are as follows:

Paper	Jan. 1, 1930	Dec. 31, 1930	Increase or Decrease

Church Paper Subscription Campaigns

Two subscription campaigns have been conducted by the subscription department. The first in the fall of 1930. At that time we had 528 Luther Leagues working turning in 3,200 new and 3,500 renewal subscriptions for "Lutheran Herald," and 1,160 new and 1,804 renewals for "Lutheraneren." This spring 200 Luther Leagues worked with a final report of 840 new and 522 renewals for "Lutheran Herald," and 250 new and 307 renewals for "Lutheraneren."

Since the close of the year 1930 renewal commissions given during subscription campaigns have been reduced from 40 to 10 per cent. It is our plan to make this 10 per cent the standing renewal commission for all future campaigns. Forty per cent will be allowed on new subscriptions only.

The Parish Paper

"Our Lutheran Monthly" is the Lutheran parish paper published by Augsburg Publishing House. The parish paper is meeting with much favor. It is a four-page paper, we furnish the material for one or two pages, in addition to the title page, as one may desire, while the remaining pages are for congregational news and other material furnished by the pastor.

C. **Manufacturing Division.**

The work completed by the manufacturing department in 1930 amounted to $286,107.26.

V. CREDITS AND COLLECTIONS

A four-year comparison of accounts receivable indicates a constant trend toward reduction.

January 1, 1927	$153,925.94
January 1, 1928	141,738.53
January 1, 1929	126,434.92
January 1, 1930	126,663.63
January 1, 1931	122,692.73

VI. ACCOUNTING AND FINANCE

A. **Finance**

There were no notes payable at the end of the year 1930. This is the first time this has happened in Augsburg's history since 1917.

B. **Accounting**

All operations, accounts and records for the year ending December 31, 1930, have been audited and certified to by Preston, Anderson, Waldo & Co., Certified Public Accountants.

VII. ADMINISTRATION DEPARTMENT

A. Financial Operations for 1930.

A review of the 1930 financial operations must take into consideration the prevailing distressing business conditions throughout the nation.

From the Northwest territory we receive the greater percentage of our patronage.

During 1930 our people bought fewer expensive Bibles, and hymnaries and fewer books, the expense as well as the inexpensive. Our church organizations received increased commissions to solicit renewals to our subscription lists to stem the flood of cancellations. In addition cancellations by individuals expressing a desire to renew later were kept on our lists for ten months.

Extremely competitive prices caused material reductions in the margins on commercial printing.

These various factors contributed to the reduction in operating profit for 1930.

It is, however, most gratifying to note the improved condition of our financial position on our comparative balance sheet. For the first time we have eliminated all notes payable. Our inventories and receivables have both been reduced. Our Net Worth has been increased so in the face of a disturbing depression our financial position has been improved.

AUGSBURG PUBLISHING HOUSE THROUGH FORTY YEARS

Briefly sketched by N. N. Rønning

Lars Swenson

Erik Waldeland

A. M. Sundheim

The Lutheran Church, perhaps more than any other denomination, has realized the importance of the printed page. Few men have made more effective use of the printed page than Martin Luther. By means of it, he hurled his protest against the abuses of the Catholic Church, so that he shook the very foundation of Rome, and through an almost endless stream of books and pamphlets, he gave a spiritually and intellectually hungry world religious instruction, guidance and inspiration.

What he spoke was heard by thousands; what he wrote was read by millions.

The church which bears Luther's name caught and retained his vision of the importance of the printed word. His example became an abiding inspiration.

The Norwegian Lutheran people in America came from a country where the printed word was held in high esteem. Practically all adul s could read. The early immigrants had a great respect for their Christian religion. A Bible, hymn book, book of Sermons, and religious textbooks, were found in most family trunks.

It is ninety years since the Norwegians in America began to publish religious reading matter. To Elling Eielsen (ordained in 1843) belongs the honor of having taken the first step. In 1841 he walked from Illinois to New York and had published, as a personal effort, Luther's Small Catechism into English.

As early as 1850 a Norwegian newspaper, "Nordlyset," (The Northern Light) was started in Muskego, Wis., when there were as yet only 12,678 Norwegians in the different and widely scattered settlements. In March, 1851, the first church paper was established, "Maanedstidende."

The Norwegian Lutheran Church of America, numbering nearly half a million souls, carries on four main activities: Home Missions, spreading the Kingdom of God at home; Foreign Missions, spreading it in non-Christian lands; Education, training leaders and workers; Charity, caring for those fallen by the wayside.

But there is another agency, without which these four could not function, and which therefore makes it one of the most important factors in the Church: the Augsburg Publishing House.

The other activities depend for their existence on large contributions. The publishing house is not only self-supporting but has been built up into one of the largest concerns of its kind among the Lutherans in America, through its own earnings. More than that, it is contributing, out of its surplus earnings, to other activities.

As the present year, 1931, marks the Fortieth Anniversary of Augsburg Publishing House, it is fit and proper to consider very briefly how this publishing establishment has served the Norwegian Lutheran Church of America and how it plans to meet the changing conditions and the growing demands.

Augsburg Publishing House represents two great church consolidations among the Norwegian church people in America; one of 1890, when the United Lutheran Church came into being, and one of 1917, when the Norwegian Lutheran Church of America was organized.

In the year 1890 the Augustana Synod, the Norwegian Danish Conference, and the Anti-Missourian Brotherhood merged under the name, the United Lutheran Church.

The Augustana Synod had published "Luthersk Kirketidende" since 1873; the Conference, "Lutheraneren" since 1868; and the Anti-Missourian Brotherhood, "Luthersk Vidnesbyrd" since 1887.

These three papers were consolidated under the title "Luthersk Kirkeblad." The Conference had a publishing plant at Augsburg Seminary, valued at $16,066.08. This was reorganized in 1891 under the name Augsburg Publishing House, with Mr. Lars Swenson as manager.

As a result of a controversy in the new Church, leading to a split, Augsburg Publishing House was moved from Augsburg Seminary to a large building on Seven Corners in South Minneapolis.

In 1895 the name of the church paper "Luthersk Kirkeblad" was changed to "Lutheraneren."

Under Mr. Lars Swenson's management Augsburg Publishing House made rapid strides. The printing department was very much expanded. Mr. Swenson, a veteran of the Civil War, treasurer of the "Conference" twelve years, serving as treasurer of the United Lutheran Church from formation of the union till his death in 1904, while at the same time acting as manager of the publishing house, took active part in political and civic life, being at one time member of the city council, a state senator and a member and treasurer of the Court House Commission which built the new City Hall. Such a man had all the qualifications for laying a broad and deep foundation for a great publishing house.

Mr. Swenson was very much interested in securing the corner of Fifth Avenue South and Fourth Street, as a site for a new building to house the growing publishing plant. On January 28, 1904, he had the joy of being advised that the deal had been closed. Four days later he breathed his last.

Mr. Erik Waldeland was named manager and Mr. A. M. Sundheim assistant manager. Mr. Waldeland served as manager until the church merger in 1917, when he became treasurer of The Norwegian Lutheran Church of America. Mr. Waldeland died in 1925.

In October, 1908, Augsburg Publishing House moved into its new building.

Under the inspiring leadership of President G. Hoyme and later under the wise leadership of President T. H. Dahl, the United Lutheran Church grew by leaps and bounds, and the Augsburg Publishing House kept pace with this rapid development.

Among the more important publishing achievements may be mentioned the publishing of the whole Bible in the Norwegian language. It was a fine

and expensive piece of work. In order to stimulate the widest distribution it was sold at $1.35 per copy. It had a most gratifying sale.

A revised edition of "Landstads Salmebog," adapted for the Norwegian America churches, was published. Text books for religious instruction of youth were published both in the Norwegian and the English languages. Several devotional books in Norwegian by pastors of the Church were issued and met a hearty response.

Mention must also be made of the Dr. O. M. Norlie's work in connection with Augsburg Publishing House. His efforts have been referred to as "a titanic piece of work." In 1914 appeared a volume containing short biographical sketches of all Norwegian pastors in America, called "Norsk-lutherske prester i Amerika," edited by Dr. Norlie and others. In the course of the next few years this was followed by historical sketches of the Norwegian Lutheran congregations, "Menighedskalender" and in 1924 "School Calendar" giving short biographical sketches of 3,600 persons who have taught in Norwegian Lutheran schools in America. Through ages to come these books of great historical significance will be a credit to the authors and the publishers.

Another monumental work is "The Library of Christian Hymns." This was a labor of love on the part of the author, the late Prof. John Dahle. The manuscript was translated into English by Rev. M. Casper Johnshoy.

We now come to the greatest event in the history of the Norwegian church people in America. The union of 1917.

On June 9 of that year was consummated the merger of the Hauge Synod, the Norwegian Synod, and the United Norwegian Lutheran Church, under the name The Norwegian Lutheran Church of America with 3,009 congregations, 1,251 pastors, and 443,563 souls.

For many years conferences and committee meetings had been held paving the way for union. But it should be pointed out that the consideration of the publishing business had been a potent factor. For some years several synods had co-operated in publishing literature. This meant that leading men from the different synods had to meet as man meets man. Personal respect and esteem paved the way for synodical friendship. But the main force lay in its practical success. Take the "Graded Lessons," for instance, all that were interested in Sunday School work could see that the "Graded Lessons" were a great improvement upon the old arrangement of material. "The Lutheran Hymnary" alone was a silent but powerful messenger of peace in the Lutheran camp. This was the official English hymnal of the different synods for many years.

The Hauge Synod brought the prestige of being the oldest Norwegian Lutheran church association in America. The Hauge Synod, organized in 1846, had a church paper, "Budbæreren," established in 1868. The Norwegian Synod, organized in 1853 had two church papers: "Evangelisk Luthersk Kirketidende," established in 1855, and "Lutheran Herald," established in 1906.

The United Lutheran Church organized in 1890 had two church papers: "Lutheraneren," established in 1876, and "The United Lutheran," in 1907. Upon the formation of the union the publications were combined under the names, "Lutheraneren" and "Lutheran Church Herald." The latter name was in 1930 changed to "Lutheran Herald." In order to give the three parties due credit for their achievements in this branch of their church work, every issue of "Lutheraneren" still carries the information: "Ev. Luth. Kirketidende," Vol. 76. —"Budbæreren," Vol. 63.—"Lutheraneren," Vol. 37. (For 1931).

The Hauge Synod had a publishing plant at Red Wing, Minnesota, valued at $737.13. The Norwegian Synod had a business concern at Decorah, Iowa, with assets of $112,588.51. The assets of the Augsburg Publishing House were put at $271,617.50, making the total of $384,943.14. The Lutheran Publishing House at Decorah, Iowa, was continued as a branch.

Mr. A. M. Sundheim was made manager of the greater Augsburg Publishing House. Having served as superintendent of the printing office of this establish-

ment since 1890, and as assistant manager since 1904, he was thoroughly familiar with every phase of the printing and publishing departments. His management during the twelve years he served as manager was characterized by good judgment and progressive conservatism.

After twelve years as manager Mr. Sundheim retired from active service in 1929, assuming the position as Literary Counselor of Augsburg Publishing House.

Mr. R. E. Haugan took over the management January 1, 1929. He entered the employ of the publishing house in 1924 as assistant superintendent of the printing department. Two years later he was made sales manager of the entire establishment, and in 1927 assistant business manager.

New conditions raise new problems. With the rapidly increasing use of the English language, thought-currents from outside sources began to make themselves felt and demands for reading matter and hymn books in the language of the land grew apace. The challenge of Modernism, Agnosticism, Atheism and various other destructive tendencies as well as of Science had to be met; the faith handed down by the fathers had to be reaffirmed and defined in terms of today. Above all, literature for the awakening and fostering of spiritual life of old and young must be provided.

Augsburg Publishing House has looked upon the new problems as an opportunity to serve the Church.

Among books taking cognizance of the scientific, social and religious problems may be mentioned, Rev. Byron C. Nelson's "After Its Kind" and "The Deluge Story in Stone"; Rev. Thorwald C. Thorson's "The Oppression and Exodus"; Dr. G. M. Bruce's "Marriage and Divorce," and Dr. M. J. Stolee's "Genesis of Religion."

A truly great book is Dr. E. Hove's "Christian Doctrine." Dr. Johs. Ylvisaker's "Commentary on the Four Gospels," soon to be published, is eagerly looked forward to.

Augsburg Publishing House has always been keenly aware of the fact that the Church it serves is a singing Church. Since 1919 it has had the great fortune to enlist the services of Dr. F. Melius Christiansen. "The St. Olaf Choir Series," in seven volumes, containing 128 choral selections, have come from his hand. The last seven selections were added this summer.

Prof. Gunnar Malmin and his wife, Dorothy, compiled "Songs and Hymns" and "Songs and Anthems," two- and three-part selections.

"Hymns for Church Schools," sponsored by the Board of Elementary Christian Education, with the assistance of Prof. Gunnar Malmin, has been recently published.

Books needed by the pastors in their work, and books for the religious instruction of youth, the latter with the assistance of the Board of Elementary Christian Education, are being supplied.

In order to create in the young people a taste for the best Christian literature and to meet the great and growing demand for such literature, the "Lutheran Herald" is published once a month as a special magazine, beautifully illustrated, and containing the choicest kind of reading matter. This new feature has met the warmest kind of reception.

While the publishing house of a church should carry a carefully selected supply of general literature, one of its greatest missions is to furnish reading matter which will awaken and foster spiritual life.

In order to keep its constituency in touch with the strong pulsating religious life in Norway, Augsburg Publishing House has published in translation two volumes of daily devotions, one by Bishop N. Laache and one by Rev. Conrad Svendsen. In 1930 it published Dr. O. Hallesby's "Why I Am a Christian," which struck a popular chord not only among Lutherans but also in other denominations. His book "Prayer," soon to appear, will undoubtedly

be welcomed by thousands of readers. Both these books have been translated by Rev. C. J. Carlsen.

Prof. M. O. Wee's "Who Is Jesus" and "Moses" have enjoyed a large sale. Dr. O. E. Brandt's "Friendship" met a most gratifying response. Dr. Martin Hegland's three books "The Secret of a Happy Life," "Eyes That See" and especially "Walking With God" have won merited and signal success. Of the last mentioned, 6,000 copies have been sold.

"Fourteen Men Who Knew Christ" by Prof. Theodore Huggenvik and "The Living Word" and "Jesus in Prayer" by N. N. Rønning, are just off the press.

In conjunction with the Board of Elementary Christian Education of our Church, Augsburg Publishing House is publishing a "Ten Studies" series of books for the Sunday School Teachers' Training Course. Five books of this series have been published: "Ten Studies in the Catechism," "Ten Studies on the Child," "Ten Studies in Religious Pedagogy," and "Ten Studies in Church Doctrine," all by Dr. Jacob Tanner, and "Ten Studies on the Sunday School," by Dr. G. M. Bruce. The remaining books in this series will be published in the near future; they are: "Ten Studies in Biblical History," "Ten Studies in Church History" and "Ten Studies on the Lutheran Church."

A Lutheran parish paper "Our Lutheran Monthly" is one of the new publishing ventures. A large number of congregations, several belonging to other Lutheran synods, are subscribers to this paper. Two to three pages are syndicated printed matter, the balance of the paper is for local news or editorials furnished by the local pastor.

For a long period of years Augsburg has published year books "Folke-Kalender" and "Lutheran Almanac," which in addition to furnishing interesting and practical information about our Church, also contain about fifty pages of devotional and instructive articles and good, brief stories. The sale of these year books runs up to many thousands every year.

A Christmas program for Sunday schools, a 32-page leaflet, has been published annually for a number of years. 25,000 copies of the Christmas program is the average yearly sale.

About two years ago a reading club was started called "The Current Literature Reading Club," numbering now about three hundred members, who each buys one book a month from a list recommended by Augsburg Publishing House.

More than one million Christmas greeting cards, mostly with Scripture Texts, were sold by Augsburg in 1930, and the number will be greater in 1931. The interesting feature about these million cards is that they have all been manufactured at Augsburg Publishing House—the art work has been executed by its own designers, and the printing has been done by its own color process presses. The manufacturing of Christmas cards is another of Augsburg's new ventures.

This year there is in preparation an "Augsburg Gift Bible"—this is the regular Bible (one has the choice of the King James Version and the American Standard Version) with a 64-page "Bible Study Helps" section prepared by Dr. Jacob Tanner of our Luther Theological Seminary.

Every year, for the last 20 years, there has been published the Norwegian Christmas magazine "Jul i Vesterheimen," edited by A. M. Sundheim. This beautiful magazine with its excellent articles and stories and its colored pictures and other art work, has become an "institution" among the Norwegians in America every Christmas season.

This year Augsburg Publishing House is publishing for the first time also a Christmas magazine in the English language exclusively. The name of this magazine is "Christmas," and Randolph E. Haugan is its editor. This publication is a work of art, with its contents in true Christmas spirit.

In his report to the annual convention of our Church in 1930, the manager of Augsburg Publishing House submitted the following, which may be made a part of this 40-years' survey:

"Editorial Contemplations: This paragraph is made a part of this report in order to record a specific outline on the basis of which future publications should be planned and the sense of our requirements can be determined.

"Considering the publication field as a whole we have this classification to consider: General, Philosophical, Philological, Artistic, Literary, Historical, Sociological, Scientific, Applied Scientific, Religious.

"Segregating the religious publication field we have this classification to consider:

"General, Biblical, Doctrinal, Devotional, Homiletical, Ecclesiastical, Philosophical, Practical, Historical, Denominational.

"The administrative department senses as its specific responsibility to stress permanently at present publications first in the devotional classification, and secondly, the practical classification and thirdly the denominational classification in the field of religious publications."

After forty years of service effectively rendered; with fine traditions established; with its mechanical equipment; with a large and varied assortment of books and supplies of all kinds, and with comprehensive plans for the future, Augsburg Publishing House stands ready to serve the Church in the upbuilding of the Kingdom of Christ through the printed word.

It commends itself to the goodwill and co-operation of its large and intelligent constituency.

The income from the Fund itself during 1930 to be disbursed for pensions in 1931 is $23,847.73.

The general convention in 1930 passed the following resolution:

RESOLVED, that the Board of Trustees is authorized and directed to apportion to the various congregations the respective sums necessary to provide $55,000 for the year 1931 and to provide $65,000 for the year 1932 to maintain the pensions paid to the pensioners under the present plan at $320 a year for said years, and in like manner to apportion the alternative sums necessary to provide $95,000 for the year 1931 and $105,000 for the year 1932 to bring the pensions to the pensioners under the present plan to a maximum of $500 for each of said years; and that the Board of Trustees ask the several congregations to elect which amounts they will undertake to raise and to include the same in the sums to be raised by the congregations and report the same separately in the remittances." (See Convention Report for 1930, page 485.)

B. Report from Board

The General Secretary of our Church has suggested that we should make of the 1931 published report a brief survey of the work done by our department during the last decennium. For this reason we again give a brief summary of the work of the Board of Elementary Christian Education since its organization in 1920.

1. A plan has been worked out for the organization of the Church in this field. The plan provides for Committees or Boards of Elementary Christian Education in every congregation, circuit, and district. Provisions are also made for the cooperation of these Boards with the synodical Board to further the instruction of the children in the Church. Lack of field workers has delayed the organization of the Church according to this plan, but even so quite a little has been accomplished.

2. Three textbooks for Bible classes have been published, namely, Grimsby: The Life of Christ; Bruce: An Elementary Introduction to the Bible; Tanner: Manual of Bible Teaching.

3. Two other books have been published, namely, Dr. Martin Anderson's "Adult Class Manual" for the instruction of adult catechumens, and "Elementary Christian Psychology" by Dr. Norlie.

4. A training course for teachers in service has been prepared. It is a two-year course requiring eight textbooks. Five of these textbooks are already printed, namely: Ten Studies in the Catechism, Ten Studies on the Child, Ten Studies in Religious Pedagogy, and Ten Studies in Church Doctrines by Dr. Tanner; and Ten Studies on the Sunday School by Dr. Bruce. (This was published in February, 1931.) The last three textbooks of this course we hope to publish before very long.

5. Two papers, "Little Folks," and "The Lutheran Teacher" have been launched.

6. Three pamphlets have been published, one on teachers' training, one on the Week-day school, and one on the organization of the Church for this work. Report blanks for congregations, circuits, and districts, and also a Sunday school standard with data sheet and scoring card have been prepared.

(See page 6 for N. L. Teachers' Association)

7. The Board has also assisted in preparing the new Sunday school hymnal.

8. A large number of teachers' institutes and also several institute instructors' short courses have been conducted.

9. The Board was also instrumental in promoting the introduction of a special course in religious education at the Seminary.

10. With the sanction of the Church a Synodical Director of Elementary Christian Education has been engaged to give his whole time to this work throughout the Church.

11. The Board has also outlined a Home Program for elementary Christian education in the congregations. This program has been approved by the General Convention of the Church.

12. A considerable number of articles both in Lutheraneren and the Lutheran Herald have been published by the Board or its individual members, discussing the need of this work and ways and means by which it can be properly promoted.

13. Through the help offered by the Aid Fund a growing interest in the instruction of our children has been developed in an increasing number of Mission congregations.

14. During these ten years the endowment funds for Elementary Christian Education have grown from $2,000.00 to $38,354.26.

15. A greater consciousness of the responsibility and opportunity with respect to the proper and adequate religious training of our children has been developed.

16. At the initiative of the Board, representatives of the different Lutheran bodies have had five meetings to discuss principles and practices in the field of elementary Christian education.

17. It has taken the initiative in securing a uniform English translation of Luther's Small Catechism, and had a large share in bringing this undertaking to a successful issue.

*

During 1930 the Aid Fund has assisted the different Districts as follows: In the Eastern District we helped one congregation with $24.00; in Northern Minnesota 17 congregations and six mission places with $790.00; in North Dakota seven congregations with $210.00; in South Dakota three congregations with $125.00; in Iowa one congregation with $50.00; in Rocky Mountain District 35 congregations and eight mission places with $1,320.00; in Pacific District one congregation with $50.00; and in Canada District one congregation with $50.00.

During the year we helped 66 congregations and 14 mission places to have 1,254 days of school for 1,944 children at an expense of $1.29 per child.

Compared with the figures for 1929, we find that last year we helped 14 more congregations and several more mission places to have 448 more days of school for 441 more children.

The total expense was $2,635.40. Of this sum $16.40 has been used for supplies for the Sunday School of the Luther House, Minneapolis.

The requests for aid from the Aid Fund have increased the last years as follows:

1926	$ 530.00
1927	1,127.50
1928	1,832.50
1929	1,841.50
1930	2,625.41

It will be seen that during the last five years the requests increased from $530.00 in 1926 to $2,635.41 in 1930—or a total increase of $2,105.41. Even the sum used last year is, however, so insignificant, when we remember that it is spread over the whole Church, and the work done for this money is so fundamental, that it can safely be said that it is the most profitably used money of all the Church pays out.

In 1930 the Aid Fund received $6,128.96 in testamentary gifts. This sum was added to the fund on hand, which by Dec. 31, 1930, amounted to a total of $38,354.26.

This Fund remains intact, and is administered by the Board of Trustees of the Church. The interest is used to help needy congregations and mission places to conduct schools for the Christian instruction of the children. Interest from certain parts of the Fund is to be used only in North Dakota, and of other parts only in the Northern Minnesota District. The total interest for 1930 was $708.97.

There are from year to year quite a few who remember the work of the Church in their will. In behalf of the children and for the sake of the Church of tomorrow, we respectfully ask that the work of instructing the children in the Word of God be not forgotten when the gifts are distributed.

On December 15, 1930, the Church published:

Little Folks in	25,169 copies
Barnevennen in	3,244 copies
Children's Friend in	48,807 copies
Lutheran Teacher in	5,602 copies
Our Young People in	31,694 copies

Comparing these figures with the previous year we find that the subscribers to

Little Folks have increased	55
Children's Friend have increased	1,999
Our Young People	1,980

While The Lutheran Teacher has remained the same and

Barnevennen shows a loss of 460

Augsburg Publishing House is endeavoring this year to increase the circulation of all these publications, especially "The Lutheran Teacher." And we would urge pastors and superintendents to see to it that all the teachers and pupils are adequately provided with Sunday school papers from our own Church.

We would again call special attention to "The Standard Teachers' Training Course" published under the auspices of our Board. There ought to be a training class for teachers in all the congregations—at least in every charge—throughout our Church. And we believe this course will be a great help to all who are planning to organize such classes. The price of the books is 60 cents each or $2.75 for the set of five books.

During the year 1930 the Synodical Director visited congregations in Texas, Washington, Montana, Colorado, Virginia, and especially the North Central States. As a rule he has spoken from three to five times a Sunday. He has also had a number of week-day appointments. He spoke at several Circuit Institutes and visited all the District Secretaries of Elementary Christian Education excepting one. He attended the meeting of the American Lutheran Conference as a delegate from our Church. He also attended the meeting of the Inter-Synodical Conference on Elementary Christian Education held in Chicago in February. He spoke at three of our Church schools: Luther Theological Seminary in St. Paul, Clifton College in Texas, and Augustana College in Sioux Falls. We are glad to see that the work of the Synodical Director seems to be appreciated, but it is only a comparatively small number of congregations that can be reached as long as we have only one man devoting his entire time to this work.

The Board decided some time ago to recommend the use of Leaflets in place of Picture Cards in the Beginners' Department of our Sunday schools. Considerable effort has been put forth this last year to prepare such suitable leaflets. It is our hope that these leaflets as well as the Teacher's Manual will be ready by the time school opens in the fall.

A request has been sent to all the District Presidents that the Home Pro-

gram, which was approved by the Church in 1928, be taken up for discussion at the District Conventions this year.

Respectfully submitted,

B. BOARD REPORT

We invite you, dear co-workers, to consider together once more a chapter of the history of the Women's Missionary Federation.

It is with deep-felt gratitude to our heavenly Father that we record this chapter of progress, this chapter of increased interest and encouragement. To Him we ascribe the glory for what we have been permitted to accomplish in the service of the Church. We do well to pause and think of the manifold blessings which we as an organization have enjoyed this past year. In what measure have we given expression to our love and gratitude, in our lives and service? May this retrospection and reflection fill us with sorrow for our many shortcomings, and an increased desire to give ourselves more fully to His service.

When we examine our records we shall find both encouraging and discouraging showings. At the last general convention, the president suggested the following: Better church attendance, a larger active membership in our societies, a church paper in every home, mission study, increasing our gifts in proportion to our spending for pleasure and comfort, and the development of the spiritual life of each member of the organization. May these be the goal of endeavor of this present bi-ennium! How far have we not fallen short!

Responsibilities and obligations have grown to large proportions to meet the ever increasing needs and opportunities. Our part in meeting these is a truly happy and joyous service, a great privilege which every conscientious Christian woman should appreciate. It is a work for all the women of the Church. As yet we have but touched upon what might be accomplished if all the women of the Church were enlisted in the great work. The Women's Missionary Federation is, as the name implies, a welding together of women missionary spirited. Through unity and strength which comes by organization, the women of the Church have been instrumental in disseminating missionary intelligence, and have endeavored to cultivate a true missionary spirit, which, while leaving much to be desired, is, however, showing results not only in our Church in America, but on the three foreign fields as well.

Is it too much to ask? Dare we do less in the face of unlimited opportunities such as these? There is something wonderful in the thought that we, working quietly and modestly as becometh women, may bridge the continents and the oceans with the influence of love, and plant the banner of the cross in heathen lands. "Your love has a broken wing if it can not cross the ocean."

The Foreign Field

"Shall we whose souls are lighted
With wisdom from on high
Shall we to men benighted
The lamp of life deny?"

Two years ago, when the world honored Edison and commemorated the invention of the electric light, one radio announcer said, "We have turned off all electric lights in Dearborn, and have only kerosene lamps and candles, that we may have fresh realization of the value of light." Commenting on this, some one said, "We wish we might suggest a similar demonstration, which would bring vividly to our minds the contrast which we should more fully appreciate, to strengthen our convictions for missionary service. But since we

are not dealing with material things, it is not so easy to use the same methods, but the analogy is the same." Can we be as happy in our Christian life as we should, if we are not sharing the light of Christ?

"To most of us, 'Go ye,' means give ye, pray ye. Some can go, most can give, and all can pray." Each field has its own peculiar needs, and these should be studied carefully. Let us pray for our workers on the field. With anxious hearts we have awaited news from our captive missionaries, Rev. Kr. Tvedt and Rev. Bert Nelson. How we rejoiced over the word of the release of Rev. Tvedt! We are praying and looking forward to similar good news from Rev. Nelson, whose release, at the present writing, has not been confirmed. Let us pray for our returned missionaries, Mrs. Wm. Trygstad and Dr. Nellie Holman, who are ill. May God comfort and strengthen them. Our missionaries and native workers have a right to look to us to support them in prayer. The Women's Missionary Federation ought to be a great reservoir of prayer.

The Mission Box

What an inspiration it is to come into a home and see a mission box occupying a place of prominence. Let us place our box where we can see it every day, let us dedicate it to His service. How much more could be done if there were a mission box in every home in the Church. We record with gratitude a steady gain in this department of W. M. F. work. The contents of the mission box is divided equally between Home and Foreign Missions.

The Home Field

By this term is meant our Church in action in America. If the growth at home could keep up with the growth that the foreign field has reached, our statistics would take on a different color. Let us pray for a spirit of service, that more and more women will offer themselves for service in our societies. While reports on hand show that a wide range of work is being accomplished by the women of the Church, both in line of studies about the Church and substantial contributions towards the work of the Church, we can not but bemoan the fact that worldliness and indifference on the part of many of the women of the Church cripples the work. If only every woman in the Church could be counted on, how much more could we not do for Home Missions. We love and honor our co-workers, the general, district and circuit officers, the departmental secretaries, the office secretary and our two W. M. F. editors. But how much do we not appreciate the individual members of the societies, our regular workers and givers, Humanly speaking, how much do we not depend upon them! Every project is dependent upon individual effort.

The Women's Missionary Federation is trying to help women find wise use of the leisure thrust upon them by modern inventions and trying to help solve the unemployment of the middle aged woman. You may smile at this and say, "You do not know how dreadfully busy I am." In this intense age, it is true that women are absorbed in activities of all kinds. Every hour of the day seems to be filled. We need to make special efforts to center our thoughts on things that are most worth while, on things that are eternal. This is simply a plea for better use of hours so often sadly abused, hours wantonly squandered. The Literary Digest, in speaking of this very thing says, "For the sake of their children as well as themselves, mothers should supplement the exacting years of child nurture with later years of other useful endeavor. Take the middle aged woman, whose children no longer demand her time, and whose energies are often unchanneled. The futilities with which such persons fritter away their time and the consequent lack of contentment are among the moral wastes of womanhood. For such women to go forth into remunerative and competitive business is often unnecessary and undesirable, but here the Church offers fields of religious activity which will round out the motherhood into woman's most satisfying career." We are in a period where woman's time and interest are solicited not only by one organization, but by a multiplicity of them. Are we not in danger of allowing too much of our time and efforts to be utilized by

lesser interests outside the Church? Yet, the work and the program of our organization in its fullest sense, stands paramount above all others.

We are during these days in convention assembled, centering our thoughts about the important question, "Lord, what wilt Thou have me to do?" What a challenge to the womanhood of the Church! May God richly bless our deliberations on our glorious theme, "The Church and the Home." How much we need to bestir ourselves and face squarely the importance of inculcating into the hearts and minds of our boys and girls, the proper regard for things sacred, for God's holy institutions. May we receive with open hearts the answer to the question, "Lord, what wilt Thou have me to do?"

In devising ways and means of raising funds, let us exercise care and judgment. Surely we are expected to set good examples, and avoid things which have the appearance of evil. "What can we do?" you may ask. "When we have on hand a very beautiful quilt?" When the article is so valuable that it is difficult to find a buyer, we should like to recommend that the article be purchased outright by the gathering present. This can be done by taking up a silver collection. We call to mind a spread made by a friend of missions. She felt that it should bring the sum of thirty dollars. The W. M. F. circuit convention bought the spread by taking up a collection, and the kind woman who made it received forty-three dollars, which she in turn sent to missions. The spread was presented to someone the gathering wished to honor. On another occasion, the Indian Mission received the money and the quilt. What ever we do, let us abide by the law, and not use means that savor ever so little of wrong.

We recommend that there be closer follow-up system of women who move from one locality to another. The conservation of members is a baffling task. We need to hold those we have quite as much as to secure new ones. It also means much to the "Stranger within our gates," that we welcome her and make her feel at home in our society.

On the Home field we have the Bethany Indian Mission, to which we call your attention anew. How important is not the great redemptive work among the native Americans, to whom we are under a great and lasting obligation! It is important and necessary that we support the Indians on our field at Wittenberg, Wisconsin, by purchasing their baskets. Their former means of livelihood, hunting, fishing, lumbering, have been taken away from them. Their poverty is distressing. Basketry is their native craft, and should be encouraged as much as possible. Will not more societies send for an assortment of baskets, thus helping them to perpetuate their useful craft? It means much to every Indian home. They offer us their work, the product of their honest toil. They need our patronage and encouragement.

One-half of the life membership and in memoriam fund for the biennium of 1929-1930 was used for the establishment of homes for dependent Indians. The sum was large enough to buy forty acres of land, an old Indian camping ground, on the banks of a beautiful trout stream and directly opposite the church in which the Indians of the settlement worship. There were also enough funds so that three log cabins could be erected, and these were occupied as soon as finished. This project warrants our continuous support.

Christian Nurture

The Christian Nurture Committee has earned our gratitude for the time and thought these busy women have given to this department, which perhaps is to be counted as our most important department. As we mothers of the Church consider the question, "Lord, what wilt Thou have me to do?" we are again confronted with a challenge and realize that the place to begin is in the home. As mothers dedicating ourselves to the task of laying an indispensable foundation, let us be about this business. We have much to answer for. That which we want in the future must be planted in the heart of the child. How much we need to pray for guidance and wisdom!

We wish to call your attention to the project suggested by this committee,

namely, that the children be encouraged to make scrap books containing pictures and clippings. This book is to be called "My Church" and, as the name indicates, is a very telling way of becoming acquainted with the Church to which they belong. Another source of information about the Church to which we owe so much, is the church paper. Let us make an effort to get church papers into as many homes as possible. It is our clear conviction that our church papers merit our generous and whole-hearted support, and our children should be encouraged to read them. We have a favor to ask of every woman who reads or hears this report, namely, that she will endeavor to procure at least one subscriber to our church papers. We are confident that it will require but little exertion and the circulation would be increased by several thousand. Think what a missionary endeavor this would be!

Christian Education

Women's special gift to Christian Education is the thank-offering taken up in November. We are glad to note a more general participation by our societies in this offering. Our church schools have a right to expect the material and prayerful support of the women of the Church. To our church schools do we look for leaders, pastors, missionaries and the host of men and women who are pillars of the congregations wherever they are. How much we, who are mothers, appreciate these schools where sons and daughters may receive guidance and training during this important period in life. We owe support to all our schools. This year two of our colleges have reached important milestones in their histories. Concordia College at Moorhead, Minnesota, and Luther College at Decorah, Iowa, are commemorating, respectively, their fortieth and seventieth anniversaries. We recognize the blessed work done by these schools, and with grateful hearts ask that God will continue to shed His grace on these beloved institutions.

Charities

"The day needs motherhood, that while it bends protectingly over the cradle of its own child, reaches out a mother heart to all the suffering childhood of the race." Women's special gift to this department of church work has been self-denial offering and box work. The self-denial offering has found a responsive chord in our hearts. The steady growth of contributions and the interest taken in the programs outlined by this department, shows this. Box-work can never be tabulated, for it includes many hours spent by the workers, friendliness to the needy, the stranger, the discouraged. Reports show that we are learning much as to the real wants of our institutions of mercy, and that we are trying to fill these needs. "The President's Day," as observed by some of the circuit-societies, we believe, serves a useful purpose.

The Literature Committee

We are grateful to every member of this important committee which has accomplished a great work this past year. Disseminating missionary literature, including study helps and program material, has been taken care of in a very creditable manner by this committee. Have you availed yourself of the loan library?

The Daughters of the Reformation

Our hearts go out in gratitude to God for the interest shown by the young women in the Church, in the great work given them to do. Under Mrs. Arthur S. Johnson's inspiring leadership, much has been accomplished, and the dedication of the new mission station at Shishmaref, Alaska, this month gives cause for rejoicing. The president's report forms an interesting and important part of this report.

The Budget

The budget is another mighty challenge to every W. M. F. member. New opportunities, naturally growing work on all fields, require increased giving and the opening of heart strings and purse strings. The policy of having funds on

hand every year in advance seems so far away, yet it is worth working for. general work of the Church, by quarterly contributions. This surely is preferable to the old system of letting funds accumulate until the end of the year. It is our duty to help reduce to the minimum the amount of interest annually paid out by the Church. Let us first fill our obligation to the budget. When We are glad to record that more and more societies are remembering the that moral obligation has been met, we shall have abundant opportunity to enrich our lives further by doing all we can for the many other important projects. As we grow we acquire new responsibilities, but we must not forget the old. Our boards of Home and Foreign Missions, Christian Education and Charities have a most difficult task. Conditions on the home and foreign fields require such wisdom, courage, and consecration as are gained only by prayer. Let us give them our prayerful support.

The Cradle Roll

The number of little children, who through this department have been linked up with the Church as little missionaries, has now reached over the 3,300 mark. This means that so many dollars have been given to the Alaska Mission, by mothers, grandmothers, God-mothers, sponsors, and friends of all these babies. This department has an appeal of its own and has indeed experienced a remarkable growth.

The Deaconess Home and Training School

The corner-stone of this Home and Training School was laid April 12th. This was a day of rejoicing for the women of the Church, the day when fond hopes were realized. Let us continue to rally about this important institution, so that it may soon be completed and ready for its blessed work. We wish at this time to remember with deep gratitude the long, faithful service of Sister Superior Ingeborg Sponland. This month she can look back upon half a century of service as a deaconess and a quarter of a century of service at the Deaconess Home in Chicago. Surely an outstanding record. May God continue to bless her richly in her great work.

Financial Report

The financial report of the W. M. F. for the past year tells its own story and is presented together with this report by the financial secretary. It is as a romance in figures, representing the fulfillment of prayers of our grandmothers, mothers, and the women of the Church today.

A time of difficulty is not the time to let down, but a time for the exertion of greater energy. The fact that during the past year, the women of the Church have contributed more to the general work of the Church than in any previous year, shows that the women are more and more seeing the great needs and translating this knowledge into action. Looking back with gratitude over the work accomplished, may we move forward to a greater and more faithful service in the years to come.

The Future

Your president, realizing her debt to the entire general board and co-workers throughout the organization, for their patience, understanding, their loving service and efforts to secure for the organization the measure of progress that has been ours, turns to you, dear friends, with deepest gratitude. How good God has been to us all! We have travelled together another year, a year full of opportunities for service. Turning from the past, let us look forward. May God continue to guide and bless our work and our methods of continuing the work! With our growth has come a greater responsibility as a missionary organization. May the great purpose of the organization never be lost from view, that of bringing souls to Christ! God grant us all a greater sense of personal responsibility! May He grant us all a greater development of our own

spiritual life! If we faithfully run our course and work at our own appointed tasks, God the Almighty and All Loving will take care of the future.

Respectfully submitted,

—LYDIA BREDESON SUNDBY.

LUTHERAN DAUGHTERS OF THE REFORMATION

President's Report

The Lutheran Daughters of the Reformation is the auxiliary of the Women's Missionary Federation of our Church, and as such aims to have all the young women in our congregations and in our schools active in His service. Organizations to interest our young women in their Church and her work have been in existence a long time. But the union of these various societies into one national organization makes us realize our unity as Lutheran young women.

As such a union we have come together to face our tasks, to get a vision of the new world, and to receive a new challenge and a fresh commission. To be co-workers in the cause of Jesus Christ is a great privilege and opportunity. We are grateful to our Church for the faith that they have shown us in permitting us to have a share in her work. We are grateful to our Heavenly Father for His blessings on all that has been accomplished to the glory of His name. May our young women receive this opportunity and responsibility thoughtfully and prayerfully.

The Organization

The L. D. R. was officially organized in October, 1929. Since then time and effort have been spent in pioneer work. Now we have key women in all districts, and the key women have circuit helpers in most of the circuits. These officers correspond to the W. M. F. district and circuit presidents. Names of new organizations are being added constantly to our files. The L. D. R. appreciates the assistance the W. M. F. has brought through its officers and its workers in establishing contacts with the younger women. In order to widen our contacts, and to disseminate more information and inspiration, a monthly news letter has been sent to all those organizations registered in our files. From the appreciative reactions of interested readers and the number of requests for back copies, it seems that this communication has been helpful.

The L. D. R. Project

Since the organization meeting approximately $7,000.00 has been gathered under the auspices of the L. D. R. With this sum in the treasury the Home Mission Board of our Church authorized the building of a new mission at Shishmaref, Alaska, two hundred miles north of Igloo and Teller. This station was to be dedicated May 3. Its name is the Anna Huseth Memorial Station. The first project of the L. D. R. is established, and annually it will be the privilege of the L. D. R. to contribute to the support of this station. By establishing and maintaining this new Alaska mission, the donors bear in mind the inspiration and example of the "Heroine of the North," Sister Anna Huseth. They thank God for her life and for the blessing on the work which has been done in her memory.

Although no new project involving large sums of money has been adopted by the national organization, many plans were discussed by the last Convention and are now under consideration. The confidence which our Church has placed in the young women can not be broken. May the good work begun at Shishmaref continue, and may that fine spirit which the Lutheran Daughters of the Reformation have manifested to do His will continue in whatever opportunities present themselves in the future.

Respectfully submitted,

MRS. ARTHUR S. JOHNSON.

FINANCIAL STATEMENT

1930

It is with much gratitude to God that we submit the following report for the year 1930.

It shows an increase of gifts over any previous year. This gives evidence of loyalty and love for the various activities of our Church. It is also encouraging to note that a larger number of societies have contributed the past year.

This means more hearts to pray, more hands to give, and more lives to inspire others for the work of God's Kingdom.

May the love of Christ constrain us to untiring service and willing sacrifice in the future.

April, 1931.

—MRS. C. K. SOLBERG, W. M. F. Financial Secretary.

The Young People's Luther League

By N. M. YLVISAKER, Executive Secretary

The Young People's Luther League is an auxiliary organization of the Church, which has been delegated the task of fostering and promoting the spiritual development of the great army of young people of the Church, and of encouraging them to share in the work of building the Kingdom. There has been a marked progress in the program of the organization the past year and a real growth, we believe, in interest for the work of the Church and for our organization. While formerly only a few individuals were made to carry the responsibility for this work, so essential to the future welfare of the Church, now we have the great satisfaction of seeing most of the elected national, district, and circuit officers eager to share the responsibilities with us and anxious to be given the chance to work with us to further the interests of the Kingdom as they affect the youth of the Church. We owe these consecrated workers in all sections of the Church a debt of gratitude for their unselfish devotion to our cause.

In 1930 we launched out on a program double that attempted in past years. While we have undoubtedly failed in reaching the intended goal, still we have been able to do many of the things we had hoped to do in the past, very largely because of the splendid support and cooperation which our leaguers have given us throughout the Church. The increased expense incurred by this greatly enlarged project has been covered, so that the Young People's Luther League has been able to operate on a cash basis as in former years. This is particularly gratifying, because the organization depends solely upon voluntary contributions from its membership for its support financially. Not only have the young people covered all expense items of their organization, but they have as heretofore given sizeable contributions to the support of the Church at large, as the treasurer's report will indicate, besides carrying locally many of the financial burdens of their home congregations.

The Church Council of our Church at its recent annual meeting took cognizance of this interest manifested by our young people, and in a set of resolutions adopted have voiced their appreciation to the Young People's Luther League, and through this organization the one hundred thousand young people of our Church for what they have done. Their resolutions of appreciation will no doubt be read with interest by our church people generally. As they contain also recommendations to our pastors and leaguers, we shall include them in this report. They read as follows:

"The Rev. N. M. Ylvisaker, Executive Secretary,
Young People's Luther League, Minneapolis, Minnesota.
"My Dear Pastor Ylvisaker:

"On the basis of the following paragraph in my message to the Church Council, the Council adopted the following resolution as an expression of its appreciation and sympathy for the work that you are carrying on, on behalf of our beloved Church:

" 'The Young People's Luther League will hold its convention this year in Chicago They have made careful and extensive preparations that this meeting shall bring added interest and help to the work of our Church We should seek to give them every encouragement and help that we can. It would be well for the district presidents and others, if possible, to plan to be present at this meeting. We need to cultivate our young people. I find in some places complaints that it seems difficult for our pastors to really get contacts with the

young people in our congregations. They say they are fine with the older people, but they are difficult to approach for the young people, and they do not seem to understand them. We must, at least, as a Church Council, be keenly awake and alive to the needs of impressing upon our young people that we, who are placed in positions of responsibility, are just as much interested in them as in the older men and women. No better way could this be emphasized than by attending and encouraging interest in the coming convention.'"

"Resolutions adopted by Council:

"'(a) The Church Council notes with much gratitude and satisfaction the remarkable advance of our Young People's work this last decade. It believes that the accomplishment of organizing 1,900 leagues in our Church deserves the heartfelt gratitude and commendation of our Church at large.

"'(b) The Council prays God's blessings upon the coming convention in Chicago and urges upon all our pastors and officials to aid in making this convention as successful as possible. It suggests that, as far as convenient, pastors and officials attend this convention of our Young People's Luther League and Choral Union.

"'(c) It notes with interest the excellent printed material now made available for our leagues. The publication, "Better Leagues," will prove of much help in promoting more constructive work in the local leagues, which, after all, is what is essential for the largest measure of blessings to the individual congregations and young people.

"'(d) The Council recommends that our pastors and people support such properly supervised Institutes and Chautauquas as may be conducted under the auspices of the League from time to time.

"'(e) The Council urges that our pastors give the League, the Choral Union, and all young people's work in general, as much of their time as possible. Our young people are the future standard bearers for Christ and the Church. God bless them in all their endeavors for the upbuilding of His Kingdom.'

"May God sincerely bless you in the work, is the wish and prayer of our entire Council.

Yours sincerely,

—J. A. AASGAARD."

This is the year of our Sixth International Convention. Preparations have been made and plans completed for a Christian Youth Conference which we hope and pray will be of great spiritual blessing to the Church and to its host of young people. The convention is to be held at Chicago, Illinois, June 17–21, the convention sessions being held in the Stevens Hotel Auditorium. Sunday, the 21st, Convention services will be held both at the Stevens Hotel as well as at the thirty churches of the Chicago Circuit. On Sunday evening the convention will close with a great Choral Union Concert at the Chicago Stadium, where 4,000 singers will sing the glorious chorals and hymns and anthems of the Lutheran Church under the direction of Dr. F. Melius Christiansen. Unusual interest in the forthcoming convention is being manifested throughout our entire Church.

May God continue to bless this work!

—R. E. HAUGAN, Treasurer.

The Brotherhood of the N. L. C. A.

The Brotherhood of the Norwegian Lutheran Church of America was organized in Minneapolis, Minn., November 11, 1930.

The program of our Synodical Brotherhood is stated in its constitution to be as follows:

"It shall be the object of this organization to stimulate the interest among the men of our Church for the Kingdom of God and to foster an Evangelical understanding of Christian stewardship and character. To promote loyalty to the home congregation and the Synod. To work for such special objects within the Synod as may be agreed upon from time to time."

The officers of the Brotherhood are: President, Judge Lewis Larson, Sioux Falls, S. Dak.; vice-president, Herman L. Ekern, Madison, Wisconsin; vice-president, Carsten E. Ronning, Chicago, Ill.; treasurer, Karl Hanson, Luther College, Decorah, Iowa; secretary, R. E. Haugan, Augsburg Publishing House, Minneapolis.

A meeting of representatives of brotherhoods and men's clubs in the congregations of the Norwegian Lutheran Church of America will be held in connection with the various district conventions of our Church this summer.

At these district meetings of the Brotherhood a program for enrolling local men's societies in the Synodical Brotherhood will be mapped out; also a program for organizing local men's clubs or brotherhoods in the congregations where such men's organizations do not already exist. District organizations of the Brotherhood will be formed and officers for the district elected.

In his opening message to the constitutional convention of the Brotherhood the president, Judge Lewis Larson, said:

"As we stand today facing the beginning of a new venture in our service in the Kingdom of our Lord and Master, we can not help but approach the task in a spirit of deep humility and with a recognition of our own unworthiness and unfitness for such a large undertaking. Relying, however, upon Him who has promised to be with us in whatsoever we undertake in His name, we enter upon this program of organizing the men-power of our Church, in the name of the Triune God and with a fervent prayer for His blessing and guidance."

The general convention of our Synodical Brotherhood will be held next fall in the First Lutheran Church, Sioux Falls, S. Dak., Rev. H. J. Glenn's charge. The exact dates of the general convention will be determined later. Men interested in the Brotherhood will make it a point to attend this convention, which very likely will be one of the greatest and most interesting gatherings of the men of our Church ever held.

—R. E. HAUGAN, Secretary.

Official Roster of Congregations

In 1925 we published an official Roster of Congregations by States and Counties, listing the congregations in each County in chronological order. (Pages 221-226 and 493-551). The present roster is arranged by neighborhood groups, as far as that could be done with the information received from the pastors and the "Menighets Kalender," edited by Dr. O. M. Norlie, and published in 1918.

A (*) AFTER a pastor's name indicates that he did not report for his present or former call for 1930. A (*) BEFORE the name of a congregation indicates that this congregation is not a member of the corporation, Norwegian Lutheran Church.

The following abbreviations are used to designate synods: H.S., Hauge Synod; N.S., Norwegian Synod; Ag. the Scandinavian Augustana; S.Ag., Swedish Augustana; C.F., Norwegian Danish Conference; A.M., Anti-Missourian Brotherhood; L.F., Lutheran Free Church; I.I.S., Independent of Synods but Inter-Synodical in membership; I.I.D., similar with Inter-denominational membership. "M" is an abbreviation for Merger and "p.p." for preaching place. With the "M" for mergers, dates are given when known. Where other initials appear they indicate the pastor's name who reported the facts given.

The serial number in the first rubric is the final serial number by which the congregation is designated on the Lents District Maps and by which they will be designated during the present decennium. Old serial numbers are given in the last rubric. The numbers in the next to the last rubric refer to the page of the volume as indicated in the rubric heading; where a (*) appears in connection with the number it refers to the other volume.

The property valuation is the sum total of property held by the congregations minus the reported indebtedness.

To find the congregations served by a pastor go to the clerical roster and note the information given within the parenthesis after the name.

The abbreviations for districts and circuits are given on page 844.

Survey of the "1926 Religious Bodies"

By U. S. Bureau of Census

(Compiled by Eugene N. Løhre)

From the mass of valuable information contained in the two volumes we have compiled figures which set forth the religious forces at work in the United States. In the exhibit the over 200 units have been combined into 26 groups. Note the totals: Line 6, AMERICAN LUTHERAN CONFERENCE; line 8, THE NATIONAL LUTHERAN COUNCIL; line 11, total LUTHERANS; line 29, total PROTESTANTS; line 32 total CATHOLICS; line 33, total CHRISTIANS; line 40, total NON-CHRISTIANS; and line 41, the GRAND TOTAL.

Note that the 361 Federated Churches with their 59,977 members are included with the Congregationalists. We failed to identify the following religious forces: The Russelites; Doweyites, with its Zion City; the Mohammedan Amadiah Cult.

The Baha'is are the Mohammedan "Universalists."

The term "RURAL" includes churches in the country and those in towns below 2,500.

Section I, which includes the first 8 pages, gives the religious forces throughout the United States as reported by the pastors and congregations direct to the Bureau of Census. Hence, we have here uniformity in schedules (Parochial report blanks). This fact makes these figures nearly 100% reliable for COMPARISON. (The average of possible errors will effect all alike.)

Section II gives for the states and larger cities in our territory the two most significant facts for the leading denominations.

The Census Bureau did not submit schedules for synodical reports. We feel that this omission brought a distinct loss, as we have now only a partial report of what the religious bodies are doing. A report in regard to educational institutions, missions, charity, etc., would have added tremendously to the property valuation, and to our knowledge of what is being done religiously by the larger units.

In the information given as to religious education only Sunday schools are considered. For the Catholic Church I find that 5,442 congregations report 50,877 teaching 1,813,604 children in Parochial Schools (Vol. II, pages 1254). The undersigned reported 1,383 congregations with 2,465 teachers instructing 54,946 children in other forms of schools and 2,739 congregations instructing 21,648 confirmands. (Vol. II, page 764.)

Reporting more than one form of school would include many duplications as some of the children that attend the Sunday school attend other schools. For securing the approximate number of children receiving religious instruction, the Sunday school enrollment is, no doubt, the best.

The Clergy

A. CANDIDATES' VITAE

OSCAR B. ANDERSON was born in Superior, Wisconsin, October 12, 1903, of parents George and Ragnhild Anderson (nee Bakke). In infancy he became a member of the Christian Church through Holy Baptism by Rev. Lium. After confirmation instruction by Rev. H. J. Glenn, public confession of Christ was made in 1918.

His elementary education was received at the public schools in Duluth, Minnesota. After graduating from the Denfeld High School of this city, he worked two years in a local hardware store.

From youth there has been a desire to serve in the active ministry. Through the advice and encouragement of the pastor, Rev. J. Høifjeld, he entered St. Olaf College the fall of '24. While at college a conscious conviction came to carry out the early desires of active ministry. Therefore, upon graduation from St. Olaf in '28, receiving the degree of Bachelor of Arts, he applied and was accepted at Luther Theological Seminary, St. Paul, Minnesota.

Now upon the completion of his seminary course and upon the acceptance of a call to serve the churches of Onawa and Albaton, Iowa, he presents himself for ordination.

He wishes to express his thanks to our Heavenly Father for His marvelous gift of salvation and for answering his early prayer in calling him to preach this Gospel to others. He is very grateful to his parents, brother, sisters, and to Rev. Høifjeld for their encouragement and support, to his wife, Nina, whom he married May 29th, for her loyalty and faithfulness, and to the many friends at Zion Congregation of Duluth, who have in prayer and in other ways encouraged him to continue his preparation for the Holy Ministry.

Realizing his unworthiness to serve in the high calling of the ministry, he goes forth as a worker in the Kingdom relying solely upon the strength of the Lord. It is his sincere wish that the many friends continue to intercede in prayer for him to the end that God may establish the work of his hands.

Ordained: Duluth, Minn., May 3, 1931.

MYRON CONRAD AUSTINSON, son of Austin and Severina Austinson, was born at Dennison, Minnesota, Feb.. 22, 1905. He was baptized April 9, 1905 by Rev. A. Hauge and was confirmed by him on Dec. 8, 1918.

He completed his common school educatio at Dennison in 1917. A year later, he enrolled at Northfield High School and remained there for one term. Then he transferred to Kenyon High School and graduated three years later in 1922. He spent the next two years at home working in his father's place of business. Then he matriculated at St. Olaf College from where he was graduated in 1928. In response to the inner call, he entered Luther Theological Seminary the following September and was graduated from that institution on May 25, 1931. On March 4, 1931, he accepted a call to serve the American Lutheran Church at Chinook, Montana. He was married on June 6, 1931, to Frieda Theresa Siljan, the daughter of Reverend and Mrs. O. G. U. Siljan of Madison, Wisconsin.

He is grateful, first of all, to his parents for the blessings and benedictions of a Christian home and for the many opportunities that they have provided him. He shall ever be thankful to the pastor of his childhood days the Reverend Anders Hauge, and to the men and women who have instructed him, in the Gospel of the Lord Jesus Christ by word as well as deed. He owes much to St. Olaf College because of its Christian influence and instruction for it was here that the desire to serve the Lord in the office of the ministry became an ideal to be attained.

On this Lord's Day, the 28th of June, 1931, he presents himself for ordination into the office of the holy ministry in the Norwegian Lutheran Church of America knowing of his manifold weaknesses but asking for the prayers of this congregation, the church he is happy to serve, and his friends.

He enters upon the task of the Gospel Ministry with a firm faith in the One he is to serve, the Master who has promised, "Lo, I am with you always, even unto the end of the world."

Ordained: Dennison Minn., June 28, 1931.

HENRIK O. BELGUM, son of Mr. and Mrs. O. H. Belgum, Elbow Lake, Minn., was born March 7, 1907, in the village of Farwell, Minn. There he was baptized in infancy. On May 1, 1921, he was Confirmed by Rev. Einar Wulfsberg in the St. John's Lutheran Church at Elbow Lake. He was graduated from Elbow Lake High School in the Spring of 1924 and entered Luther College in the Fall of the same year. During his college days he became possessed of a desire to be of service to his Lord and Savior Jesus Christ, and upon completion of his college course in 1928 he enrolled at Luther Theological Seminary. From this institution he was graduated May 25, 1931.

On this day he wishes to acknowledge his thanks to God for the blessed influence of a Christian home and Christian parents, for the help, guidance and encouragement of the many friends—pastors, instructors and others—who have been instruments in the hand of God in shaping the course of his life. He earnestly asks the prayers of all Christian friends that his ministry may be fulfilled to the glory of God.

Having received a call to be pastor and spiritual guide of Flandreau, Oslo, and Lone Rock congregations, he now presents himself as a Candidate for ordination into the Holy Ministry.

Ordained: Sioux Falls, S. Dak., June 7, 1931.

OLIVER BERGELAND, son of Mr. and Mrs. Ole P. Bergeland, was born on a farm near Dawson, Minn., November 6, 1898. He was baptized in infancy, and was confirmed in the Riverside Lutheran Church, by the late Rev. C. J. Eastvold in 1913. He attended the Dawson Public

School and was graduated from High School in 1917. In 1918 he enlisted in the Student Army Training Corps, and received his discharge from military service in December of the same year. He engaged in farming until the fall of 1925.

For a number of years he had felt a strong desire to enter the Master's service. In September, 1925, he entered Augustana College, Sioux Falls, So. Dak., with the aim of preparing for the holy ministry. In 1928 he entered Luther Theological Seminary and was graduated from this institution May 25, 1931.

Having accepted a call to Whitefish, Montana, and associated congregations, he now presents himself for ordination. On this day of his ordination he is thankful to his Heavenly Father for guidance, and wishes to express his gratitude to his parents, brothers and sisters, and all who by the grace of God have been a help and inspiration to him. He covets the continued prayers of all Christians and asks that God's blessing may rest upon him and the work which he is soon to begin.

Ordained at Mankato, Minn., June 14, 1931.

GILBERT ERNEST BORRESON, son of Emil and Gina Borreson, was born on a farm near Pigeon Falls, Wis., May 9, 1903. He was baptized by Rev. Emanual Christopherson. His elementary education was received in the public and parochial schools of his community. He was confirmed November 11 1917, by Rev. E. B. Christopherson.

In the fall of 1919 he entered Gale College, Galesville, Wis., where he graduated in the spring of 1923. Entered Luther College, Decorah, Iowa, in the fall of 1923 and received his degree of Bachelor of Arts in 1928.

As he had had the desire to serve God in a special way for many years he enrolled at Luther Theological Seminary, St. Paul, Minn., in the fall, following his graduation from Luther College. From this institution he received the degree of candidate of Theology, May 25, 1931.

He has been called to serve four congregations which constitute the Mokoti Lutheran Parish, Mokoti, N. Dak., and seeks ordination.

He confesses Christ as his only Savior, who died on the cross of Calvary that all sinners might be saved.

He is thankful to parents, teachers, relatives and friends who have helped him in various ways during his school years. He asks the congregation and friends to remember him in prayer.

He was graduated from the Spring Valley High School in 1923 and thereupon entered Luther College. He was graduated from Luther College in 1927. The next year he taught in the Westhope, North Dakota, High School. In 1928 he entered Luther Theological Seminary and on May 25, 1931, he was graduated from the Seminary.

He received a call from the Zion Big Woods, Oak Park, and Our Savior's congregations at and near Oslo, Minnesota.

He now presents himself for ordination to the ministry of the Norwegian Lutheran Church of America.

He is very grateful to God for having guided him and given him the opportunity for service in His Kingdom. He wishes to thank his parents for their unselfish care and provision for all needs and especially for the Christian training in early childhood and their constant example of Christian life.

He thanks the Bennington Congregation who built and maintained the church where grace and truth were received. He thanks especially Rev. Hagbarth Engh who impressed him with his preaching of the Gospel and his patient and faithful instruction before confirmation.

He is grateful to Dr. O. M. Norlie who as one of his instructors at Luther College, was an earnest witness of sincere faith. Re remembers with much gratitude the firm faith and convictions of Dr. M. O. Bøckman of Luther Seminary who has been a constant inspiration during the Seminary training.

For all these and many other blessings the candidate is ever grateful to God and earnestly hopes to serve faithfully in the ministry of His Word.

He recognizes humbly his many limitations and his inability to be of service except for the grace of God through Jesus Christ and His Holy Spirit. He asks for the prayers of Christian friends that they will remember him often before the throne of grace. May the honor and the glory be to God alone.

Ordained: Mankato, Minn., June 14, 1931.

ARTHUR TRUEMAN DANIELS, son of Orin and Sadie Daniels of Madison, Wis. Born at Crookston, Minn., June 15, 1904. He was baptized by Rev. Salveson in the Norwegian Lutheran Synod Church. He was confirmed by Rev. L. A. Roseland in June, 1918, in the English Lutheran Church of Crookston.

He entered Crookston Central High School in 1919, graduating in 1923—the same year he enrolled at St. Olaf College, attending this school two years. In 1925 he entered the University of Wisconsin, receiving the B.A. degree in 1927 and the M.A. degree in 1928. The same year he entered Luther Theological Seminary, St. Paul, Minn., from which he graduated this last May.

In early childhood he found his interests centered in and around the church. His parents' example and training brought him close to God. His pastor, Rev. Roseland, encouraged and inspired him to the Master's service. Two years at St. Olaf College deepened and quickened his consciousness of his Savior and the desire to serve Him. Three years at the University opened his eyes to the need of workers in the Master's vineyard and of perils to our Church and Christian young people. His seminary work and experience has been satisfying in that it actually pre-

pared for that work, for which he prays God's grace to continue in.

He received a call in early January of this year, to serve in the Home Mission field about Highmore, S. D., which includes Edwin, Sedgwick and North Convent. This he accepted.

Because of this he humbly requested the ordination of the Church into the office of the Holy Ministry. This ordination took place June 21st in the Sun Prairie Luth. Church.

He wishes to express his sincere gratitude to God for His loving care and guidance, to his parents, to relatives and friends and to pastors and teachers who have been instruments in God's hands inspiring and encouraging him. He looks forward to a life of service as an Ambassador of God and a Shepherd of Souls and asks for the continued prayers of Christian brethren that God's grace in Christ Jesus may sustain him.

Ordained: Sun Prairie, Wis., June 21, 1931.

PHILIP S. DYBVIG, son of Halvor H. and Rachel Dybvig, was born on April 22, 1899, near Colton in Minnehaha County, South Dakota. He was baptized by Rev. C. C. Moe, and confirmed by Rev. G. O. Wigdahl.

After having completed the high school course at Augustana College in 1919, he enrolled at St. Olaf College, from which school he received his B. A. degree in 1923. During his junior year, which was taken at Augustana College at Sioux Falls, he taught several classes in the Academy department. For four years following his graduation he served as High School Superintendent—two years at Sherman, S. Dak., and two years at Rutland, S. Dak. In 1925 he was married to Agnes Matson.

He has felt the call to Christian service ever since high school days, and this call has constantly been increasing in momentum, so that he now has no greater desire than to serve his Master in the Christian Ministry.

He is thankful to Christian parents, pastors, and teachers, for instruction, guidance, and inspiration. Most of all, he is thankful to God for all His blessings.

Ordained: La Crosse, Wis., May 31, 1931.

ARNOLD EDWARDS, son of Charles and Emma Edwards, was born at Canby, Minnesota, November 9, 1899. He was baptized by Rev. Olaf Hoel and confirmed by Rev. Paul Moen, who made a profound impression upon him. He received his elementary education in the Public Schools of Canby, graduating from High School in the spring of 1919. In the fall of the same year he was admitted to St. Olaf College where he pursued his studies for two years.

During the years of 1922 and 1923 he taught rural schools in the vicinity of Canby. It was at this time he became conscious of a call to serve the Lord in His vineyard.

In the fall of 1923 he made application to Luther Theological Seminary of St. Paul, Minnesota, and was admitted as a student of sacred theology. Here, by the grace of God, through consecrated and spirit-filled instructors he was led into a closer fellowship with his Master and saw that Christ was all and in all.

He has received a call from Our Savior's Norwegian Ev. Lutheran Church, Brooklyn, N. Y., as assistant pastor to Rev. Oscar Bakke, and now presents himself for ordination. On this day of his ordination he feels deeply his unworthiness and weakness for the great work of the Gospel ministry. Yet he relies with confidence upon the promise of God: "My grace is sufficient for you."

He wishes first of all to thank almighty God, who by his Holy Spirit has guided and sustained him; he wishes to thank parents, brothers and sisters, pastors, teachers and friends, who by their sacrifices, prayers and instructions have made it possible for him to be trained for so great a work.

As it is only by the power and wisdom of God, that he can be of any value in upbuilding God's kingdom on earth, he asks to be remembered before the throne of grace in prayer so that God will bless his work for the salvation of souls to the Glory and Honor of His Holy Name.

JACOB ENDERSON was born near Stanhope, Iowa, October 2, 1903, of parents Omen Enderson (deceased) and Belinda Enderson. He was baptized at Clear Lake and Ellsworth Lutheran Congregation by Rev. C. J. Eastvold. He received some instruction in religion at the Sunday School of said congregation, but most of his early religious training came from his home, especially his mother.

In the spring of 1918 he moved with his parents to Story City, Iowa, where he attended Sunday School at Bethel Lutheran Congregation, received catechetical instruction and was confirmed in the fall of 1918 by Rev. G. O. Paulsrud.

His secular education was started near Stanhope, Iowa, in a country school and was continued in grades and High School of Story City, Iowa, graduating in the spring of 1923. Having completed High School, he thought it his work to be a farmer, so worked on his father's farm during the summer. The following winter he stayed with his parents at Story City, and it was in the spring of this year, that he was led by the Holy Spirit into a conscious fellowship with his Lord and Savior Jesus Christ. His desire was now to know his Bible, and to be of some service for his Master. He sought help from his pastor and Christian friends, about his life work, and was advised to enter St. Olaf College. He matriculated at St. Olaf College, Northfield, Minnesota, in the fall of 1924, and graduated in the spring of 1928 with the Bachelor of Arts degree. He entered Luther Theological Seminary in the fall of 1928, feeling it was God's will for him to further prepare himself, and graduated from this institution May 25, 1931.

January 2, 1931, he received a call from the Lake City Lutheran and Zion Lutheran Congregations, Lake City, South Dakota, which he, by the grace of God, has been shown to accept and now he presents himself for ordination. On this day of his ordination he wishes to thank, first, God for the call to the ministry and His guiding and sustaining hand; secondly, his parents, brothers, sisters, and friends,

who through their prayers and encouragement have assisted him during the days of preparation. He requests the prayers of all Children of God, that he might always be a vessel fit for the Master's use, remaining faithful in all things.

KNUTE VICTOR ADELHART FISKERBECK was born on a farm near Brooten, Minn., on July 20, 1905. His parents are Olaf K. Fiskerbeck and Lisa Fiskerbeck (nee Halvorson Stordal). He was baptized at the West Lake Johanna Church on Aug. 13, 1905 and in his childhood received Christian instruction at the hands of his Godfearing parents. On November 2, 1919 he was confirmed in the same church. The following year, having completed the elementary school training, he entered Montevideo high school graduating from the same institution in 1924. (He attended Brooten high school during the periods 1921-22 and 1922-23.) In the fall of 1924 he enrolled at Luther College, Decorah, Iowa, taking his Bachelor of Arts degree in 1928. Having completed the work required for graduation from college at the end of the first semester of his Senior year, he was called to the Preparatory Department of that same institution as instructor in English and Latin for the second semester. In the fall of 1928 he entered Luther Theological Seminary to prepare himself for his lifework. He wishes to express his appreciation to the West Lake Johanna congregation and its pastor for the blessed fellowship that exists within the true Church: namely, the Communion of Saints. Realizing the problems that confront an ambassador of Christ and realizing the futility of human effort to overcome them, he earnestly asks that every true believer of this congregation remember him before God in prayer.

Ordained: Brooten, Minn., July 5, 1931.

VICTOR GILBERTSON was born near Webster, Minn., Oct. 21, 1902. The parents are Gilbert C. Gilbertson and Sophia Gilbertson. The same year he was baptized by his uncle, Rev. Martin Gulbrandson and confirmed in the spring of 1917 by Rev. B. L. Sundal in the Christiania Lutheran Church. The same spring the family left for Crosby, N. Dak. After completing his high school training here he enrolled at Concordia College in the fall of 1922 and graduated in the spring of 1926.

By the grace of God he was brought up in a Christian home. Due to the training here and also due to the influence of Christian instructors at college a conscious Christian life was developed and with it a desire to serve his Savior, but the call did not seem to be as definite as it might have been.

Two years were then spent at teaching in the high school at Nekoma, N. Dak., and in the spring of his second year here he received the definite assurance that it was God's will that he should enter the ministry and in the fall of 1928 entered Luther Theological Seminary.

First he wishes to thank with a sincere and humble heart his heavenly Father, who, through Christ Jesus has redeemed him and called him to work in His vinyard, and who, throughout his life has blessed him far beyond human understanding. He also wishes to thank all who have been responsible for true Christian influence, especially parents, pastors and instructors.

He has now accepted a call to the Ray-Tioga charge of N. Dak. He realizes his own inability to fulfill this high office, but with faith in the promises of God that He who has called him will also be his strength, he ventures to give himself wholly into His service, coveting the prayers of all God's children.

Ordained: Crosby, No. Dak., June 14, 1931.

ARNE GJESTLAND was born at Stavanger, Norway, August 14, 1903, of parents Thor Gjestland and Martha (Tengesdal).

He graduated from college (Kongsgaard skole, Stavanger) 1924, and the following year he went to America.

In 1928 he entered Luther Theological Seminary, St. Paul, and graduated from the same May, 1931.

Being brought up in a Christian home, where the home-altar and the church had an exalted place, and where he early was made acquainted with, and learned to love the Bible and Luther's writings, the religious background of his life was implanted with great care, and early developed in him the definite aim, to be and live as a Christian, and to be educated for the ministry.

That this occupation early became his wish, was next to the influence of his home, mainly due to the personal advices and exhortations which he received from his teachers, and from ministers of the church of Norway. When he in 1928 entered Luther Seminary he did this for the two-fold reason of obtaining the necessary preparation for the ministry, and to meet an increasing craving for insight into the nature and depth of that life which he had found in Christ Jesus, and he feels himself greatly indebted to the Norwegian Lutheran Church of America, and to his theological professors, who in so many respects have enriched his life.

Having in May this year been called to be the pastor of Bethlehem Norw. Lutheran Church, Elizabeth, N. J., he accepted the call extended to him, knowing that the Lord of the Church, Jesus Christ, who has guided and directed her through

the ages, also will be with this particular congregation with His guiding and directing hand, to the glory of God's name, and to the salvation of men.

Ordained: Elizabeth, N. J., July 19, 1931.

He spent one year at the Normal School of the same city. In the fall of 1921 he entered the University of Idaho as a student and continued there intermittently through the spring of 1926. In the fall of 1928 he was admitted as a student at Luther Theological Seminary in St. Paul, where he graduated with class of 1931.

He is very grateful to friends and relatives who have given him spiritual guidance, and to those, too, who have assisted him financially. Especially is he grateful to his mother for all the years of devotion she has given him, who has been to him both father and mother.

It was at the beginning of his junior year at St. Olaf College that he made a definite decision to heed the call to the Holy Ministry.

The candidate is thankful for his Christian home, the prayers and concern of his parents, brothers, sisters, and pastor; for the guidance and encouragement of friends, teachers and professors. WALTER M. HOLTAN, son of Halvor and Julia (nee Thorvildson) was born Sept. 18, 1898, near Forest City, Iowa. He was baptized by Rev. J. M. Dahl and confirmed by Rev. Joh. Granskou at the Winnebago Lutheran Church.

His parochial and secular training was received in the rural schools. After completing the grammar school he attended school at Waldorf College, Forest City, Iowa, and graduated there May, 1919. In the fall of 1919 he matriculated at St. Olaf College with the ministry in view, but during his third year at college he felt himself unworthy for the calling, so he made preparations to join the ranks of the teaching profession. He received the B. A. degree from St. Olaf College in 1923. After spending four years as a high school teacher in the state of Minnesota, the opportunity presented itself for him to join the ranks of the Y. M. C. A. where he was in charge of the boy's work at the D. M. & N. Ry. Y. M. C. A. at Proctor, Minnesota. But most of the five years after graduation from college he felt that he should still prepare for the ministry. So he applied for admission at the Luther Theological Seminary and began the regular work in September, 1928. He was privileged to graduate in May, 1931.

His deepest spiritual experience came in January, 1917, when his father and a 16-year-old sister both were taken from the family circle. At this time, his brother and he were also sick, all which made him very conscious of God's dealings.

On this day of His ordination, he thanks God for all blessings received! He is conscious of God's guidance and abundant grace.

He wishes to thank all those who have been instrumental in directing his life toward the holy ministry. Thanks are extended to his wife, mother, brothers, sisters, friends, instructors and pastors. He wishes to thank the church for her influence upon his life and the theological professors for their Christian guidance and instruction.

He was married June 3, 1925 to Miss Judith Heidal of Radcliffe, Iowa. God has blessed this union with two girls.

He received a call to serve as pastor in the Sundown and St. John's congregations, Springfield, Minn. He now seeks the ordination into the holy ministry. He is conscious of his own unworthiness and relies solely upon the boundless grace of God in Jesus Christ for his strength and guidance.

Ordained: Mankato, Minn., June 14, 1931.

CLARENCE JULIUS JOHNSON, first son of Chris A. Johnson and Julia Johnson, was born July 28, 1902, near Morris, Illinois. He was also baptized there. Soon afterward he left with his parents for Randall, Iowa, where, with the exception of a few years' residence in a neighboring town, Story City, he has since had his home.

He attended the public schools near Randall until ready to complete his grammar-school work when he entered the public schools of Story City. While there—October, 1916—he was confirmed by Rev. G. O. Paulsrud, pastor of Bethel Lutheran Church at that place. In the fall of 1916 he entered Story City High School from which he was graduated in May, 1920. The next four years were spent assisting his father on the home farm near Randall.

In the fall of 1923 he was brought, through the gracious work of the Holy Spirit in His Word, to dedicate his future life to the will of God. This led the way to a growing conviction that his life calling was to be in the service of God in the Holy Ministry. While yet seeking to know God's will in the matter, in the summer of 1924 the opportunity came to enter St. Olaf College preparatory to entering Luther Theological Seminary after obtaining the degree of Bachelor of Arts. He was, accordingly, graduated from St. Olaf College in June, 1928. In the fall of the same year he entered Luther Theological Seminary, and is a candidate for graduation May 25, 1931.

He has received a "Letter of Call" to serve the congregation of the First Lutheran Church at Miles City, Montana, and upon graduation applies for ordination into the Holy Ministry of his Church to serve his Lord and Master, Jesus Christ, therein.

He gratefully acknowledges with thanks to Almighty God the spiritual guidance and nurture received at the hands of his pastor, Rev. G. O. Paulsrud, the congregations of Elim and Bethel Lutheran Churches at Randall and Story City, respectively, and his many Christian teachers at St. Olaf College and at Luther Theological Seminary. He can only very inadequately give them sincere thanks. Last of all, he gives thanks to God and to them for the Christian love, training, admonitions, and fellowship given him by his parents and brothers and sisters. He, further, covets the prayers of Church,

relatives, and friends to follow him into his new field of spiritual service as he has enjoyed them in these years of preparation for the Ministry of the Gospel of Christ: that his life may be and remain dedicated to the "Life in His Name" for himself and for his fellowmen.

Ordained: Estherville, Iowa, May 31, 1931.

He received his elementary education in the rural public schools of McCook County, South Dakota. In 1919 he entered Jewell Lutheran Academy, where he completed his high school course in 1923. He was graduated from St. Olaf College with the class of 1928.

He acknowledges with heartfelt gratitude the spiritual guidance of Christian parents throughout his childhood and youth. Likewise he is grateful for the influence of Christian friends and teachers during his school career. For all of these associations, as well as the manifold opportunities for securing spiritual enlightenment and encouragement, he offers a prayer of thanksgiving to God who has guided him in the choice of his life work.

Having received a call from the Lord to enter the ministry, he applied for admission to Luther Theological Seminary. When he had finished the Theological course, he was called to St. Maries and Worley, Idaho. He therefore presents himself as a candidate for ordination into the Christian ministry.

Ordained: Madison, So. Dak., Aug 9, 1931.

LARS M. LARSEN was born of Ludvig Larsen and his wife, Else Marie Melby Larsen, on January 22, 1903, in Feiring, Norway, and baptized the same year in the Feiring church by Rev. Thorvald Scheie. His parents emigrated to America in 1904 and located at Axtell, Nebraska, later moving to New Richland, Minnesota, and in 1915 moved to a farm near Vining, Minnesota. He was confirmed by Rev. J. L. Drage in Nidaros congregation, Vining, on December 1, 1918.

His common school education was received at Axtell, Nebraska, New Richland, and Vining, Minnesota public schools. His high school education was received at Vining, and Fergus Falls, Minnesota, graduating from the latter in the class of 1920. Four years were then spent at home during which years he was blessed with a conscious development of his Christian life. He felt the call to service in the Lord's work but only through a long struggle was he able to place himself in the Lord's hands. Late in the fall of 1924, he then matriculated at Concordia College, Moorhead, Minnesota, in preparation for his future work. He graduated from Concordia College in 1928 and entered Luther Theological Seminary, St. Paul, Minnesota, the same fall. On May 25, 1931, having completed the prescribed course, he was declared a Candidate of Theology.

Upon call from the Van Hook, Sanish, and Grand Valley, North Dakota, congregations, he now presents himself as a candidate for the Holy Ministry.

On this day of his ordination, he expresses gratitude to God that He has seen fit to call him into His service, and asks His guidance and strength. He also wishes to thank his God-fearing parents who have nurtured and guided him in the paths of the Lord; his teachers at Concordia College and Luther Theological Seminary and friends who have helped him in his preparatory training.

Ordained: Moorhead, Minn., June 7, 1931.

HENRY BERNHARD MATHISON, son of Mr. and Mrs. Ole P. Mathison, was born in Sinai, South Dakota, November 12, 1899. He was baptized in the Lake Sinai United Lutheran Church by Rev. L. A. Aaberg and was at the age of fifteen confirmed by Rev. H. Voldal at the same congregation.

For some years after his confirmation and grade school education, he remained on the farm, but meanwhile he felt all that time that he was not in the place where God wanted him. At the age of twenty, while at the point of death, he found the assurance of peace and joy in Christ that he had so long yearned for. It was in 1924 after taking a short business course at Red Wing Seminary, that God more plainly than ever before revealed to him that He wanted him to be His servant in the ministry. He accordingly returned to Red Wing Seminary the next fall and in the next three years completed his high school course. In 1927 he attended Augustana College and in 1929 applied for admittance to Luther Theological Seminary and was accepted. In the summer of 1930 his life was greatly enriched by the marriage to Miss Alida F. Halvorson, of Sinai, South Dakota. She has been a great inspiration to him through her prayers and kind loyalty as a wife.

At this time, as he is looking forward into entering active Christian work, he gives all credit and thanks to God for having thus led him step by step into His work. He expresses his most heartfelt thanks to all who have in their way contributed towards making it possible for him to enter the work into which God has called him. He especially thanks his parents for all they have done for him; his father for the fatherly Christian advice and the material means which he ever has stood so ready to supply; his mother for the fundamental Christian training she gave her son. It was she who in his hour of greatest spiritual darkness pointed out to him the way to a full assurance of salvation in Christ. To his brothers and sisters, relatives and friends who have prayed for him all these years while away preparing for this work, he expresses words of thanks and appreciation.

Having accepted a call to the First Lutheran Church of Roy, Montana, and the American Lutheran Church of Winnifred, Montana, and associate congregations, he now asks for ordination to the Holy Ministry.

Being conscious of his own unworthiness and insufficiency to the high calling as God's servant to the ministry, he dare enter the great and blessed work only by placing all his faith and strength in Christ alone. He asks for the prayers of the Church and for the continued prayers of relatives and friends, that he may ever prove to be found a faithful and profitable servant of God, always exemplifying the One he serves by manner of life through word and deed.

Ordained: Sioux Falls, So. Dak., June 7, 1931.

CARL GUSTAV NELSON, son of Carl and Clara Nelson, was born February 12, 1902, near Bottineau, N. Dak. He was baptized the same year, April 20 by Rev. T. E. Thomeson, was confirmed by Rev. J. L. Redal on June 24, 1917, in Lesje Congregation near Roth, N. Dak.

With deep humiliation he confesses that he soon strayed from his confession and faith in Jesus Christ, which he so solemnly promised to keep. But there is a love that would not let him go and the Good Shepherd sought the wandering sheep and restored him to the fold again in 1924. Shortly after his conversion he experienced a deep urge to work in the Master's vineyard, and after much and earnest prayer that God would make clear His will and make him willing to follow the blood-stained path, he decided to prepare for the Holy Ministry. He then took up the academic and pro-seminary courses at Red Wing Seminary, and graduated from both these courses in the spring of 1928. In the fall of the same year he was admitted to the Luther Theological Seminary in St. Paul, and studied there during the time from 1928 to 1931.

Having now completed his studies at the Seminary, and having received an official call to be pastor of the Sims and Almont congregations in N. Dak., he desires to be ordained into the Holy Ministry of the Norwegian Lutheran Church of America.

Being keenly aware of the responsibility of his position and his own insufficiency for the task he clings to the Word and promises of God, and earnestly covets the prayers of God's people.

He also wishes to extend his heartfelt thanks, first of all to God Triune for His gracious guidance and care, then to his parents for their untiring prayers and encouragements. He further expresses his appreciation to Rev. T. T. Carlson for his fatherly help and sympathy through his days of study, and to all other friends who have helped bear him up both in their prayers and otherwise. Now he prays that what he cannot do for them in return, that God will do in some way as He sees best for the individual.

CASPER BERNHARD NERVIG, son of Pastor A. J. Nervig and wife Minnie A., nee Hanson, was born at Tracy, Minnesota, on May 1, 1905. He was baptized on the following June 5 by Rev. L. J. Jerde in Immanuel Lutheran Church of Minneapolis. His boyhood was spent in Hartington, Nebraska where he received his common school education. In 1918 he moved with his parents to Minneapolis where he spent the next two years attending high school. During this time his preparation for confirmation was completed under Rev. C. S. Thorpe in Hope Lutheran Church where he was confirmed on May 23, 1920. That same year he moved with his parents to Wells, Minnesota, where he spent his last year of high school.

In the fall of 1921 he entered Luther College, Decorah, Iowa, where he received his bachelor of arts degree with the class of 1925. Upon graduation he accepted a position as teacher and dean at Luther Academy, Albert Lea, Minnesota, where he continued for three years. In 1926 he studied during the summer session at the University of Minnesota. In 1928 he was accepted as a student at Luther Theological Seminary, St. Paul, Minnesota, graduating in 1931 with the degrees, Candidate of Theology, and Bachelor of Theology.

From early childhood it had been his purpose to enter the ministry of the Word, a purpose which grew in certainty with the unfolding life in the baptismal covenant. This purpose was for a time thwarted by certain fears and misgivings although at no time were other ambitions or opportunities able to set it aside. After a long struggle, the call to the ministry became again clear and then it was that he finally decided to enter upon this holy ministry.

Having received a call from English Lutheran, Our Savior's Riverside, and Pine Grove Evangelical Lutheran congregations of Roseau County, Minnesota, he now presents himself for ordination to the holy ministry in the Lutheran Church.

Upon this his day of ordination, he raises his voice in thanksgiving to the gracious God who has kept him in the faith and called him into the service of His Church. He remembers also in gratitude his parents for having brought him up in the fear of the Lord; so also his brothers, and especially his sister for her sympathetic encouragement, and other friends and instructors especially those at Luther College, and Luther Theological Seminary for all that they have meant to him. He requests the prayers of the Church that God will strengthen his weakness and bless his ministry to the salvation of souls and the glory of God's name.

He began his elementary education at the Abercrombie public school, completing his high school course at Concordia Academy, Moorhead, Minn. The following year he entered the college department at Concordia, graduating in 1926.

GUSTAV JOHN OSTREM, son of Thomas G. Ostrem and Boletta Ostrem (nee Simonson) was born July 9, 1896, at Newman Grove, Nebr. He was baptized by Rev. J. B. A. Dale.

The Spiritual life planted in the soul at baptism was nurtured by God-fearing parents. His sainted mother who together with father led the children in Christ's footsteps by word and example, had her working day shortened, for the Lord took her home when Gustav was nine years old. The father's intercessory prayer where he pleaded with God for his children, came to be a great factor in forming the boy's life.

In the spring of 1910 he was confirmed by Rev. J. F. Melom. He remained in fellowship with his Savior as years advanced. And through different crises he came to experience God's wonderful grace and that he was a sinner saved by grace.

In the spring of 1914 he moved with father to Camrose, Alta., Canada. While at Camrose he attended the Camrose Lutheran College Bible Course two winters.

On Dec. 29, 1920, he was united in marriage to Ragnhild Christine Skaret of Camrose, and they have been blessed with two children, Donald Jerome, and Gloria Ruth.

From early years there had been an inner urge to become a witness for the Lord, whether it be in the foregin field or at home. Therefore, at New Year, 1922, after having been out of school for several years he together with his wife left for the Lutheran Bible School of Grand Forks, N. D., to take up the Bible course there. By the spring of 1925 he finished the parochial and the high school courses of said school. During the years of 1925-1928 he studied at Augsburg College, Minneapolis, and one summer session at the University of Minnesota, receiving his B.A. degree in the spring of 1928. Even though he attended schools of other Lutheran synods, the Norwegian Lutheran Church has always been his Church.

He has now completed the theological course at Luther Theological Seminary, has received and accepted an unsolicited call from the Admiral Parish, Admiral, Saskatchewan. During the whole time of preparation the Lord led the way, and he could not but follow. He therefore today asks for ordination in the Gospel Ministry.

Today he wishes first of all to give thanks to God who has kept him as His child, and led and guided him all the way. He wishes to acknowledge with gratitude in his heart to God all that his wife, parents, brothers, and sisters have meant to him. Their prayers to God on his behalf have been greatly appreciated. He wishes to thank his wife for her love and much patience during these years. He wishes to thank the teachers and professors of the schools he attended for what they did for him. And now as he enters upon this great work he covets the prayers of all God's people.

While attending the Normal he felt a call to enter the ministry. With this in mind he entered Luther College, Decorah, Iowa, in the fall of 1924, and was graduated in the class of 1928. In the fall of 1928 he entered Luther Theological Seminary, St. Paul, Minn., and graduated in the spring of 1931.

Having accepted a call from Frederick, S. Dak., he now presents himself for ordination.

He is grateful to brothers, sisters, pastors, instructors and friends who have encouraged him in his work of preparation for the ministry.

He earnestly requests the prayers of all that he may ever be a true and faithful servant of the Lord.

ISAAC PAUL PAULSON, first child of Jacob T. Paulson and his wife, Clara Louise, was born in York Township, Green County, Wisconsin, on February 7, 1906. He was baptized in his home by Rev. Helge Høverstad. Three years later his parents moved to a farm near Dodgeville, Wis., where they lived three years before mov-

ing to a farm near Hollandale, Wis., which is their present home. Mr. Paulson was confirmed by Rev. J. M. Green in Perry Lutheran Church in October, 1920. That same year he graduated from the eighth grade of River Forks Rural School.

His high school education was received at Hollandale High School (1920-1924). In the fall of 1924 he was influenced by his dear parents and two friends to enroll at St. Olaf College. During his first year at college, his ambition for an artist's career was displaced by an inner call to the ministry. He graduated from St. Olaf with the B.A. degree in June, 1928. That same year he enrolled at Luther Theological Seminary, St. Paul, graduating from that institution in May, 1931.

Having received and accepted a call to Bethlehem Lutheran Congregation in Longmont, Colorado, Mr. Paulson presents himself on this day for ordination into the ministry. He realizes his own insufficiency for the great task and prays that God may supply that which he lacks.

On this momentous day, he expresses thanks for all the blessings, temporal and spiritual, that he has received from his Christian home, Perry Congregation, St. Olaf College, Luther Theological Seminary, and from all friends who directly or indirectly have influenced him. Especially does he thank God from whom all blessings flow.

Ordained: Perry Wis., July 5, 1931.

ELLING EUGENE RAMSEY, son of Peter and Milla-Lynn Ramsay, was born May 11, 1902, on a farm near Decorah, Iowa. He was baptized and confirmed by Rev. Paul Koren.

He received his elementary education in the rural school near his home. He entered the Luther College Prepartory department in the fall of 1917. His stay at Luther College Preparatory was cut off intermittently by his father's illness and other difficulties up to the spring of 1922. Discouraged at the idea of not being able to continue regularly at school—he decided to take up farming.

During the following four years it became more and more clear to him that he should seek to serve the Lord in the Christian ministry. With this in mind he returned to Luther College in the fall of 1926 and was enrolled as a freshman in the college department, taking a few subjects in the preparatory department that had not been completed.

Various reasons made it seem advisable for him to make application for entrance to the Seminary at the end of two years of college work. Admission was granted and he entered Luther Theological Seminary in the fall of 1928, graduating May 25, 1931.

Having received and accepted a call to Hingham Luther Church, Hingham, Montana; Our Saviour's Lutheran Church; Gildford Lutheran Church, Gildford, Montana; and Fairchild Lutheran Church, Fairchild, Montana, and Rudyard Lutheran Church, Rudyard, Montana, and associated mission stations he humbly applies for ordination into the Christian Ministry.

He wishes to express his hearty thanks to all those who have so kindly helped and encouraged him in his preparation for the Ministry especially his parents for their continued sacrifices and prayers, which has made it possible for him to prepare for the ministry. To Skolelærer Hagen for his early Christian training and example. To relatives who have encouraged and remembered him in their prayers; but above all, to his heavenly Father, whose rich blessings have followed him all his life.

On this day, when he presents himself for ordination, he confesses his own weakness and unworthiness to fulfill the duties enjoined in such a high calling, but he also trusts the Lord, who has seen fit to call him into the Ministry, to give him guidance and strength to fill this Holy Office.

To this end he requests the prayers of the Christian Church, and sincerely prays that he may be of some service in the Master's vineyard.

Ordained: Decorah, Iowa, June 21, 1931.

MELVIN EUGENE RANHEIM was born near Trosky, Minn., Jan. 7, 1900, being the second son of Ole Erickson Ranheim and Anna Ranheim, nee Yestness. He was baptized by Rev. Theodore Fossum on March 11, 1900 in Rock Congregation, Hills, Minn., and confirmed by Rev. Axel A. Bergh on May 9, 1915 in Aetna Evangelical Lutheran Church, Ruthton, Minn.

He finished grade school at Ruthton in 1915, and high school at Red Wing Seminary in 1919. The same year he entered St. Olaf College: and graduated in 1924, having taught a rural school during the year 1921-1922. The next four years he spent in teaching at McCallsburg, Iowa—serving two years as principal, and two years as superintendent.

Mr. Ranheim had felt a call to labor in the Lord's Vineyard, which finally grew to a conviction that he could not resist. Upon being accepted at Luther Theological Seminary he matriculated in the fall of 1928, and graduated on May 25, 1931. Having received and accepted a call to serve the Malta, Scandia, and Blooming Prairie congregations, Malta, Montana, he presents himself for ordination into the holy ministry.

He is grateful to God for grace and strength which alone are sufficient in his chosen calling. To his parents who gave him a Christian training, and nurtured him in the Word of Life. To his brothers and relatives who have heartened him in the pursuit of his work. To pastors and friends who have given him much encouragement. He earnestly solicits their continued prayers. Realizing the futility of his own efforts, he prays that he may be a willing instrument in God's hand to proclaim the message of salvation, which is in Christ Jesus, our Lord.

Ordained: Ruthton, Minn., June 28, 1931.

JOYCE LELAND RANUM, son of Clarence Ranum and wife Clara, nee Ellingson, was born in Worth County, Iowa, April 1, 1904. He was baptized on April 24, 1904, by Rev. O. G. Siljan, of the former United Church, and confirmed by Rev. Hans Fosness on April 21, 1918. He received his common school education in the rural schools of Worth County, and in the fall of 1920 entered the Northwood High School, graduating four years later. In the fall of 1924 he entered Luther College, Decorah, Iowa, graduating in 1928 with the degree of Bachelor of Arts.

Early in his college course did he feel the call to enter the holy ministry, but felt that he was unworthy and unqualified for this high calling. But the Holy Spirit constantly called him and finding no peace he applied for admission to Luther Theological Seminary, entering in the fall of 1928, and was graduated from the degree course on May 25, 1931.

He has received and accepted a call to Opheim, Montana, and now presents himself for ordination to the holy ministry.

On this his ordination day he is forever mindful of his many shortcomings and unworthiness for this high calling in Christ Jesus. But he trusts in the Lord for grace and wisdom and that He will guide him and help him to remain faithful in his calling so that he might fulfill the duties and the obligations entrusted to him.

On this day he also wishes to express a word of appreciation to those to whom he is deeply indebted.

First he gives thanks to the Almighty God for His goodness and for His guidance and care through the past years; for the privilege of serving Him as a laborer in His vineyard; for the blessedness of having been born of Christian parents, for the nurture of a Christian home, and for the opportunity of having been granted a Christian education.

To his beloved parents he is exceedingly grateful and wishes to express his sincere thanks for the many sacrifices they have made; for their love and their kindness; for their interest and their encouragement; and especially for the Christian nurture and admonition which has been given to him from early childhood.

He also wishes to express his sincere thanks to his former professors of both Luther College and Luther Theological Seminary, for their interest in his welfare; for their guidance and Christian instruction.

He would also remember the members of his home congregation, his pastor and former pastors for their interest and encouragement. And to his many relatives and friends does he also express his gratefulness.

As he is about to leave for his call, he asks the prayers of all that the Lord will help him to remain faithful in his calling and that He will guide and strengthen him in his work.

He entered the seminary in 1928. During the three years intervening between college and seminary he was engaged principally with teaching and business. He was gradually awakened to a profound consciousness of sin, and by the grace of God experienced full forgiveness and a new joy in Christ Jesus. The desire to serve God in the holy ministry became increasingly prominent, with the result that he entered the seminary. During the time of his attendance there, under the guidance of the Holy Spirit, he became convinced of the Call from God, and dedicated himself anew to the service of the Master.

He has accepted a call from the First Norwegian Lutheran Church of Eau Claire, Wisconsin, to serve as Assistant Pastor. He realizes while standing this day on the threshold of the ministry, that he can never give expression to the wondrous way in which God has dealt with him. His constant prayer is that by God's grace he may prove a faithful, consecrated servant. He is deeply indebted to his family for the assistance and encouragement they have in every way given him. He is indebted to a host of Christian friends for the encouragement and fellowship they have shown him. He is indebted to the faculty of Luther Seminary for their guidance and instruction. ISAAC MELVIN ROTTO, born February 23, 1903, of John T. and Carrie (nee Kamrud) Rotto. Baptized and confirmed by Rev. A. O. Dolven. Attended Glenwood (Minn.) High School and graduated in 1921. That same fall he matriculated at Luther College and received the A.B. degree in 1925. After a year's stay at home, he became principal of public schools at Carbury, N. D., and the following year served in the same capacity at Newburg, N. D.

In May, 1928, he was united in marriage to Jonette Rafshol at Churchs Ferry, N. D., which union has been blessed with two children. In September, 1928, he entered Luther Theological Seminary in response to what he firmly believes was God's call. The call came first while at Luther College, but it was resisted until in the spring of 1928 when he realized that the only way to receive peace of soul was to prepare for the holy ministry. He is keenly aware of a multitude of shortcomings; conscious of his sinful nature, but rests all his hope on the Redemption wrought by his Savior, Jesus Christ. Having received and accepted a call from Berthold and Hartland, N. D. congregations, he now presents himself for ordination.

He remembers especially at this time his dear departed mother, who diligently sought to bring him up in the way of the Lord, and indelibly impressed upon him the gravity of sinning against God.

He is grateful to his father, whose wonderful Christian character is a constant source of inspiration, for wise counsel, admonition and guidance. And not least is he grateful to his wife who has encouraged him greatly during the three years of preparation. He remembers with thanksgiving his professors at Luther College and at the Seminary for inspiration by word and example. He extends his deep gratitude to his pastor; his home congregation, and all other friends for their prayers and encouragement.

And now he hopes that this congregation and all Christians will continue to remember him before the Throne of Grace, that he may receive an abundance of grace and strength from our Lord for the service in His vineyard.

TALBERT ROREM RONNING was born at Radcliffe, Iowa, October 5, 1899, while his parents, Rev. Halvor N. Ronning and wife, Hannah, missionaries to China were home on furlough. He was baptized the same month. His childhood days were spent in China. Shortly after the death of his mother the family left China and moved to Alberta, Canada, where he attended public school, high school, and university. He was confirmed by his father in November, 1916. When his father was called as evangelist, the family moved to Minneapolis, Minn. He then continued his education and graduated from St. Olaf College in 1926, and from Luther Theological Seminary last spring. He has taught at Camrose and Outlook Colleges in Canada.

It is his purpose if God permit to become a Christian missionary abroad. At present he has an official statement from the Foreign Mission Board that he is to be one of the first to be sent to China. While waiting for the opportune time to be sent, he believes that it is God's will that he accept the call to become the associate pastor of the Madison Lutheran Congregation, and to be teacher of religion at the Lutheran Normal School, Madison, Minn.

He wishes to take this opportunity to express his most sincere thanks first of all to God for His many blessings; to his father and step-mother, Gunhild, for the atmosphere of a truly Christian home; to his sisters and brothers for their Christian fellowship; to his pastor and teachers for their inspiration and instruction; to his relatives and friends for their encouragement and kindness.

It is with confession of his own unworthiness and insufficiency that he now applies for ordination into the holy office of the ministry, and it is also with the firm trust that Jesus Christ, who has called him, will supply the sufficiency. It is his most sincere request that his Church and friends unite with him in prayer to the Heavenly Father, that he may become a faithful servant, witness, and a winner of souls in the Kingdom of God.

JOHN ALFRED SHELDAHL was born on November 7, 1901, at Radcliffe, Iowa. His parents are John Sheldahl and Anna Mandsager Sheldahl.

He received his public school education in the public schools of Hamilton County, Iowa. He then attended Jewell Lutheran College, Jewell, Iowa, until the time when it was closed. He continued his studies at Red Wing Seminary, graduating from there in the spring of 1928.

Having received the assurance of God's call to him to enter the ministry, he applied for admission to Luther Theological Seminary, entering there in the fall of 1928 and graduating in the spring of 1931.

He feels himself, first of all, deeply thankful to his Heavenly Father for personal salvation through Jesus Christ, and for the call to enter the ministry. He also wishes to express his thanks for all who have helped him through these preparatory years, by prayer and by wise counsel. Especially does he feel himself thankful to his father and mother for the early knowledge of salvation alone through Jesus Christ, and for the training in the teachings of the Bible.

He has received a call to the congregation at and near Grenora, North Dakota, and upon this call now presents himself for ordination.

He acknowledges his own unworthiness to such a high calling, but feels assured

that God, whose servant he is, will prosper and bless the work He has called him to do.

He asks that the Christians will continue to pray for him personally and for the congregations among whom he shall minister.

Ordained: Estherville, Iowa, May 31, 1931.

JOSEPH C. SIMONSON was born in Amherst township near Lanesboro, Minnesota, on May 29, 1904. His parents, still living, are Ben and Betsey (nee Hemmah) Simonson. He was baptized and confirmed in the same church in which today he presents himself for ordination. The baptism was by the Rev. H. E. Rasmussen, for 25 years pastor of the Union Prairie Lutheran Church, and later he was confirmed in this baptismal vow by the Rev. P. J. Nestande, the present pastor. During the years prior to confirmation he attended summer religious school and attributes an unfolding realization of God's grace very largely to this influence and that of his church and his parents and brother Olvin in the home.

Upon completion of the work in the rural school he attended the Lanesboro High School for four years and enjoyed there many helpful contacts with both teachers and students. In the fall of 1921 he matriculated at St. Olaf College in Northfield, Minnesota. After partaking of the glorious heritage which this Lutheran church school gives its students both culturally and spiritually, he was graduated with the degree of B. A. in 1925. That same fall he entered upon his duties as secretary to Congressman Aug. H. Andresen, a service which was to last a trifle over three years.

In November, 1927, he was married to Sylvia J. Rusley in the Immanuel Lutheran Church of Forest City, Iowa, by the Rev. J. A. M. Hinderlie. This union has been fruitful of life's richest experiences; there has been kindly counsel, ready response and co-operation. A child born into this home has been a source of much joy and warmth.

From the age of 10 the ordinand has had a conviction that he should consecrate his life to the Lord. Through all his school years and secretarial work the call manifested itself in varying degrees. It was so unmistakable as time went on that he resigned his position in the fall of 1928 and was admitted as a student to Luther Theological Seminary in St. Paul, which is owned and operated by the Norwegian Lutheran Church of America. The three years there have been full of abundant experiences, understanding has been deepened, feeling widened, and vision cleared. There has ever been a consciousness of growing communion with and dependence upon God. The atoning sacrifice of Jesus Christ has become more clearly the only rock of salvation and hope to him. Having completed his course at the seminary this year, he was graduated with the degrees of C. T. and B. Th.

It has also become an experienced conviction with him that the confessions of the Lutheran Church correctly mirror the truth of the Bible, which is the only infallible rule of doctrine and Christian life. Feeling of a certainty that the American Lutheran Church in the coming years has a large opportunity to witness for Christ, he is happy over the prospect of devoting his years to service in the ministry of this Church. And having received and accepted a valid call from the Moreland Lutheran Church in Chicago, Illinois, to be its pastor, he accordingly presents himself for ordination into the holy ministry of the Evangelical Lutheran Church in the presence of God and the visible witnesses assembled here.

Mr. Simonson wishes to record his thankfulness to an Almighty and Loving God who has watched over him from infancy to the present moment. He is not unmindful of the very considerable blessing and help which has resulted from the sympathetic interest, encouragement and prayers of the family circles in which he has lived—both the family group into which he was born and that which was established by his own marriage. It is his prayer that God may wondrously deal with them all for this labor of love. Along the path of his life are many people who have aided him. These include friends, relatives, pastors, teachers, and fellow students, especially at the seminary. He has worshipped in many of our churches, as well as having given pastoral assistance in some of them. From this source too has come much inspiration and Christian friendliness. Upon all those who have shown interest in him he invokes the benediction of God. Standing immediately before the reality of serving as an Ambassador of God, he earnestly seeks the continued intercessions of all these, to the end that, though weak in his own powers, he may be made "strong in the Lord."

Ordained: Lanesboro, Minn., May 31, 1931.

ORVIN JASPER SKRUKRUD, son of Engebret K. and Anna (Bredeveien) Skrukrud, was born in Lanesboro, Minnesota, February 10, 1907.

His early education was received in the Lanesboro Public Schools, completing the high school course in the spring of 1924.

His religious training also began at an early age. He was baptized by Rev. N. A. Giere at Root Prairie Lutheran Church. Christian instruction he received, first in the home and later at Sunday school and a term of vacation religious school. After due instruction and preparation he was confirmed by Rev. P. J. Nestande, March 21, 1920.

After being graduated from high school, he entered Luther College and received the degree of Bachelor of Arts from that institution in 1928.

Although he had for a long time felt a desire to enter the ministry, it was not until his senior year at college that he made the definite decision to study theology. So in September, 1928 he entered Luther Theological Seminary. While at the Seminary the conviction has grown upon him that God has called him to the work. Therefore, having completed the course of study required, and having re-

ceived a call from the Maxbass English Lutheran, Holden, and Bethania Congregations at Maxbass, North Dakota, he presents himself for ordination.

On this, his ordination day he gives thanks to Almighty God, for guidance and strength throughout the years of preparation. It is with a thankful, yet humble heart fully realizing his many shortcomings that he today enters the ministry.

He would too at this time give thanks to his many relatives and friends who have in one way or other helped him on the way. Especially would he thank his parents for their unceasing love and encouragement, and his sister, whose unselfish, sacrificing love has made it possible for him to accomplish what he has. Then, too, his pastor friends, Rev. Nestande and Rev. Giere, whose encouragement and guidance have been so much appreciated.

Today, as he enters the work, he asks that the prayers of the congregation might ascend to the Mercy Seat above that he might receive Grace to carry on in the work to which God has called him.

Ordained: Lanesboro, Minn., June 28, 1931.

ARTHUR J. THORSON, son of Mr. and Mrs. Theo. O. Thorson, was born at Willmar, Minn., Feb. 2, 1903. As an infant he was baptized by Rev. O E. Heimdahl. In 1917 he was confirmed by Rev. J. N. Anderson. He graduated from Willmar High School in 1921. The next year was spent working on his uncle's farm. In the fall of 1922 he entered St. Olaf College and in 1926 he received his B. A. degree from that institution. The two years following were spent as principal of the Toronto High School, Toronto, S. D.

He had for many years felt a call to enter the Christian Ministry and in the fall of 1928 enrolled at Luther Theological Seminary to prepare for that calling. He graduated from that institution in May of this year.

He gratefully acknowledges the spiritual guidance that has been tendered him by parents, teachers and friends.

Having received a call to Grace and Richland Congregations at Willow Lake, S. D., he now presents himself as a candidate for ordination to the Holy Ministry.

May God's guidance continue with him in his work.

HARRY PALMER WALKER, oldest son of Mr. and Mrs. Ole H. Walker was born July 28, 1901 near Ferryville, Wis. The same year he was baptized in the West Prairie Lutheran Church by Rev. J. Aasheim.

In the spring of 1909 he moved with his parents to Mt. Sterling, Wis., where he was confirmed in the fall of 1916 by Rev. H. C. Smeby. After having completed the graded school and two years of high school in Mt. Sterling, he entered Luther College, from which institution he graduated on June 2, 1925.

During the years 1925-1928 he taught in the Ray High School, Ray, N. D.

The call to enter the ministry was felt intermittently throughout his college and teaching years. In the spring and summer of 1928 he became convinced that it was the gracious plan of God that he should enter the ministry. It was upon this call that he entered Luther Theological Seminary the fall of 1928, graduating on May 25, 1931.

On his ordination day he is especially thankful to his dear parents for their self-sacrifice and love, making it possible for him to receive a Christian education. He thanks also his pastors, teachers and friends for their encouragement and help. He is especially grateful to the Mt. Sterling Luther League for the financial assistance given him during his years at Luther Seminary, through their "Student Fund." But especially is he thankful to his Heavenly Father who has guided and protected him on his way.

With a deep feeling of his own unworthiness and insufficiency, but with a firm trust in God who has called him to the ministry, and having received a call from the Board of Home Missions of the Norwegian Lutheran Church of Canada, to congregations at Regina, Lajord and Craik in Saskatchewan, Canada, he humbly asks for the ordination of the Church.

Ordained: Mt. Sterling, Wis., June 28, 1931.

MORRIS WEE was born at Jackson, Minnesota, April 3, 1906. His parents were Rev. Mons Olsen Wee and Mary Elizabeth Nelson Wee. He was baptized by his father in May, 1906, and was confirmed by Rev. J. N. Kildahl in May, 1920.

The candidate attended public schools in Red Wing, Minneapolis, and St. Paul, Minnesota, and Kalispell, Montana and was

graduated in 1923 from St. Paul Mechanic Arts High School. In 1928 he received the degree of Bachelor of Arts from St. Olaf College, and this year completed the theological course at Luther Seminary.

Although from earliest childhood he was reared under Christian influence, it was not until his sophomore year at St. Olaf College that he surrendered himself to a life in Christ.

The candidate wishes to thank his many Christian teachers and classmates both at St. Olaf College and at Luther Theological Seminary for their guidance and help, Rev. John Trondtvedt and Evangelist H. N. Rønning for spiirtual encouragement in times of stress, and especially his parents who brought him to Christ in baptism, nurtured him in Christian faith by teaching and example, and who have by their love and sacrifices made it possible for him to attend school these years. He wishes also to thank God for His countless blessings and particularly for calling him into the work of the holy ministry, a calling for which the candidate feels himself unworthy.

Having accepted the call to become assistant pastor at Bethel Lutheran Church of Madison, Wisconsin, he now presents himself to the Church, seeking her ordination and blessing in the work of the ministry.

Ordained: Madison, Wis., September 20, 1931.

KENNETH I. WOLLAN was born at Duluth, Minnesota, May 5, 1906. His parents were Harold S. Wollan and Ingeborg Wollan.

He was baptized and confirmed in Our Saviour's Lutheran Church of West Duluth, Minn.

While attending the University of Minnesota, the conviction grew upon him that his field of service was in the Christian ministry, and therefore upon being graduated in 1928, he entered Luther Theological Seminary from which he was graduated in 1931.

He has received and accepted a call to serve as associate pastor of the United Lutheran Church, Grand Forks, N. D.

Ordained: Grand Forks, N. D., July 26, 1931.

(See notes next page)

Notes to pages 886 and 887

1 Figures in Group I for States, County and Municipal Governments are taken from the Literary Digest, Feb. 24, 1923.

2 Figures for Group II are supplied by Thomas Nelson and Sons Research No. 115,085. Thomas Nelson gives as totals for this item $21,045,000,000. I have left out non-commercialized sport, and added "Cosmetics," etc.

3 Figures for Religion in Group III are taken from John Price Corporation publication for 1929.

4 The population used is that supplied by the Bureau of Census direct for July 1st, 1930.

5 The total income for the nation for 1926 is taken from the National Bureau of Economic Research. Thomas Nelson gives the following figures: 1922: $65,567,000,000; 1923: $70,769,000,000; 1924: $79,365,000,000; 1925: $86,461,000,000; 1926: $89,682,000,000.

6 The figures here given are taken from the statement prepared by the Treasury Department, and submitted to Congress for its consideration of the tax problem.

7 It seems evident that the slump in corporation income affects the individual income, hence the total of the two numbers must not be taken as the TOTAL DROP. The largest number of individuals included in the group receive their income from the following sources: Stock Dividends, Interest on Bonds, Commission and Chance Gain (Speculation) with some high salaried Corporation Officials and a few professional men. Since about one half of the Nation's wealth is held by women, it is evident that the dividend and interest items make the largest reduction in the income.

8 Taken from Reader's Digest, June, 1931.

THE DELUGE STORY IN STONE

By Byron C. Nelson

This is a companion volume to his famous book, "After Its Kind." The present volume, "The Deluge Story in Stone," like its predecessor, "After Its Kind," proves the truth of the Biblical accounts of the Beginning. "After Its Kind" concerns itself with the Biblical account of the Creation, and "The Deluge Story in Stone" presents a great mass of evidence from geology and biology to substantiate or verify the Bible story of the great Deluge.

Like his first book, the new volume, "The Deluge Story in Stone," will prove immensely interesting and instructive reading. The book will be illustrated with many photographs and drawings.

PRAYER

By Dr. O. Hallesby

Another Hallesby-book in English published by Augsburg Publishing House!

The hearty reception that was accorded "Why I Am A Christian," our first Hallesby-book in the English translation, induced us to publish an English edition of another book by Dr. Hallesby, his instructive devotional study on prayer—"Fra Bønnens Verdens."

It is the general opinion that among Dr. Hallasby's books, none rank higher than "Fra Bønnens Verden." The translation is by Rev. C. J. Carlson who also translated for us "Why I Am a Christian."

THE SECOND COMING OF CHRIST

Meditations on the Book of Revelation

By Rev. Olav Lee, A.M., B.D.
Professor of Latin and Hebrew at St. Olaf College

Those who are interested in the study of the Book of revelation should find it helpful to confer with what Rev. Lee has written about this subject in his book, "The Second Coming of Christ." From October 1927 to August 1928, Rev. Lee gave a series of lectures on the Book of Revelation at the mid-week meetings of Bible Study and prayer at St. John's Church, Northfield, Minnesota. These lectures, revised and edited, are now to be presented to the public in a book.
